CORRESPONDENCE-Email concerning Hwy 49 R/W clearance delivered to Caltrans and Caltrans positive response

TOPICS The following notes were taken at the meeting and are accepted as our meeting minutes for 3-19-15: Rod Pimental: Concern over drainage in El Dorado

Intersection of Por Red's and Hwy 49 - falling apart - Caltrans

Pedestrian crossing - get with Don Spear and Gary

Speed limit in El Dorado and Forni/Pleasant Valley Rd intersection - quick 40 mph transition.

Get Don Spear, EDC Trans Div and Caltrans here for the next meeting

Logtown guy on website posts projects or nothing if nothing going on -

audience member comment - I think the discussion was around having the County do something similar - post all projects in an easy to find location

Michael Ranalli: Talked about: Visioning - Historic Design Guidelines/DS & ED have them? In TGOA/ZOU? - Missouri Flat Design Guidelines - there are no design guidelines for the college area. Put info on each district's website (except we don't have a website, we have a very limited web page.)

Brian Veerkamp: Strategically working on County processes - working on a cohesive strategic plan that will guide all of our decisions moving forward.

Richard Boylan idea - Regional park south of Pleasant Valley Rd - utilizing oak woodlands to offset payments??

Nadia Bell: shared her roll with the Youth Commission and their survey project. It was mentioned that we could develop some sort of "shadow day" where youth can see some of our in-home remote workers to get a better feel for job opportunities if they stay in EDC. Nadia mentioned that her home situation is exactly that - rural with a work from home parent.
