## Policy Manual

### **MESSAGE FROM THE SHERIFF**

Any organization is only as good as the personnel that are a part of it. Here in El Dorado County, our employees and volunteers really are our most valuable resource. For us to be effective, we must provide guidance, direction and leadership, in the form of policies and procedures, in order to accomplish our mission.

This policy manual is a living document that is subject to constant change. New laws, court decisions, County policies, new methodologies and other factors, dictate the need for a continual review of these policies, initiating revisions where necessary and appropriate.

It must be kept in mind that no set of policies, no matter how complete, can hope to address all the situations we may encounter in policing. Therefore, it follows that there will be situations that occur that must be left to the good judgment and discretion of the person involved. This judgment and discretion must be employed with sound reason.

It is every employee's responsibility and duty, to become thoroughly familiar with the contents of this manual. Employees are further responsible for the upkeep and maintenance of their individual copy, including keeping current as updates are made.

Upon distribution of this manual, all other existing manuals, orders and regulations that are in conflict are hereby revoked. Any policies not covered in this manual remain valid.

### **Law Enforcement Code of Ethics**

As a law enforcement officer, my fundamental duty is to serve the community; to safeguard lives and property; to protect the innocent against deception, the weak against oppression or intimidation and the peaceful against violence or disorder; and to respect the constitutional rights of all to liberty, equality and justice.

I will keep my private life unsullied as an example to all and will behave in a manner that does not bring discredit to me or to my agency. I will maintain courageous calm in the face of danger, scorn or ridicule; develop self-restraint; and be constantly mindful of the welfare of others. Honest in thought and deed both in my personal and official life, I will be exemplary in obeying the law and the regulations of my department. Whatever I see or hear of a confidential nature or that is confided to me in my official capacity will be kept ever secret unless revelation is necessary in the performance of my duty.

I will never act officiously or permit personal feelings, prejudices, political beliefs, aspirations, animosities or friendships to influence my decisions. With no compromise for crime and with relentless prosecution of criminals, I will enforce the law courteously and appropriately without fear or favor, malice or ill will, never employing unnecessary force or violence and never accepting gratuities.

I recognize the badge of my office as a symbol of public faith, and I accept it as a public trust to be held so long as I am true to the ethics of police service. I will never engage in acts of corruption or bribery, nor will I condone such acts by other police officers. I will cooperate with all legally authorized agencies and their representatives in the pursuit of justice.

I know that I alone am responsible for my own standard of professional performance and will take every reasonable opportunity to enhance and improve my level of knowledge and competence.

I will constantly strive to achieve these objectives and ideals, dedicating myself before God to my chosen profession . . . law enforcement.

Except where otherwise expressly stated, the provisions of this manual shall be considered as guidelines. It is recognized, however, that police work is not always predictable and circumstances may arise which warrant departure from these guidelines. The El Dorado County Sheriff's Office Department reserves the right to revise any policy content, in whole or in part.

### *Organizational Structure and Responsibility*

---

#### **200.3 COMMAND PROTOCOL**

##### **200.3.1 UNITY OF COMMAND**

The principles of unity of command ensure efficient supervision and control within the Department. Generally, each employee shall be accountable to one supervisor at any time for a given assignment or responsibility. Except where specifically delegated authority may exist by policy or special assignment (e.g., K-9, SWAT), any supervisor may temporarily direct any subordinate if an operational necessity exists.

##### **200.3.2 ORDERS**

Members shall respond to and make a good faith and reasonable effort to comply with the lawful order of superior officers and other proper authority.

## **INFORMATION BULLETIN**

### **201.1 PURPOSE AND SCOPE**

In order to improve administrative and Office-wide communication the "Information Bulletin" has been created. It should decrease current Office-wide or group emails that are not screened or approved by the Office of the Sheriff.

### **201.2 POLICY**

The Information Bulletin will be used periodically to announce and document various activities or information that may be helpful to all staff members. Examples of information which may be distributed are as follows:

- Staff transfers
- Welcome/promotion ceremonies
- Separations
- Recruitment/appointment to specialized positions
- Recruitment for promotions
- Administrative information/announcements
- Training opportunities
- Office functions/events

All information bulletins are managed and distributed by the Sheriff's Executive Secretary.

## **Chain of Command**

### **203.1 PURPOSE AND SCOPE**

The chain of command is the formal channel that determines authority, responsibility and communications. The chain-of-command relationship is viewed as a series of superior/subordinate relationships. Starting at the top of the organization and progressing down to the field, the managerial chain of command can be viewed as a pyramid. Each individual is (or should be) subject to the direct command of only one superior.

### **203.2 POLICY**

All members in the El Dorado Sheriff's Office will adhere to the chain of command. Members shall acquaint themselves with positions identified in their respective chain of command and shall afford deference and respect to persons occupying supervisory/management positions.

- (a) Exceptions are those specifically authorized by the Sheriff or his designee, or those where bypassing the chain of command may be justified by the critical nature of the problem.
- (b) To ensure good order and the coordination of department business, orders and instructions shall be communicated downward through the chain of command to respective operational components.
  - 1. Requests to contact supervisors/managers not next in the chain for official purposes shall be transmitted up the chain of command through succeeding managerial levels.
- (c) If the chain of command is not operating properly, or is hampered by personality problems, it will be the responsibility of the next higher-level authority in the chain of command to correct the problem and take disciplinary action when appropriate.

### **OPEN DOOR POLICY**

Our management philosophy provides that Sheriff, Undersheriff, and all managers and supervisors will have an open door policy for all of our members. The open door policy provides members that opportunity to contact any level of supervisor/manager, etc., for the discussion of philosophies, personal problems, and general contact with those leaders where contact is not otherwise available. The open door policy is not for avoiding or sidestepping the chain of command or bypassing immediate supervisors. Each manager and supervisor is charged with responding to all members with any issue particular to the member, but not with day to day issues. As many issues may combine personal issues with day to day issues, the supervisor/manager will refer a member to the appropriate individual for any issues pertinent to day to day issues.

## **Policy Directive**

### **204.1 PURPOSE AND SCOPE**

Policy Directives establish an inter-departmental communication that may be used by the Sheriff to make immediate changes to policy and procedure consistent with the current Memorandum of Understanding and as permitted by Government Code § 3500 et seq. Policy Directives will immediately modify or change and supersede sections of this manual to which they pertain.

#### **204.1.1 POLICY DIRECTIVE PROTOCOL**

Policy Directives will be incorporated into the manual as required upon approval of Staff. Policy Directives will modify existing policies or create a new policy as appropriate and will be rescinded upon incorporation into the manual.

All existing Policy Directives have now been incorporated in the updated Policy Manual as of the below revision date.

Any Policy Directives issued after publication of the manual shall be numbered consecutively starting with the last two digits of the year, followed by the number "01" For example, 08-01 signifies the first Policy Directive for the year 2008.

### **204.2 RESPONSIBILITIES**

#### **204.2.1 STAFF**

The staff shall review and approve revisions of the Policy Manual, which will incorporate changes originally made by a Policy Directive.

#### **204.2.2 SHERIFF**

The Sheriff shall issue all Policy Directives.

## **Emergency Management Plan**

### **206.1 PURPOSE AND SCOPE**

The County has prepared an Emergency Management Plan for use by all employees in the event of a major disaster or other emergency event. The plan provides for a strategic response by all employees and assigns specific responsibilities in the event that the plan is activated (Government Code § 8610).

### **206.2 ACTIVATING THE EMERGENCY PLAN**

The Emergency Management Plan can be activated in a number of ways. For the Sheriff's Office, the Sheriff or the highest ranking official on duty may activate the Emergency Management Plan in response to a major emergency.

#### **206.2.1 RECALL OF PERSONNEL**

In the event that the Emergency Management Plan is activated, all employees of the El Dorado County Sheriff's Office are subject to immediate recall. Employees may also be subject to recall during extraordinary circumstances as deemed necessary by the Sheriff or the authorized designee.

Failure to promptly respond to an order to report for duty may result in discipline.

### **206.3 LOCATION OF MANUALS**

The manual for the employees is available in Administrative Services and the Shift Sergeant's office. All supervisors should familiarize themselves with the Emergency Management Plan and what roles police personnel will play when the plan is implemented.

### **206.4 UPDATING OF MANUALS**

The Sheriff or designee shall review the Emergency Management Plan Manual at least once every two years to ensure that the manual conforms to any revisions made by the National Incident Management System (NIMS) and the Standardized Emergency Management System (SEMS) and should appropriately address any needed revisions.

## **Training Policy**

### **208.1 PURPOSE AND SCOPE**

### **208.2 PHILOSOPHY**

The Department seeks to provide ongoing training and encourages all personnel to participate in advanced training and formal education on a continual basis. - (b) Increase the technical expertise and overall effectiveness of our personnel
- (c) Provide for continued professional development of department personnel

- Legislative Changes
- State Mandated Training
- Critical Issues Training

### **208.5 TRAINING NEEDS ASSESSMENT**

The Training Section will conduct an annual training-needs assessment of the Department. The needs assessment will be reviewed by staff. Upon approval by the staff, the needs assessment will form the basis for the training plan for the fiscal year.

### **208.6 TRAINING COMMITTEE**

The Training coordinator shall establish a Critical Incident Team/Training Committee, which will serve to assist with identifying training needs for the Department.

The Critical Incident Team/Training Committee shall be comprised of at least three members, with the senior ranking member of the committee acting as the chairperson. Members should be selected based on their abilities at post-incident evaluation and at assessing related training needs. The Training coordinator may remove or replace members of the committee at his/her discretion.

# El Dorado County Sheriff's Office

## Policy Manual

### *Training Policy*

---

The Critical Incident Team/Training Committee should review certain incidents to determine whether training would likely improve future outcomes or reduce or prevent the recurrence of the undesirable issues related to the incident. Specific incidents the Critical Incident Team/Training Committee should review include, but are not limited to:

- (a) Any incident involving the death or serious injury of an employee.
- (b) Incidents involving a high risk of death or serious injury.
- (c) Incidents identified by a supervisor as appropriate to review to identify possible training needs.

The Critical Incident Team/Training Committee should convene on a regular basis as determined by the Training coordinator to review the identified incidents. The committee shall determine by consensus whether a training need exists and then submit written recommendations of its findings to the Training Lieutenant. The recommendation should not identify specific facts of any incidents, such as identities of employees involved or the date, time and location of the incident, but should focus on the type of training being recommended.

The Training Lieutenant will consider the recommendations of the committee and determine what training should be addressed, taking into consideration the mission of the Department and available resources.

### **208.7 TRAINING PROCEDURES**

- (a) All employees assigned to attend training shall attend as scheduled unless previously excused by their immediate supervisor. Excused absences from mandatory training should be limited to the following:
  - 1. Court appearances

## Electronic Mail

### **212.1 PURPOSE AND SCOPE**

The purpose of this policy is to establish guidelines for the proper use and application of electronic mail (e-mail) by employees of this department. E-mail is a communication tool available to employees to enhance efficiency in the performance of job duties and is to be used in accordance with generally accepted business practices and current law (e.g., California Public Records Act).

### **212.2 E-MAIL RIGHT OF PRIVACY**

All e-mail messages, including any attachments, that are transmitted over department networks are considered department records and therefore are department property. The Department reserves the right to access, audit or disclose, for any lawful reason, any message including any attachment that is transmitted over its e-mail system or that is stored on any department system.

The e-mail system is not a confidential system since all communications transmitted on, to or from the system are the property of the Department. Therefore, the e-mail system is not appropriate for confidential communications. If a communication must be private, an alternative method to communicate the message should be used instead of e-mail. Employees using the Department's e-mail system shall have no expectation of privacy concerning communications utilizing the system.

Employees should not use personal accounts to exchange e-mail or other information that is related to the official business of the Department.

### **212.3 PROHIBITED USE OF E-MAIL**

Sending derogatory, defamatory, obscene, disrespectful, sexually suggestive and harassing or any other inappropriate messages on the e-mail system is prohibited and may result in discipline.

E-mail messages addressed to the entire department are only to be used for official business related items that are of particular interest to all users and must be approved by the Sheriff or a Division Commander. Personal advertisements are not acceptable.

It is a violation of this policy to transmit a message under another user's name. Users are strongly encouraged to log off the network when their computer is unattended. This added security measure would minimize the misuse of an individual's e-mail, name and/or password by others.

### **212.4 PERSONAL USE OF E-MAIL**

Incidental personal use of the Department's e-mail system is permitted as long as it is not excessive and does not degrade the performance of services or interfere with the Departments normal business practices and the performances of the employee's business tasks. Employees must exercise sound judgment and sensitivity to others when exchanging personal messages in the workplace.

### **212.5 UNION USE OF E-MAIL**

Union members may use the Department e-mail for Union business so long as:

- (b) The subject line of the e-mail shall read: "Association Business";
- (c) All e-mail usage shall be consistent with this policy and the El Dorado County Computer and Network Resource Usage Policies.

#### **212.6 MANAGEMENT OF E-MAIL**

The e-mail system retains messages indefinitely. Messages may be automatically or manually archived depending on user settings. Auto-archive improves overall e-mail system efficiency but does not affect the actual retention of an e-mail message, only its storage location. Users should delete all unnecessary messages manually. All deleted messages are unrecoverable 365 days from original deletion date. Messages that should become part of an official record should be printed and filed accordingly.

## **Administrative Communications**

  - 1. Consuming any alcoholic beverage while armed.
  - 2. Falsely representing him or herself as a peace officer.
  - 3. Unjustified or unreasonable displaying of a weapon.
  - 4. Committing any crime.
  - 5. Being under the influence of any alcoholic beverage.
  - 6. Interfering with any law enforcement officer's duties.
  - 7. Carrying a weapon is not authorized when the holder of the permit is under the influence of any narcotics, or any other medications which can impair judgement.

- (b) The Sheriff reserves the right to inspect any license or licensed weapon at any time.
- (c) Any ammunition carried in a weapon licensed to be carried concealed, may be inspected and approved by the Sheriff's Office Armorer/Rangemaster or Sheriff's Office approved armorer.
- (d) The alteration of any previously approved weapon without approval of the Sheriff or his designee including, but not limited to adjusting trigger pull, or other mechanical modifications shall void any license and serve as grounds for revocation. Changing sights or adding laser sights are acceptable changes.

#### **218.5.2 AMENDMENTS TO LICENSES**

Any licensee may apply to amend a license at any time during the period of validity by completing and submitting a written Application for License Amendment along with the current processing fee to the Sheriff's Office in order to accomplish one or more of the following:

- (a) Add or delete authority to carry a firearm listed on the license
- (b) Change restrictions or conditions previously placed on the license
- (c) Change the address or other personal information of the licensee

In the event that any amendment to a valid license is approved by the Sheriff, a new license will be issued reflecting the amendment(s). An amendment to any license will not serve to extend the original expiration date and an application for an amendment will not constitute an application for renewal of the license.

#### **218.5.3 REVOCATION OF LICENSES**

Any license issued pursuant to this policy may be immediately revoked by the Sheriff for any of the following reasons:

- (a) If the licensee has violated any of the restrictions or conditions placed upon the license

- (d) If the licensee engages in any conduct which involves a lack of good moral character or might otherwise remove the good cause for the original issuance of the license
- (e) If the licensee establishes residency outside of El Dorado County.

The issuance of a license by the Sheriff shall not entitle the holder to either a property or liberty interest as the issuance, amendment or revocation of such license remains exclusively within the discretion of the Sheriff as set forth herein.

If any license is revoked, the Department will immediately notify the licensee and the Department of Justice pursuant to Penal Code § 26225.

#### **218.5.4 LICENSE RENEWAL**

No later than ninety (90) days prior to the expiration of any valid license to carry a concealed weapon, the licensee may apply to the Sheriff for a renewal by completing the following:

- (a) Verifying all the information submitted in the original application under penalty of perjury.

#### **218.7 CONFIDENTIAL RECORDS**

The home address and telephone numbers of any peace officer, magistrate, commissioner or judge contained in any application or license shall not be considered public record (Government Code § 6254(u)(2)).

Any information in any application or license which tends to indicate when or where the applicant is vulnerable to attack or that concerns the applicant's medical or psychological history or that of his/her family shall not be considered public record (Government Code § 6254(u)(1)).

#### **220.6 DENIAL OR REVOCATION OF STATE CCW ENDORSEMENT**

The CCW endorsement under Penal Code § 25470 for any deputy retired from this department may be denied or permanently revoked only upon a showing of good cause. Any denial or revocation under this section shall also be considered disqualification under 18 USC § 926C(d). The CCW endorsement may be immediately and temporarily revoked by the Shift Sergeant when the conduct of a retired peace officer compromises public safety. Good cause, if challenged, shall be determined in the following manner:

- (a) In the event that a CCW endorsement is initially denied, the retired deputy shall have 15 days from the date of denial to request a formal hearing. The failure to submit a timely written request for a hearing shall be deemed a waiver of such right. The hearing, absent written agreement between the parties, shall be held no later than 120 days after the request is received.
- (b) Prior to revocation of any CCW endorsement, the Department shall provide the affected retiree with written notice of a hearing by either personal service or first class mail, postage prepaid, return receipt requested to the retiree's last known address (Penal Code § 26315).

1. The decision of such hearing board shall be binding on the Department and the retiree.
  2. Any retiree who waives the right to a hearing or whose CCW endorsement has been revoked at a hearing shall immediately surrender his/her identification card. The Department will then reissue a new identification card which shall be stamped No CCW Privilege .

#### **220.6.1 SHIFT SERGEANT RESPONSIBILITY**

Employees who have reason to suspect a retiree's conduct has compromised public safety should notify the Shift Sergeant as soon as practical. The Shift Sergeant should take the following steps in these instances:

- (a) Take appropriate steps to promptly look into the matter.
- (b) If warranted, contact the retiree in person and advise him/her in writing of the following:
1. The retiree's CCW endorsement is immediately and temporarily revoked.
  2. The retiree will have 15 days to request a hearing to determine whether the temporary revocation should become permanent.

3. The retiree will forfeit his/ her right to a hearing and the CCW endorsement will be permanently revoked if the retiree fails to respond to the notice of hearing within the 15-day period.
  - (c) A current copy of Penal Code §§ 26305, 26312 and 26315 should be attached to the written notice.
  - (d) In the event that personal contact with the retiree cannot be reasonably achieved in a timely manner, the Shift Sergeant should attempt to make the above notice of temporary suspension through another peace officer. For example, if a retiree was arrested or detained by a distant agency, the Shift Sergeant may request that a peace officer of that agency act as the Department's agent to deliver the written notification.
  - (e) Notification of the temporary suspension should also be promptly mailed to the retiree via first class mail, postage prepaid, return receipt requested (Penal Code § 26312).
  - (f) The Shift Sergeant should document in a memo the investigation, the actions taken, and, if applicable, any notification made to the retiree. The memo should be forwarded to the Sheriff.

# **Donation / Gift Acceptance Policy**

## **221.1 PURPOSE AND SCOPE**

From time to time, civic minded citizens, service groups and businesses offer gifts and donations to the Sheriff's Office. Such gifts and donations can help expand important services and programs that we can provide to the community. These gifts and donations take many forms including cash with or without a designated purpose, or new or used equipment.

### **221.1.1 POLICY**

All requests to receive a gift or donation shall be forwarded through the chain of command to the Office of the Sheriff for review and approval. The decision to accept donations or gifts rests with the Sheriff. Acceptance of the gift or donation shall result in a clear benefit, and be consistent with priorities, goals and objectives of the Sheriff's Office.

If approved, the gift or donation shall not be automatically construed to result in publicity, advertisement, or promotional use. Any decision to publicize the donation shall be examined on the individual circumstance. The Sheriff will screen all donation proposals for potential conflicts of interest and the possibility of negative publicity. A letter shall be prepared acknowledging receipt of the donation and expressing gratitude on behalf of the Sheriff's Office.

This policy applies to all areas and divisions of the Sheriff's Office, including volunteer groups, specialized sections, support organizations, or any other group associated with the Sheriff's Office or which would be the source funds, equipment or any other items contributed to any Sheriff's Office operation. Accepting a gift or donation without proper approval is grounds for discipline.

## Restraint Devices

### 306.1 PURPOSE AND SCOPE

This policy provides guidelines for the use of handcuffs and other restraints during detentions and arrests.

### 306.2 POLICY

The El Dorado County Sheriff's Office authorizes the use of restraint devices in accordance with this policy, the Use of Force Policy and department training. Restraint devices shall not be used to punish, to display authority or as a show of force.

### 306.3 USE OF RESTRAINTS

Only members who have successfully completed El Dorado County Sheriff's Office-approved training on the use of restraint devices described in this policy are authorized to use these devices.

When deciding whether to use any restraint, deputies should carefully balance officer safety concerns with factors that include, but are not limited to:

- The circumstances or crime leading to the arrest.
- The demeanor and behavior of the arrested person.
- The age and health of the person.
- Whether the person is known to be pregnant.
- Whether the person has a hearing or speaking disability. In such cases, consideration should be given, safety permitting, to handcuffing to the front in order to allow the person to sign or write notes.
- Whether the person has any other apparent disability.

#### 306.3.1 RESTRAINT OF DETAINEES

Situations may arise where it may be reasonable to restrain an individual who may, after brief investigation, be released without arrest. Unless arrested, the use of restraints on detainees should continue only for as long as is reasonably necessary to assure the safety of deputies and others. When deciding whether to remove restraints from a detainee, deputies should continuously weigh the safety interests at hand against the continuing intrusion upon the detainee. Detainees should be restrained in the least restrictive manner that is effective for the deputy and detainee.

#### 306.3.2 RESTRAINT OF PREGNANT PERSONS

Persons who are known to be pregnant should be restrained in the least restrictive manner that is effective for officer safety and in no event shall these persons be restrained by the use of leg irons, waist chains or handcuffs behind the body.

No person who is in labor, delivery or recovery after delivery shall be handcuffed or restrained except in extraordinary circumstances and only when a supervisor makes an individualized determination that such restraints are necessary for the safety of the arrestee, deputies or others (Penal Code § 3407; Penal Code § 6030).

#### **306.3.3 RESTRAINT OF JUVENILES**

A juvenile under 14 years of age should not be restrained unless he/she is suspected of a dangerous felony or when the deputy has a reasonable suspicion that the juvenile may resist, attempt escape, injure him/herself, injure the deputy or damage property.

#### **306.3.4 NOTIFICATIONS**

Whenever a deputy transports a person with the use of restraints other than handcuffs, the deputy shall inform the jail staff upon arrival at the jail that restraints were used. This notification should include information regarding any other circumstances the deputy reasonably believes would be potential safety concerns or medical risks to the subject (e.g., prolonged struggle, extreme agitation, impaired respiration) that may have occurred prior to, or during transportation to the jail.

#### **306.4 APPLICATION OF HANDCUFFS OR PLASTIC CUFFS**

Handcuffs, including temporary nylon or plastic cuffs, may be used only to restrain a person's hands to ensure officer safety.

Although recommended for most arrest situations, handcuffing is discretionary and not an absolute requirement of the Department. Deputies should consider handcuffing any person they reasonably believe warrants that degree of restraint. However, deputies should not conclude that in order to avoid risk every person should be handcuffed, regardless of the circumstances.

In most situations handcuffs should be applied with the hands behind the person's back. When feasible, handcuffs should be double-locked to prevent tightening, which may cause undue discomfort or injury to the hands or wrists.

In situations where one pair of handcuffs does not appear sufficient to restrain the individual or may cause unreasonable discomfort due to the person's size, deputies should consider alternatives, such as using an additional set of handcuffs or multiple plastic cuffs.

Handcuffs should be removed as soon as it is reasonable or after the person has been searched and is safely confined within a detention facility.

#### **306.5 APPLICATION OF SPIT HOODS/MASKS/SOCKS**

Spit hoods/masks/socks are temporary protective devices designed to prevent the wearer from biting and/or transferring or transmitting fluids (saliva and mucous) to others.

Spit hoods may be placed upon persons in custody when the deputy reasonably believes the person will bite or spit, either on a person or in an inappropriate place. They are generally used during application of a physical restraint, while the person is restrained, or during or after transport.

Deputies utilizing spit hoods should ensure that the spit hood is fastened properly to allow for adequate ventilation and that the restrained person can breathe normally. Deputies should provide assistance during the movement of restrained individuals due to the potential for impaired or distorted vision on the part of the individual. Deputies should avoid comingling individuals wearing spit hoods with other detainees.

Spit hoods should not be used in situations where the restrained person is bleeding profusely from the area around the mouth or nose, or if there are indications that the person has a medical condition, such as difficulty breathing or vomiting. In such cases, prompt medical care should be obtained. If the person vomits while wearing a spit hood, the spit

hood should be promptly removed and discarded. Persons who have been sprayed with oleoresin capsicum (OC) spray should be thoroughly decontaminated including hair, head and clothing prior to application of a spit hood.

Those who have been placed in a spit hood should be continually monitored and shall not be left unattended until the spit hood is removed. Spit hoods shall be discarded after each use.

#### **306.6 APPLICATION OF AUXILIARY RESTRAINT DEVICES**

Auxiliary restraint devices include transport belts, waist or belly chains, transportation chains, leg irons and other similar devices. Auxiliary restraint devices are intended for use during long-term restraint or transportation. They provide additional security and safety without impeding breathing, while permitting adequate movement, comfort and mobility.

Only department-authorized devices may be used. Any person in auxiliary restraints should be monitored as reasonably appears necessary.

#### **306.7 APPLICATION OF LEG RESTRAINT DEVICES**

Leg restraints may be used to restrain the legs of a violent or potentially violent person when it is reasonable to do so during the course of detention, arrest or transportation. Only restraint devices approved by the Department shall be used.

In determining whether to use the leg restraint, deputies should consider:

- (a) Whether the deputy or others could be exposed to injury due to the assaultive or resistant behavior of a suspect.
- (b) Whether it is reasonably necessary to protect the suspect from his/her own actions (e.g., hitting his/her head against the interior of the patrol unit, running away from the arresting deputy while handcuffed, kicking at objects or deputies).
- (c) Whether it is reasonably necessary to avoid damage to property (e.g., kicking at windows of the patrol unit).

##### **306.7.1 GUIDELINES FOR USE OF LEG RESTRAINTS**

When applying leg restraints the following guidelines should be followed:

- (a) If practicable, deputies should notify a supervisor of the intent to apply the leg restraint device. In all cases, a supervisor shall be notified as soon as practicable after the application of the leg restraint device.
- (b) Once applied, absent a medical or other emergency, restraints should remain in place until the deputy arrives at the jail or other facility or the person no longer reasonably appears to pose a threat.
- (c) Once secured, the person should be placed in a seated or upright position, secured with a seat belt, and shall not be placed on his/her stomach for an extended period, as this could reduce the person's ability to breathe.
- (d) The restrained person should be continually monitored by a deputy while in the leg restraint. The deputy should ensure that the person does not roll onto and remain on his/her stomach.
- (e) The deputy should look for signs of labored breathing and take appropriate steps to relieve and minimize any obvious factors contributing to this condition.
- (f) When transported by ambulance/paramedic unit, the restrained person should be accompanied by a deputy when requested by medical personnel. The transporting

deputy should describe to medical personnel any unusual behaviors or other circumstances the deputy reasonably believes would be potential safety or medical risks to the subject (e.g., prolonged struggle, extreme agitation, impaired respiration).

#### **306.8 REQUIRED DOCUMENTATION**

If an individual is restrained and released without an arrest, the deputy shall document the details of the detention and the need for handcuffs or other restraints.

If an individual is arrested, the use of restraints other than handcuffs shall be documented in the related report. The deputy should include, as appropriate:

- (a) The amount of time the suspect was restrained.
- (b) How the suspect was transported and the position of the suspect.
- (c) Observations of the suspect's behavior and any signs of physiological problems.
- (d) Any known or suspected drug use or other medical problems.

## **Control Devices and Techniques**

### **308.1 PURPOSE AND SCOPE**

To reduce and minimize altercation-related injuries to deputies and suspects, the Department authorizes the use of selected control devices. Certain control devices are provided in order to control violent or potentially violent suspects. It is anticipated that the use of these devices will generally result in fewer altercation-related injuries to deputies and suspects. The below procedures are for the use and maintenance of control devices (e.g., baton, oleoresin capsicum (OC) spray and tear gas). Only those control devices that have been approved by the Sheriff or his/her designee are authorized to be carried by members of this department.

#### **308.1.1 WHEN DEVICES MAY BE USED**

When a decision has been made to restrain or arrest a violent or threatening suspect, an approved control device may only be used when its use appears reasonable under the circumstances.

### **308.2 ISSUING, CARRYING AND USING CONTROL DEVICES**

Control devices described in this policy may be carried and used by members of this department only if the device has been issued by the Department or approved by the Sheriff or the authorized designee.

Only deputies who have successfully completed department-approved training in the use of any control device are authorized to carry and use the device.

