PERMIT CONDITIONS

PERMIT #

1. HOLD HARMLESS AGREEMENT

THE HAULER/OWNER AGREES TO THE FOLLOWING:
To the fullest extent allowed by law, **HAULER / OWNER** shall defend, indemnify, and hold harmless EL DORADO COUNTY and its officers, agents, employees and representatives from and against any and all claims, actions, losses, injuries, damages or expenses of every name, kind, and description, including litigation costs and reasonable attorney's fees incurred, brought for or on account of, injury to or death of any person, including but not limited to workers, El Dorado County employees, and the public, or damage to property, which arise out of, pertain to, or relate to, any authorized activities performed under this permit or are caused by the negligence, recklessness, or willful misconduct of **HAULER / OWNER**, its officers, agents, employees, volunteers, representatives, contractors and subcontractors. This duty of **HAULER / OWNER** includes the duty of defense, inclusive of that set forth in California Civil Code Section 2778. Each party shall notify the other party immediately in writing of any claim or damage related to activities performed under this Agreement. The parties shall cooperate with each other in the investigation and disposition of any claim arising out of the activities under this Agreement.

I HAVE READ, ACKNOWLEDGE AND AGREE TO ALL CONDITIONS OF THIS PERMIT.

Signature: **Company**:

Permit # : **Date:**

2. PILOT CAR AND EQUIPMENT

It shall be the responsibility of the permitee to ensure that pilot car vehicles and operators are equipped and briefed as to their duties prior to movement. Pilot cars shall be single vehicles with a minimum of 60 inches in width, and may operate with a nondestructive vertical clearance measuring device with height in excess of 14 feet.

Pilot cars shall be equipped with:

a. one each STOP/SLOW paddle;
b. one each orange vest, shirt or jacket;
c. one each red hand flag (18” x 18” minimum);
d. two-way radio communication between the pilot car(s) and the transporting vehicle;
e. Top-mounted flashing amber warning light(s). The light(s) shall be visible to the front when leading and to the rear when following, and shall be operated at all times when escorting a permit move. Lights shall be removed or covered with opaque material when not escorting movement described on Permit (25270 CVC);
f. Neat, clean and legible sign(s) visible from straight ahead or behind and to 45-degree either side thereof. The bottom of the sign(s) shall be a minimum of 48 inches above the ground. The sign shall read “OVERSIZE” when viewed front or rear. The more definitive signs reading “OVERSIZE LOAD”, “WIDE LOAD”, or “LONG LOAD” may be substituted for the “OVERSIZE” sign when appropriate. The sign shall have a bright yellow background with black lettering and have a minimum projected area of 440 square inches. The lettering shall have a one-inch minimum brush stroke with a six (6) inch minimum projected letter height.

3. PILOT CAR LOCATION AND RESPONSIBILITY

Pilot car(s) are required where indicated on the "Pilot Car Permit". When required, the permit shall list all highways where pilot car(s) are required.

A pilot car shall:

a. Precede the load on two- or three-lane conventional roads and follow on four or more lane conventional highways and divided highways. When two pilot cars are required, one shall precede and one shall follow;
b. Remain right of the centerline of the roadway at all times except when prevented by the physical limitations of the highway. The use of a pilot car does not grant to the permitee the right to pre-empt the opposing traffic lane. When it becomes necessary because of physical limitations of the highway to use a portion of the opposing traffic lane, the permit move shall not occupy that lane until it has been advised by the pilot car that the lane is clear of all on-coming traffic.
c. Opposing traffic is not to be stopped, except in extreme emergencies. It shall be the responsibility of the permit move to stop safely and wait until the opposing lane is free of traffic before proceeding;
d. Maintain proper interval between load and the pilot car to allow passing by other traffic.
e. Accompany the permitted load over all operational California Highway Patrol facilities.

A pilot car shall not:

a. Pre-empt opposing traffic.
b. Tow another vehicle while being used as a pilot car.
c. Display the STOP/SLOW sign paddle out of the window of a moving vehicle.
d. Stop opposing traffic except in extreme emergencies.
e. Convoy more than one load at the same time.

When necessary to post a flagger in order to warn and direct traffic the flagging shall be done in accordance with Title 8, Sections 1598 and 1599 of the California Division of Occupational Safety and Health Construction Safety Orders and Caltrans' "Manual of Traffic controls". Flaggers shall not be less than 18 years of age.
