931 Spring Street, Placerville, CA 95667 (530) 621-6156 / Fax (530) 626-4713

**To:** Local Providers

**From:** Olivia Kasirye, MD, MS  
El Dorado County Health Officer

**Date:** January 19, 2011

**Subject: Updated Confidential Morbidity Reports (CMR)**

**Dear Healthcare Provider:**

All physicians and health care providers in El Dorado County are required to report the specified conditions so we can contact the patients as needed to limit spread of the disease, issue appropriate public health alerts and coordinate intervention, and track disease trends. Reporting is not only vital for public health, but it's also mandated by California state law (CCR Title 17, §2500).

**The California Department of Public Health has updated their CMR forms and has asked that we begin using the new forms immediately.** There are three CMR forms and their uses are described below:

CDPH 110 A Use this form for reporting all conditions except Tuberculosis and conditions reportable to DMV.

CDPH 110 B Only use this form for reporting Tuberculosis.

CDPH 110 C Use this form for reporting lapses of consciousness or control, Alzheimer's disease or other conditions which may impair the ability to operate a motor vehicle safely (persuant to H&S 103900).

Please fill out the forms as completely as possible. The data that you provide helps us manage the health of our community. All forms can be found at the California Department of Public Health website under the tab forms. <http://www.cdph.ca.gov/pubsforms/forms/Pages/CD-Report-Forms.aspx>

Thank you for your cooperation and should you have any questions, please feel free to contact me.

Sincerely,

Olivia C. Kasirye, M.D, M.S  
El Dorado County Health Officer