Control devices may be used when a decision has been made to control, restrain or arrest a subject who is violent or who demonstrates the intent to be violent, and the use of the device appears reasonable under the circumstances. When reasonable, a verbal warning and opportunity to comply should precede the use of these devices.

When using control devices, deputies should carefully consider potential impact areas in order to minimize injuries and unintentional targets.

### **308.3 RESPONSIBILITIES**

#### **308.3.1 SHIFT SERGEANT RESPONSIBILITIES**

The Shift Sergeant may authorize the use of a control device by selected personnel or members of specialized units who have successfully completed the required training.

The Shift Sergeant shall review all uses of control devices to ensure use is within policy guidelines.

#### **308.3.2 ARMORER/RANGEMASTER RESPONSIBILITIES**

The Armorer/Rangemaster shall control the inventory and issuance of all control devices and shall ensure that all damaged, inoperative, outdated or expended control devices or munitions are properly disposed of, repaired or replaced.

Every control device will be periodically inspected by the Armorer/Rangemaster or the designated instructor for a particular control device. The inspection shall be documented.

---

# El Dorado County Sheriff's Office

## Policy Manual

### *Control Devices and Techniques*

---

#### **308.3.3 USER RESPONSIBILITIES**

All normal maintenance, charging or cleaning shall remain the responsibility of personnel using the various devices.

Any damaged, inoperative, outdated or expended control devices or munitions, along with documentation explaining the cause of the damage, shall be returned to the Armorer/Rangemaster for disposition. Damage to County property forms shall also be prepared and forwarded through the chain of command, when appropriate, explaining the cause of damage.

#### **308.4 BATON GUIDELINES**

The need to immediately control a suspect must be weighed against the risk of causing serious injury. The head, neck, throat, spine, heart, kidneys and groin should not be intentionally targeted except when the deputy reasonably believes the suspect poses an imminent threat of serious bodily injury or death to the deputy or others.

When carrying a baton, uniformed personnel shall carry the baton in its authorized holder on the equipment belt. Plainclothes and non-field personnel may carry the baton as authorized and in accordance with the needs of their assignment or at the direction of their supervisor.

#### **308.5 TEAR GAS GUIDELINES**

Tear gas may be used for crowd control, crowd dispersal or against barricaded suspects based on the circumstances. Only the Shift Sergeant, Incident Commander or Crisis Response Unit Commander may authorize the delivery and use of tear gas, and only after evaluating all conditions known at the time and determining that such force reasonably appears justified and necessary.

When practicable, fire personnel should be alerted or summoned to the scene prior to the deployment of tear gas to control any fires and to assist in providing medical aid or gas evacuation if needed.

#### **308.6 OLEORESIN CAPSICUM (OC) GUIDELINES**

As with other control devices, oleoresin capsicum (OC) spray and pepper projectiles may be considered for use to bring under control an individual or groups of individuals who are engaging in, or are about to engage in violent behavior. Pepper projectiles and OC spray should not, however, be used against individuals or groups who merely fail to disperse or do not reasonably appear to present a risk to the safety of officers or the public.

##### **308.6.1 OC SPRAY**

Uniformed personnel carrying OC spray shall carry the device in its holster on the equipment belt. Plainclothes and non-field personnel may carry OC spray as authorized, in accordance with the needs of their assignment or at the direction of their supervisor.

##### **308.6.2 PEPPER PROJECTILE SYSTEMS**

Pepper projectiles are plastic spheres that are filled with a derivative of OC powder. Because the compressed gas launcher delivers the projectiles with enough force to burst the projectiles on impact and release the OC powder, the potential exists for the projectiles to inflict injury if they strike the head, neck, spine or groin. Therefore, personnel using a pepper projectile system should not intentionally target those areas, except when the deputy reasonably believes the suspect poses an imminent threat of serious bodily injury or death to the deputy or others.

# El Dorado County Sheriff's Office

## Policy Manual

### *Control Devices and Techniques*

---

Deputies encountering a situation that warrants the use of a pepper projectile system shall notify a supervisor as soon as practicable. A supervisor shall respond to all pepper projectile system incidents where the suspect has been hit or exposed to the chemical agent. The supervisor shall ensure that all notifications and reports are completed as required by the Use of Force Policy.

Each deployment of a pepper projectile system shall be documented. This includes situations where the launcher was directed toward the suspect, whether or not the launcher was used. Accidental discharges shall be promptly reported to a supervisor and documented on the appropriate report form. Only non-incident use of a pepper projectile system, such as training and product demonstrations, is exempt from the reporting requirement.

#### **308.6.3 TREATMENT FOR OC SPRAY EXPOSURE**

Persons who have been sprayed with or otherwise affected by the use of OC should be promptly provided with clean water to cleanse the affected areas. Those persons who complain of further severe effects shall be examined by appropriate medical personnel.

#### **308.7 KINETIC ENERGY PROJECTILE GUIDELINES**

This department is committed to reducing the potential for violent confrontations. Kinetic energy projectiles, when used properly, are less likely to result in death or serious physical injury and can be used in an attempt to de-escalate a potentially deadly situation.

##### **308.7.1 DEPLOYMENT AND USE**

Only department-approved kinetic energy munitions shall be carried and deployed. Approved munitions may be used to compel an individual to cease his/her actions when such munitions present a reasonable option.

Deputies are not required or compelled to use approved munitions in lieu of other reasonable tactics if the involved deputy determines that deployment of these munitions cannot be done safely. The safety of hostages, innocent persons and deputies takes priority over the safety of subjects engaged in criminal or suicidal behavior.

Circumstances appropriate for deployment include, but are not limited to, situations in which:

- (a) The suspect is armed with a weapon and the tactical circumstances allow for the safe application of approved munitions.
- (b) The suspect has made credible threats to harm him/herself or others.
- (c) The suspect is engaged in riotous behavior or is throwing rocks, bottles or other dangerous projectiles at people and/or deputies.

##### **308.7.2 DEPLOYMENT CONSIDERATIONS**

Before discharging projectiles, the deputy should consider the following factors:

- (a) Severity of the crime or incident.
- (b) Subject's capability to pose an imminent threat to the safety of deputies or others.
- (c) If the subject is actively resisting arrest or attempting to evade arrest by flight.
- (d) The credibility of the subject's threat as evaluated by the deputies present, and physical capacity/capability.

# El Dorado County Sheriff's Office

## Policy Manual

### *Control Devices and Techniques*

---

- (e) The proximity of weapons available to the subject.
- (f) The deputy's versus the subject's physical factors (e.g., age, size relative strength, skill level, injury/exhaustion, the number of deputy (s) versus subject(s)).
- (g) The availability of other force options and their possible effectiveness.
- (h) Distance and angle to target.
- (i) Types of munitions employed.
- (j) Type and thickness of subject's clothing.
- (k) The subject's actions dictate the need for an immediate response and the use of control devices appear appropriate.

A verbal warning of the intended use of the device should precede its application, unless it would otherwise endanger the safety of deputies or when it is not practicable due to the circumstances. The purpose of the warning is to give the individual a reasonable opportunity to voluntarily comply and to warn other deputies and individuals that the device is being deployed.

Deputies should keep in mind the manufacturer's recommendations and their training regarding effective distances and target areas. However, deputies are not restricted solely to use according to manufacturer recommendations. Each situation must be evaluated on the totality of circumstances at the time of deployment.

The need to immediately incapacitate the subject must be weighed against the risk of causing serious injury or death. The head and neck should not be intentionally targeted, except when the deputy reasonably believes the suspect poses an imminent threat of serious bodily injury or death to the deputy or others.

#### **308.7.3 SAFETY PROCEDURES**

Shotguns specifically designated for use with kinetic energy projectiles will be specially marked in a manner that makes them readily identifiable as such.

Deputies will inspect the shotgun and projectiles at the beginning of each shift to ensure that the shotgun is in proper working order and the projectiles are of the approved type and appear to be free from defects.

When it is not deployed, the shotgun will be unloaded and properly and securely stored in the vehicle. When deploying the kinetic energy projectile shotgun, the deputy shall visually inspect the kinetic energy projectiles to ensure that conventional ammunition is not being loaded into the shotgun.

Absent compelling circumstances, deputies who must transition from conventional ammunition to kinetic energy projectiles will employ the two-person rule for loading. The two-person rule is a safety measure in which a second deputy watches the unloading and loading process to ensure that the weapon is completely emptied of conventional ammunition.

#### **308.8 TRAINING FOR CONTROL DEVICES**

The Training coordinator shall ensure that all personnel who are authorized to carry a control device have been properly trained and certified to carry the specific control device and are retrained or recertified as necessary.

- (a) Proficiency training shall be monitored and documented by a certified, control-device weapons or tactics instructor.

- (c) Deputies who fail to demonstrate proficiency with the control device or knowledge of this agency's Use of Force Policy will be provided remedial training. If a deputy cannot demonstrate proficiency with a control device or knowledge of this agency's Use of Force Policy after remedial training, the deputy will be restricted from carrying the control device and may be subject to discipline.

#### **308.9 REPORTING USE OF CONTROL DEVICES AND TECHNIQUES**

Any application of a control device or technique listed in this policy shall be documented in the related incident report and reported pursuant to the Use of Force Policy.

# Electro-Muscular Disruption Technology Guidelines

## 309.1 PURPOSE AND SCOPE

The Electro-Muscular Disruption Technology device (EMDT) device is intended to control a violent or potentially violent individual while minimizing the risk of serious injury. It is anticipated that the appropriate use of such a device will result in fewer serious injuries to officers and suspects. This policy applies to all sworn members, correctional officers and security officers who are issued EMDTs.

## 309.2 POLICY

Personnel who have completed department-approved training may be issued the EMDT device for use during their current assignment. Personnel leaving a particular assignment may be expected to return it to the department's inventory.

Deputies/correctional officers shall only use the EMDT device and cartridges that have been issued by the Department. Uniformed deputies/correctional officers who have been issued the EMDT device shall wear the device in an approved holster on their person. Non-uniformed deputies may secure the EMDT device in the driver's compartment of their vehicle.

When the EMDT device is carried as part of a uniformed deputy's/correctional officer's equipment, the EMDT device shall be carried on the side opposite the duty weapon.

- (a) All EMDT devices shall be clearly and distinctly marked to differentiate them from the duty weapon and any other device.
- (b) Whenever practicable, deputies/correctional officers should carry a total of two or more EMDT device cartridges on their person when carrying the EMDT device.
- (c) Deputies/correctional officers shall be responsible for ensuring that their issued EMDT device is properly maintained and in good working order at all times.
- (d) Deputies/correctional officers should never hold both a firearm and the EMDT device at the same time.

## 309.3 VERBAL AND VISUAL WARNINGS

A verbal warning of the intended use of the EMDT device should precede its application, unless it would otherwise endanger the safety of deputies/correctional officers or when it is not practicable due to the circumstances. The purpose of the warning is for the following:

- (a) Provide the individual with a reasonable opportunity to voluntarily comply.
- (b) Provide other deputies and individuals with a warning that a EMDT device may be deployed.

If, after a verbal warning, an individual is unwilling to voluntarily comply with a deputy's lawful orders and it appears both reasonable and practical under the circumstances, the deputy/correctional officer may, but is not required to, display the electrical arc (provided there is not a cartridge loaded into the EMDT device) or the laser in a further attempt to gain compliance prior to the application of the EMDT device. The aiming laser should never be intentionally directed into the eyes of another as it may permanently impair his/her vision.

# El Dorado County Sheriff's Office

## Policy Manual

### *Electro-Muscular Disruption Technology Guidelines*

---

The fact that a verbal and/or other warning was given or the reasons it was not given shall be documented by the deputy/correctional officer deploying the EMDT device in the related report.

#### **309.4 USE OF THE EMDT**

The EMDT has limitations and restrictions requiring consideration before its use. The EMDT should only be used when its operator can safely approach the subject within the operational range of the device. Although the EMDT is generally effective in controlling most individuals, deputies should be aware that the device may not achieve the intended results and be prepared with other options.

##### **309.4.1 APPLICATION OF THE EMDT**

The EMDT may be used in any of the following circumstances, when the circumstances perceived by the deputy at the time indicate that such application is reasonably necessary to control a person:

- (a) The subject is violent or is physically resisting.
- (b) The subject has demonstrated, by words or action, an intention to be violent or to physically resist, and reasonably appears to present the potential to harm deputies, him/herself or others.

Mere flight from a pursuing deputy, without other known circumstances or factors, is not good cause for the use of the EMDT to apprehend an individual.

##### **309.4.2 TARGETING CONSIDERATIONS**

Reasonable efforts should be made to target lower center mass and avoid the head, neck, chest and groin. If the dynamics of a situation or officer safety do not permit the deputy to limit the application of the EMDT probes to a precise target area, deputies should monitor the condition of the subject if one or more probes strikes the head, neck, chest or groin until the subject is examined by paramedics or other medical personnel.

##### **309.4.3 MULTIPLE APPLICATIONS OF THE EMDT**

Deputies should apply the EMDT for only one standard cycle and then evaluate the situation before applying any subsequent cycles. Multiple applications of the EMDT against a single individual are generally not recommended and should be avoided unless the deputy reasonably believes that the need to control the individual outweighs the potentially increased risk posed by multiple applications.

If the first application of the EMDT appears to be ineffective in gaining control of an individual, the deputy should consider certain factors before additional applications of the EMDT, including:

- (a) Whether the probes are making proper contact.
- (b) Whether the individual has the ability and has been given a reasonable opportunity to comply.
- (c) Whether verbal commands, other options or tactics may be more effective.

Deputies should generally not intentionally apply more than one EMDT at a time against a single subject.

# El Dorado County Sheriff's Office

## Policy Manual

### *Electro-Muscular Disruption Technology Guidelines*

---

#### **309.4.4 ACTIONS FOLLOWING DEPLOYMENTS**

Deputies shall notify a supervisor of all EMDT discharges. Confetti tags should be collected and the expended cartridge, along with both probes and wire, should be submitted into evidence. The cartridge serial number should be noted and documented on the evidence paperwork. The evidence packaging should be marked "Biohazard" if the probes penetrated the subject's skin.

#### **309.4.5 DANGEROUS ANIMALS**

The EMDT may be deployed against an animal as part of a plan to deal with a potentially dangerous animal, such as a dog, if the animal reasonably appears to pose an imminent threat to human safety and alternative methods are not reasonably available or would likely be ineffective.

#### **309.4.6 TASER® CAM™**

The TASER CAM is activated any time the safety is in the off position. The safety should be in the safe position unless the deputy intends to use the device. Because the TASER CAM memory is limited, the video and audio data should be downloaded frequently and retained as required by the department records retention schedule.

#### **309.5 DOCUMENTATION**

Deputies shall document all EMDT discharges in the related arrest/crime report and the EMDT report form. Notification shall also be made to a supervisor in compliance with the Use of Force Policy. Unintentional discharges, pointing the device at a person, laser activation and arcing the device will also be documented on the report form.

##### **309.5.1 RECERTIFICATION**

Any deputy/correctional officer assigned a department issued EMDT shall complete an annual recertification with the EMDT. The recertification shall be conducted by a department authorized EMDT instructor.

#### **309.6 MEDICAL TREATMENT**

Consistent with local medical personnel protocols and absent extenuating circumstances, only appropriate medical personnel should remove EMDT probes from a person's body. Used EMDT probes shall be treated as a sharps biohazard, similar to a used hypodermic needle, and handled appropriately. Universal precautions should be taken.

All persons who have been struck by EMDT probes or who have been subjected to the electric discharge of the device shall be medically assessed prior to booking. Additionally, any such individual who falls under any of the following categories should, as soon as practicable, be examined by paramedics or other qualified medical personnel:

- (a) The person is suspected of being under the influence of controlled substances and/or alcohol.
- (b) The person may be pregnant.
- (c) The person reasonably appears to be in need of medical attention.
- (d) The EMDT probes are lodged in a sensitive area (e.g., groin, female breast, head, face, neck).
- (e) The person requests medical treatment.

### *Electro-Muscular Disruption Technology Guidelines*

---

Any individual exhibiting signs of distress or who is exposed to multiple or prolonged applications (i.e., more than 15 seconds) shall be transported to a medical facility for examination or medically evaluated prior to booking. If any individual refuses medical attention, such a refusal should be witnessed by another deputy and/or medical personnel and shall be fully documented in related reports. If an audio recording is made of the contact or an interview with the individual, any refusal should be included, if possible.

The transporting deputy shall inform any person providing medical care or receiving custody that the individual has been subjected to the application of the EMDT.

#### **309.7 MAINTENANCE AND RECORDING**

- (a) Supervisors shall ensure that printouts of EMDT downloads are maintained in their respective divisions.

#### **309.8 SUPERVISOR RESPONSIBILITIES**

When possible, supervisors should respond to calls when they reasonably believe there is a likelihood the EMDT may be used. A supervisor should respond to all incidents where the EMDT was activated.

A supervisor should review each incident where a person has been exposed to an activation of the EMDT. The device's onboard memory should be downloaded through the data port by a supervisor or Armorer/Rangemaster and saved with the related arrest/crime report. Photographs of probe sites should be taken and witnesses interviewed.

#### **309.9 TRAINING**

Personnel who are authorized to carry the EMDT shall be permitted to do so only after successfully completing the initial department-approved training. Any personnel who have not carried the EMDT as a part of their assignment for a period of six months or more shall be recertified by a department-approved EMDT instructor prior to again carrying or using the device.

Proficiency training for personnel who have been issued EMDTs should occur every year. A reassessment of a deputy's knowledge and/or practical skill may be required at any time if deemed appropriate by the Training coordinator. All training and proficiency for EMDTs will be documented in the deputy's training file.

Command staff, supervisors and investigators should receive EMDT training as appropriate for the investigations they conduct and review.

Deputies who do not carry EMDTs should receive training that is sufficient to familiarize them with the device and with working with deputies who use the device.

The Training coordinator is responsible for ensuring that all members who carry EMDTs have received initial and annual proficiency training. Periodic audits should be used for verification.

Application of EMDTs during training could result in injury to personnel and should not be mandatory for certification.

The Training coordinator should ensure that all training includes:

- (a) A review of this policy.
- (b) A review of the Use of Force Policy.

The intent of this policy is to establish policy and procedures for the investigation of an incident in which a person is injured as the result of a police shooting and to ensure that such incidents be investigated in a fair and impartial manner.

### 310.2 INVESTIGATION RESPONSIBILITY

This department conforms to the Officer Involved Critical Incident Protocol for investigating officer-involved shootings.

### 310.3 TYPES OF INVESTIGATIONS

Officer-involved shootings involve several separate investigations. The investigations may include:

- (a) A criminal investigation of the incident by the agency having jurisdiction where the incident occurred. This department may relinquish its criminal investigation to an outside agency with the approval of the Sheriff or a Division Commander

- (c) A civil investigation to determine potential liability conducted by the involved officer's agency
- (d) An administrative investigation conducted by the involved officer's agency, to determine if there were any violations of department policy

### 310.4 JURISDICTION

Jurisdiction is determined by the location of the shooting and the agency employing the involved officer(s). The following scenarios outline the jurisdictional responsibilities for investigating officer-involved shootings:

#### 310.4.1 EL DORADO COUNTY SHERIFF'S OFFICE DEPUTY WITHIN THIS JURISDICTION

The El Dorado County Sheriff's Office is responsible for the criminal investigation of the suspect's actions, the civil investigation, and the administrative investigation. The criminal investigation of the officer-involved shooting will be conducted by the District Attorney's Office.

#### 310.4.2 ALLIED AGENCY'S OFFICER WITHIN THIS JURISDICTION

The El Dorado County Sheriff's Office is responsible for the criminal investigation of the suspect's actions. The criminal investigation of the officer-involved shooting will be conducted by the District Attorney's Office. The officer's employing agency will be responsible for any civil and/or administrative investigation(s).

#### 310.4.3 EL DORADO COUNTY SHERIFF'S OFFICE DEPUTY IN ANOTHER JURISDICTION

The agency where the incident occurred has criminal jurisdiction and is responsible for the criminal investigation of the incident. That agency may relinquish its criminal investigation

#### **310.5 THE INVESTIGATION PROCESS**

The following procedures are guidelines used in the investigation of an officer-involved shooting.

##### **310.5.1 DUTIES OF INITIAL ON SCENE SUPERVISOR**

Upon arrival at the scene of an officer-involved shooting, the first uninvolved supervisor should:

- (a) Take all reasonable steps to obtain emergency medical attention for all apparently injured individuals.
- (b) Attempt to obtain a brief overview of the situation from any non-shooter deputy(s).
  1. In the event that there are no non-shooter deputies, the supervisor should attempt to obtain a brief voluntary overview from one shooter deputy.
- (c) If necessary, the supervisor may administratively order any deputy from this department to immediately provide publicsafetyinformation necessary to secure the scene and pursue suspects.
  1. Public safety information shall be limited to such things as outstanding suspect information, number and direction of shots fired, parameters of the incident scene, identity of known witnesses and similar information.
- (d) Absent a voluntary statement from any deputy(s), the initial on scene supervisor should not attempt to order any deputy to provide other than public safety information.
- (e) Provide all available information to the Shift Sergeant and Central Dispatch. If feasible, sensitive information should be communicated over secure networks.
- (f) Take command of and secure the incident scene with additional personnel until relieved by a detective supervisor or other assigned personnel.

### *Officer-Involved Shooting*

- (g) As soon as practical, shooter deputies should respond or be transported (separately, if feasible) to the station for further direction.
1. Each involved deputy should be given an administrative order not to discuss the incident with other involved deputies pending further direction from a supervisor.
  2. When a deputy's weapon is taken or left at the scene (e.g., evidence), the deputy will be provided with a comparable replacement weapon or transported to the station by other deputies.

#### **310.5.2 SHIFT SERGEANT DUTIES**

Upon learning of an officer-involved shooting, the Shift Sergeant shall be responsible for coordinating all aspects of the incident until relieved by the Sheriff or a Division Commander.

#### **310.5.3 NOTIFICATIONS**

The following person(s) shall be notified as soon as practical:

- Sheriff
- Investigative Services Division Commander
- District Attorney OIS rollout team
- Professional Standards Unit supervisor
- Civil Liability Response Team
- Psychological/Peer support personnel
- Coroner (if necessary)
- Deputy representative (if requested)

All outside inquiries about the incident shall be directed to the Shift Sergeant.

#### **310.5.4 MEDIA RELATIONS**

A single press release shall be prepared with input and concurrence from the supervisor and agency representative responsible for each phase of the investigation. This release will be available to the Shift Sergeant, Investigative Services Division Commander and Public Information Officer in the event of inquiries from the media.

It will be the policy of this department to not release the identities of involved deputies absent their consent or as required by law. Moreover, no involved deputy shall be subjected to contact from the media (Government Code § 3303(e)) and no involved deputy shall make any comments to the press unless authorized by the Sheriff or a Division Commander.

Law enforcement officials receiving inquiries regarding incidents occurring in other agency jurisdictions shall refrain from public comment and will direct those inquiries to the agency having jurisdiction and primary responsibility for the investigation.

#### **310.5.5 INVOLVED OFFICERS**

Once the involved deputy(s) have arrived at the station, the Shift Sergeant should admonish each deputy that the incident shall not be discussed except with authorized personnel or representatives. The following shall be considered for the involved deputy:

- (a) Any request for department or legal representation will be accommodated, however, no involved deputy shall be permitted to meet collectively or in a group with an attorney

or any representative prior to providing a formal interview or report (Government Code § 3303(i)).

- (b) Discussions with licensed attorneys will be considered privileged as attorney-client communications.
- (c) Discussions with department representatives (e.g., employee association) will be privileged only as to the discussion of non-criminal information however.
- (d) A psychotherapist shall be provided by the Department to each involved deputy, or any other deputy, upon request.
  - 1. Interviews with a licensed psychotherapist will be considered privileged and will not be disclosed except to the extent that the deputy is or is not fit for return to duty.
  - 2. An interview or session with a licensed psychotherapist may take place prior to the involved deputy providing a formal interview or report, but the involved deputies shall not be permitted to consult or meet collectively or in a group with a licensed psychotherapist prior to providing a formal interview or report.
- (e) Although the Department will honor the sensitivity of communications with peer counselors, there is no legal privilege to such. Peer counselors are cautioned against discussing the facts of any incident with an involved or witness deputy.

Care should be taken to preserve the integrity of any physical evidence present on the deputy's equipment or clothing, such as blood or fingerprints, until investigators or lab personnel can properly retrieve it.

Detectives shall make reasonable accommodations to the deputy's physical and emotional needs (Government Code § 3303(d)).

Each involved deputy shall be given reasonable paid administrative leave following an officer-involved shooting. It shall be the responsibility of the Shift Sergeant to make schedule adjustments to accommodate such leave.

## **310.6 THE SHOOTING INCIDENT CRIMINAL INVESTIGATION**

### **310.6.1 DETECTIVE PERSONNEL**

Once notified of an officer-involved shooting, it shall be the responsibility of the Detective Bureau supervisor to assign appropriate detective personnel to handle the investigation of related crimes. Detectives will be assigned to work with investigators from the District Attorney's Office and may be assigned to separately handle the investigation of any related crimes not being investigated by the District Attorney's Office.

All related departmental reports except administrative and/or privileged reports will be forwarded to the designated detective supervisor for approval. Privileged reports shall be maintained exclusively by those personnel authorized such access. Administrative reports will be forwarded to the appropriate Division Commander.

### **310.6.2 CRIMINAL INVESTIGATION**

It shall be the policy of this department to utilize the District Attorney's Office to conduct an independent criminal investigation into the circumstances of any officer-involved shooting involving injury or death.

# El Dorado County Sheriff's Office

## Policy Manual

### *Officer-Involved Shooting*

---

If available, detective personnel from this department may be assigned to partner with investigators from the District Attorney's Office so as to not duplicate efforts in related criminal investigations.

Once public safety issues have been addressed, criminal investigators will be given the next opportunity to interview involved deputies in order to provide them with an opportunity to give a voluntary statement. The following shall be considered for the involved deputy:

- (a) Supervisors and Professional Standards Unit personnel should not participate directly in any voluntary interview of deputies. This will not prohibit such personnel from monitoring such interviews or indirectly providing areas for inquiry.
- (b) If requested, any involved deputy will be afforded the opportunity to consult individually with a representative of his/her choosing or an attorney, prior to speaking with criminal investigators. However, in order to maintain the integrity of each individual deputy's statement, involved deputies shall not consult or meet with a representative or attorney collectively or in groups prior to being interviewed.
- (c) Any voluntary statement provided by the deputy(s) will be made available for inclusion in the administrative or other related investigations.
- (d) Absent consent from the involved deputy or as required by law, no administratively coerced statement(s) will be provided to any criminal investigators.

#### **310.6.3 REPORTS BY INVOLVED OFFICERS**

In the event that suspects remain outstanding or subject to prosecution for related offenses, this department shall retain the authority to require involved deputies to provide sufficient information for related criminal reports to facilitate the apprehension and prosecution of those individuals (Government Code § 3304(a)).

While the involved deputy may write the report, it is generally recommended that such reports be completed by assigned investigators who should interview involved deputies as victims/witnesses. Since the purpose of these reports will be to facilitate criminal prosecution, statements of involved deputies should focus on evidence to establish the elements of criminal activities by involved suspects. Care should be taken not to duplicate information provided by involved deputies in other reports.

Nothing in this section shall be construed to deprive an involved deputy of the right to consult with legal counsel prior to completing any such criminal report.

Reports related to the prosecution of criminal suspects will be processed according to normal procedures, but should also be included for reference in the investigation of the officer-involved shooting.

#### **310.6.4 WITNESS IDENTIFICATION AND INTERVIEWS**

Because potential witnesses to an officer-involved shooting or other major incident may become unavailable or the integrity of their statements compromised with the passage of time, a supervisor should take reasonable steps to promptly coordinate with criminal investigators to utilize available personnel for the following:

- (a) Identify all persons present at the scene and in the immediate area.
  - 1. When feasible, a recorded statement should be obtained from those persons who claim not to have witnessed the incident but who were present at the time it occurred.

# El Dorado County Sheriff's Office

## Policy Manual

### *Officer-Involved Shooting*

---

2. Any potential witness who is unwilling or unable to remain available for a formal interview should not be detained absent reasonable suspicion to detain or probable cause to arrest. Without detaining the individual for the sole purpose of identification, deputies should attempt to identify the witness prior to his/her departure.
- (b) Witnesses who are willing to provide a formal interview should be asked to meet at a suitable location where criminal investigators may obtain a recorded statement. Such witnesses, if willing, may be transported by department personnel.
1. A written, verbal or recorded statement of consent should be obtained prior to transporting a witness in a department vehicle. When the witness is a minor, consent should be obtained from the parent or guardian, if available, prior to transportation.
- (c) Assign available personnel to promptly contact the suspect's known family and associates to obtain any available and untainted background information about the suspect's activities and state of mind prior to contact with deputies.

### **310.7 ADMINISTRATIVE INVESTIGATION**

In addition to all other investigations associated with an officer-involved shooting, this department will conduct an internal administrative investigation to determine conformance with department policy. This investigation will be conducted under the supervision of the Professional Standards Unit and will be considered a confidential peace officer personnel file.

