Bidwell State Historic Park, located in Chico, is a beautiful, three-story, 26 room Victorian House Museum that stands as a memorial to John and Annie Bidwell. John Bidwell was known throughout California and across the nation as a important pioneer, farmer, soldier, statesman, politician and Philanthropist. Annie Ellicott Kennedy Bidwell, the daughter of a socially prominent, high ranking Washington official, was deeply religious, and committed to a number of moral and social causes. Annie was very active in the suffrage and prohibition movements. When constructed, Bidwell Mansion featured the most modern plumbing, gas lighting and water systems. The overall style of this three-story brick structure is that of an Italian Villa with a informal, warmly romantic style. The building's exterior is finished with a pink tinted plaster. Your tour will consist of three floors, including approximately 50 steps. The two upper levels are only accessible by stairs. For those visitors unable to climb stairs, an open-captioned video of the 2nd and 3rd floors may be viewed in the visitor's center. Lunch at Italian Cottage is at 1:30 pm, so bring a small snack. Depart from Raley's in Placerville at 8:00 am and Raley's in El Dorado Hills at 8:30 am. Return at approximately 7:00/7:30 pm.
