**TOPICS:**

1. Dan Bolster of EDCTC presented the ATP (Active Transportation Program) plan to apply for a grant for a collapsed safe route to school. This would be a **CADEX** project with no earth being moved. A proposed project is to provide a bike lane from Prospector Plaza to El Dorado Road. A second proposal would be a class 2 bike lane from Fowler to Lumpy Lane along Pleasant Valley Road.

We have until May 21<sup>st</sup> to submit the grant application for the 1<sup>st</sup> round to the state.

Construction would begin June 20, 2016 with El Dorado County providing the manpower.

Larry Patterson is word-smithing a final version of the DSEDCAC's support for the feasibility of applying for ATP funds which encourage mobility access.

Motion was made to approve support for Multi-use/shared use paths by Erik Peterson & 2<sup>nd</sup> by Greg Webb.

Vote was taken and passed 5-0.

2. Bob Smart passed out copies of the Mixed-use Design Manual from Shawna Purvines. We have been asked to review this specific section of the DEIR. It will be added to next month's agenda.
  
3. Local Issue: Marilyn Schmidt and Dorothy Wiley attended the meeting to talk about the problem of the Senior Feeding program being unable to use the Lion's Hall due to the failure of the roof. They have temporarily been using the Fairgrounds, but will have to vacate for the fair. They are looking for help in locating a location where their clients can find them. Ren Scammon of the EDC Health and Human Services Department, who was attending as a resident, offered to aid the ladies in contacting help.
  
4. Response from Supervisor Veerkamp's assistant, Kathy Withrow after attending the March 20<sup>th</sup> Community Advisory Meeting.
  - 4.1. It was decided that we should ask to attend any TAC meetings which deal with Diamond Springs or El Dorado.
  - 4.2. We'd like to have a point of contact e-mail listed on the County website.
  - 4.3. We need response from Roger Trout acknowledging our submissions to Planning.
  - 4.4. Review this letter again at the May meeting.
  
5. Invite the Taylors to attend next meeting to thank them for the painting of the wall at Pearl Place.
  
6. Bob Smart reported that CEDAC is working on the web portal and is in a transitional stage.

Meeting adjourned at 7:50.