- (a) Any deputy involved in a shooting may be administratively compelled to provide a blood sample for alcohol/drug screening. Absent consent from the deputy, such compelled samples and the results of any such testing shall not be disclosed to any criminal investigative agency.
- (b) If any deputy has voluntarily elected to provide a statement to criminal investigators, the assigned administrative investigator should review that statement before proceeding with any further interview of that involved deputy.
1. If a further interview of the deputy is deemed necessary to determine policy compliance, care should be taken to limit the inquiry to new areas with minimal, if any, duplication of questions addressed in the voluntary statement. The involved deputy shall be provided with a copy of his or her prior statement before proceeding with any subsequent interview(s) (Government Code § 3303(g))
- (c) In the event that an involved deputy has elected to not provide criminal investigators with a voluntary statement, the assigned administrative investigator shall conduct an administrative interview to determine all relevant information.
1. Although this interview should not be unreasonably delayed, care should be taken to ensure that the deputy'(s) physical and psychological needs have been addressed before commencing the interview.
  2. If requested, the deputy shall have the opportunity to select an uninvolved representative to be present during the interview (Government Code § 3303(i)). However, in order to maintain the integrity of each individual deputy's statement, involved deputies shall not consult or meet with a representative or attorney collectively or in groups prior to being interviewed.

# El Dorado County Sheriff's Office

### *Officer-Involved Shooting*

---

3. Administrative interview(s) should be recorded by the investigator (the deputy may also record the interview) (Government Code § 3303(g)).
4. The deputy shall be informed of all constitutional *Miranda* rights (Government Code § 3303(h)) and, assuming no voluntary waiver, will then be given an administrative order to provide full and truthful answers to all questions (Government Code § 3303(e)). The deputy shall be informed, however, that the interview will be for administrative purposes only and that the statement cannot be used criminally (The *Lybarger* or *Garrity* admonishment).
5. The administrative interview shall be considered part of the deputy's confidential personnel file.
6. The Professional Standards Unit shall compile all relevant information and reports necessary for the Department to determine compliance with applicable policies.
7. The completed administrative investigation shall be submitted to the Use of Deadly Force Review Board, which will restrict its findings as to whether there was compliance with the Department use of deadly force policy.
8. Any other indications of potential policy violations shall be determined in accordance with standard disciplinary procedures.

### **310.8 AUDIO AND VIDEO RECORDINGS**

Any deputy involved in an incident may be permitted to review available Mobile Audio Video (MAV) or other video or audio recordings prior to providing a recorded statement or completing reports.

Upon request, non-law enforcement witnesses who are able to verify their presence and their ability to contemporaneously perceive events at the scene of an incident may also be permitted to review available MAV or other video or audio recordings with approval of assigned investigators or a supervisor.

Any MAV and other known video or audio recordings of an incident should not be publicly released during an ongoing investigation without consulting the District Attorney or County Counsel's Office as appropriate.

# Officer Involved Critical Incident Protocol

## 311.1 FORWARD

Investigations of critical incidents involving police employees often place extraordinary demands upon the individuals and agencies involved. In addition to the knowledge, skill and resources required to investigate civilian homicide cases, officer-involved critical incidents present unique combinations of complexities.

These cases tend to attract considerable interest from segments of the public and from the news media. The public's right to know what occurred may require balancing with investigative necessity, rights of privacy or rights to a fair trial. Doubts may be expressed by some about the propriety of police agencies conducting investigations of fatalities, which involved their own officers as actors or victims.

The individuals and agencies involved in such critical incidents as well as those involved in the subsequent investigations must realize that each incident has potential social, civil, administrative and criminal consequences. Incident investigators and agency managers must understand the legal rights, obligations and authority of the agencies and individuals involved. They must specifically recognize and reconcile police officers' constitutional rights against their rights and obligations resulting from the employer/ agency relationship.

Confusion, even conflict can occur among individuals and agencies based upon different interests, duties, perspectives, authority, training and resources. Unless resolved in advance, questions such as who conducts the investigation, what type of investigation should be performed and who should be present when an involved officer is interviewed can delay and even compromise an investigation.

Because these demands and complications exist, this Protocol was developed in El Dorado County to serve as a model or guideline for the investigation of officer-involved critical incidents in El Dorado County. The goal of the Protocol is to help assure that such cases are thoroughly and fairly investigated.

While this Protocol represents the understanding and agreement among member agencies about how such cases are to be investigated, it is anticipated that individual agencies will make minor modifications, not affecting interdepartmental provisions, to meet agency requirements.

This Protocol, which is neither a statute, nor both ordinance or regulation, is not intended to increase the civil or criminal liability of member agencies or their employees, and it shall not be construed as creating any mandatory obligations to, or on behalf of, third parties.

## 311.2 DEFINITIONS

- (a) **Officer-Involved Critical Incidents** - Incidents occurring in El Dorado County involving two or more people, in which a police agency employee is involved as an Actor, Victim or custodial officer, where a "Critical Injury" (see 1.F. page 3) occurs. 1. Intentional and accidental shootings, including police tactical incidents involving specialized response teams.

  8. Vehicular collisions, and specifically
    - (a) Including any vehicle fatality which occurs:
      1. after, although not necessarily as a proximate cause of, police gunfire directed at the suspect or the suspect vehicle;
      2. in connection with use of vehicle(s) by police as an "enforcement intervention" technique intended to apprehend a suspect. ("Enforcement intervention" includes vehicle ramming, roadblocks, and forcing a vehicle to alter its course by cutting in front of it or by contact.);
      3. police pursuits wherein the suspect vehicle which is being pursued by police vehicle(s) collides with another vehicle, a pedestrian or an object, where that collision did not result from collision contact between the suspect vehicle and a police vehicle or from "enforcement intervention" (see preceding 1&2).
    - (b) Excluding any vehicle fatality which involves:
      1. Off-duty non-sworn police employees who are not at the time of the Incident acting for an actual, apparent or purported law enforcement purpose;
      2. Solo vehicular collisions in which the only injury is suffered by a police employee who was the driver and sole occupant of a vehicle which was not involved in a collision with any other occupied vehicle;
- (b) **Police Employee** - This Protocol applies to employees and to certain other people affiliated with the law enforcement agencies which are members of this Protocol agreement, as follows:
1. Full-time, part-time, and hourly sworn officers, whether on-duty or off-duty, and whether acting for law enforcement or a private purpose at the time of the Incident.
  2. Full-time unsworn employees who are on-duty at the time of the Incident, or who are acting actually, apparently or purportedly for a law enforcement purpose at the time of the Incident
  3. Part-time unsworn employees: same as number 2 above.

4. Reserve police officers who are on-duty or who are acting actually, apparently or purportedly for a law enforcement purpose at the time of the Incident.
  5. Temporary employees and volunteers whether paid or unpaid, who are on-duty or who are acting actually, apparently or purportedly for a law enforcement purpose at the time of the Incident. This category includes informants when they are working under the direct control and supervision of a police officer.
- (c) **Actors:**
1. A person whose act is a "proximate cause" of a fatal injury to another person; or
  2. A person who intends that his/her act be a "proximate cause" of serious bodily injury or death to another person who is actually killed by another.
- (d) **Victim** - The person who is injured by the act of the Actor, whether or not intentionally. When used in this Protocol, this word does not imply existence of criminality; it is used simply to designate the person who is physically injured.
- (e) **Proximate Cause** - A cause which, in a natural and continuous sequence, produces the fatal injury, without which cause the injury would not have occurred. Reasonable foreseeability of the fatal injury is not a factor relevant to this definition.
- (f) **Critical Injury** - Death, or injury which is so severe that death is likely to result.
- (g) **Venue Agency** - The agency, or agencies, within whose geographical jurisdiction the Incident occurs. (see Section 311.2 (a) 7 for Venue determination factors.)
- (h) **Employer Agency** - The agency by whom the involved police employee is employed or with which he/she is affiliated. (In many cases the Venue Agency will also be the Employer Agency.)
- (i) **Criminal Investigators** - Those investigators assigned by the Venue Agency(ies), the Employer Agency(ies), the California Highway Patrol (when applicable), the Probation Department, the Welfare Department and the District Attorney's office to conduct the criminal investigation of the Incident.
- (j) **Administrative Investigators** - Those investigators assigned by the Employer Agency to conduct the Administrative Investigation of the Incident (see Section 311.2 (b)).
- (k) **Member Agencies** - The law enforcement agencies in El Dorado County which are members of this Protocol agreement.

### **311.3 INVOCATION OF THIS PROTOCOL**

- (a) **Automatic and Immediate** - Upon the occurrence of an Officer-Involved Critical Incident (see Section 311.2 (a) DEFINITIONS), this Protocol is automatically effective immediately upon the occurrence.
1. **Optional:** Each Member Agency of this agreement, when in the capacity of a Venue Agency or Employer Agency, may itself invoke this Protocol upon the occurrence of any sensitive or critical event involving a police employee which may have possible criminal liability attached. Upon this unilateral invocation, the matter will be investigated under the provisions of this Protocol.
    - (a) Examples:
      1. a fatality which is not covered by this Protocol
      2. an officer-involved incident where the injuries are not fatal
      3. any other sensitive or critical event involving a police employee where criminal conduct is a possibility to be investigated.

- (b) Each member agency has discretion to decline participation in Optional invocations.
- 2. In lieu of invoking the Optional provisions above, the involved agency(ies) may investigate the matter by itself or may seek aid from other agencies.

#### **311.4 INVESTIGATIVE AGENCIES, FORMATS AND RESPONSIBILITIES:**

To properly recognize and accommodate the various interests and the various rules of law which may be involved in any Incident, investigations of these matters must be performed under two separate investigative formats: (a) The Criminal Investigation; and (b) The Administrative Investigation.

##### **311.4.1 CRIMINAL INVESTIGATIONS**

The Criminal Investigation has investigative priority over the Administrative Investigation and it begins immediately after an Incident has occurred.

It is performed by criminal investigators from the Venue Agency(ies), the Employer Agency(ies), the California Highway Patrol (when applicable), the Placerville Police Department, The South Lake Tahoe Police Department and the District Attorney's office formed into a Task Force for each Incident. The participating agencies will work together during the investigation. However, and more importantly, the agency within whose geographical jurisdiction the incident occurs has the ultimate authority to decide irreconcilable investigative issues.

Its goal is to develop all available relevant information about the Incident. This information will be used in two ways:

- (a) To determine presence or absence of criminal liability on the part of all those involved in the Incident. Specifically:
  - 1. To determine whether the nature and the quality of the conduct involved is prohibited by statutes which provide for criminal penalties upon conviction; and
  - 2. If criminal conduct does exist, determine the identity of the person(s) responsible for that conduct; and
  - 3. If criminal conduct does exist, determine the degree of the crime(s); the existence of any factual or legal defenses to that crime; and to determine the presence or absence of any factors which would mitigate or aggravate punishment for that crime.
  - 4. To incidentally provide factual information to the Employer Agency's management for its internal use. (While the Criminal Investigators do not direct their investigative attention to Administrative concerns, it is recognized that the Criminal investigation's results are of proper interest to Agency Management for its internal use and those results are fully available for that purpose).
- (b) The investigation is required to follow the rules of law which apply to all criminal proceedings including constitutional, statutory and case law regarding rights which are covered by the United States Constitution's 4th, 5th, 6th, and 14th Amendments.
- (c) It is performed in a manner that provides both the appearance and the reality of a thorough, fair, complete and professional investigation which is free of conflicts of interest.
- (d) Walk €š Through:

# El Dorado County Sheriff's Office

## Policy Manual

### *Officer Involved Critical Incident Protocol*

---

1. Scene walk-throughs can be extremely valuable, providing investigators with insight as to the mechanics of the incident.
  - (a) When applicable, a walk-through of the scene should be limited to; 1- Involved officer 1- Officer's attorney 1- Lead investigator 1- Lead CSI investigator
  - (b) If practical, efforts will be made to allow additional Task Force members the opportunity to see and hear the content of the walk-through. Ultimately, the Venue Agency will decide irreconcilable differences, regarding the number of investigators entering the scene.
- (e) **Venue Determination:**
  1. When an Incident occurs in part in two or more jurisdictions, each of those jurisdictions is a Venue Agency.
  2. When an Incident occurs on the boundary of two jurisdictions, or at a location where the relevant boundary is not readily ascertainable or is in dispute the Venue Agency(ies) shall be:
    - (a) The Employer Agency if the Actor is employed by either boundary agency.
    - (b) Both boundary agencies if Actors are employed by both.
    - (c) The agency which has the greater interest in the case by virtue of having the predominant police involvement in the Incident or by virtue of having had the majority of acts leading up to the fatality occur within its jurisdiction.
  3. For custodial deaths, the agency having custody of the person at the time his/her distress was first discovered is a Venue Agency. Also a Venue Agency is the one within whose jurisdiction any fatal stroke was inflicted.
    - (a) If the death was caused by conduct which was apparently criminal, the lead Venue Agency is one within whose geographical jurisdiction the act occurred. If there is apparently no criminal conduct involved in the cause of death, the lead Venue Agency is the one having custody of the victim when distress was first discovered. If the death occurs in a jail, the Sheriff will be the lead agency. Note: It will be at the discretion of the Sheriff, to activate the Critical Incident Protocol to investigate deaths within the jail. At minimum, a representative from the District Attorney's Office will respond and work with Sheriff's investigators.
  4. If an on-duty police officer (sworn) is involved as the Actor in an Incident which occurs within the jurisdiction of another Member Agency, and if that officer was acting in the performance of his/her duty at the time of the Incident, the/a Venue Agency may elect to relinquish its role in the Criminal Investigation to the other Task Force agencies.
  5. When a Venue or Employer Agency lacks sufficient resources, or when it believes it cannot properly investigate an Incident for another reason, it has two options:
    - (a) Obtain criminal investigative assistance from other Member Agency(ies). Borrowed officers would then be assigned to the Criminal Investigation Task Force as members of the requesting agency.
    - (b) Relinquish criminal investigative responsibilities to another Member Agency or to the California Department of Justice.

(f) **Vehicle collision Incidents:**

---

# El Dorado County Sheriff's Office

## Policy Manual

### *Officer Involved Critical Incident Protocol*

---

1. Accidental collision fatalities shall be investigated by Task Force criminal investigators, joined by accident investigation specialists from the California Highway Patrol (CHP) or from another agency. The accident investigation specialists have the primary responsibility for documentation, collection and preservation of physical evidence.
2. If the fatality results from a collision that was not accidental (e.g. use of "enforcement intervention" techniques), OR if vehicle movement was merely incidental to a fatality which was caused by non vehicular means, the accident investigation specialists may be used by the Task Force for that phase of the investigation, but their role will be limited to investigation of physical movement of the vehicle(s) and to collision reconstruction.

**(g) Scene security:**

1. Each Agency has initial responsibility for immediately securing crime scene(s) within its territorial jurisdiction (See Section 311.4.1(h)(2) and 311.4.1(j) for scene procedures). This responsibility includes preservation of the integrity of the scene(s) and its/their contents, access control, and the identification and sequestration of witnesses. Responsibility may be changed by mutual agreement as the investigation progresses.

**(h) Responsibility for physical evidence collection, preservation and analysis:**

1. The Task Force Team has the responsibility for documentation of the scene(s) and for the collection, preservation and analysis of physical evidence except in some vehicular fatalities (See Section 311.4.1(f)(1)). The Task Force investigator has the discretion to request assistance from the CSI Unit. The Task Force investigator has the ultimate responsibility for the collection of evidence.
2. The Venue or Employer Agency(ies) may be requested by the Task Force investigator to furnish officers to assist with evidence and scene documentation, collection and preservation. Officers so involved will work under the direction of the venue agency's lead investigator, and or CSI lead investigator. Prior to final relinquishment of the scene, the Task Force investigators and the criminalist (and CHP investigators when applicable) will provide the Administrative Investigators an opportunity to assess the need for further evidence processing.

**(i) Notifications:**

1. Upon identifying an occurrence as an Officer Involved Critical Incident, the Venue Agency(ies) shall make the following notifications as promptly as possible to:
  - (a) Intradepartmental officers, as required by that agency's procedures
  - (b) The Employer Agency, if applicable and if not yet aware
  - (c) The District Attorney's On Call Deputy District Attorney and investigator, the Placerville Police Department, and the South Lake Tahoe Police Department (directly by telephone, or through Dispatch)
  - (d) For vehicular collision deaths, the California Highway Patrol or another agency (See Section 311.4.1(f)(1) and (2)). The California Highway Patrol should be notified through a supervisor at the appropriate field office: South Lake Tahoe (530) 577-1001 (public); (530) 577-3436 (confidential); Truckee Communication Center (530) 582-7550; Placerville

Area 622-1110 (public); CHP Dispatch (530) 622-7550 (confidential); Sacramento Communications Center (916) 861-1299

- (e) The Coroner's office, upon confirmation of a fatality. This is a required notification (Body removal can be delayed as necessary for evidence processing).
  - (f) Members of this Protocol agree that, as to the notification to their agencies required by Penal Code 5021, that statute will be considered complied with if the appropriate agencies are promptly notified of the death in accordance with this Protocol and if those agencies are involved in the investigation of the death as a member of the Task Force.
- (j) **Scene Procedures:** (also see Checklist Attachment A, in the back of this Protocol)
- 1. Emergency life saving measures have the first priority.
  - 2. If a person is transported to a hospital with "fatal injuries", an officer should accompany that injured person in the same vehicle in order to:
    - (a) Locate, obtain, preserve, safeguard and maintain the chain of custody for all physical evidence.
    - (b) Obtain a dying declaration (Evidence Code 1242); a spontaneous statement (Evidence Code 1240); a contemporaneous statement (Evidence Code 1241); a statement of then existing or previous mental or physical state (Evidence Code 1250, 1251).
    - (c) Maintain custody of the person if he/she has been arrested.
    - (d) Provide information to medical personnel about the Incident as relevant to treatment, and obtain information from medical personnel relevant to the investigation.
    - (e) Identify relevant people, including witnesses and medical personnel.
    - (f) Be available for contacts with the victim's family, if appropriate.
  - 3. The scene(s) must be secured immediately with a perimeter established for each a sufficient distance away to safeguard evidence. In some circumstances an inner and an outer perimeter are appropriate.
    - (a) Access to the scene(s) must be limited to only those criminal investigators who must enter for an investigative purpose.
    - (b) A written log will be established as quickly as possible to identify all persons entering the scene(s), the time of their entry and exit, and the reason for entry.
    - (c) When not needed for life saving efforts, entry by fire and ambulance personnel should be restricted to the absolute minimum necessary to perform the needed duties.
    - (d) No items shall be moved inside the scene(s) or removed from a scene without approval of the Task Force or the CSI leader unless absolutely necessary for public or officer safety or for preservation of evidence. If removal without approval is necessary, the removal must be witnessed and logged. The log shall state the identity of the person removing the described object, the reason for removal, a witness to the removal, and the time of removal. The item should be photographed prior to removal.

4. If any type of weapon or instrument was involved in the fatal incident, the supervisor at the scene will promptly see to the security and/or collection of such items, as follows:
  - (a) If the area is secure, loose weapons or instruments shall be left in place and undisturbed.
  - (b) If the area is not secure, the supervising officer at the scene shall decide whether the items can be safely left in place or whether prompt removal is necessary. If such items must be moved or removed for protection, they should be photographed in place prior to removal if possible.
  - (c) If an involved officer still has personal possession of a weapon he/she used in the Incident, the shift supervisor at the scene shall promptly but discretely (i.e. in private, out of view of the public and other officers, at office if possible) obtain possession of the weapon. Sidearms must not be removed from their holsters; obtain the entire gun belt if necessary to avoid removing the weapon from its holster. Sidearms should be replaced by the supervisor as quickly as possible, unless reason dictates otherwise.
  - (d) In shooting cases, the shift supervisor, under the direction of the lead investigator, will check the firearms of all officers who were present at the time of the Incident to ensure that all discharged firearms are identified and collected, and to specifically document those weapon's which were not fired.
  - (e) The shift supervisor officer collecting any weapon or instrument will make note of its readily visible general description and condition, the appearance and the location of any trace evidence adhering, to the extent these observations can be made without removing a firearm from its holster or otherwise compromising physical evidence. The location where the weapon or instrument was first observed by the supervising officer, and the identity of the person or location from which the weapon or instrument was received shall also be recorded.
  - (f) In firearms cases, the shift supervisor will also (see 5. above) make note of whether the firearm is cocked, has its safety "on" or "off", has its hammer back, any apparent jamming of either fired or unfired ammunition; the location and position of the weapon's magazine (e.g. fully or partially inserted, completely separate from the firearm, missing, etc.), to the extent possible without removal of the weapon from its holster (See Section 311.4.1(j)(4)(c)).
    1. If the mechanism of a firearm is obviously jammed, no attempt shall be made to unload the weapon or clear the jam.
    2. If the firearm is cocked (or if a semiautomatic pistol cannot be determined to be cocked or not), the safety may be put "on" by the shift supervisor, who must make note of that fact. If the firearm's hammer is back, it may be lowered but note must be made of that fact.
    3. Any officer receiving a weapon or instrument from another person or obtaining it otherwise shall note its serial number if readily visible without removing the weapon from its holster or otherwise compromising physical evidence and shall otherwise maintain the chain of evidence.
    4. Otherwise, weapons and instruments will not be disturbed in any way. They shall not be handled by anyone other than the shift

supervisor and that officer shall handle them minimally to preserve the exact state of the weapon or instrument when received.

5. The collected weapons or instruments may be transferred to the lead Task Force investigator, pending delivery to the Criminal Laboratory at D.O.J. It should be noted, at the discretion of the Venue Agency, the involved firearm may be unloaded at the scene. No loaded firearms will be delivered to D.O.J without prior D.O.J. knowledge and approval.
  6. If the shift supervisor at the scene was him/herself an Actor or Victim in the Incident, the responsibility for security and/or collection of weapons and instruments shall rest with an uninvolved supervisor or the next in-line uninvolved officer at the scene.
  7. Twelve rounds of the same type(s) of ammunition fired will be collected by the criminal investigators from each shooting officer (or from another appropriate source if the officer has insufficient similar rounds remaining).
  8. Firearms which do not need to be retained in evidence, as determined by the criminal investigators, will be returned to a designated representative of the Employer Agency promptly after the Criminalistics Laboratory has inspected and tested them.
5. Any other physical evidence at the scene which is in danger of being contaminated, destroyed or removed must be promptly and effectively observed, recorded and then protected for subsequent collection. Evidence adhering to live participants (such as blood stains), footprints and fingerprints, volatile substances, various types of trace evidence, and firearms discharge evidence, are examples.

#### **(k) Transporting and Sequestering of Involved officers:**

1. Officers who were present at the scene at the time of the Incident, whether Actors or Witnesses, will be relieved of their duties at the scene as promptly as possible and shall be sent to their own police station unless other suitable and agreeable arrangements are made for them. Officer(s) not involved in the Incident shall be assigned to accompany these officers, either in a group or individually. Actors should be driven to the station by an uninvolved officer.
2. If circumstances prohibit removal of all witnessing and involved officers from the scene at once, those officers who were Actors should be relieved first.
3. An uninvolved officer shall remain with the involved officers, either in a group or individually, until they can be interviewed. The sequestering officers are present to ensure the officers have privacy that their needs are accommodated, and to ensure the integrity of each officer's later statements to investigators. They should not be present during confidential (privileged) conversations (See Section 311.4.1(n)(1)(i)(2)).
4. Involved officers are not to discuss the case among themselves, with sequestering officers, or with others except their representatives.
5. While awaiting interviews, involved officers are encouraged to relax and to carefully reflect upon what occurred. They may wish to make notes for their future use, especially for later interviews.

#### **(l) Custodial Death scenes:**

## Policy Manual

### *Officer Involved Critical Incident Protocol*

---

1. When an Incident occurs in a jail facility or other location where inmates may have witnessed something, inmates should be identified and separated if possible pending interviews by criminal investigators.

#### **(m) Selection of Primary Investigators:**

1. Selection of the primary investigator(s) by the Task Force Agencies is of great importance. Generally, the best available investigator(s) should receive the assignment. These qualifications are important.
  - (a) Experience in homicide investigations (or vehicular collisions, if applicable). Investigation experience in other crimes against persons is helpful. Generally, venue agency participants with homicide experience, should under normal circumstances conduct interviews of involved officers. Each agency has the discretion to defer involved officer interviews to other member agencies.
  - (b) Ability to effectively interview people of various backgrounds.
  - (c) Good working knowledge of physical evidence collection and preservation techniques, and an appreciation of the abilities and limitations of scientific evidence.
  - (d) Good knowledge of police operational procedures and the criminal justice system.
  - (e) Excellent report writing and communication skills.
  - (f) Good organizational and supervisory skills.
  - (g) Respected professionally by those with whom he/she works for being competent, thorough, objective, fair, and honest.

#### **(n) Interviewing Police Employees:**

1. The Public Safety Officers Procedural Bill of Rights ("The Act") (Government Code 3300 et seq.): (See Attachment B.)
  - (a) This statute has limited application to many interviews conducted by Task Force interview teams:
    1. By statutory definition, The Act is applicable only to "Public Safety Officers" (which is defined in Section 3301 to include most peace officers except coroners and their deputies, and railroad police). Under this definition, The Act is not applicable to police agency employees who are not peace officers. However, by contract, MOU or otherwise, some police agencies have extended the application of The Act to their non-peace officer employees.
    2. The Act is not applicable to interviews with Public Safety officers who are being interviewed by other than their Employing Agency.
    3. Section 3303 of The Act (the section which pertains to the conditions and conduct of interrogations of peace officers) is not applicable to interviews with Public Safety officers (even when being interviewed by their Employing Agency) when the investigation is concerned solely and directly with "alleged criminal activities."
  - (b) In interview situations where an involved officer is being interviewed by a Task Force interview team, AND when a criminal investigator from the involved officer's Employer Agency is part of that interview team, AND

when the involved officer is "under investigation" AND when the interview "could lead to punitive action", the following options may be available:

1. Comply with the statute.
  2. Do not comply with the statute on the grounds that the investigation is, "concerned solely and directly with alleged criminal activities."
  3. Consult with Administrative Investigators regarding the possibility of the Employer Agency agreeing not to use the impending statement against the interviewee in any punitive action.
  4. Reconstitute the interview team by excluding the criminal investigator from the Employer Agency.
  5. The Employer Agency may also have the option of foregoing its right to impose administrative punitive action on the interviewee by allowing the interview to proceed without complying with the statute (i.e. "transactional immunity", see g. this page).
  6. The granting of administrative "use immunity" or administrative "transactional immunity" to an interviewee is a serious and often complicated step that must be considered carefully. Early in the investigation, sufficient facts about the employee's conduct may not yet be available to allow an informed and correct decision to be made. Further investigation may reveal that any type of contemplated immunity is not warranted. The desired immunized statement may not actually be necessary or independent alternative means may exist to obtain the information. Authority within the Employer Agency to grant administrative immunity may need to be defined. When immunity is given, it must be carefully and narrowly defined in writing or on audio tape and agreed to by all effected parties.
- (c) If and when the interview becomes a custodial interrogation, the Miranda cases are applicable.
- (d) To insure proof of voluntariness in a non-custodial interview, the Task Force interviewers may wish to advise certain interviewees of the following:
1. The interviewee is not in custody and is free to leave at any time.
  2. The interviewee is not obligated to answer any questions asked by the investigators and no punitive action will be taken against the interviewee if he/she refuses to be interviewed by the Task Force Team.
- (e) Government Code section 3304(a) permits heads of law enforcement agencies to order their officers to cooperate with criminal investigations being performed by other agencies. Failure to comply with such orders may result in a charge of insubordination. When applicable, interviewees may be advised of this provision. However, officers will not be compelled by threats of administrative punitive action (or otherwise) to answer questions of Task Force interviewers which would be self-incriminating.
- (f) Interviews will be conducted separately.
- (g) Interviews will normally be fully tape recorded.
-

### *Officer Involved Critical Incident Protocol*

- (h) The interviewees will be considered as witnesses unless the circumstances dictate otherwise.
- (i) Police employees have the same rights and privileges regarding Task Force interviews that any other citizen would have, including the right to consult with a representative prior to interview and the right to have the representative present during the interview.
  - 1. The representative should be allowed to consult about the facts of the incident privately with only one police employee at a time.
  - 2. If the representative is not a doctor, lawyer, psychotherapist or priest, or an agent of such professional, the contents of private conversations between the representative and his/her police employee "client" are not privileged. (However, Government Code 3303(h) prohibits compelling the representative to disclose any information received from an officer who is under investigation for non-criminal matters.)
- (o) **Intoxicant Testing:**
  - 1. **Criminal Investigation:** Police employees have the same rights and privileges that any civilian would have regarding intoxicant testing. When Task Force investigators determine that a police employee's state of sobriety is relevant to the investigation, they have these options:
    - (a) Obtain the blood and/or urine sample by valid consent.
    - (b) Obtain the blood and/or urine sample incidental to valid arrest.
    - (c) Obtain a search warrant.
    - (d) When applicable, utilize Vehicle Code section 23612 for vehicular driving Incidents.
    - (e) If an arrestee refuses to comply with the request for a sample, attempts will be made to obtain the sample in accordance with case law.
  - 2. **Administrative Investigation:**
    - (a) Intoxicant test results obtained by Task Force investigators are available to the Administrative Investigators.
    - (b) In the event the Task Force does not obtain samples for intoxicant testing, the Employer Agency may then seek to obtain samples. However, the Task Force investigators have the first opportunity.
      - 1. Authority for the Employer Agency to obtain samples include (1) valid consent, and (2) ordering the employee to provide the samples based on the employment relationship.
      - 2. Some departments have blanket orders regarding employee intoxicant testing while other departments make decisions on a case-by-case basis.
    - (c) **Miscellaneous:**
      - 1. Blood is the best fluid for alcohol testing, while urine is best for drug screening, optimally, samples of both should be obtained for most complete results.
      - 2. Samples should be collected promptly after the Incident for most meaningful results.

