Resolution No. 11-16-01

WHEREAS, the current date for election of members of the governing board of the Placerville Union School District ("District") is every two (2) years on the first Tuesday after the first Monday in November of odd-numbered years (e.g. November 2017) (Education Code section 5000 and Elections Code section 1302 (a)); and

WHEREAS, statewide general elections are held in California only in June and November of even-numbered years (e.g., November 2016) (Elections Code section 1001); and

WHEREAS, the District is located within El Dorado County; and

WHEREAS, generally voter turnout is greater for statewide general elections than for local elections, including school board member elections held in November of odd-numbered years; and

WHEREAS, California Senate Bill 415, an act (which may be cited to as the California Voter Participation Rights Act (herein "the Act")) to add Chapter 1.7 (commencing with Section 14050) to Division 14 of the Elections Code, was approved by the California Governor and filed with the Secretary of State on September 1, 2015.

WHEREAS, Commencing January 1, 2018, the Act prohibits a political subdivision from holding an election other than on a statewide election date (i.e. "off-cycle") if holding an election on a non-concurrent date has previously resulted in voter turnout for a regularly scheduled election in the political subdivision being at least 25% less than the average voter turnout within the political subdivision for the previous four statewide general elections.

WHEREAS, A political subdivision may, however, hold an off-cycle election if, by January 1, 2018, the political subdivision has adopted a plan to consolidate a future election with a statewide election not later than the November 8, 2022, statewide general election.

WHEREAS, The Act authorizes attorney's fees to a prevailing plaintiff who has appropriately filed an action in superior court to enforce the Act's prohibition.

WHEREAS, the District may achieve a savings in the cost of its elections, if the District's elections are consolidated with the statewide general elections; and

WHEREAS, as a result of these facts, the Board desires to change the date of future board member elections to be consolidated with the California statewide general election in order to save public funds and provide greater voter input into school board elections; and

WHEREAS, Elections Code 1302(b) establishes a procedure whereby the Board may change the election date for its board members by adopting a resolution seeking approval of the change by the Board of Supervisors of the affected county (Elections Code section 10404.5); and

WHEREAS, if the change in election date is approved, it is requested that the new election date be moved from the first Tuesday after the first Monday in November 2017 to the first Tuesday after the first Monday in November 2018 with board members whose terms would have expired in 2017 being extended to 2018 and board members whose terms would have expired in 2019 being extended to 2020 [*refer to Appendix A*].

NOW, THEREFORE, BE IT RESOLVED that the Governing Board hereby finds, determines and/or declares, as follows:

1. Each of the foregoing is true and correct.

2. The Governing Board declares its intent to adopt this resolution to consolidate the election date for members of the Board with the date for the California general election in November in even-numbered years (Elections Code section 1001) pursuant to Elections Code section 1302(b).

RESOLUTION #1 – 2017

THE WEST EL LARGO COMMUNITY SERVICE DISTRICT currently conducts Board elections in odd numbered years; and

VOTER participation could be greater and election costs could be lower if Board elections were held on the same day as statewide general elections, in even numbered years; and

DISTRICT elections are conducted under California's Uniform District Election Law, including Election Code section 10404, which authorizes special districts to adopt a resolution to consolidate their Board elections with the statewide general election, subject to County Board of Supervisor approval; and

THE District has provided public notices pursuant to Section 25151 of the Government Code of the proceedings in which this resolution is to be considered for adoption; and

THE District is located in El Dorado County;

THE Board of Directors of the WEST EL LARGO COMMUNITY SERVICE DISTRICT resolves that:

1. The above recitals are true and correct.
2. The Board hereby consolidates its currently occurring odd year Board Elections to occur regularly on the same date as statewide general elections occurring in even numbered years.
3. That all dates and other procedures pertaining to such elections shall be consistent with the primary or general election with respect to nominations, notices, canvass of votes, certification of election, and all other procedural requirements of the Elections Code pertaining to the primary or general election, in compliance with Elections Code section 10404(b)(1).
4. That this resolution shall take effect and be effective immediately, and shall be submitted to the El Dorado County Board of Supervisors no later than 240 days prior to the date of the currently scheduled 2017 District election.
5. That the District Board makes the following requests:
   a. That the El Dorado County Board of Supervisors notify all districts located in their county of the District's resolution to consolidate and request input from each district on the effect of consolidation
   b. That the El Dorado County Board of Supervisors authorize and direct their election officials to prepare and transmit to them impact analyses of the proposed consolidation, including reports on the cost-effectiveness of the proposed action.
   c. That the El Dorado County Board of Supervisors adopt a resolution to approve this Resolution within 60 days from the date of its submission and specify that henceforth, the District's Board elections shall occur regularly on the same date as statewide general elections occurring in even numbered years, with the first such election occurring on November 6, 2018, unless they find that their ballot styles, voting equipment or computer capacities are such that additional elections or materials cannot be handled.

d. That El Dorado County issue public notices of the proceedings in which their resolution is to be considered for adoption, pursuant to Section 25151 of the Government Code.

e. That if they approve the Resolution, the El Dorado County Board of Supervisors authorize and direct their election officials to deliver by mail at the District's expense, the payment which is hereby authorized, notice to all registered voters of the District within their jurisdiction of said approval.
