You must attend both 4-hour sessions of the class you select in order to receive a certificate of completion provided by the California Department of Motor Vehicles, which may qualify you for a discount on your auto insurance. (Check with your insurance company!)

Pre-registration is required. The ONLY WAY to pre-register is to **visit** the Senior Center or **call** the phone number provided below letting us know which session you want to attend. By state law the **maximum number allowed in each class is 30**. Class must have (15) participants signed up to attend 10-days before the scheduled start. Should the minimum number of participants not be met for the class, you will be notified. Otherwise I will see you in class.

The fee is **\$15 for current AARP member** or **\$20 for non-AARP members** and is due by the **first session of your class**. Please make your check **payable to 'AARP'**. **Cash, debit or credit cards cannot be accepted.**