3. A police employee may volunteer to provide sample(s) for intoxicant testing even if Task Force and Administrative Investigators haven't obtained samples. Similarly, a person from whom Task Force or Administrative Investigators have obtained samples may request that another sample be taken for independent testing. The taking of this sample and subsequent testing will not be at the expense of the Task Force or Employer. Such a request will be promptly honored.

(p) **Autopsy:**

1. At least one member of the Task Force shall attend the autopsy, as may a District Attorney's representative from the Task Force. Investigators representing other Task Force agencies may also attend. Attendance is to be coordinated by the Task Force investigator with the autopsy pathologist. Note: The Sacramento pathology group requests a limit of two law enforcement and, if involved by request, one criminalist.
2. The autopsy pathologist will receive a complete briefing prior to the post mortem examination. This briefing, which includes all information known to that time which may be relevant to the cause, manner and means of death shall be attended by at least one member of the Task Force.
3. In vehicular collision deaths the California Highway Patrol or other accident investigation specialists have the responsibility with assistance if appropriate from the Laboratory (See Section 311.4.1(f)(1) and (2)).
4. Although the Coroner has authority to determine who attends an autopsy, it is usually advisable to allow attendance by a licensed medical doctor or licensed private investigator, or by a recognized professional criminalist, who has been retained by representatives of the decedent.

(q) **The District Attorney's Office:**

1. The District Attorney's office has the following roles in Incident Investigations:
  - (a) **D.A. Investigator:** Participate with and at the direction of the venue and employer agency(ies) and the California Highway Patrol (when applicable) in the Task Force performing the criminal investigation.
  - (b) **Deputy D.A.:** Assist and advise the Task Force on various criminal law issues which may arise, such as Miranda, voluntariness, search and seizure, probable cause to arrest, detentions and releases, elements of crimes, immunity, legal defenses
  - (c) Upon completion of the Criminal Investigation, analyze the facts of the Incident as well as the relevant law to determine if criminal laws were violated.
2. The District Attorney has its own separate investigative authority. When deemed appropriate by the District Attorney (or his designated alternate in his absence), the District Attorney's office may perform an independent investigation separate from the Task Force. This separate investigation shall not parallel the Task Force investigation. If deemed necessary, this independent investigation shall take place following the completion of the Venue Agency's investigation. This will help to avoid duplicate witness interviews and contamination of evidence. It is the responsibility of the Venue Agency to assign follow up investigation following the first 24 hours of the initial incident.

(r) **Report writing:**

1. All criminal investigators will write reports documenting their participation in the investigation.
2. The investigators within each Task Force team will allocate and divide among themselves the responsibility for documenting interviews and observations.
3. The lead Venue Agency has the ultimate responsibility for report writing and for collecting reports from other agencies.
4. Prompt completion and distribution of reports is essential. All involved agencies and investigators will strive for report completion and distribution within 45 days after the Incident.

#### **311.4.2 ADMINISTRATIVE INVESTIGATIONS**

- (a) In addition to its concern about possible criminal law violations by civilians and its own employees who are involved in an Incident (which concerns are addressed by the Criminal Investigation), the Employer Agency also has need for information about the Incident for non-criminal purposes:
  1. **Internal Affairs:** Determination of whether or not its employees violated departmental regulations.
  2. **Agency Improvement:** Determination of the adequacy of its policies, procedures, programs, training, equipment, personnel programs and supervision.
  3. **Government and Community Relations:** Informing itself of the Incident's details so it may adequately inform its parent governmental body, and so it may be responsive to comments about the Incident from the public and the media.
  4. **Claims and Litigation:** Preparing for administrative claims and/or civil litigation that may be initiated by or against the agency.
- (b) The Employer Agency may use an Administrative Investigation and/or a more specific "civil litigation investigation" format to investigate these concerns as it considers appropriate. While both the Criminal Investigation and the Administrative Investigation are important and should be aggressively pursued, investigative conflicts between the two formats shall be resolved by allowing the Criminal Investigation to have investigative priority. It is intended that this prioritizing will preclude competition between the two formats for access to witnesses, physical evidence, and the involved parties, and that it will prevent the Criminal Investigation from being compromised by an untimely exercise of the Employer Agency's administrative rights.
- (c) The initiation of Administrative Investigations and the extent of those investigations are solely the responsibility of the Employer Agency.
- (d) Interview statements, physical evidence, toxicology test results and investigative leads which are obtained by Administrative Investigators by ordering police employees to cooperate shall not be revealed to Criminal Investigators without approval of the District Attorney's office. The deputy must present the message to airport personnel as authorization to travel while armed on the day of travel.
- (d) An official letter signed by the Sheriff authorizing armed travel must accompany the deputy. The letter must outline the deputy's need to fly armed, must detail his/her itinerary, and should include that the deputy has completed the mandatory TSA training for law enforcement officer flying while armed.
- (e) Deputies must have completed the mandated TSA security training covering officers flying while armed. The training shall be given by the department-appointed instructor.
- (f) It is the deputy's responsibility to notify the air carrier in advance of the intended armed travel. This notification can be accomplished by early check-in at the carrier's check-in counter.
- (g) Discretion must be used to avoid alarming passengers or crew by displaying a firearm. The deputies must keep the firearm concealed on his/her person at all

times. Firearms are not permitted in carry-on luggage and may not be stored in an overhead compartment.

- (h) Deputies should not surrender their firearm but should try to resolve any problems through the flight captain, ground security manager or other management representative of the air carrier.
- (i) Deputies shall not consume alcoholic beverages while aboard an aircraft, or within eight hours prior to boarding an aircraft.

#### **312.8 CARRYING FIREARMS OUT OF STATE**

Qualified active full-time deputies and qualified retired deputies (see Policy Manual § 220) of this department are authorized to carry a concealed firearm in all other states subject to the following conditions (18 United States Code 926B and C):

- (a) The deputy shall carry his/her Department identification card whenever carrying such weapon.
- (b) Qualified retired deputies shall also carry certification of having met firearms qualification within the past 12 months.
- (c) The deputy is not the subject of any current disciplinary action.
- (d) The deputy may not be under the influence of alcohol or any other intoxicating or hallucinatory drug.
- (e) The deputy will remain subject to this and all other Department policies (including qualifying and training).

Deputies are cautioned that individual states may enact local regulations that permit private persons or entities to prohibit or restrict the possession of concealed firearms on their property, or that prohibit or restrict the possession of firearms on any state or local government property, installation, building, base or park. Federal authority may not shield an officer from arrest and prosecution in such locally restricted areas.

Visiting active and retired peace officers from other states are subject to all requirements set forth in 18 United States Code 926B and C.

## Vehicle Pursuit Policy

### 314.1 PURPOSE AND SCOPE

Vehicle pursuits expose innocent citizens, law enforcement officers and fleeing violators to the risk of serious injury or death. The primary purpose of this policy is to provide deputies with guidance in balancing the safety of the public and themselves against law enforcement's duty to apprehend violators of the law. Another purpose of this policy is to reduce the potential for pursuit-related collisions. Vehicular pursuits require deputies to exhibit a high degree of common sense and sound judgment. Deputies must not forget that the immediate apprehension of a suspect is generally not more important than the safety of the public and pursuing deputies.

Deciding whether to pursue a motor vehicle is a critical decision that must be made quickly and under difficult and unpredictable circumstances. In recognizing the potential risk to public safety created by vehicular pursuits, no deputy or supervisor shall be criticized or disciplined for deciding not to engage in a vehicular pursuit because of the risk involved. This includes circumstances where department policy would permit the initiation or continuation of the pursuit. It is recognized that vehicular pursuits are not always predictable and decisions made pursuant to this policy will be evaluated according to the totality of the circumstances reasonably available at the time of the pursuit.

Deputies must remember that the most important factors to the successful conclusion of a pursuit are proper self-discipline and sound professional judgment. A Deputy's conduct during the course of a pursuit must be objectively reasonable; that is, what a reasonable deputy would do under the circumstances. An unreasonable individual's desire to apprehend a fleeing suspect at all costs has no place in professional law enforcement.

#### 314.1.1 VEHICLE PURSUIT DEFINED

A vehicle pursuit is an event involving one or more law enforcement officers attempting to apprehend a suspect who is attempting to avoid arrest while operating a motor vehicle by using high speed driving or other evasive tactics such as driving off a highway, turning suddenly, or driving in a legal manner but willfully failing to yield to an deputy's signal to stop.

### 314.2 DEPUTY RESPONSIBILITIES

It shall be the policy of this department that a vehicle pursuit shall be conducted only with red light and siren as required by Vehicle Code § 21055 for exemption from compliance with the rules of the road. The following policy is established to provide deputies with guidelines for driving with due regard and caution for the safety of all persons using the highway as required by Vehicle Code § 21056.

#### 314.2.1 WHEN TO INITIATE A PURSUIT

Deputies are authorized to initiate a pursuit when it is reasonable to believe that a suspect is attempting to evade arrest or detention by fleeing in a vehicle.

The following factors individually and collectively shall be considered in deciding whether to initiate a pursuit:

# El Dorado County Sheriff's Office

## Policy Manual

### *Vehicle Pursuit Policy*

---

- (a) Seriousness of the known or reasonably suspected crime and its relationship to community safety.
- (b) The importance of protecting the public and balancing the known or reasonably suspected offense and the apparent need for immediate capture against the risks to deputies, innocent motorists and others.
- (c) Apparent nature of the fleeing suspects (e.g., whether the suspects represent a serious threat to public safety).
- (d) The identity of the suspects has been verified and there is comparatively minimal risk in allowing the suspects to be apprehended at a later time.
- (e) Safety of the public in the area of the pursuit, including the type of area, time of day, the amount of vehicular and pedestrian traffic and the speed of the pursuit relative to these factors.
- (f) Pursuing deputies familiarity with the area of the pursuit, the quality of radio communications between the pursuing units and the dispatcher/supervisor and the driving capabilities of the pursuing deputies under the conditions of the pursuit.
- (g) Weather, traffic and road conditions that substantially increase the danger of the pursuit beyond the worth of apprehending the suspect.
- (h) Performance capabilities of the vehicles used in the pursuit in relation to the speeds and other conditions of the pursuit.
- (i) Vehicle speeds.
- (j) Other persons in or on the pursued vehicle (e.g., passengers, co-offenders and hostages).
- (k) Availability of other resources such as helicopter assistance.
- (l) The sheriff's unit is carrying passengers other than sheriff's deputies. Pursuits should not be undertaken with a prisoner in the police vehicle.

#### **314.2.2 WHEN TO TERMINATE A PURSUIT**

Pursuits should be discontinued whenever the totality of objective circumstances known or which reasonably ought to be known to the deputy or supervisor during the pursuit indicates that the present risks of continuing the pursuit reasonably appear to outweigh the risks resulting from the suspect's escape.

The factors listed in § 314.2.1 of this policy are expressly included herein and will apply equally to the decision to discontinue as well as the decision to initiate a pursuit. Deputies and supervisors must objectively and continuously weigh the seriousness of the offense against the potential danger to innocent motorists and themselves when electing to continue a pursuit. In the context of this policy, the term *terminate* shall be construed to mean discontinue or to stop chasing the fleeing vehicle.

In addition to the factors listed in § 314.2.1 of this policy, the following factors should also be considered in deciding whether to terminate a pursuit:

- (a) Distance between the pursuing deputies and the fleeing vehicle is so great that further pursuit would be futile or require the pursuit to continue for an unreasonable time and/or distance.
  - (b) Pursued vehicle's location is no longer definitely known.
  - (c) Deputy's pursuit vehicle sustains any type of damage that renders it unsafe to drive.
-

# El Dorado County Sheriff's Office

## Policy Manual

### *Vehicle Pursuit Policy*

---

- (d) Extended pursuits of violators for misdemeanors not involving violence or risk of serious harm (independent of the pursuit) are discouraged.
- (e) There are hazards to uninvolved bystanders or motorists.
- (f) If the identity of the offender is known and it does not reasonably appear that the need for immediate capture outweighs the risks associated with continuing the pursuit, deputies should strongly consider discontinuing the pursuit and apprehending the offender at a later time.
- (g) Pursuit is terminated by a supervisor.

#### **314.2.3 SPEED LIMITS**

The speed of a pursuit is a factor that should be evaluated on a continuing basis by the deputy and supervisor. Evaluation of vehicle speeds shall take into consideration public safety, officer safety and the safety of the occupants of the fleeing vehicle.

Should high vehicle speeds be reached during a pursuit, deputies and supervisors shall also consider these factors when determining the reasonableness of the speed of the pursuit:

- (a) Pursuit speeds have become unreasonably unsafe for the surrounding conditions.
- (b) Pursuit speeds have exceeded the driving ability of the deputy.
- (c) Pursuit speeds are beyond the capabilities of the pursuit vehicle thus making its operation unsafe.

#### **314.3 PURSUIT UNITS**

Pursuit units should be limited to three vehicles (two units and a supervisor); however, the number of units involved will vary with the circumstances. A deputy or supervisor may request additional units to join a pursuit if, after assessing the factors outlined above, it appears that the number of deputies involved would be insufficient to safely arrest the suspects. All other deputies should stay out of the pursuit, but should remain alert to its progress and location. Any deputy who drops out of a pursuit may then, if necessary, proceed to the termination point at legal speeds, following the appropriate rules of the road.

##### **314.3.1 VEHICLES WITHOUT EMERGENCY EQUIPMENT**

Vehicles not equipped with red light and siren are generally prohibited from initiating or joining in any pursuit. Deputies in such vehicles, however, may become involved in emergency activities involving serious crimes or life threatening situations. Those deputies should terminate their involvement in any pursuit immediately upon arrival of a sufficient number of emergency police vehicles or any police helicopter. The exemptions provided by Vehicle Code § 21055 do not apply to deputies using vehicles without emergency equipment.

##### **314.3.2 PRIMARY UNIT RESPONSIBILITIES**

The initial pursuing unit will be designated as the primary pursuit unit and will be responsible for the conduct of the pursuit unless it is unable to remain reasonably close enough to the violator's vehicle. The primary responsibility of the deputy initiating the pursuit is the apprehension of the suspects without unreasonable danger to him/herself or other persons.

Notify Central Dispatch that a vehicle pursuit has been initiated and as soon as practicable provide information including, but not limited to:

- (a) Reason for the pursuit.

# El Dorado County Sheriff's Office

## Policy Manual

### *Vehicle Pursuit Policy*

---

- (b) Location and direction of travel.
- (c) Speed of the fleeing vehicle.
- (d) Description of the fleeing vehicle and license number, if known.
- (e) Number of known occupants.
- (f) The identity or description of the known occupants.
- (g) Information concerning the use of firearms, threat of force, injuries, hostages or other unusual hazards.

Unless relieved by a supervisor or secondary unit, the deputy in the primary unit shall be responsible for the broadcasting of the progress of the pursuit. Unless practical circumstances indicate otherwise, and in order to concentrate on pursuit driving, the primary deputy should relinquish the responsibility of broadcasting the progress of the pursuit to a secondary unit or aircraft joining the pursuit.

#### **314.3.3 SECONDARY UNITS RESPONSIBILITIES**

The second deputy in the pursuit is responsible for the following:

- (a) The deputy in the secondary unit should immediately notify the dispatcher of entry into the pursuit.
- (b) Remain a safe distance behind the primary unit unless directed to assume the role of primary deputy, or if the primary unit is unable to continue the pursuit.
- (c) The secondary deputy should be responsible for broadcasting the progress of the pursuit unless the situation indicates otherwise.

#### **314.3.4 PURSUIT DRIVING TACTICS**

The decision to use specific driving tactics requires the same assessment of considerations outlined in the factors to be considered concerning pursuit initiation and termination. The following are tactics for units involved in the pursuit:

- (a) Deputies, considering their driving skills and vehicle performance capabilities, will space themselves from other involved vehicles such that they are able to see and avoid hazards or react safely to maneuvers by the fleeing vehicle.
- (b) Because intersections can present increased risks, the following tactics should be considered:
  - 1. Available units not directly involved in the pursuit may proceed safely to controlled intersections ahead of the pursuit in an effort to warn cross traffic.
  - 2. Pursuing units should exercise due caution when proceeding through controlled intersections.
- (c) As a general rule, deputies should not pursue a vehicle driving left of center (wrong way) on a freeway. In the event that the pursued vehicle does so, the following tactics should be considered:
  - 1. Requesting assistance from an air unit.
  - 2. Maintaining visual contact with the pursued vehicle by paralleling it on the correct side of the roadway.
  - 3. Requesting other units to observe exits available to the suspects.
- (d) Notifying the California Highway Patrol (CHP) and/or other jurisdictional agency if it appears that the pursuit may enter their jurisdiction.

# El Dorado County Sheriff's Office

### *Vehicle Pursuit Policy*

---

- (e) Deputies involved in a pursuit should not attempt to pass other units unless the situation indicates otherwise or they are requested to do so by the primary unit.

#### **314.3.5 TACTICS/PROCEDURES FOR UNITS NOT INVOLVED IN THE PURSUIT**

There should be no paralleling of the pursuit route. Deputies are authorized to use emergency equipment at intersections along the pursuit path to clear intersections of vehicular and pedestrian traffic to protect the public. Deputies should remain in their assigned area and should not become involved with the pursuit unless directed otherwise by a supervisor.

Non-pursuing personnel needed at the termination of the pursuit should respond in a non-emergency manner, observing the rules of the road.

The primary and secondary units should be the only units operating under emergency conditions (red light and siren) unless other units are assigned to the pursuit.

#### **314.3.6 PURSUIT TRAILING**

In the event the initiating unit from this agency either relinquishes control of the pursuit to another unit or jurisdiction, that initiating unit may, with permission of a supervisor, trail the pursuit to the termination point in order to provide necessary information and assistance for the arrest of the suspects.

The term trail means to follow the path of the pursuit at a safe speed while obeying all traffic laws and without activating emergency equipment. If the pursuit is at a slow rate of speed, the trailing unit will maintain sufficient distance from the pursuit units so as to clearly indicate an absence of participation in the pursuit.

#### **314.3.7 AIRCRAFT ASSISTANCE**

When available, aircraft assistance should be requested. Once the air unit has established visual contact with the pursued vehicle, it should assume control over the pursuit. The primary and secondary ground units should consider the participation of aircraft assistance when determining whether to continue the pursuit.

The air unit should coordinate the activities of resources on the ground, report progress of the pursuit and provide deputies and supervisors with details of upcoming traffic congestion, road hazards, or other pertinent information to evaluate whether or not to continue the pursuit. If ground units are not within visual contact and the air unit determines that it is unsafe to continue the pursuit, the air unit has the authority to terminate the pursuit.

#### **314.4 SUPERVISORY CONTROL AND RESPONSIBILITY**

It is the policy of this department that available supervisory and management control will be exercised over all vehicle pursuits involving deputies from this department.

The field supervisor of the deputy initiating the pursuit, or if unavailable, the nearest field supervisor will be responsible for the following:

- (a) Upon becoming aware of a pursuit, immediately ascertaining all reasonably available information to continuously assess the situation and risk factors associated with the pursuit in order to ensure that the pursuit is conducted within established department guidelines.
- (b) Engaging in the pursuit, when appropriate, to provide on-scene supervision.

# El Dorado County Sheriff's Office

### *Vehicle Pursuit Policy*

---

- (c) Exercising management and control of the pursuit even if not engaged in it.
- (d) Ensuring that no more than the number of required police units needed are involved in the pursuit under the guidelines set forth in this policy.
- (e) Directing that the pursuit be terminated if, in his/her judgment, it is unjustified to continue the pursuit under the guidelines of this policy.
- (f) Ensuring that aircraft are requested if available.
- (g) Ensuring that the proper radio channel is being used.
- (h) Ensuring the notification and/or coordination of outside agencies if the pursuit either leaves or is likely to leave the jurisdiction of this agency.
- (i) Control and manage EDSO units when a pursuit enters another jurisdiction.
- (j) Preparing post-pursuit critique and analysis of the pursuit for training purposes.

#### **314.4.1 SHIFT SERGEANT RESPONSIBILITY**

Upon becoming aware that a pursuit has been initiated, the Shift Sergeant should monitor and continually assess the situation and ensure the pursuit is conducted within the guidelines and requirements of this policy. The Shift Sergeant has the final responsibility for the coordination, control and termination of a vehicle pursuit and shall be in overall command.

The Shift Sergeant shall review all pertinent reports for content and forward to the Division Commander.

#### **314.5 COMMUNICATIONS**

If the pursuit is confined within the County limits, radio communications will be conducted on the primary channel unless instructed otherwise by a supervisor or communications dispatcher. If the pursuit leaves the jurisdiction of this department or such is imminent, involved units should, whenever available, switch radio communications to an emergency channel most accessible by participating agencies and units.

##### **314.5.1 COMMUNICATION CENTER RESPONSIBILITIES**

Upon notification that a pursuit has been initiated, Central Dispatch will:

- (a) Coordinate pursuit communications of the involved units and personnel.
- (b) Notify and coordinate with other involved or affected agencies as practicable.
- (c) Ensure that a field supervisor is notified of the pursuit.
- (d) Assign an incident number and log all pursuit activities.
- (e) Broadcast pursuit updates as well as other pertinent information as necessary.
- (f) Notify the Shift Sergeant as soon as practicable.

##### **314.5.2 LOSS OF PURSUED VEHICLE**

When the pursued vehicle is lost, the primary unit should broadcast pertinent information to assist other units in locating suspects. The primary unit will be responsible for coordinating any further search for either the pursued vehicle or suspects fleeing on foot.

#### **314.6 INTER-JURISDICTIONAL CONSIDERATIONS**

When a pursuit enters another agency's jurisdiction, the primary deputy or supervisor, taking into consideration distance traveled, unfamiliarity with the area and other pertinent facts,

should determine whether to request the other agency to assume the pursuit. Unless entry into another jurisdiction is expected to be brief, it is generally recommended that the primary deputy or supervisor ensure that notification is provided to each outside jurisdiction into which the pursuit is reasonably expected to enter, regardless of whether such jurisdiction is expected to assist.

#### **314.6.1 ASSUMPTION OF PURSUIT BY ANOTHER AGENCY**

Units originally involved will discontinue the pursuit when advised that another agency has assumed the pursuit and assistance of the El Dorado County Sheriff's Office is no longer needed. Upon discontinuing the pursuit, the primary unit may proceed upon request, with or at the direction of a supervisor, to the termination point to assist in the investigation.

The role and responsibilities of deputies at the termination of a pursuit initiated by this department shall be coordinated with appropriate consideration of the units from the agency assuming the pursuit.

Notification of a pursuit in progress should not be construed as a request to join the pursuit. Requests to or from another agency to assume a pursuit should be specific. Because of communication limitations between local agencies and CHP units, a request for CHP assistance will mean that they will assume responsibilities for the pursuit. For the same reasons, when a pursuit leaves the freeway and a request for assistance is made to this department, the CHP should relinquish control.

#### **314.6.2 PURSUITS EXTENDING INTO THIS JURISDICTION**

The agency that initiates a pursuit shall be responsible for conducting the pursuit. Units from this department should not join a pursuit unless specifically requested to do so by the agency whose officers are in pursuit. The exception to this is when a single unit from the initiating agency is in pursuit. Under this circumstance, a unit from this department may join the pursuit until sufficient units from the initiating agency join the pursuit.

When a request is made for this department to assist or take over a pursuit from another agency that has entered this jurisdiction, the supervisor should consider these additional following factors:

- (a) Ability to maintain the pursuit
- (b) Circumstances serious enough to continue the pursuit
- (c) Adequate staffing to continue the pursuit
- (d) The public's safety within this jurisdiction
- (e) Safety of the pursuing deputies

As soon as practicable, a supervisor or the Shift Sergeant should review a request for assistance from another agency. The Shift Sergeant or supervisor, after consideration of the above factors, may decline to assist in, or assume the other agency's pursuit.

Assistance to a pursuing allied agency by deputies of this department will terminate at the County limits provided that the pursuing officers have sufficient assistance from other sources. Ongoing participation from this department may continue only until sufficient assistance is present.

In the event that a pursuit from another agency terminates within this jurisdiction, deputies shall provide appropriate assistance to officers from the allied agency including, but not

limited to, scene control, coordination and completion of supplemental reports and any other assistance requested or needed.

#### **314.7 PURSUIT INTERVENTION**

Pursuit intervention is an attempt to terminate the ability of a suspect to continue to flee in a motor vehicle through tactical application of technology, road spikes, blocking, boxing, PIT (Pursuit Intervention Technique), ramming or roadblock procedures. In this context, ramming shall be construed to mean maneuvering the sheriff's unit into contact with the pursued vehicle to mechanically disable or forcibly position it such that further flight is not possible or practicable.

##### **314.7.1 WHEN USE IS AUTHORIZED**

Use of pursuit intervention tactics should be employed only after approval of a supervisor. In deciding whether to use intervention tactics, deputies/supervisors should balance the risks of allowing the pursuit to continue with the potential hazards arising from the use of each tactic to the public, the deputies and persons in or on the pursued vehicle. With these risks in mind, the decision to use any intervention tactic should be reasonable in light of the circumstances confronting the deputy at the time of the decision.

It is imperative that deputies act within the bounds of legality, good judgment and accepted practices.

##### **314.7.2 DEFINITIONS**

**Blocking or vehicle intercept** - A slow-speed coordinated maneuver where two or more patrol vehicles simultaneously intercept and block the movement of a suspect vehicle, the driver of which may be unaware of the impending enforcement stop, with the goal of containment and preventing a pursuit. Blocking is not a moving or stationary road block.

**Boxing-in** - A tactic designed to stop a violator's vehicle by surrounding it with law enforcement vehicles and then slowing all vehicles to a stop.

**Pursuit Intervention Technique (PIT)** - A low-speed maneuver designed to cause the suspect vehicle to spin out and terminate the pursuit.

**Ramming** - The deliberate act of impacting a violator's vehicle with another vehicle to functionally damage or otherwise force the violator's vehicle to stop.

**Roadblocks** - A tactic designed to stop a violator's vehicle by intentionally placing an emergency vehicle or other immovable object in the path of the violator's vehicle.

**Spikes or tack strips** - A device that extends across the roadway designed to puncture the tires of the pursued vehicle.

##### **314.7.3 USE OF FIREARMS**

The use of firearms to disable a pursued vehicle is not generally an effective tactic and involves all the dangers associated with discharging firearms. Deputies should not utilize firearms during an ongoing pursuit unless the conditions and circumstances dictate that such use reasonably appears necessary to protect life. Nothing in this section shall be construed to prohibit any deputy from using a firearm to stop a suspect from using a vehicle as a deadly weapon.

### *Vehicle Pursuit Policy*

---

#### **314.7.4 INTERVENTION STANDARDS**

Any pursuit intervention tactic, depending upon the conditions and circumstances under which it is used, may present dangers to the deputies, the public or anyone in or on the vehicle being pursued. Certain applications of intervention tactics may be construed to be a use of deadly force and subject to the requirements for such use. Deputies shall consider these facts and requirements prior to deciding how, when, where and if an intervention tactic should be employed.

- (a) Blocking or vehicle intercept should only be considered in cases involving felony suspects or impaired drivers who pose a threat to public safety when deputies reasonably believe that attempting a conventional enforcement stop will likely result in the driver attempting to flee in the vehicle. Because of the potential risks involved, this technique should only be employed by deputies who have received training in such tactics after giving consideration to the following:
  - 1. The need to immediately stop the suspect vehicle or prevent it from leaving substantially outweighs the risks of injury or death to occupants of the suspect vehicle, deputies, or other members of the public.
  - 2. All other reasonable intervention techniques have failed or reasonably appear ineffective.
  - 3. Employing the blocking maneuver does not unreasonably increase the risk to officer safety.
  - 4. The target vehicle is stopped or traveling at a low speed.
  - 5. At no time should civilian vehicles be used to deploy this technique.
- (b) Only those deputies trained in the use of the Pursuit Intervention Technique (PIT) will be authorized to use this procedure and only then with approval of a supervisor upon consideration of the circumstances and conditions presented at the time, including the potential for risk of injury to deputies, the public and occupants of the pursued vehicle.
- (c) Ramming a fleeing vehicle should be done only after other reasonable tactical means at the deputy's disposal have been exhausted. This tactic should be reserved for situations where there does not appear to be another reasonable alternative method. This policy is an administrative guide to direct deputies in their decision-making process before ramming another vehicle. When ramming is used as a means to stop a fleeing vehicle, one or more of the following factors should be present:
  - 1. The suspect is an actual or suspected felon who reasonably appears to represent a serious threat to the public if not apprehended.
  - 2. The suspect is driving with willful or wanton disregard for the safety of other persons or is driving in a reckless and life-endangering manner.
  - 3. If there does not reasonably appear to be a present or immediately foreseeable serious threat to the public, the use of ramming is not authorized.
- (d) As with all intervention techniques, pursuing deputies should obtain supervisor approval before attempting to box a suspect vehicle during a pursuit. The use of such a technique must be carefully coordinated with all involved units, taking into consideration the circumstances and conditions presented at the time as well as the potential risk of injury to deputies, the public and occupants of the pursued vehicle.
- (e) The use of spike strips should be approved in advance by a supervisor and deployed only when it is reasonably certain that only the pursued vehicle will be affected by their use. Deputies should carefully consider the limitations of such devices as well

---

as the potential risks to deputies, the public and occupants of the pursued vehicle. If the pursued vehicle is a motorcycle, a vehicle transporting hazardous materials, or a school bus transporting children, deputies and supervisors should weigh the potential consequences against the need to immediately stop the vehicle.

- (f) Because roadblocks involve a potential for serious injury or death to occupants of the pursued vehicle if the suspect does not stop, the intentional placement of roadblocks in the direct path of a pursued vehicle is generally discouraged and should not be deployed without prior approval of a supervisor and only then under extraordinary conditions when all other reasonable intervention techniques have failed or reasonably appear ineffective and the need to immediately stop the pursued vehicle substantially outweighs the risks of injury or death to occupants of the pursued vehicle, deputies or other members of the public.

#### **314.7.5 CAPTURE OF SUSPECTS**

Proper self-discipline and sound professional judgment are the keys to a successful conclusion of a pursuit and apprehension of evading suspects. Deputies shall use only that amount of force, which reasonably appears necessary under the circumstances, to properly perform their lawful duties.

Unless relieved by a supervisor, the primary deputy should coordinate efforts to apprehend the suspects following the pursuit. Deputies should consider safety of the public and the involved deputies when formulating plans to contain and capture the suspects.

#### **314.8 REPORTING REQUIREMENTS**

The following reports should be completed to comply with appropriate local and state regulations:

- (a) The primary deputy shall complete appropriate crime/arrest reports.
- (b) Pursuant to Vehicle Code § 14602.1(b), the primary deputy shall complete form CHP 187A, Allied Agency Vehicle Pursuit Report, to be reviewed by the Shift Sergeant and filed with the CHP either electronically or on paper not later than 30 days after the pursuit. This pursuit report shall minimally contain the following information:
  - 1. Whether any person involved in the pursuit or subsequent arrest was injured, specifying the nature of that injury and differentiating between the suspect driver, a suspect passenger and the deputies involved.
  - 2. The violation(s) that caused the pursuit to be initiated.
  - 3. The identity of the deputies involved in the pursuit.
  - 4. The means or methods used to stop the suspect being pursued.
  - 5. The charges filed with the court by the district attorney.
  - 6. The conditions of the pursuit, including, but not limited to, all of the following:
    - (a) Duration
    - (b) Mileage
    - (c) Number of deputies involved
    - (d) Maximum number of units involved
    - (e) Time of day
    - (f) Weather conditions
    - (g) Maximum speeds

7. Whether the pursuit resulted in a collision and a resulting injury or fatality to an uninvolved third party, and the corresponding number of persons involved.
  8. Whether the pursuit involved multiple agencies.
  9. How the pursuit was terminated.
- (c) After first obtaining available information, a field supervisor shall promptly complete a Supervisor's Log, briefly summarizing the pursuit to his/her department manager. This memo should minimally contain the following information:
1. Date and time of pursuit
  2. Length of pursuit
  3. Involved units and deputies
  4. Initial reason for pursuit
  5. Starting and termination points
  6. Disposition: arrest, citation, etc. Arrestee information should be provided if applicable
  7. Injuries and/or property damage
  8. Medical treatment
  9. Name of supervisor at scene
  10. A preliminary determination that the pursuit appears to be in compliance with this policy OR additional review and/or follow-up is warranted.

#### **314.8.1 REGULAR AND PERIODIC PURSUIT TRAINING**

In addition to initial and supplementary Police Officer Standard Training (POST) training on pursuits required by Penal Code § 13519.8, all sworn members of this department will participate no less than annually in regular and periodic department training addressing this policy and the importance of vehicle safety and protecting the public at all times, including a recognition of the need to balance the known offense and the need for immediate capture against the risks to deputies and others (Vehicle Code § 17004.7(d)).

#### **314.8.2 POLICY REVIEW**

Each sworn member of this department shall certify in writing that they have received, read and understand this policy initially and upon any amendments.

#### **314.9 APPLICATION OF VEHICLE PURSUIT POLICY**

This policy is expressly written and adopted pursuant to the provisions of Vehicle Code § 17004.7, with additional input from the POST Vehicle Pursuit Guidelines.

## Deputy Response to Calls

### 316.1 PURPOSE AND SCOPE

This policy provides for the safe and appropriate response to emergency and non-emergency situations whether dispatched or self-initiated.

### 316.2 RESPONSE TO CALLS

Deputies responding Code-3 shall continuously operate emergency lighting equipment, including at minimum a steady forward facing red light, and shall sound the siren as reasonably necessary pursuant to Vehicle Code § 21055.

Responding with emergency light(s) and siren does not relieve the deputy of the duty to continue to drive with due regard for the safety of all persons. The use of any other warning equipment without a red light and siren does not provide any exemption from the Vehicle Code.

Deputies should only respond Code-3 when so dispatched or when circumstances reasonably indicate an emergency response is required. Deputies not authorized to respond Code-3 shall observe all traffic laws and proceed without the use of emergency lights and siren.

### 316.3 REQUESTING EMERGENCY ASSISTANCE

Requests for emergency assistance should be limited to those situations where the involved personnel reasonably believe that there is an immediate threat to the safety of deputies, or assistance is needed to prevent imminent serious harm to a citizen. In any event, where a situation has stabilized and emergency response is not required, the requesting deputy shall immediately notify Central Dispatch.

If circumstances permit, the requesting deputy should give the following information:

- The unit number
- The location
- The reason for the request and type of emergency
- The number of units required

#### 316.3.1 NUMBER OF UNITS ASSIGNED

Normally, two units should respond to an emergency call Code-3 unless the Shift Sergeant or the field supervisor authorizes an additional unit(s).

### 316.4 INITIATING CODE 3 RESPONSE

If a deputy believes a Code-3 response to any call is appropriate, the deputy shall immediately notify Central Dispatch. Generally, two units should respond Code-3 to any situation. Should another deputy believe a Code-3 response is appropriate, Central Dispatch shall be notified and the Shift Sergeant or field supervisor will make a determination as to whether two or more deputies driving Code-3 is appropriate.

#### **316.5 RESPONSIBILITIES OF RESPONDING DEPUTY(S)**

Deputies shall exercise sound judgment and care with due regard for life and property when responding to an emergency call. Deputies shall reduce speed at all street intersections to such a degree that they shall have complete control of the vehicle.

The decision to continue a Code-3 response is at the discretion of the deputy. If, in the deputy's judgment, the roadway conditions or traffic congestion does not permit such a response without unreasonable risk, the deputy may elect to respond to the call without the use of red lights and siren at the legal speed limit. In such an event, the deputy should immediately notify Central Dispatch. A deputy shall also discontinue the Code-3 response when directed by a supervisor.

Upon receiving authorization or determining a Code-3 response is appropriate, a deputy shall immediately give the location from which he/she is responding.

#### **316.6 COMMUNICATIONS RESPONSIBILITIES**

The dispatcher shall:

- (a) Attempt to assign the closest available unit to the location requiring assistance
- (b) Immediately notify the Shift Sergeant
- (c) Confirm the location from which the unit is responding
- (d) Notify and coordinate allied emergency services (e.g., fire and ambulance)
- (e) Continue to obtain and broadcast information as necessary concerning the response and monitor the situation until it is stabilized or terminated
- (f) Control all radio communications during the emergency and coordinate assistance under the direction of the Shift Sergeant or field supervisor

#### **316.7 SUPERVISORY RESPONSIBILITIES**

Upon being notified that a Code-3 response has been initiated, the Shift Sergeant or the field supervisor shall verify the following:

- (a) The proper response has been initiated
- (b) No more than those units reasonably necessary under the circumstances are involved in the response
- (c) Affected outside jurisdictions are being notified as practical

The field supervisor shall monitor the response until it has been stabilized or terminated and assert control by directing units into or out of the response if necessary. If, in the supervisor's judgment, the circumstances require additional units to be assigned a Code-3 response, the supervisor may do so.

It is the supervisor's responsibility to terminate a Code-3 response that, in his/her judgment is inappropriate due to the circumstances.

When making the decision to authorize a Code-3 response, the Shift Sergeant or the field supervisor should consider the following:

- The type of call
- The necessity of a timely response
- Traffic and roadway conditions

#### **316.8 FAILURE OF EMERGENCY EQUIPMENT**

If the emergency equipment on the vehicle should fail to operate, the deputy must terminate the Code-3 response and respond accordingly. In all cases, the deputy shall notify the Shift Sergeant, field supervisor, or Central Dispatch of the equipment failure so that another unit may be assigned to the emergency response.

## Canine Program

### 318.1 PURPOSE AND SCOPE

The Canine Program was established to augment police services to the community. Highly skilled and trained teams of handlers and canines have evolved from the program and are used to supplement police operations to locate individuals, contraband and to apprehend criminal offenders.

### 318.2 GUIDELINES FOR THE USE OF CANINES

A canine may be used to locate and apprehend a suspect if the canine handler reasonably believes that the individual has either committed or threatened to commit any serious offense and if any of the following conditions exist:

- (a) There is a reasonable belief that the individual poses an imminent threat of violence or serious harm to the public, any deputy, or the handler.
- (b) The individual is physically resisting or threatening to resist arrest and the use of a canine reasonably appears to be necessary to overcome such resistance.
- (c) The individual(s) is/are believed to be concealed in an area where entry by other than the canine would pose a threat to the safety of deputies or the public.

It is recognized that situations may arise that do not fall within the provisions set forth in this policy. In any such case, a standard of objective reasonableness shall be used to review the decision to use a canine in view of the totality of the circumstances.

Absent reasonable belief that an individual has committed or threatened to commit a serious offense, mere flight from pursuing deputy(s) shall not serve as good cause for the use of a canine to apprehend the individual.

Once the individual has been located and no longer reasonably appears to represent a threat or risk of escape, the canine should be placed in a down-stay or otherwise secured as soon as it becomes reasonably practical.

#### 318.2.1 PREPARATION FOR UTILIZING A CANINE

Prior to the use of a canine to search for or apprehend any individual, the canine handler and/or the supervisor on scene shall carefully consider all pertinent information that is reasonably available at the time. The information should include, but is not limited to the following:

- (a) The individual's age or estimate thereof.
- (b) The nature of the suspected offense.
- (c) Any potential danger to the public and/or other deputies at the scene if the canine is released.
- (d) The degree of resistance or threatened resistance, if any, the subject has shown.
- (e) The potential for escape or flight if the police dog is not utilized.
- (f) The potential for injury to deputies or the public caused by the suspect if the canine is not utilized.

## Policy Manual

### *Canine Program*

---

As circumstances permit, the canine handler should make every reasonable effort to communicate and coordinate with other involved personnel to minimize the risk of unintended injury.

A canine handler shall have the ultimate authority not to deploy the dog. The handler will evaluate each situation and determine if the use of a canine is technically feasible. Generally, the decision whether to deploy the dog shall remain with the handler. However, a supervisor sufficiently apprised of the situation may decide not to deploy the dog.

#### **318.2.2 WARNINGS GIVEN TO ANNOUNCE THE USE OF A CANINE**

Unless it would otherwise increase the risk of injury or escape, a clearly audible warning to announce that a canine will be released if the person does not come forth, shall be made prior to releasing a canine. The canine handler, when practical, shall first advise the supervisor of his/her decision if a verbal warning is not given prior to releasing the canine. In the event of an apprehension, the handler shall document in any related report whether or not a verbal warning was given and, if none was given, the reasons why.

#### **318.2.3 USE OF NARCOTIC-DETECTION CANINES**

A narcotic-detection-trained canine may be used in accordance with current law under the following circumstances:

- (a) To assist in the search for narcotics during a search warrant service.
- (b) To obtain a search warrant by using the detection canine in support of probable cause.
- (c) To search vehicles, buildings, bags and any other articles deemed necessary.

A narcotic-detection canine will not be used to search a person for narcotics.

#### **318.2.4 GUIDELINES FOR NON-APPREHENSION USE**

Because canines have senses far superior to those of humans, they may often be effectively utilized to track or search for non-criminals (e.g. lost children, individuals who may be disoriented or in need of medical attention) or even suspects wanted for minor criminal offenses. In such circumstances, it will be necessary for the handler to evaluate the conditions and ability of the canine to determine the feasibility of such an application.

- (a) Absent a change in circumstances that present an immediate threat to deputies, the canine or the public, such applications should be conducted on leash or under such conditions that will minimize the likelihood that the canine will bite or otherwise injure the individual.
- (b) Throughout the deployment of the canine in such circumstances, the handler should consider issuing periodic verbal assurances that the canine will not bite or hurt the person.
- (c) Unless otherwise directed by a supervisor, assisting personnel should take direction from the handler in order to minimize interference with the canine.

#### **318.2.5 REPORTING CANINE USE, BITES AND INJURIES**

Whenever the police service dog is deployed, a Canine Use Report shall be completed by the handler and turned in to the Shift Supervisor before going off-duty.

Whenever the use of the canine results in a bite or any injury a Canine Use Report Form shall be completed and included with any related incident report.

The injured party should be transported to an appropriate medical facility if the injury requires medical attention beyond first aid. If the injured party is in custody a deputy should remain with the suspect until treatment has been rendered.

Photographs shall be taken of the bite or injury as soon as practicable after tending to the immediate needs of the injured party. Photographs shall be retained as evidence in accordance with current department evidence procedures. It shall be the responsibility of the on-duty sergeant and/or Unit Coordinator/sergeant to ensure that such photographs are retained until the potential need for use in any related civil proceeding has expired.

If a subject alleges an injury that is not visible, a supervisor shall be notified and the location of the alleged injury should be photographed as described above.

The on-duty sergeant and/or Unit Coordinator/sergeant will maintain liaison with the Animal Control Department to ensure that information regarding canine bites is not retained by its office. Canines used by law enforcement agencies are exempt from impoundment and reporting requirements to the Animal Control Department (Food and Agriculture Code § 31609(b)).

#### **318.2.6 REPORTING CANINE INJURIES**

In the event that a canine is injured, the injury will be immediately reported to the Shift Sergeant, Unit Coordinator Sergeant, and Unit Lieutenant.

Medical care for any injured canine shall follow the protocol established in § 318.6 et seq.

The injury will be documented on a Canine Use Report Form.

#### **318.2.7 ASSIGNMENT OF CANINES**

The canine teams shall be assigned to the Operations Division to supplement and assist the Patrol Bureau.

Canine teams should function primarily as cover units however; they may be assigned by the Shift Sergeant to other functions based on the needs of the watch at the time.

Canine teams should not be assigned to handle matters that will take them out of service for extended periods of time unless absolutely necessary and only with the approval of the Shift Sergeant.

#### **318.3 REQUEST FOR USE OF CANINE TEAMS**

Personnel within the Department are encouraged to freely solicit the use of the canines. Requests for a canine team from outside of the Patrol Bureau shall go through the Unit Coordinator or the Shift Sergeant.

##### **318.3.1 REQUEST FOR ASSISTANCE FROM OTHER AGENCIES**

The Shift Sergeant or the Unit Coordinator/Sergeant must approve all requests for canine assistance from outside agencies, subject to the following provisions:

- (a) Canine teams shall not be used for any assignment that is not consistent with this policy.
- (b) The handler has the ultimate authority to decide whether the canine should be used for any specific assignment.

- (a) Once the canine is retired, Canine handler must request, through chain of command, approval to transition to another canine partner. The Sheriff and Division Commander have the discretion to allow the handler to remain in the unit and train another canine.
- (b) In the event a handler is promoted, he/she must relinquish the Canine Program assignment, due to the daily requirements of the line supervisor. Promotion to Sergeant does not preclude assignment as the K-9 unit supervisor however. Handlers transferred to a position outside patrol must relinquish the handler position.

##### **318.5.1 AVAILABILITY**

The handler shall be available for call-out under conditions specified by the Unit Coordinator.

## Domestic Violence

### 320.1 PURPOSE AND SCOPE

The purpose of this policy is to provide the guidelines necessary to deter, prevent and reduce domestic violence through vigorous enforcement and to address domestic violence as a serious crime against society. The policy specifically addresses the commitment of this department to take enforcement action when appropriate, to provide assistance to victims and to guide deputies in the investigation of domestic violence.

#### 320.1.1 DEFINITIONS

Definitions related to this policy include:

**Court order** - All forms of orders related to domestic violence, that have been issued by a court of this state or another, whether civil or criminal, regardless of whether service has been made.

### 320.2 POLICY

The El Dorado County Sheriff's Office's response to incidents of domestic violence and violations of related court orders shall stress enforcement of the law to protect the victim and shall communicate the philosophy that domestic violence is criminal behavior. It is also the policy of this department to facilitate victims' and offenders' access to appropriate civil remedies and community resources whenever feasible.

### 320.3 OFFICER SAFETY

The investigation of domestic violence cases often places deputies in emotionally charged and sometimes highly dangerous environments. No provision of this policy is intended to supersede the responsibility of all deputies to exercise due caution and reasonable care in providing for the safety of any deputies and parties involved.

### 320.4 INVESTIGATIONS

The following guidelines should be followed by deputies when investigating domestic violence cases:

- (a) Calls of reported, threatened, imminent or ongoing domestic violence and the violation of any court order are of extreme importance and should be considered among the highest response priorities. This includes incomplete 9-1-1 calls.
- (b) When practicable, deputies should obtain and document statements from the victim, the suspect and any witnesses, including children, in or around the household or location of occurrence.
- (c) Deputies should list the full name and date of birth (and school if available) of each child who was present in the household at the time of the offense. The names of other children who may not have been in the house at that particular time should also be obtained for follow-up.
- (d) When practicable and legally permitted, video or audio record all significant statements and observations.
- (e) All injuries should be photographed, regardless of severity, taking care to preserve the victim's personal privacy. Where practicable, photographs should be taken by

a person of the same sex. Victims whose injuries are not visible at the time of the incident should be asked to contact the Detective Bureau in the event that the injuries later become visible.

- (f) Deputies should request that the victim complete and sign an authorization for release of medical records related to the incident when applicable.
- (g) If the suspect is no longer at the scene, deputies should make reasonable efforts to locate the suspect to further the investigation, provide the suspect with an opportunity to make a statement and make an arrest or seek an arrest warrant if appropriate.
- (h) Seize any firearms or other dangerous weapons in the home, if appropriate and legally permitted, for safekeeping or as evidence. If the domestic violence involved threats of bodily harm, any firearm discovered in plain view or pursuant to consent or other lawful search must be taken into temporary custody (Penal Code § 18250).
- (i) When completing an incident or arrest report for violation of a court order, deputies should include specific information that establishes that the offender has been served, including the date the offender was served, the name of the agency that served the order and the provision of the order that the subject is alleged to have violated. When reasonably available, the arresting deputy should attach a copy of the order to the incident or arrest report.
- (j) Deputies should take appropriate enforcement action when there is probable cause to believe an offense has occurred. Factors that should not be used as sole justification for declining to take enforcement action include:
  - 1. Marital status of suspect and victim.
  - 2. Whether the suspect lives on the premises with the victim.
  - 3. Claims by the suspect that the victim provoked or perpetuated the violence.
  - 4. The potential financial or child custody consequences of arrest.
  - 5. The physical or emotional state of either party.
  - 6. Use of drugs or alcohol by either party.
  - 7. Denial that the abuse occurred where evidence indicates otherwise.

  - 11. The racial, cultural, social, professional position or sexual orientation of the victim or suspect.

#### **320.4.1 IF A SUSPECT IS ARRESTED**

If a suspect is arrested, deputies should:

- (a) Advise the victim that there is no guarantee the suspect will remain in custody.
- (b) Provide the victim's contact information to the jail staff to enable notification of the victim upon the suspect's release from jail.
- (c) Advise the victim whether any type of court order will be in effect when the suspect is released from jail.

#### **320.4.2 IF NO ARREST IS MADE**

If no arrest is made, the deputy should:

- (a) Advise the parties of any options, including but not limited to:
-

4. An elder or dependent adult is in immediate and present danger of abuse as defined in Welfare and Institutions Code § 15610.07 based on an allegation of a recent incident of abuse or threat of abuse by the person against whom the order is sought, except that no emergency protective order shall be issued based solely on an allegation of financial abuse.

(b) Under Penal Code § 646.91, a peace officer may also obtain an Emergency Protective Order when the officer has reasonable grounds to believe that a person or the person's immediate family is in immediate and present danger of being stalked.

1. Any such Emergency Protective Order shall be reduced to writing, signed by the officer and include all of the information required by Penal Code § 646.91(c).
2. Any deputy seeking such an order shall serve the order on the restrained person if such person can be reasonably located and shall provide the person protected with a copy of the order. A copy of the order shall also be filed with the court as soon as practicable after issuance.
3. Any deputy requesting such an order shall carry copies of the order while on duty and shall use every reasonable means to enforce the order.

(c) Emergency Protective Orders may be obtained by telephone to prohibit a suspect who resides with a complainant, regardless of their marital status or relationship from:

1. Physically or verbally contacting the victim or disturbing his/her peace.
2. Remaining or returning to the victim's residence, regardless of who holds legal title to, or leases the residence.

1. The victim requests an EPO.
  2. The investigating deputy has grounds to believe that there is an immediate danger of continuing violence against the victim.
  3. The investigating deputy or victim believes that the suspect may be able to make bail and the potential for further violence exists.

### **320.5 VICTIM ASSISTANCE**

Victims may be traumatized or confused. Deputies should:

- (a) Recognize that a victim's behavior and actions may be affected.
- (b) Provide the victim with the department's domestic violence information handout, even if the incident may not rise to the level of a crime.
- (c) Alert the victim to any available victim advocates, shelters and community resources.
- (d) Stand by for a reasonable amount of time when an involved person requests law enforcement assistance while removing essential items of personal property.
- (e) Seek medical assistance as soon as practicable for the victim if he/she has sustained injury or complains of pain.
- (f) Ask the victim whether he/she has a safe place to stay. Assist in arranging to transport the victim to an alternate shelter if the victim expresses a concern for his/her safety or if the deputy determines that a need exists.
- (g) Make reasonable efforts to ensure that children or dependent adults who are under the supervision of the suspect or victim are being properly cared for.
- (h) Seek or assist the victim in obtaining an emergency order if appropriate.

#### **320.5.1 RECORDING INJURIES AND STATEMENTS**

All visible injuries should be photographed regardless of severity, and all victims shall receive proper medical care prior to being photographed, if needed or desired. If feasible, deputies may make a video recording of the injuries and victim statements.

Victims whose injuries are not visible at the time of the incident should be advised to contact the Detective Bureau in the event the injuries later become visible. An investigator may be assigned to ensure the injuries are photographed during the course of preparing the case for court.

#### **320.6 DISPATCH ASSISTANCE**

All calls of domestic violence, including incomplete 9-1-1 calls, should be dispatched as soon as practicable.

Dispatchers are not required to verify the validity of a court order before responding to a request for assistance. Deputies should request that dispatchers check whether any of the involved persons are subject to the terms of a court order.

#### **320.6.1 VICTIM INFORMATION AND NOTIFICATION EVERYDAY PROGRAM**

When appropriate, deputies should advise the victim of the availability of the Victim Information and Notification Everyday (VINE) Program. #### **320.6.3 DOMESTIC VIOLENCE SUPPORT**

Victims of domestic violence or abuse have the right to have a domestic violence counselor (as defined in Evidence Code § 1037.1) and a support person of the victim's choosing present at any interview by law enforcement authorities (Penal Code § 679.05).

The investigating deputy must advise the victim of his/her right to have an advocate and support person present at any subsequent interview(s), including additional interviews by the reporting and/or detectives handling the case. The victim should be advised that any advocate working for the agencies listed on the Domestic Violence resource card would qualify.

- (c) The investigating deputy should articulate in the report that the victim was advised of their right to a counselor and/or support person.

#### **320.7 FOREIGN COURT ORDERS**

Various types of orders may be issued in domestic violence cases. Any foreign court order properly issued by a court of another state, Indian tribe or territory shall be enforced by deputies as if it were the order of a court in this state. An order should be considered properly issued when it reasonably appears that the issuing court has jurisdiction over the parties and reasonable notice and opportunity to respond was given to the party against whom the order was issued (18 USC § 2265). An otherwise valid out-of-state court order shall be enforced, regardless of whether the order has been properly registered with this state.

#### **320.7.1 RECORD-KEEPING RESPONSIBILITIES**

Penal Code § 13730 also requires that all law enforcement agencies maintain records on the number of domestic violence related calls reported to their agency and to include whether or not weapons were used in the incident. This information is to be reported to the Attorney

General monthly. It shall be the responsibility of the Records Manager to maintain and report this information as required.

#### **320.8 VERIFICATION OF COURT ORDERS**

Determining the validity of a court order, particularly an order from another jurisdiction, can be challenging. Therefore, in determining whether there is probable cause to make an arrest for a violation of any court order, deputies should carefully review the actual order when available, and, where appropriate and practicable:

- (a) Ask the subject of the order about his/her notice or receipt of the order, his/her knowledge of its terms and efforts to respond to the order.
- (b) Check available records or databases that may show the status or conditions of the order.
- (c) Contact the issuing court to verify the validity of the order.
- (d) Contact a law enforcement official from the jurisdiction where the order was issued to verify information.

Deputies should document in an appropriate report their efforts to verify the validity of an order, regardless of whether an arrest is made. Deputies should contact a supervisor for clarification when needed.

##### **320.8.1 DEPUTY RESPONSIBILITY**

If an incident arises where the deputy has reasonable cause to believe that the return of a firearm or other deadly weapon would be likely to result in endangering the victim or the person reporting the assault or threat, the deputy shall flag the report with the Detective assigned to Domestic Violence, giving all reasons the firearm or other dangerous weapon should remain in this agency's custody.

##### **320.8.2 DOMESTIC VIOLENCE DETECTIVE RESPONSIBILITY**

Once a deputy has referred a report indicating the reasonable cause to not return the firearm or other dangerous weapon, the detective shall forward the information to the Detective Sergeant for an authorization to petition the superior court.

Once the authorization has been received, the detective will contact the district attorney to begin the hearing process.

The detective will then generate the notice to the owner or person who had lawful possession of the firearm or other dangerous weapon. The notice will be sent registered mail, return receipt requested.

#### **320.9 LEGAL MANDATES AND RELEVANT LAWS**

California law provides for the following:

##### **320.9.1 STANDARDS FOR ARRESTS**

Deputies investigating a domestic violence report should consider the following:

- (a) An arrest should be made when there is probable cause to believe that a felony or misdemeanor domestic violence offense has been committed (Penal Code § 13701). Any decision to not arrest an adult when there is reasonable cause to do so requires supervisor approval.

### *Domestic Violence*

---

1. Deputies are only authorized to make an arrest without a warrant for a misdemeanor domestic violence offense if the deputy makes the arrest as soon as probable cause arises (Penal Code § 836).
- (b) A deputy responding to a domestic violence call who cannot make an arrest will advise the victim of his/her right to make a private person's arrest. The advisement should be made out of the presence of the suspect and shall include advising the victim how to safely execute the arrest. Deputies shall not dissuade victims from making a lawful private person's arrest. Deputies should refer to the provisions in the Private Persons Arrests Policy for options regarding the disposition of private person's arrests.
- (c) Deputies shall not cite and release a person for the following offenses (Penal Code § 853.6(a)(3)):
  1. Penal Code § 243(e)(1) (battery against spouse, cohabitant)
  2. Penal Code § 273.5 (corporal injury on spouse, cohabitant)
  3. Penal Code § 273.6 (violation of protective order) if violence or threats of violence have occurred or the suspect has gone to the workplace or residence of the protected party
  4. Penal Code § 646.9 (stalking)
  5. Other serious or violent felonies specified in Penal Code § 1270.1
- (d) In responding to domestic violence incidents, including mutual protective order violations, deputies should generally be reluctant to make dual arrests. Deputies shall make reasonable efforts to identify the dominant aggressor in any incident. The dominant aggressor is the person who has been determined to be the most significant, rather than the first, aggressor (Penal Code § 13701). In identifying the dominant aggressor, a deputy shall consider:
  1. The intent of the law to protect victims of domestic violence from continuing abuse.
  2. The threats creating fear of physical injury.
  3. The history of domestic violence between the persons involved.
  4. Whether either person acted in self-defense.
- (e) An arrest shall be made when there is probable cause to believe that a violation of a domestic violence court order has been committed (Penal Code § 13701; Penal Code § 836), regardless of whether the offense was committed in the deputy's presence. After arrest, the deputy shall confirm that a copy of the order has been registered, unless the victim provides a copy (Penal Code § 836).

#### **320.9.2 COURT ORDERS**

- (a) A deputy who obtains an emergency protective order from the court shall serve it on the restrained person if the person can be reasonably located, and shall provide the person protected or the person's parent/guardian with a copy of the order. The deputy shall carry copies of the order while on-duty and shall file a copy with the court as soon as practicable (Family Code § 6270 et seq.).
- (b) At the request of the petitioner, a deputy at the scene of a reported domestic violence incident shall serve a court order on a restrained person (Family Code § 6383; Penal Code § 13710).

- (c) Any deputy serving a protective order that indicates that the respondent possesses weapons or ammunition shall request that the firearm/ammunition be immediately surrendered (Family Code § 6389(c)(2)).
- (d) During the service of a protective order any firearm discovered in plain view or pursuant to consent or other lawful search shall be taken into temporary custody (Penal Code § 18250).

#### **320.9.3 PUBLIC ACCESS TO POLICY**

A copy of this domestic violence policy will be provided to members of the public upon request (Penal Code § 13701).

#### **320.9.4 REPORTS AND RECORDS**

- (a) A written report shall be completed on all incidents of domestic violence. All such reports should be documented on the appropriate form, which includes information and notations specific to domestic violence incidents as required by Penal Code § 13730.
- (b) Reporting deputies should provide the victim with the case number of the report. The case number may be placed in the space provided on the domestic violence victim information handout provided to the victim. If the case number is not immediately available, an explanation should be given regarding how the victim can obtain the information at a later time.
- (c) Deputies who seize any firearm or other deadly weapon in a domestic violence incident shall issue the individual possessing such weapon a receipt and notice of where the weapon may be recovered, along with the applicable time limit for recovery (Penal Code § 18250; Penal Code § 33800; Family Code § 6389(c)(2)).

#### **320.9.5 RECORD-KEEPING AND DATA COLLECTION**

This department shall maintain records of court orders related to domestic violence and the service status of each (Penal Code § 13710), as well as records on the number of domestic violence related calls reported to the Department, including whether weapons were used in the incident (Penal Code § 13730). This information is to be reported to the Attorney General monthly. It shall be the responsibility of the Records Manager to maintain and report this information as required.

#### **320.9.6 DECLARATION IN SUPPORT OF BAIL INCREASE**

Any deputy who makes a warrantless arrest for a felony or misdemeanor violation of a domestic violence restraining order shall evaluate the totality of the circumstances to determine whether reasonable cause exists to seek an increased bail amount. If there is reasonable cause to believe that the scheduled bail amount is insufficient to assure the arrestee's appearance or to protect the victim or family member of a victim, the deputy shall prepare a declaration in support of increased bail (Penal Code § 1269c).

## Search & Seizure

### 322.1 PURPOSE AND SCOPE

Both the federal and state Constitutions provide every individual with the right to be free from unreasonable searches and seizures. This policy provides general guidelines for El Dorado County Sheriff's Office personnel to consider when dealing with search and seizure issues.

### 322.2 POLICY

It is the policy of the El Dorado County Sheriff's Office to respect the fundamental privacy rights of individuals. Members of this department will conduct searches in strict observance of the constitutional rights of persons being searched. All seizures by this department will comply with relevant federal and state law governing the seizure of persons and property.

In accordance with the Training Policy, the Department will provide relevant and current training to deputies as guidance for the application of current law, local community standards and prosecutorial considerations regarding specific search and seizure situations, as appropriate.

### 322.3 SEARCHES

The U.S. Constitution generally provides that a valid warrant is required in order for a search to be valid. There are, however, several exceptions that permit a warrantless search.

Examples of law enforcement activities that are exceptions to the general warrant requirement include, but are not limited to, searches pursuant to the following:

- Valid consent
- Incident to a lawful arrest
- Legitimate community caretaking interests
- Vehicle searches under certain circumstances
- Exigent circumstances

Certain other activities are recognized by federal and state courts and by certain statutes as legitimate law enforcement activities that also do not require a warrant. Such activities may include seizure and examination of abandoned property, and observations of activities and property located on open public areas.

Because case law regarding search and seizure is constantly changing and subject to interpretation by the courts, each member of this department is expected to act in each situation according to current training and his/her familiarity with clearly established rights as determined by case law.

Whenever practicable, deputies are encouraged to contact a supervisor to resolve questions regarding search and seizure issues prior to electing a course of action.

### 322.4 SEARCH PROTOCOL

Although conditions will vary and officer safety and other exigencies must be considered in every search situation, the following guidelines should be followed whenever circumstances permit:

# El Dorado County Sheriff's Office

## Policy Manual

### *Search & Seizure*

---

- (a) Members of this department will strive to conduct searches with dignity and courtesy.
- (b) Deputies should explain to the person being searched the reason for the search and how the search will be conducted.
- (c) Searches should be carried out with due regard and respect for private property interests and in a manner that minimizes damage. Property should be left in a condition as close as reasonably possible to its pre-search condition.
- (d) In order to minimize the need for forcible entry, an attempt should be made to obtain keys, combinations or access codes when a search of locked property is anticipated.
- (e) When the person to be searched is of the opposite sex as the searching deputy, a reasonable effort should be made to summon a deputy of the same sex as the subject to conduct the search. When it is not practicable to summon a deputy of the same sex as the subject, the following guidelines should be followed:
  - 1. Another deputy or a supervisor should witness the search.
  - 2. The deputy should not search areas of the body covered by tight-fitting clothing, sheer clothing or clothing that could not reasonably conceal a weapon.

#### **322.5 DOCUMENTATION**

Deputies are responsible to document any search and to ensure that any required reports are sufficient including, at minimum, documentation of the following:

- Reason for the search
- Any efforts used to minimize the intrusiveness of any search (e.g., asking for consent or keys)
- What, if any, injuries or damage occurred
- All steps taken to secure property
- The results of the search, including a description of any property or contraband seized
- If the person searched is the opposite sex, any efforts to summon a deputy of the same sex as the person being searched and the identification of any witness deputy

Supervisors shall review reports to ensure the reports are accurate, that actions are properly documented and that current legal requirements and department policy have been met.

## Temporary Custody of Juveniles

### 324.1 PURPOSE AND SCOPE

This policy provides guidelines consistent with the Juvenile Justice and Delinquency Prevention Act for juveniles taken into temporary custody by members of the El Dorado County Sheriff's Office (42 USC § 5633).

Guidance regarding contacting juveniles at schools or who may be victims is provided in the Child Abuse Policy.

#### 324.1.1 DEFINITIONS

Definitions related to this policy include:

**Juvenile non-offender** - An abused, neglected, dependent or alien juvenile who may be legally held for his/her own safety or welfare. This also includes any juvenile who may have initially been contacted for an offense that would not subject an adult to arrest (e.g., fine-only offense) but was taken into custody for his/her protection or for purposes of reuniting the juvenile with a parent, guardian or other responsible person.

**Juvenile offender** - A juvenile 17 years of age or younger who is alleged to have committed an offense that would subject an adult to arrest (a non-status offense). It also includes an offense under Penal Code § 29610 for underage possession of a handgun or concealable firearm (28 CFR 31.303).

**Non-secure custody** - When a juvenile is held in the presence of a deputy or other custody employee at all times and is not placed in a locked room, cell or behind any locked doors. Juveniles in non-secure custody may be handcuffed but not to a stationary or secure object. Personal supervision, through direct visual monitoring and audio two-way communication is maintained. Monitoring through electronic devices, such as video, does not replace direct visual observation (Welfare and Institutions Code § 207.1(d); 15 CCR 1150).

**Safety checks** - Direct, visual observation personally by member of this department performed at random intervals within time frames prescribed in this policy to provide for the health and welfare of inmates.

**Secure custody** - When a juvenile offender is held in a locked room, a set of rooms or a cell. Secure custody also includes being physically secured to a stationary object (15 CCR 1146).

Examples of secure custody include:

- (a) A juvenile left alone in an unlocked room within the secure perimeter of the adult temporary holding area.
- (b) A juvenile handcuffed to a rail.
- (c) A juvenile placed in a room that contains doors with delayed egress devices that have a delay of more than 30 seconds.
- (d) A juvenile being processed in a secure booking area when an unsecure booking area is available.
- (e) A juvenile left alone in a secure booking area after being photographed and fingerprinted.

### *Temporary Custody of Juveniles*

---

- (f) A juvenile placed in a cell within the adult temporary holding area, whether or not the cell door is locked.

**Sight and sound separation** - Located or arranged to prevent physical, visual or auditory contact.

**Status offender** - A juvenile suspected of committing a criminal violation of the law that would not be a criminal violation but for the age of the offender. Examples may include running away, underage possession of tobacco, curfew violation or truancy. A juvenile in custody on a court order or warrant based upon a status offense is also a status offender. This includes the habitually disobedient or truant juvenile under Welfare and Institutions Code § 601 and any juvenile suspected of an offense that would not subject an adult to arrest (e.g., fine-only offense).

### **324.2 POLICY**

The El Dorado County Sheriff's Office is committed to releasing juveniles from temporary custody as soon as reasonably practicable and keeping juveniles safe while they are in temporary custody at the El Dorado County Sheriff's Office. Juveniles should be held in temporary custody only for as long as reasonably necessary for processing, transfer or release.

### **324.3 JUVENILES WHO SHOULD NOT BE HELD**

Juveniles who exhibit any of the following conditions should not be held at the El Dorado County Sheriff's Office:

- (a) Unconscious
- (b) Seriously injured
- (c) A known suicide risk or obviously severely emotionally disturbed
- (d) Significantly intoxicated except when approved by the Shift Sergeant. A medical clearance shall be obtained for minors who are under the influence of drugs, alcohol or any other intoxicating substance to the extent that they are unable to care for themselves (15 CCR 1151).
- (e) Extremely violent or continuously violent

Deputies taking custody of a juvenile who exhibits any of the above conditions should take reasonable steps to provide medical attention or mental health assistance and notify a supervisor of the situation (15 CCR 1142; 15 CCR 1151).

These juveniles should not be held at the El Dorado County Sheriff's Office unless they have been evaluated by a qualified medical and/or mental health professional (15 CCR 1142).

If the deputy taking custody of the juvenile believes the juvenile may be a suicide risk, the juvenile shall be under continuous direct supervision until evaluation, release or a transfer is completed (15 CCR 1142).

#### **324.3.1 EMERGENCY MEDICAL CARE OF JUVENILES IN CUSTODY**

When emergency medical attention is required for a juvenile, medical assistance will be called immediately. The Shift Sergeant shall be notified of the need for medical attention for the juvenile. Department members should administer first aid as applicable (15 CCR 1142).

### *Temporary Custody of Juveniles*

---

#### **324.3.2 SUICIDE PREVENTION OF JUVENILES IN CUSTODY**

Department members should be alert to potential symptoms based upon exhibited behavior that may indicate the juvenile is a suicide risk. These symptoms may include depression, refusal to communicate, verbally threatening to kill him/herself or any unusual behavior which may indicate the juvenile may harm him/herself while in either secure or non-secure custody (15 CCR 1142).

#### **324.4 CUSTODY OF JUVENILES**

Deputies should take custody of a juvenile and temporarily hold the juvenile at the El Dorado County Sheriff's Office when there is no other lawful and practicable alternative to temporary custody. Refer to the Child Abuse Policy for additional information regarding detaining a juvenile that is suspected of being a victim.

No juvenile should be held in temporary custody at the El Dorado County Sheriff's Office without authorization of the arresting deputy's supervisor or the Shift Sergeant. Juveniles taken into custody shall be held in non-secure custody unless otherwise authorized by this policy.

Any juvenile taken into custody shall be released to the care of the juvenile's parent or other responsible adult or transferred to a juvenile custody facility or to other authority as soon as practicable and in no event shall a juvenile be held beyond six hours from the time of his/her entry into the El Dorado County Sheriff's Office (42 USC § 5633; Welfare and Institutions Code § 207.1(d)).

#### **324.4.1 CUSTODY OF JUVENILE NON-OFFENDERS**

Non-offenders taken into protective custody in compliance with the Child Abuse Policy should generally not be held at the El Dorado County Sheriff's Office. Custodial arrangements should be made for non-offenders as soon as reasonably possible. Juvenile non-offenders shall not be held in secure custody (42 USC § 5633; Welfare and Institutions Code § 206).

#### **324.4.2 CUSTODY OF JUVENILE STATUS OFFENDERS**

Status offenders should generally be released by citation or with a warning rather than taken into temporary custody. However, deputies may take custody of a status offender if requested to do so by a parent or legal guardian in order to facilitate reunification (e.g., transported home or to the station to await a parent). Status offenders shall not be held in secure custody (42 USC § 5633).

#### **324.4.3 CUSTODY OF JUVENILE OFFENDERS**

Juvenile offenders should be held in non-secure custody while at the El Dorado County Sheriff's Office unless another form of custody is authorized by this policy or is necessary due to exigent circumstances.

Generally, a juvenile offender may be taken into custody when authorized by a court order or when there is probable cause to believe the juvenile has committed an offense that would subject an adult to arrest (Welfare and Institutions Code § 625).

A juvenile offender who is 14 years of age or older and suspected of using a firearm in violation of Welfare and Institutions Code 625.3 shall be transported to a juvenile facility.

# El Dorado County Sheriff's Office

### *Temporary Custody of Juveniles*

---

A juvenile offender suspected of committing murder or a sex offense that may subject a juvenile to criminal jurisdiction under Welfare and Institutions Code § 602(b), or a serious or violent felony should be referred to a probation officer for a decision on further detention.

In all other cases the juvenile offender may be:

- (a) Released upon warning or citation.
- (b) Released to a parent or other responsible adult after processing at the Department.
- (c) Referred to a probation officer for a decision regarding whether to transport the juvenile offender to a juvenile facility.
- (d) Transported to his/her home or to the place where the juvenile offender was taken into custody (Welfare and Institutions Code § 207.2).

In determining which disposition is appropriate, the investigating deputy or supervisor shall prefer the alternative which least restricts the juvenile's freedom of movement, provided that alternative is compatible with the best interests of the juvenile and the community (Welfare and Institutions Code § 626).

Whenever a juvenile offender under the age of 14 is taken into custody, the deputy should take reasonable steps to verify and document the child's ability to differentiate between right and wrong, particularly in relation to the alleged offense (Penal Code § 26).

#### **324.5 ADVISEMENTS**

Deputies shall take immediate steps to notify the juvenile's parent, guardian or a responsible relative that the juvenile is in custody, the location where the juvenile is being held and the intended disposition (Welfare and Institutions Code § 627).

Whenever a juvenile is taken into temporary custody, he/she shall be given the *Miranda* rights advisement regardless of whether questioning is intended (Welfare and Institutions Code § 625).

Anytime a juvenile offender is placed in secure custody, he/she shall be informed of the purpose of the secure custody, the length of time the secure custody is expected to last and of the maximum six-hour limitation (Welfare and Institutions Code § 207.1(d)).

Juveniles taken into custody for an offense shall immediately be advised (or at least within one hour from being taken into custody, if possible) that they may make three telephone calls: one call completed to his/her parent or guardian; one to a responsible relative or his/her employer; and another call completed to an attorney. The calls shall be at no expense to the juvenile when completed to telephone numbers within the local calling area. Juveniles should be asked whether they are a caregiver and provided two more phone calls in the same manner as provided to adults in the Temporary Holding Facility Policy (Welfare and Institutions Code § 627; Penal Code § 851.5).

#### **324.6 JUVENILE CUSTODY LOGS**

Any time a juvenile is held in custody at the Department, the custody shall be promptly and properly documented in the juvenile custody log, including:

Sight and sound separation shall be maintained between all juveniles and adults while in custody at the Department (42 USC § 5633; Welfare and Institutions Code § 207.1(d); Welfare and Institutions Code § 208; 15 CCR 1144). There should also be sight and sound separation between non-offenders and juvenile and status offenders.

In situations where brief or accidental contact may occur (e.g., during the brief time a juvenile is being fingerprinted and/or photographed in booking), a member of the El Dorado County Sheriff's Office (trained in the supervision of persons in custody) shall maintain a constant, immediate, side-by-side presence with the juvenile or the adult to minimize any contact. If inadvertent or accidental contact does occur, reasonable efforts shall be taken to end the contact (15 CCR 1144).

#### **324.8 TEMPORARY CUSTODY REQUIREMENTS**

Members and supervisors assigned to monitor or process any juvenile at the El Dorado County Sheriff's Office shall ensure the following:

- (a) The Shift Sergeant should be notified if it is anticipated that a juvenile may need to remain at the El Dorado County Sheriff's Office more than four hours. This will enable the Shift Sergeant to ensure no juvenile is held at the El Dorado County Sheriff's Office more than six hours.

If an arrest is not otherwise required by law, deputies should consider the consequences that the immediate arrest of a sole supporting family caretaker might have on the victim. #### **329.5 COMPLAINT PROCEDURE**

The County of El Dorado encourages individuals who believe they have suffered unlawful discrimination, harassment and/or retaliation to promptly notify the offender that his or her behavior is unwelcome or objectionable. One-on-one confrontation may be an effective way to end inappropriate behaviors. However, confrontation may be difficult and due to the complex nature of issues relating to discrimination, harassment and retaliation, employees are not required to confront an offending party prior to initiating a complaint process. All persons are required to report conduct even if the behavior stops. The following steps should be taken to report a complaint of discrimination, harassment or retaliation:

##### **329.5.1 APPLICANTS AND EMPLOYEES**

An applicant or employee who believes that he or she has been subjected to unlawful discrimination harassment or retaliation may make a complaint orally or in writing with any of the following:

- (a) Any supervisor or manager within or outside the department
- (b) Department Head
- (c) Director of Human Resources/Equal Employment Opportunity Officer

Applicants or employees may instead or in addition file a complaint with the Department of Fair Employment and Housing or the Equal Employment Opportunity Commission.

Employees are not required to follow their usual chain of command in making a complaint concerning unlawful discrimination, harassment or retaliation. A complainant is never required to report unlawful discrimination, harassment or retaliation to a supervisor, manager or other employee whom the complainant believes is engaging in or tacitly supporting the unlawful discrimination, harassment or retaliation.

##### **329.5.2 WHEN A COMPLAINT IS RECEIVED**

Upon receipt of a complaint of unlawful discrimination, harassment or retaliation, whether verbal or in writing, a supervisor, manager or Department Head shall immediately notify the Department of Human Resources or the Chief Administrative Officer who will initiate the appropriate initial fact finding. relevant documents and interviews with the complainant, witnesses, including the accused employee(s), and all persons whom the investigator reasonably believes would have relevant knowledge concerning the complaint. Employees are entitled to have a Union or legal representative present during their interviews where the employee reasonably believes the investigation could result in the imposition of disciplinary action against them. If the accused person is a public safety officer, the investigation will be in accordance with the Peace Officer's Bill of Rights.

Following the completion of the investigation, the complainant and accused employee(s) will be notified of the completion of the investigation and of the ultimate outcome i.e. whether the evidence establishes a violation of County policy. If the determination is made that discrimination, harassment and/or retaliation occurred which violates County policy, the Director of Human Resources (EEO Officer) or CAO shall take and/or recommend prompt and effective remedial action commensurate with the severity of the offense(s), taking into account the principles of progressive discipline as well as the County's zero tolerance policy towards unlawful discrimination, harassment and retaliation. Human Resources may provide investigation materials and evidence to the relevant Department Head or other employee(s) as strictly necessary to carry out any disciplinary or corrective action. However, preservation of the confidentiality of the records pursuant to applicable statutes shall apply. For example, in the event disciplinary action is taken the nature of any discipline will not be disclosed to the complainant.

Employees who report discrimination, harassment or retaliation will be protected from retaliation. ### 330.2 POLICY

The El Dorado County Sheriff's Office will investigate all reported incidents of alleged criminal child abuse and ensure CPS is notified as required by law.

### 330.3 MANDATORY NOTIFICATION

The child protection agency shall be notified when (Penal Code § 11166):

- (a) There is a known or suspected instance of child abuse or neglect reported, which is alleged to have occurred as a result of the action of a person responsible for the child's welfare, or
- (b) A person responsible for the child's welfare fails to adequately protect the child from abuse when the person knew or reasonably should have known that the child was in danger of abuse.

The District Attorney's office shall be notified in all instances of known or suspected child abuse or neglect reported to this department. Reports only involving neglect by a person, who has the care or custody of a child, to provide adequate food, clothing, shelter, medical care or supervision where no physical injury to the child has occurred should not be reported to the District Attorney (Penal Code § 11166).

When the abuse or neglect occurs at a licensed facility or is alleged to have resulted from the actions of a person who is required to have a state license (e.g., foster homes, group homes, day care), notification shall also be made to the California Department of Social Services or other applicable licensing authority (Penal Code 11166.1; Penal Code 11166.2).

For purposes of notification, the abuse or neglect includes physical injury or death inflicted by other than accidental means upon a child by another person; sexual abuse (Penal Code § 11165.1); neglect (Penal Code § 11165.2); the willful harming or injuring of a child or the endangering of the person or health of a child (Penal Code § 11165.3); and unlawful corporal punishment or injury (Penal Code § 11165.4). - (a) Notification shall be made immediately, or as soon as practicable, by telephone, fax or electronic transmission.
- (b) A written follow-up report should be forwarded within 36 hours of receiving the information concerning the incident.

#### **330.4 QUALIFIED INVESTIGATORS**

Qualified investigators should be available for child abuse investigations. These investigators should:

- (a) Conduct interviews in child appropriate interview facilities.
- (b) Be familiar with forensic interview techniques specific to child abuse investigations.
- (c) Present all cases of alleged child abuse to the prosecutor for review.
- (d) Coordinate with other enforcement agencies, social service agencies and school administrators as needed.
- (e) Provide referrals to therapy services, victim advocates, guardians and support for the child and family as appropriate.
- (f) Participate in or coordinate with multidisciplinary investigative teams as applicable (Welfare and Institutions Code § 18961.7).

#### **330.5 INVESTIGATIONS AND REPORTING**

In all reported or suspected cases of child abuse, a report will be written. Deputies shall write a report even if the allegations appear unfounded or unsubstantiated.

Investigations and reports related to suspected cases of child abuse should address, as applicable:

- (a) The overall basis for the contact. This should be done by the investigating deputy in all circumstances where a suspected child abuse victim was contacted.
- (b) The exigent circumstances that existed if deputies interviewed the child victim without the presence of a parent or guardian.

- (j) Other potential witnesses who have not yet been interviewed, such as relatives or others close to the victim's environment.

All cases of the unexplained death of a child should be investigated as thoroughly as if it had been a case of suspected child abuse (e.g., a sudden or unexplained death of an infant).

#### **330.5.1 EXTRA JURISDICTIONAL REPORTS**

If a report of known or suspected child abuse or neglect that is alleged to have occurred outside this jurisdiction is received, department members shall ensure that the caller is immediately transferred to the agency with proper jurisdiction for the investigation of the case. If the caller cannot be successfully transferred to the appropriate agency, a report shall be taken and immediately referred by telephone, fax or electronic transfer to the agency with proper jurisdiction (Penal Code 11165.9).

#### **330.6 PROTECTIVE CUSTODY**

Before taking any child into protective custody, the deputy should make reasonable attempts to contact CPS. Generally, removal of a child from his/her family, guardian or other responsible adult should be left to the child welfare authorities when they are present or have become involved in an investigation.

Generally, members of this department should remove a child from his/her parent or guardian without a court order only when no other effective alternative is reasonably available and immediate action reasonably appears necessary to protect the child. Prior to taking a child into protective custody, the deputy should take reasonable steps to deliver the child to another qualified parent or legal guardian, unless it reasonably appears that the release would endanger the child or result in abduction. If this is not a reasonable option, the deputy shall ensure that the child is delivered to CPS.

Whenever practicable, the deputy should inform a supervisor of the circumstances prior to taking a child into protective custody. If prior notification is not practicable, deputies should contact a supervisor promptly after taking a child into protective custody.

Children may only be removed from a parent or guardian in the following situations when a court order cannot reasonably be obtained in a timely manner (Welfare and Institutions Code § 305):

- (a) The deputy reasonably believes the child is a person described in Welfare and Institutions Code § 300, and further has good cause to believe that any of the following conditions exist:
  - 1. The child has an immediate need for medical care.
  - 2. The child is in immediate danger of physical or sexual abuse.
  - 3. The physical environment or the fact that the child is left unattended poses an immediate threat to the child's health or safety. In the case of a child left unattended, the deputy shall first attempt to locate and determine if a responsible parent or guardian is available and capable of assuming custody before taking the child into protective custody.
- (b) The deputy reasonably believes the child requires protective custody under the provisions of Penal Code § 279.6, in one of the following circumstances:
  - 1. It reasonably appears to the deputy that a person is likely to conceal the child, flee the jurisdiction with the child or, by flight or concealment, evade the authority of the court.

2. There is no lawful custodian available to take custody of the child.
  3. There are conflicting custody orders or conflicting claims to custody and the parties cannot agree which party should take custody of the child.
  4. The child is an abducted child.
- (c) The child is in the company of, or under the control of, a person arrested for Penal Code § 278 or Penal Code § 278.5.

A child taken into protective custody shall be delivered to CPS unless otherwise directed by court order.

#### **330.6.1 CALIFORNIA SAFELY SURRENDERED BABY LAW**

An individual having lawful custody of an infant less than 72 hours old is not guilty of abandonment if the individual voluntarily surrenders physical custody of the infant to personnel on-duty at a safe-surrender site, such as a hospital or fire department (Penal Code § 271.5). The law requires the surrender site to notify CPS.

### **330.7 INTERVIEWS**

#### **330.7.1 PRELIMINARY INTERVIEWS**

Absent extenuating circumstances or impracticality, deputies should record the preliminary interview with suspected child abuse victims. Deputies should avoid multiple interviews with a child victim and should attempt to gather only the information necessary to begin an investigation. When practicable, investigating deputies should defer interviews until a person who is specially trained in such interviews is available. Generally, child victims should not be interviewed in the home or location where the alleged abuse occurred.

#### **330.7.2 DETAINING SUSPECTED CHILD ABUSE VICTIMS FOR AN INTERVIEW**

A deputy should not detain a child involuntarily who is suspected of being a victim of child abuse solely for the purpose of an interview or physical exam without the consent of a parent or guardian unless one of the following applies:

- (a) Exigent circumstances exist, such as:
1. A reasonable belief that medical issues of the child need to be addressed immediately.
  2. A reasonable belief that the child is or will be in danger of harm if the interview or physical exam is not immediately completed.
  3. The alleged offender is the custodial parent or guardian and there is reason to believe the child may be in continued danger.
- (b) A court order or warrant has been issued.

#### **330.7.3 INTERVIEWS AT A SCHOOL**

Any student at school who is a suspected victim of child abuse shall be afforded the option of being interviewed in private or selecting any qualified available adult member of the school staff to be present. The purpose of the staff member's presence is to provide comfort and support. The staff member shall not participate in the interview. The selection of a staff member should be such that it does not burden the school with costs or hardship (Penal Code § 11174.3).

#### **330.8 MEDICAL EXAMINATIONS**

If the child has been the victim of abuse that requires a medical examination, the investigating deputy should obtain consent for such examination from the appropriate parent, guardian or agency having legal custody of the child. The deputy should also arrange for the child's transportation to the appropriate medical facility.

In cases where the alleged offender is the custodial parent or guardian and is refusing consent for the medical examination, deputies should notify a supervisor before proceeding. If exigent circumstances do not exist or if state law does not provide for deputies to take the child for a medical examination, the notified supervisor should consider obtaining a court order for such an examination.

#### **330.9 DRUG-ENDANGERED CHILDREN**

A coordinated response by law enforcement and social services agencies is appropriate to meet the immediate and longer-term medical and safety needs of children exposed to the manufacturing, trafficking or use of narcotics.

##### **330.9.1 SUPERVISOR RESPONSIBILITIES**

The Detective Bureau supervisor should:

- (a) Work with professionals from the appropriate agencies, including CPS, other law enforcement agencies, medical service providers and local prosecutors to develop community specific procedures for responding to situations where there are children endangered by exposure to methamphetamine labs or the manufacture and trafficking of other drugs.
- (b) Activate any available interagency response when a deputy notifies the Detective Bureau supervisor that the deputy has responded to a drug lab or other narcotics crime scene where a child is present or where evidence indicates that a child lives there.
- (c) Develop a report format or checklist for use when deputies respond to drug labs or other narcotics crime scenes. The checklist will help deputies document the environmental, medical, social and other conditions that may affect the child.

##### **330.9.2 DEPUTY RESPONSIBILITIES**

Deputies responding to a drug lab or other narcotics crime scene where a child is present or where there is evidence that a child lives should:

- (a) Document the environmental, medical, social and other conditions of the child using photography as appropriate and the checklist or form developed for this purpose.
- (b) Notify the Detective Bureau supervisor so an interagency response can begin.

#### **330.10 STATE MANDATES AND OTHER RELEVANT LAWS**

California requires or permits the following:

##### **330.10.1 RELEASE OF REPORTS**

Information related to incidents of child abuse or suspected child abuse shall be confidential and may only be disclosed pursuant to state law and the Release of Records and Information Policy (Penal Code 841.5; Penal Code § 11167.5).

#### **330.10.2 REQUESTS FOR REMOVAL FROM THE CHILD ABUSE CENTRAL INDEX (CACI)**

Any person whose name has been forwarded to the California Department of Justice (DOJ) for placement in California's CACI, as a result of an investigation, may request that his/her name be removed from the CACI list. Requests shall not qualify for consideration if there is an active case, ongoing investigation or pending prosecution that precipitated the entry to CACI (Penal Code § 11169). All requests for removal shall be submitted in writing by the requesting person and promptly routed to the CACI hearing officer.

#### **330.10.3 CACI HEARING OFFICER**

The Detective Bureau supervisor will normally serve as the hearing officer but must not be actively connected with the case that resulted in the person's name being submitted to CACI. Upon receiving a qualified request for removal, the hearing officer shall promptly schedule a hearing to take place during normal business hours and provide written notification of the time and place of the hearing to the requesting party.

#### **330.10.4 CACI HEARING PROCEDURES**

The hearing is an informal process where the person requesting removal from the CACI list will be permitted to present relevant evidence (e.g., certified copy of an acquittal, factual finding of innocence) as to why his/her name should be removed. The person requesting the hearing may record the hearing at his/her own expense.

Formal rules of evidence will not apply and the hearing officer may consider, in addition to evidence submitted by the person requesting the hearing, any relevant information including, but not limited to, the following:

- (a) Case reports including any supplemental reports
- (b) Statements by investigators
- (c) Statements from representatives of the District Attorney's Office
- (d) Statements by representatives of a child protective agency who may be familiar with the case

After considering all information presented, the hearing officer shall make a determination as to whether the requesting party's name should be removed from the CACI list. Such determination shall be based on a finding that the allegations in the investigation are not substantiated (Penal Code § 11169).

If, after considering the evidence, the hearing officer finds that the allegations are not substantiated, he/she shall cause a request to be completed and forwarded to the DOJ that the person's name be removed from the CACI list. A copy of the hearing results and the request for removal will be attached to the case reports.

The findings of the hearing officer shall be considered final and binding.

#### **330.10.5 CHILD DEATH REVIEW TEAM**

This department should cooperate with any interagency child death review team investigation (Penal Code § 11174.32).

It also includes any child who is missing voluntarily, involuntarily or under circumstances that do not conform to his/her ordinary habits or behavior, and who may be in need of assistance (Penal Code § 14213).

### 332.2 POLICY

The El Dorado County Sheriff's Office does not consider any report of a missing person to be routine and assumes that the missing person is in need of immediate assistance until the facts reveal otherwise. The El Dorado County Sheriff's Office gives missing person cases priority over property-related cases and will not require any time frame to pass before beginning a missing person investigation (Penal Code § 14205).

### 332.3 REQUIRED FORMS AND DNA COLLECTION KITS

The Investigative Services supervisor should ensure the forms and kits are developed and available in accordance with this policy, state law, federal law and the California Peace Officer Standards and Training (POST) [Missing Persons Investigations](#) guidelines, including:

- DNA Missing Persons Specimen Collection Kits

### 332.4 ACCEPTANCE OF REPORTS

by accepting the report via telephone or in person and initiating the investigation. Those employees who do not take such reports or who are unable to render immediate assistance shall promptly dispatch or alert an employee who can take the report.

A report shall be accepted regardless of where the person was last seen, where the person resides or any other question of jurisdiction (Penal Code § 14205).

#### **332.5 INITIAL INVESTIGATION**

Deputies or other employees conducting the initial investigation of a missing person should take the following investigative actions, as applicable:

- (c) Notify a supervisor immediately if there is evidence that a missing person is either at risk or may qualify for a public alert, or both (see the Public Alerts Policy).
- (d) Broadcast a Be on the Look-Out (BOLO) bulletin if the person is under 16 years of age or there is evidence that the missing person is at risk. The BOLO should be broadcast as soon as practicable but in no event more than one hour after determining the missing person is under 16 or may be at risk (Penal Code § 14205).
- (e) Ensure that entries are made into the appropriate missing person networks as follows:
  1. Immediately, when the missing person is at risk.
  2. In all other cases, as soon as practicable, but not later than two hours from the time of the initial report.

  4. Any other evidence that may assist in the investigation, including personal electronic devices (e.g., cell phones, computers).
- (h) When circumstances permit and if appropriate, attempt to determine the missing person's location through their telecommunications carrier.
- (i) Contact the appropriate agency if the report relates to a previously made missing person report and another agency is actively investigating that report. When this is not practical, the information should be documented in an appropriate report for transmission to the appropriate agency. If the information relates to an at-risk missing person, the deputy should notify a supervisor and proceed with reasonable steps to locate the missing person.

#### **332.6 REPORT PROCEDURES AND ROUTING**

Employees should complete all missing person reports and forms promptly and advise the appropriate supervisor as soon as a missing person report is ready for review.

### 342.3 SYSTEM INSPECTION OR REVIEW

Review of any employee's system, and any and all temporary or permanent files and related electronic systems or devices, and any contents may only be authorized by the Sheriff or Undersheriff.

Reasons for inspection or review may include, but are not limited to system malfunctions, problems or general system failure, a lawsuit against the agency involving the employee, or related to the employee's duties, an alleged or suspected violation of a department policy, or a need to perform or provide a service when the employee is unavailable.

### 342.4 AGENCY PROPERTY

All information, data, documents and other entries initiated on any of the agency's computers, whether downloaded or transferred from the original agency computer, shall remain the exclusive property of the Department.

### 342.5 UNAUTHORIZED USE OF SOFTWARE

Employees shall not copy or duplicate any copyrighted or licensed software except for a single copy for backup purposes in accordance with the software company's copyright and license agreement. To reduce the risk of computer virus or malicious software infection, employees shall not install any unlicensed or unauthorized software on any department computer. department computer or network shall be done so only with the approval of the department IT specialist and only after being properly scanned for malicious attachments.

No employee shall knowingly make, acquire or use unauthorized copies of computer software not licensed to the agency while on agency premises or on an agency computer system. Such unauthorized use of software exposes the agency and involved employees to severe civil and criminal penalties.

#### **342.6 PROHIBITED AND INAPPROPRIATE USE OF DEPARTMENT TECHNOLOGY**

Access to department technology resources provided by or through the Department shall be strictly limited to department-related business activities. Data stored on, or available through department systems shall only be accessed by authorized employees who are engaged in an active investigation, assisting in an active investigation, or who otherwise have a legitimate law enforcement or department business related purpose to access such data. Any exceptions to this policy must be approved by a supervisor.

Internet access is provided by the Department for department related business activities. An Internet site containing information that is not appropriate or applicable to departmental use and which shall not be intentionally accessed include, but are not limited to, adult forums, pornography, chat rooms and similar or related Web sites. Certain exceptions may be permitted with the approval of a supervisor as a function of an assignment.

Downloaded information shall be limited to messages, mail and data files, which shall be subject to audit and review by the Department without notice. No copyrighted and/or unlicensed software program files may be downloaded.

Employees shall report any unauthorized access to the system or suspected intrusion from outside sources (including the Internet) to a supervisor.

#### **342.7 PROTECTION OF AGENCY SYSTEMS AND FILES**

All employees have a duty to protect the system and related systems and devices from physical and environmental damage and are responsible for the correct use, operation, care, and maintenance of the system.

It is expressly prohibited for an employee to allow an unauthorized user to access the system at any time or for any reason.

##### **342.7.1 FLASH DRIVES**

Flash Drives, also known as Jump Drives, Thumb Drives, and USB Drives, represent a significant risk to department data and computing resources. Like the removable media of the past (floppy disks) viruses can be transported from computer to computer via Jump Drives. The storage capacity of these devices represents an increased risk to department data. The loss of a single jump drive containing sensitive data could expose the department to significant liability. (A single jump drive can hold more than 2,000 floppy disks. An entire database can be compromised.) There are more secure methods of moving and storing departmental data utilizing network resources. For these reasons the following procedures apply:

- (a) Jump drives must be purchased through the requisition process and not through office supply.
- (b) All department jump drives must be encrypted with password protection activated.

### *Department Technology Use*

---

- (c) Jump drives shall not be used as a primary means of storing department data.
- (d) Personally owned jump drives shall not be used to transport department data.
- (e) Personally owned jump drives shall not be used to introduce software or data into department computers.
- (f) Some department computers will be configured to prevent the use of jump drives by anyone. Exceptions to this configuration must be request through the chain of command to the Technology Manager.
- (g) Authorization to use a jump drive is granted by the employee's Captain and administered by the Technology staff. Only encrypted, departmentally issued jump drives may be used.
- (h) At no time shall a jump drive (departmental or personal) be used to store sensitive data which includes but is not limited to employee databases and criminal information. Exceptions must be approved through a captain and then only an encrypted jump drive may be used.
- (i) Each employee issued a departmental jump drive will be given this policy and trained in its proper use. Technology staff will maintain a database of issued jump drives.

### **342.8 INCIDENTAL PERSONAL USE OF DEPARTMENT COMPUTER SYSTEM**

Users are responsible for exercising good judgement regarding the reasonableness of personal use of Department computers on personal time. Users may engage in reasonable incidental personal use of the Department's computer systems, to the extent permitted by their supervisor, as long as such use does not degrade overall system performance (such as streaming media, music or videos files), detract from the user's productivity, duties, service to the public or Department, violate any law, or harm the image of the Department.

## Report Preparation

### 344.1 PURPOSE AND SCOPE

Report preparation is a major part of each deputy's job. The purpose of reports is to document sufficient information to refresh the deputy's memory and to provide sufficient information for follow-up investigation and successful prosecution. Report writing is the subject of substantial formalized training and on-the-job training.

#### 344.1.1 REPORT PREPARATION

Employees should ensure that reports are sufficiently detailed for their purpose and free from errors prior to submission. It is the responsibility of the assigned employee to complete and submit all reports taken during the shift before going off-duty unless permission to hold the report has been approved by a supervisor. Generally, reports requiring prompt follow-up action on active leads, or arrest reports where the suspect remains in custody should not be held.

Handwritten reports must be prepared legibly. If the report is not legible, the submitting employee will be required by the reviewing supervisor to promptly make corrections and resubmit the report. Employees who dictate reports shall use appropriate grammar, as content is not the responsibility of the typist. Employees who generate reports on computers are subject to all requirements of this policy.

All reports shall accurately reflect the identity of the persons involved, all pertinent information seen, heard or assimilated by any other sense, and any actions taken. Employees shall not suppress, conceal or distort the facts of any reported incident, nor shall any employee make a false report orally or in writing. Generally, the reporting employee's opinions should not be included in reports unless specifically identified as such.

### 344.2 REQUIRED REPORTING

Written reports are required in all of the following situations on the appropriate department approved form unless otherwise approved by a supervisor.

#### 344.2.1 CRIMINAL ACTIVITY REPORTING

When an employee responds to a call for service, or as a result of self-initiated activity becomes aware of any activity where a crime has occurred, the employee is required to document the activity. The fact that a victim is not desirous of prosecution is not an exception to documenting a report. The following are examples of required documentation:

- (a) In every instance where a felony has occurred, the documentation shall take the form of a written crime report
- (b) In every instance where a misdemeanor crime has occurred and the victim desires a report, the documentation shall take the form of a written crime report. If the victim does not desire a report, the incident will be recorded on the dispatcher's log
- (c) In every case where any force is used against any person by sheriff's personnel
- (d) All incidents involving domestic violence
- (e) All arrests

#### **344.2.3 DEATH CASES**

Death investigations require specific investigation methods depending on circumstances and should be handled in accordance with Policy § 360 Death Investigations. The handling deputy should notify and apprise a supervisor of the circumstances surrounding the incident to determine how to proceed. The following cases shall be appropriately investigated and documented using the approved report:

- (a) Sudden or accidental deaths.
- (b) Suicides.
- (c) Homicide or suspected homicide.
- (d) Unattended deaths (No physician or qualified hospice care in the 20 days preceding death).
- (e) Found dead bodies or body parts.

#### **344.2.4 INJURY OR DAMAGE BY COUNTY PERSONNEL**

Reports shall be taken if an injury occurs that is a result of an act of a County employee. Additionally, reports shall be taken involving damage to County property or County equipment.

#### **344.2.5 MISCELLANEOUS INJURIES**

Any injury that is reported to this department shall require a report when:

- (a) The injury is a result of drug overdose
- (b) Attempted suicide
- (c) The injury is major/serious, whereas death could result
- (d) The circumstances surrounding the incident are suspicious in nature and it is desirable to record the event

The above reporting requirements are not intended to be all-inclusive. A supervisor may direct an employee to document any incident he/she deems necessary.

#### **344.2.6 MANDATORY REPORTING OF JUVENILE GUNSHOT INJURIES**

A report shall be taken when any incident in which a child 18 years or younger suffered an unintentional or self-inflicted gunshot wound. The Records Section shall notify the California State Department of Health Services of the incident, including the nature of the injury, on a form provided by the state. #### **344.3 GENERAL POLICY OF EXPEDITIOUS REPORTING**

In general, all deputies and supervisors shall act with promptness and efficiency in the preparation and processing of all reports. Incomplete reports, unorganized reports or reports delayed without supervisory approval are not acceptable. Reports shall be processed according to established priorities or according to special priority necessary under exceptional circumstances. All reports shall be submitted by the end of the deputy's watch unless an approval to hold the report is obtained from the Watch Commander. Reports involving custodial arrests should not be held.

##### **344.3.1 GENERAL POLICY OF HANDWRITTEN REPORTS**

Some incidents and report forms lend themselves to block print rather than typing. In general, the narrative portion of those reports where an arrest is made or when there is a long narrative should be typed or dictated.

Supervisors may require, with the foregoing general policy in mind, block printing or typing of reports of any nature for departmental consistency.

##### **344.3.2 GENERAL USE OF OTHER HANDWRITTEN FORMS**

County, state and federal agency forms may be block printed as appropriate. In general, the form itself may make the requirement for typing apparent.

#### **344.4 REPORT CORRECTIONS**

Supervisors shall review reports for content and accuracy. If a correction is necessary the reviewing supervisor should complete the "Reports Memo" form stating the reasons for rejection. The report and the correction form should be returned to the reporting employee for correction as soon as practical. It shall be the responsibility of the originating deputy to ensure that any report returned for correction is processed in a timely manner. The Patrol Deputy shall notify the Patrol Sergeant when the corrections have been completed."

Generally, the computer generated report is placed in a "Reject" or "Hold" status until such time as the deputy corrects the deficient report.

##### **344.4.1 DISSEMINATION OF REPORTS MEMO**

Sergeants will initiate a Reports Memo via their computer and email it to the deputy. The Deputy will print the Reports Memo, make the correction(s), sign the memo and return it to the issuing sergeant. The finished Reports Memo will then be placed into the deputy's evaluation file."

Any exceptions to the above should only be considered for the furtherance of legitimate law enforcement purposes. Prior to approving any exception the Sheriff will consider, at minimum, whether the release of information or presence of the media would unreasonably endanger any individual, prejudice the rights of any person or is otherwise prohibited by law.

Employees are expected to cooperate with the prosecution to ensure the successful conclusion of a case.

#### 348.2.1 SERVICE OF SUBPOENA

Service of a subpoena requiring the appearance of any department employee in connection with a matter arising out of the employee's course and scope of official duties may be accomplished by personal service on the employee or by delivery of two copies of the subpoena on the employee's supervisor or other authorized departmental agent (Government Code § 68097.1; Penal Code § 1328(c)). - (b) Do not give statements to the media. Direct media to the patrol or investigations supervisors, or a designated public information officer.
- (c) Do not allow suspects or any detained witnesses to talk with media personnel.

#### **360.3.9 SUICIDES AND SUSPICIOUS DEATHS**

- (a) An investigator will be called on suicides involving firearms
- (b) A Coroner Investigator will be called on all hanging deaths
- (c) An investigator will be called on all juvenile suicides, regardless of means of death.
- (d) An investigator will be called on suspicious deaths.
- (e) Handle all suicides and accidental deaths as potential homicides.
- (f) Secure the immediate scene and detain witnesses.
- (g) Do not allow the removal of any evidence until photographed by C.S.I's or approved by investigators.
- (h) If suicide is by hanging and death is evident, do not cut the deceased down. If the deceased is cut down because death is not evident, (CPR, First Aid) make the cut above the knot.
- (i) If relatives are present obtain any background information which may assist investigators.

#### **360.4 SHIFT SERGEANT'S RESPONSIBILITY AT DEATH SCENES**

Patrol supervisors must respond to all death investigations prior to calling an investigator.

Patrol supervisors will note and make a detailed account of the circumstances surrounding the incident, then relay this information to the investigator, prior to their response.

## Identity Theft

### 362.1 PURPOSE AND SCOPE

Identity theft is a growing trend that frequently involves related crimes in multiple jurisdictions. This policy is intended to provide guidelines for the reporting and investigation of such crimes.

### 362.2 REPORTING

- (a) In an effort to maintain uniformity in reporting, deputies presented with the crime of identity theft (Penal Code § 530.6) shall initiate a report for victims residing within the jurisdiction of this department when the crime occurred. For incidents of identity theft occurring outside this jurisdiction, deputies should observe the following:
  1. For any victim not residing within this jurisdiction, the deputy may either take a courtesy report to be forwarded to the victim's residence agency or the victim should be encouraged to promptly report the identity theft to the law enforcement agency where he or she resides.
- (b) While the crime of identity theft should be reported to the law enforcement agency where the victim resides, deputies of this department should investigate and report crimes occurring within this jurisdiction which have resulted from the original identity theft (e.g., the identity theft occurred elsewhere, but the credit card fraud occurred and is reported in this jurisdiction).
- (c) Deputies should include all known incidents of fraudulent activity (e.g., credit card number applied for in victim's name when the victim has never made such an application). Deputies should attempt to obtain all account numbers/statements, locations, financial institutions, video, and/or any other documents related to the crime.
- (d) Deputies should also cross-reference all known reports made by the victim (e.g., U.S. Secret Service, credit reporting bureaus, U.S. Postal Service and DMV) with all known report numbers.
- (e) The reporting deputy should inform victims of identity theft that the California Identity Theft Registry is available to help those who are wrongly linked to crimes. The registry can be checked by law enforcement and other authorized persons to investigate whether a criminal history or want was created in the victim's name (Penal Code § 530.7). Information regarding the California Identity Theft Registry can be obtained by calling toll free (888) 880-0240.
- (f) Following supervisory review and departmental processing, the initial report should be forwarded to the appropriate detective for follow up investigation, coordination with other agencies and prosecution as circumstances dictate.

## Private Persons Arrests

### 364.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidance for the handling of private person's arrests made pursuant to Penal Code § 837.

### 364.2 ADVISING PRIVATE PERSONS OF THE ARREST PROCESS

Penal Code § 836(b) expressly mandates that all deputies shall advise victims of domestic violence of the right to make a private person's arrest, including advice on how to safely execute such an arrest. In all other situations, deputies should use sound discretion in determining whether or not to advise an individual of the arrest process.

- (a) When advising any individual regarding the right to make a private person's arrest, deputies should refrain from encouraging or dissuading any individual from making such an arrest and should instead limit advice to the legal requirements for such an arrest as listed below.
- (b) Private individuals should be discouraged from using force to effect a private person's arrest, and absent immediate threat to their own safety or the safety of others, private individuals should be encouraged to refer matters to law enforcement officials for further investigation or arrest.

### 364.3 ARRESTS BY PRIVATE PERSONS

Penal Code § 837 provides that a private person may arrest another:

- (a) For a public offense committed or attempted in his or her presence;
- (b) When the person arrested has committed a felony, although not in his or her presence;
- (c) When a felony has been in fact committed, and he or she has reasonable cause for believing the person arrested has committed it.

Unlike peace officers, private persons may not make an arrest on suspicion that a felony has been committed - the felony must in fact have taken place.

### 364.4 DEPUTY RESPONSIBILITIES

Any deputy presented with a private person wishing to make an arrest must determine whether or not there is reasonable cause to believe that such an arrest would be lawful (Penal Code § 847).

- (a) Should any deputy determine that there is no reasonable cause to believe that a private person's arrest is lawful, the deputy should take no action to further detain or restrain the individual beyond that which reasonably appears necessary to investigate the matter, determine the lawfulness of the arrest and protect the public safety.
  - 1. Any deputy who determines that a private person's arrest appears to be unlawful should promptly release the arrested individual pursuant to Penal Code § 849(b)(1). The deputy must include the basis of such a determination in a related report.
  - 2. Absent reasonable cause to support a private person's arrest or other lawful grounds to support an independent arrest by the deputy, the deputy should

advise the parties that no arrest will be made and that the circumstances will be documented in a related report.

- (b) Whenever a deputy determines that there is reasonable cause to believe that a private person's arrest is lawful, the deputy may exercise any of the following options:
1. Take the individual into physical custody for booking
  2. Release the individual pursuant to a Notice to Appear
  3. Release the individual pursuant to Penal Code § 849

#### **364.5 REPORTING REQUIREMENTS**

In all circumstances in which a private person is claiming to have made an arrest, the individual must complete and sign a department Private Person's Arrest form under penalty of perjury.

In addition to the Private Person's Arrest Form (and any other related documents such as citations, booking forms, etc.), deputies shall complete a narrative report regarding the circumstances and disposition of the incident.

# Anti-Reproductive Rights Crimes Reporting

## 366.1 PURPOSE AND SCOPE

This policy shall establish a procedure for the mandated reporting of Anti-Reproductive Rights Crimes (ARRC) to the Attorney General pursuant to the Reproductive Rights Law Enforcement Act (Penal Code § 13775 et seq.).

## 366.2 DEFINITIONS

Penal Code § 423.2 provides that the following acts shall be considered Anti-Reproductive Rights Crimes (ARRC) when committed by any person, except a parent or guardian acting towards his or her minor child or ward:

- (a) By force, threat of force, or physical obstruction that is a crime of violence, intentionally injures, intimidates, interferes with, or attempts to injure, intimidate, or interfere with any person or entity because that person or entity is a reproductive health services client, provider, or assistant, or in order to intimidate any person or entity, or any class of persons or entities, from becoming or remaining a reproductive health services client, provider, or assistant
- (b) By non-violent physical obstruction, intentionally injures, intimidates, or interferes with, or attempts to injure, intimidate, or interfere with, any person or entity because that person or entity is a reproductive health services client, provider, or assistant, or in order to intimidate any person or entity, or any class of persons or entities, from becoming or remaining a reproductive health services client, provider or assistant
- (c) Intentionally damages or destroys the property of a person, entity, or facility, or attempts to do so, because the person, entity, or facility is a reproductive health services client, provider, assistant, or facility

## 366.3 REPORTING REQUIREMENTS TO THE ATTORNEY GENERAL

- (a) Upon the receipt of the report of an ARRC, it shall be the responsibility of the employee taking such a report to also complete an ARRC Data Collection Worksheet (BCIA 8371) in accordance with the instructions contained on such forms.
- (b) The ARRC Data Collection Worksheet shall be processed with all related reports and forwarded to the Investigation Division Commander.
- (c) By the tenth day of each month, it shall be the responsibility of the Investigation Division Commander to ensure that a Summary Worksheet (BCIA 8370) is submitted to the Department of Justice Criminal Justice Statistics Center.
  1. In the event that no ARRC(s) were reported during the previous month, a Summary Worksheet shall be submitted to Department of Justice with an indication that no such crimes were reported.
  2. Any ARRC(s) reported in the Summary Worksheet shall be accompanied by a copy of the related Data Collection Worksheet(s).

## Limited English Proficiency Services

### 368.1 PURPOSE AND SCOPE

This policy provides guidance to members when communicating with individuals with limited English proficiency (LEP) (42 USC § 2000d).

#### 368.1.1 DEFINITIONS

Definitions related to this policy include:

**Authorized interpreter** - A person who has been screened and authorized by the Department to act as an interpreter and/or translator for others.

**Interpret or interpretation** - The act of listening to a communication in one language (source language) and orally converting it to another language (target language), while retaining the same meaning.

**Limited English proficient (LEP)** - Any individual whose primary language is not English and who has a limited ability to read, write, speak or understand English. These individuals may be competent in certain types of communication (e.g., speaking or understanding) but still be LEP for other purposes (e.g., reading or writing). Similarly, LEP designations are context-specific; an individual may possess sufficient English language skills to function in one setting but these skills may be insufficient in other situations.

**Qualified bilingual member** - A member of the El Dorado County Sheriff's Office, designated by the Department, who has the ability to communicate fluently, directly and accurately in both English and another language. Bilingual members may be fluent enough to communicate in a non-English language but may not be sufficiently fluent to interpret or translate from one language into another.

**Translate or translation** - The replacement of written text from one language (source language) into an equivalent written text (target language).

### 368.2 POLICY

It is the policy of the El Dorado County Sheriff's Office to reasonably ensure that LEP individuals have meaningful access to law enforcement services, programs and activities, while not imposing undue burdens on its members.

The Department will not discriminate against or deny any individual access to services, rights or programs based upon national origin or any other protected interest or right.

### 368.3 LEP COORDINATOR

The Sheriff shall delegate certain responsibilities to an LEP Coordinator. The LEP Coordinator shall be appointed by, and directly responsible to, the Operations Division Commander or the authorized designee.

The responsibilities of the LEP Coordinator include, but are not limited to:

- (a) Coordinating and implementing all aspects of the El Dorado County Sheriff's Office's LEP services to LEP individuals.

### *Limited English Proficiency Services*

---

- (b) Developing procedures that will enable members to access LEP services, including telephonic interpreters, and ensuring the procedures are available to all members.
- (c) Ensuring that a list of all qualified bilingual members and authorized interpreters is maintained and available to each Shift Sergeant and Manager of Public Safety Dispatch. The list should include information regarding the following:
  - 1. Languages spoken
  - 2. Contact information
  - 3. Availability
- (d) Ensuring signage stating that interpreters are available free of charge to LEP individuals is posted in appropriate areas and in the most commonly spoken languages.
- (e) Reviewing existing and newly developed documents to determine which are vital documents and should be translated, and into which languages the documents should be translated.
- (f) Annually assessing demographic data and other resources, including contracted language services utilization data and community-based organizations, to determine if there are additional documents or languages that are appropriate for translation.
- (g) Identifying standards and assessments to be used by the Department to qualify individuals as qualified bilingual members or authorized interpreters.
- (h) Periodically reviewing efforts of the Department in providing meaningful access to LEP individuals, and, as appropriate, developing reports, new procedures or recommending modifications to this policy.
- (i) Receiving and responding to complaints regarding department LEP services.
- (j) Ensuring appropriate processes are in place to provide for the prompt and equitable resolution of complaints and inquiries regarding discrimination in access to department services, programs and activities.

#### **368.4 FOUR-FACTOR ANALYSIS**

Since there are many different languages that members could encounter, the Department will utilize the four-factor analysis outlined in the U.S. Department of Justice (DOJ) Guidance to Federal Financial Assistance Recipients, available at the DOJ website, to determine which measures will provide meaningful access to its services and programs. It is recognized that law enforcement contacts and circumstances will vary considerably. This analysis, therefore, must remain flexible and will require an ongoing balance of four factors, which are:

- (a) The number or proportion of LEP individuals eligible to be served or likely to be encountered by department members, or who may benefit from programs or services within the jurisdiction of the Department or a particular geographic area.
- (b) The frequency with which LEP individuals are likely to come in contact with department members, programs or services.
- (c) The nature and importance of the contact, program, information or service provided.
- (d) The cost of providing LEP assistance and the resources available.

#### **368.5 TYPES OF LEP ASSISTANCE AVAILABLE**

El Dorado County Sheriff's Office members should never refuse service to an LEP individual who is requesting assistance, nor should they require an LEP individual to furnish an interpreter as a condition for receiving assistance. The Department will make

---

### *Limited English Proficiency Services*

---

every reasonable effort to provide meaningful and timely assistance to LEP individuals through a variety of services.

The Department will utilize all reasonably available tools, such as language identification cards, when attempting to determine an LEP individual's primary language.

LEP individuals may choose to accept department-provided LEP services at no cost or they may choose to provide their own.

Department-provided LEP services may include, but are not limited to, the assistance methods described in this policy.

#### **368.6 WRITTEN FORMS AND GUIDELINES**

Vital documents or those that are frequently used should be translated into languages most likely to be encountered. The LEP Coordinator will arrange to make these translated documents available to members and other appropriate individuals, as necessary.

#### **368.7 AUDIO RECORDINGS**

The Department may develop audio recordings of important or frequently requested information in a language most likely to be understood by those LEP individuals who are representative of the community being served.

#### **368.8 QUALIFIED BILINGUAL MEMBERS**

Bilingual members may be qualified to provide LEP services when they have demonstrated through established department procedures a sufficient level of skill and competence to fluently communicate in both English and a non-English language. Members utilized for LEP services must demonstrate knowledge of the functions of an interpreter/translator and the ethical issues involved when acting as a language conduit. Additionally, bilingual members must be able to communicate technical and law enforcement terminology, and be sufficiently proficient in the non-English language to perform complicated tasks, such as conducting interrogations, taking statements, collecting evidence or conveying rights or responsibilities.

When a qualified bilingual member from this department is not available, personnel from other County departments, who have been identified by the Department as having the requisite skills and competence, may be requested.

#### **368.9 AUTHORIZED INTERPRETERS**

Any person designated by the Department to act as an authorized interpreter and/or translator must have demonstrated competence in both English and the involved non-English language, must have an understanding of the functions of an interpreter that allows for correct and effective translation, and should not be a person with an interest in the department case or investigation involving the LEP individual. A person providing interpretation or translation services may be required to establish the accuracy and trustworthiness of the interpretation or translation in a court proceeding.

Authorized interpreters must pass a screening process established by the LEP Coordinator which demonstrates that their skills and abilities include:

- (a) The competence and ability to communicate information accurately in both English and in the target language.

# El Dorado County Sheriff's Office

## Policy Manual

### *Limited English Proficiency Services*

---

- (b) Knowledge, in both languages, of any specialized terms or concepts peculiar to this department and of any particularized vocabulary or phraseology used by the LEP individual.
- (c) The ability to understand and adhere to the interpreter role without deviating into other roles, such as counselor or legal adviser.
- (d) Knowledge of the ethical issues involved when acting as a language conduit.

#### **368.9.1 SOURCES OF AUTHORIZED INTERPRETERS**

The Department may contract with authorized interpreters who are available over the telephone. Members may use these services with the approval of a supervisor and in compliance with established procedures.

Other sources may include:

- Qualified bilingual members of this department or personnel from other County departments.
- Individuals employed exclusively to perform interpretation services.
- Contracted in-person interpreters, such as state or federal court interpreters, among others.
- Interpreters from other agencies who have been qualified as interpreters by this department, and with whom the Department has a resource-sharing or other arrangement that they will interpret according to department guidelines.

#### **368.9.2 COMMUNITY VOLUNTEERS AND OTHER SOURCES OF LANGUAGE ASSISTANCE**

Language assistance may be available from community volunteers who have demonstrated competence in either monolingual (direct) communication and/or in interpretation or translation (as noted in above), and have been approved by the Department to communicate with LEP individuals.

Where qualified bilingual members or other authorized interpreters are unavailable to assist, approved community volunteers who have demonstrated competence may be called upon when appropriate. However, department members must carefully consider the nature of the contact and the relationship between the LEP individual and the volunteer to ensure that the volunteer can provide neutral and unbiased assistance.

While family or friends of an LEP individual may offer to assist with communication or interpretation, members should carefully consider the circumstances before relying on such individuals. For example, children should not be relied upon except in exigent or very informal and non-confrontational situations.

#### **368.10 CONTACT AND REPORTING**

While all law enforcement contacts, services and individual rights are important, this department will utilize the four-factor analysis to prioritize service to LEP individuals so that such services may be targeted where they are most needed, according to the nature and importance of the particular law enforcement activity involved.

Whenever any member of this department is required to complete a report or other documentation, and interpretation services are provided to any involved LEP individual, such services should be noted in the related report. Members should document the type of

---

interpretation services utilized and whether the individual elected to use services provided by the Department or some other identified source.

#### **368.11 RECEIVING AND RESPONDING TO REQUESTS FOR ASSISTANCE**

The El Dorado County Sheriff's Office will take reasonable steps and will work with the Department of Human Resources to develop in-house language capacity by hiring or appointing qualified members proficient in languages representative of the community being served.

##### **368.11.1 EMERGENCY CALLS TO 9-1-1**

Department members will make every reasonable effort to promptly accommodate LEP individuals utilizing 9-1-1 lines. When a 9-1-1 call-taker receives a call and determines that the caller is an LEP individual, the call-taker shall quickly determine whether sufficient information can be obtained to initiate an appropriate emergency response. If language assistance is still needed, the language is known and a qualified bilingual member is available in Central Dispatch, the call shall immediately be handled by the qualified bilingual member.

If a qualified bilingual member is not available or the call-taker is unable to identify the caller's language, the call-taker will contact the contracted telephone interpretation service and establish a three-way call between the call-taker, the LEP individual and the interpreter.

Dispatchers will make every reasonable effort to dispatch a qualified bilingual member to the assignment, if available and appropriate.

While 9-1-1 calls shall receive top priority, reasonable efforts should also be made to accommodate LEP individuals seeking routine access to services and information by utilizing the resources listed in this policy.

#### **368.12 FIELD ENFORCEMENT**

Field enforcement will generally include such contacts as traffic stops, pedestrian stops, serving warrants and restraining orders, crowd/traffic control and other routine field contacts that may involve LEP individuals. The scope and nature of these activities and contacts will inevitably vary. Members and/or supervisors must assess each situation to determine the need and availability of language assistance to all involved LEP individuals and utilize the methods outlined in this policy to provide such assistance.

Although not every situation can be addressed in this policy, it is important that members are able to effectively communicate the reason for a contact, the need for information and the meaning or consequences of any enforcement action. For example, it would be meaningless to request consent to search if the deputy is unable to effectively communicate with an LEP individual.

If available, deputies should obtain the assistance of a qualified bilingual member or an authorized interpreter before placing an LEP individual under arrest.

#### **368.13 INVESTIGATIVE FIELD INTERVIEWS**

In any situation where an interview may reveal information that could be used as the basis for arrest or prosecution of an LEP individual and a qualified bilingual member is unavailable or lacks the skills to directly communicate with the LEP individual, an authorized interpreter should be used. This includes interviews conducted during an investigation with victims,

---

witnesses and suspects. In such situations, audio recordings of the interviews should be made when reasonably possible. Identification and contact information for the interpreter (e.g., name, address) should be documented so that the person can be subpoenaed for trial if necessary.

If an authorized interpreter is needed, deputies should consider calling for an authorized interpreter in the following order:

- An authorized department member or allied agency interpreter
- An authorized telephone interpreter
- Any other authorized interpreter

Any *Miranda* warnings shall be provided to suspects in their primary language by an authorized interpreter or, if the suspect is literate, by providing a translated *Miranda* warning card.

The use of an LEP individual's bilingual friends, family members, children, neighbors or bystanders may be used only when a qualified bilingual member or authorized interpreter is unavailable and there is an immediate need to interview an LEP individual.

#### **368.14 CUSTODIAL INTERROGATIONS**

Miscommunication during custodial interrogations may have a substantial impact on the evidence presented in a criminal prosecution. Only qualified bilingual members or, if none is available or appropriate, authorized interpreters shall be used during custodial interrogations. *Miranda* warnings shall be provided to suspects in their primary language by the qualified bilingual member or an authorized interpreter.

In order to ensure that translations during custodial interrogations are accurately documented and are admissible as evidence, interrogations should be recorded whenever reasonably possible. See guidance on recording custodial interrogations in the Investigation and Prosecution Policy.

#### **368.15 BOOKINGS**

When gathering information during the booking process, members should remain alert to the impediments that language barriers can create. In the interest of the arrestee's health and welfare, the safety and security of the facility, and to protect individual rights, it is important that accurate medical screening and booking information be obtained. Members should seek the assistance of a qualified bilingual member whenever there is concern that accurate information cannot be obtained or that booking instructions may not be properly understood by an LEP individual.

#### **368.16 COMPLAINTS**

The Department shall ensure that LEP individuals who wish to file a complaint regarding members of this department are able to do so. The Department may provide an authorized interpreter or translated forms, as appropriate. Complaints will be referred to the LEP Coordinator.

Investigations into such complaints shall be handled in accordance with the Personnel Complaints Policy. Authorized interpreters used for any interview with an LEP individual during an investigation should not be members of this department.

# El Dorado County Sheriff's Office

## Policy Manual

### *Limited English Proficiency Services*

---

Any notice required to be sent to an LEP individual as a complaining party pursuant to the Personnel Complaints Policy should be translated or otherwise communicated in a language-accessible manner.

#### **368.17 COMMUNITY OUTREACH**

Community outreach programs and other such services offered by this department are important to the ultimate success of more traditional law enforcement duties. This department will continue to work with community groups, local businesses and neighborhoods to provide equal access to such programs and services.

#### **368.18 TRAINING**

To ensure that all members who may have contact with LEP individuals are properly trained, the Department will provide periodic training on this policy and related procedures, including how to access department-authorized telephonic and in-person interpreters and other available resources.

The Training coordinator shall be responsible for ensuring new members receive LEP training. Those who may have contact with LEP individuals should receive refresher training at least once every two years thereafter. The Training coordinator shall maintain records of all LEP training provided, and will retain a copy in each member's training file in accordance with established records retention schedules.

##### **368.18.1 TRAINING FOR AUTHORIZED INTERPRETERS**

All members on the authorized interpreter list must successfully complete prescribed interpreter training. To complete interpreter training successfully, an interpreter must demonstrate proficiency in and ability to communicate information accurately in both English and in the target language, demonstrate knowledge in both languages of any specialized terms or phraseology, and understand and adhere to the interpreter role without deviating into other roles, such as counselor or legal adviser.

Members on the authorized interpreter list must receive refresher training annually or they will be removed from the authorized interpreter list. This annual training should include language skills competency (including specialized terminology) and ethical considerations.

The Training coordinator shall be responsible for coordinating the annual refresher training and will maintain a record of all training the interpreters have received.

## Communications with Persons with Disabilities

### 370.1 PURPOSE AND SCOPE

This policy provides guidance to members when communicating with individuals with disabilities, including those who are deaf or hard of hearing, have impaired speech or vision, or are blind.

#### 370.1.1 DEFINITIONS

Definitions related to this policy include:

**Auxiliary aids** - These are used to communicate with people who are deaf, hard of hearing or have impaired speech. They include, but are not limited to, the use of gestures or visual aids to supplement oral communication; use of a notepad and pen or pencil to exchange written notes; use of a computer or typewriter; use of an assistive listening system or device to amplify sound; use of a teletypewriter (TTY), videophones (video relay service or VRS); or use of a qualified interpreter.

**Deaf or hard of hearing** - An individual who has or is regarded as having substantially limited hearing with or without assistance.

**Qualified interpreter** - A person who is able to interpret effectively, accurately and impartially, both receptively and expressively, using any necessary specialized vocabulary. Qualified interpreters include oral interpreters, translators, sign language interpreters and intermediary interpreters.

### 370.2 POLICY

It is the policy of the El Dorado County Sheriff's Office to reasonably ensure that people with disabilities, including victims, witnesses, suspects and arrestees have equal access to law enforcement services, programs and activities. Members must make efforts to communicate effectively with individuals with disabilities.

The Department will not discriminate against or deny any individual access to services, rights or programs based upon disabilities.

### 370.3 AMERICANS WITH DISABILITIES (ADA) COORDINATOR

The Sheriff shall delegate certain responsibilities to an ADA Coordinator (28 CFR 35.107). The ADA Coordinator shall be appointed by, and directly responsible, to the Operations Division Commander or the authorized designee.

The responsibilities of the ADA Coordinator shall include, but not be limited to:

- (a) Working with the County ADA coordinator regarding the El Dorado County Sheriff's Office's efforts to ensure equal access to services, programs and activities.
- (b) Developing reports, new procedures, or recommending modifications to this policy.
- (c) Acting as a liaison with local disability advocacy groups or other disability groups regarding access to department services, programs and activities.

# El Dorado County Sheriff's Office

## Policy Manual

### *Communications with Persons with Disabilities*

---

- (d) Ensuring that a list of qualified interpreter services is maintained and available to each Shift Sergeant and Manager of Public Safety Dispatch. The list should include information regarding the following:
  - 1. Contact information
  - 2. Availability
- (e) Developing procedures that will enable members to access auxiliary aids or services, including qualified interpreters, and ensure the procedures are available to all members.
- (f) Ensuring signage is posted in appropriate areas, indicating that auxiliary aids are available free of charge to people with disabilities.
- (g) Ensuring appropriate processes are in place to provide for the prompt and equitable resolution of complaints and inquiries regarding discrimination in access to department services, programs and activities.

#### **370.4 FACTORS TO CONSIDER**

Because the nature of any law enforcement contact may vary substantially from one situation to the next, members of this department should consider all information reasonably available to them when determining how to communicate with an individual with a disability. Members should carefully balance all known factors in an effort to reasonably ensure people who are disabled have equal access to services, programs and activities. These factors may include, but are not limited to:

- (a) Members should not always assume that effective communication is being achieved. The fact that an individual appears to be nodding in agreement does not always mean he/she completely understands the message. When there is any doubt, members should ask the individual to communicate back or otherwise demonstrate their understanding.
- (b) The nature of the disability (e.g., deafness or blindness vs. hard of hearing or low vision).
- (c) The nature of the law enforcement contact (e.g., emergency vs. non-emergency, custodial vs. consensual contact).
- (d) The availability of auxiliary aids. The fact that a particular aid is not available does not eliminate the obligation to reasonably ensure access. However, in an emergency, availability may factor into the type of aid used.

#### **370.5 INITIAL AND IMMEDIATE CONSIDERATIONS**

Recognizing that various law enforcement encounters may be potentially volatile and/or emotionally charged, members should remain alert to the possibility of communication problems.

Members should exercise special care in the use of all gestures, and verbal and written communication to minimize initial confusion and misunderstanding when dealing with any individual with known or suspected disabilities.

In a non-emergency situation, when a member knows or suspects an individual requires assistance to effectively communicate, the member shall identify the individual's choice of auxiliary aid or service.

The individual's preferred communication method must be honored unless another effective method of communication exists under the circumstances (28 CFR 35.160).

---

# El Dorado County Sheriff's Office

## Policy Manual

### *Communications with Persons with Disabilities*

---

Factors to consider when determining whether an alternative method is effective include:

- (a) The methods of communication usually used by the individual.
- (b) The nature, length and complexity of the communication involved.
- (c) The context of the communication.

In emergency situations involving an imminent threat to the safety or welfare of any person, members may use whatever auxiliary aids and services that reasonably appear effective under the circumstances. This may include, for example, exchanging written notes or using the services of a person who knows sign language but is not a qualified interpreter, even if the person who is deaf or hard of hearing would prefer a qualified sign language interpreter or another appropriate auxiliary aid or service. Once the emergency has ended, the continued method of communication should be reconsidered. The member should inquire as to the individual's preference and give primary consideration to that preference.

If an individual who is deaf, hard of hearing or has impaired speech must be handcuffed while in the custody of the El Dorado County Sheriff's Office, consideration should be given, safety permitting, to placing the handcuffs in the front of the body to facilitate communication using sign language or writing.

#### **370.6 TYPES OF ASSISTANCE AVAILABLE**

El Dorado County Sheriff's Office members shall never refuse to assist an individual with disabilities who is requesting assistance. The Department will not charge anyone to receive auxiliary aids, nor shall they require anyone to furnish their own auxiliary aid or service as a condition for receiving assistance. The Department will make every reasonable effort to provide equal access and timely assistance to individuals who are disabled through a variety of services.

A person who is disabled may choose to accept department-provided auxiliary aids or services or they may choose to provide their own.

Department-provided auxiliary aids or services may include, but are not limited to, the assistance methods described in this policy.

#### **370.7 AUDIO RECORDINGS AND ENLARGED PRINT**

The Department may develop audio recordings to assist people who are blind or have a visual impairment with accessing important information. If such a recording is not available, members may read aloud from the appropriate form, for example a personnel complaint form, or provide forms with enlarged print.

#### **370.8 QUALIFIED INTERPRETERS**

A qualified interpreter may be needed in lengthy or complex transactions (e.g., interviewing a victim, witness, suspect or arrestee), if the individual to be interviewed normally relies on sign language or speechreading (lip-reading) to understand what others are saying. The qualified interpreter should not be a person with an interest in the case or investigation involving the disabled individual. A person providing interpretation services may be required to establish the accuracy and trustworthiness of the interpretation in a court proceeding.

Qualified interpreters should be:

- (a) Available within a reasonable amount of time but in no event longer than one hour if requested.
- (b) Experienced in providing interpretation services related to law enforcement matters.

- (e) Able to understand and adhere to the interpreter role without deviating into other roles, such as counselor or legal adviser.
- (f) Knowledgeable of the ethical issues involved when providing interpreter services.

Members should use department-approved procedures to request a qualified interpreter at the earliest reasonable opportunity, and generally not more than 15 minutes after a request for an interpreter has been made or it is reasonably apparent that an interpreter is needed. No individual who is disabled shall be required to provide his/her own interpreter (28 CFR 35.160).

#### **370.9 TTY AND RELAY SERVICES**

In situations where an individual without a disability would have access to a telephone (e.g., booking or attorney contacts), members must also provide those who are deaf, hard of hearing or have impaired speech the opportunity to place calls using an available TTY (also known as a telecommunications device for deaf people, or TDD). Members shall provide additional time, as needed, for effective communication due to the slower nature of TTY and TDD communications.

The Department will accept all TTY or TDD calls placed by those who are deaf or hard of hearing and received via a telecommunications relay service (28 CFR 35.162).

Note that relay services translate verbatim, so the conversation must be conducted as if speaking directly to the caller.

#### **370.10 COMMUNITY VOLUNTEERS**

Interpreter services may be available from community volunteers who have demonstrated competence in communication services, such as ASL or SE, and have been approved by the Department to provide interpreter services.

Where qualified interpreters are unavailable to assist, approved community volunteers who have demonstrated competence may be called upon when appropriate. However, department members must carefully consider the nature of the contact and the relationship between the individual with the disability and the volunteer to ensure that the volunteer can provide neutral and unbiased assistance.

#### **370.11 FAMILY AND FRIENDS**

While family or friends may offer to assist with interpretation, members should carefully consider the circumstances before relying on such individuals. The nature of the contact and relationship between the individual with the disability and the person offering services must be carefully considered (e.g., victim/suspect).

Children shall not be relied upon except in emergency or critical situations when there is no qualified interpreter reasonably available.

Adults may be relied upon when (28 CFR 35.160):

- (a) There is an emergency or critical situation and there is no qualified interpreter reasonably available.

### *Communications with Persons with Disabilities*

---

- (b) The person with the disability requests that the adult interpret or facilitate communication and the adult agrees to provide such assistance, and reliance on that adult for such assistance is reasonable under the circumstances.

#### **370.12 REPORTING**

Whenever any member of this department is required to complete a report or other documentation, and communication assistance has been provided, such services should be noted in the related report. Members should document the type of communication services utilized and whether the individual elected to use services provided by the Department or some other identified source. If the individual's express preference is not honored, the member must document why another method of communication was used.

All written communications exchanged in a criminal case shall be attached to the report or placed into evidence.

#### **370.13 FIELD ENFORCEMENT**

Field enforcement will generally include such contacts as traffic stops, pedestrian stops, serving warrants and restraining orders, crowd/traffic control and other routine field contacts that may involve individuals with disabilities. The scope and nature of these activities and contacts will inevitably vary.

The Department recognizes that it would be virtually impossible to provide immediate access to complete communication services to every member of this department. Members and/or supervisors must assess each situation and consider the length, complexity and importance of the communication, as well as the individual's preferred method of communication, when determining the type of resources to use and whether a qualified interpreter is needed.

Although not every situation can be addressed in this policy, it is important that members are able to effectively communicate the reason for a contact, the need for information and the meaning or consequences of any enforcement action. For example, it would be meaningless to verbally request consent to search if the deputy is unable to effectively communicate with an individual who is deaf or hard of hearing and requires communications assistance.

If available, deputies should obtain the assistance of a qualified interpreter before placing an individual with a disability under arrest. Individuals who are arrested and are assisted by service animals should be permitted to make arrangements for the care of such animals prior to transport.

##### **370.13.1 FIELD RESOURCES**

Examples of methods that may be sufficient for transactions, such as checking a license or giving directions to a location or for urgent situations such as responding to a violent crime in progress, may, depending on the circumstances, include such simple things as:

- (a) Hand gestures or visual aids with an individual who is deaf, hard of hearing or has impaired speech.
- (b) Exchange of written notes or communications.
- (c) Verbal communication with an individual who can speechread by facing the individual and speaking slowly and clearly.
- (d) Use of computer, word processing, personal communication device or similar device to exchange texts or notes.

### *Communications with Persons with Disabilities*

- (e) Slowly and clearly speaking or reading simple terms to individuals who have a visual or mental impairment.

Members should be aware that these techniques may not provide effective communication as required by law and this policy depending on the circumstances.

#### **370.14 CUSTODIAL INTERROGATIONS**

In an effort to ensure that the rights of individuals who are deaf, hard of hearing or have speech impairment are protected during a custodial interrogation, this department will provide interpreter services before beginning an interrogation, unless exigent circumstances exist or the individual has made a clear indication that he/she understands the process and desires to proceed without an interpreter. The use of a video remote interpreting service should be considered, where appropriate, if a live interpreter is not available. *Miranda* warnings shall be provided to suspects who are deaf or hard of hearing by a qualified interpreter or by providing a written *Miranda* warning card.

In order to ensure that communications during custodial investigations are accurately documented and are admissible as evidence, interrogations should be recorded whenever reasonably possible. See guidance on recording custodial interrogations in the Investigation and Prosecution Policy.

#### **370.15 ARREST AND BOOKINGS**

If an individual with speech or hearing disabilities is arrested, the arresting deputy shall use department-approved procedures to provide a qualified interpreter at the place of arrest or booking as soon as reasonably practicable, unless the individual indicates that he/she prefers a different auxiliary aid or service or the deputy reasonably determines another effective method of communication exists under the circumstances.

When gathering information during the booking process, members should remain alert to the impediments that often exist when communicating with those who are deaf, hard of hearing, who have impaired speech or vision, are blind, or have other disabilities. In the interest of the arrestee's health and welfare, the safety and security of the facility and to protect individual rights, it is important that accurate medical screening and booking information be obtained. If necessary, members should seek the assistance of a qualified interpreter whenever there is concern that accurate information cannot be obtained or that booking instructions may not be properly understood by the individual.

Individuals who require and possess personally owned communication aids (e.g., hearing aids, cochlear processors) should be permitted to retain them while in custody.

#### **370.16 COMPLAINTS**

The Department shall ensure that individuals with disabilities who wish to file a complaint regarding members of this department are able to do so. The Department may provide a qualified interpreter or forms in enlarged print, as appropriate. Complaints will be referred to the department ADA Coordinator.

Investigations into such complaints shall be handled in accordance with the Personnel Complaints Policy. Qualified interpreters used during the investigation of a complaint should not be members of this Department.

#### **370.17 COMMUNITY OUTREACH**

Community outreach programs and other such services offered by this department are important to the ultimate success of more traditional law enforcement duties. This department will continue to work with community groups, local businesses and neighborhoods to provide equal access to such programs and services.

#### **370.18 TRAINING**

To ensure that all members who may have contact with individuals who are disabled are properly trained, the Department will provide periodic training that should include:

- (a) Awareness and understanding of this policy and related procedures, related forms and available resources.
- (b) Procedures for accessing qualified interpreters and other available resources.
- (c) Working with in-person and telephone interpreters and related equipment.

The Training coordinator shall be responsible for ensuring new members receive training related to interacting with individuals who have disabilities, including individuals who are deaf, hard of hearing, who have impaired speech or vision, or are blind. Those who may have contact with such individuals should receive refresher training at least once every two years thereafter. The Training coordinator shall maintain records of all training provided, and will retain a copy in each member's training file in accordance with established records retention schedules.

##### **370.18.1 CALL-TAKER TRAINING**

Emergency call-takers shall be trained in the use of TTY equipment protocols for communicating with individuals who are deaf, hard of hearing or who have speech impairments. Such training and information should include:

- (a) The requirements of the ADA and Section 504 of the Rehabilitation Act for telephone emergency service providers.
- (b) ASL syntax and accepted abbreviations.
- (c) Practical instruction on identifying and processing TTY or TDD calls, including the importance of recognizing silent TTY or TDD calls, using proper syntax, abbreviations and protocol when responding to TTY or TDD calls.
- (d) Hands-on experience in TTY and TDD communications, including identification of TTY or TDD tones.

Training should be mandatory for all Central Dispatch members who may have contact with individuals from the public who are deaf, hard of hearing or have impaired speech. Refresher training should occur every six months.

# Mandatory School Employee Reporting

## **372.1 PURPOSE AND SCOPE**

The purpose of this policy is to describe the requirements and procedures to follow when a public or private school employee (teacher and non-teacher) has been arrested under certain circumstances.

## **372.2 MANDATORY SCHOOL EMPLOYEE ARREST REPORTING**

In the event a school employee is arrested for any controlled substance offense enumerated in Health & Safety Code § 11590, 11364, in so far as that section relates to paragraph (12) of subdivision (d) of Health and Safety Code § 11054, or for any of the offenses enumerated in Penal Code § 290 or in subdivision 1 of Penal Code § 291 or Education Code § 44010, the Sheriff or his/her designee is required to immediately report the arrest as follows:

### **372.2.1 ARREST OF PUBLIC SCHOOL TEACHER**

Upon arrest for one of the above sections, the Sheriff or his/her designee is mandated to immediately notify by telephone the superintendent of the school district employing the teacher and to immediately give written notice of the arrest to the Commission on Teacher Credentialing and to the superintendent of schools in the county where the person is employed.

### **372.2.2 ARREST OF PUBLIC SCHOOL NON-TEACHER EMPLOYEE**

Upon arrest for one of the above sections, the Sheriff or his/her designee is mandated to immediately notify by telephone the superintendent of the school district employing the non-teacher and to immediately give written notice of the arrest to the governing board of the school district employing the person.

### **372.2.3 ARREST OF PRIVATE SCHOOL TEACHER**

Upon arrest for one of the above sections, the Sheriff or his/her designee is mandated to immediately notify by telephone the private school authority employing the teacher and to immediately give written notice of the arrest to the private school authority employing the teacher.

## DNA Samples

### **374.1 PURPOSE AND SCOPE**

This policy provides guidelines for the collection of biological samples from those individuals required to provide samples upon conviction or arrest for certain offenses. This policy does not apply to biological samples collected at a crime scene or taken from a person in conjunction with a criminal investigation. Nor does it apply to biological samples from those required to register, for example, sex offenders.

### **374.2 POLICY**

The El Dorado County Sheriff's Office will assist in the expeditious collection of required biological samples from offenders in accordance with the laws of this state and with as little reliance on force as practicable.

### **374.3 PERSONS SUBJECT TO DNA COLLECTION**

Those who must submit a biological sample include (Penal Code § 296):

- (a) A person, including a juvenile, upon conviction or other adjudication of any felony offense.
- (b) A person, including a juvenile, upon conviction or other adjudication of any offense if the person has a prior felony on record.
- (c) An adult arrested or charged with any felony.

### **374.4 PROCEDURE**

When an individual is required to provide a biological sample, a trained employee shall obtain the sample in accordance with this policy.

#### **374.4.1 COLLECTION**

The following steps should be taken to collect a sample:

- (a) Verify that the individual is required to provide a sample pursuant to Penal Code § 296; Penal Code § 296.1.
- (b) Verify that a biological sample has not been previously collected from the offender by querying the individual's criminal history record for a DNA collection flag or, during regular business hours, calling the California Department of Justice (DOJ) designated DNA laboratory. There is no need to obtain a biological sample if one has been previously obtained.
- (c) Use a DNA buccal swab collection kit provided by the California DOJ to perform the collection and take steps to avoid cross contamination.

### **374.5 USE OF FORCE TO OBTAIN SAMPLES**

If a person refuses to cooperate with the sample collection process, deputies should attempt to identify the reason for refusal and seek voluntary compliance without resorting to using force. Force will not be used in the collection of samples except as authorized by court order and only with the approval of a supervisor. Methods to consider when seeking voluntary compliance include contacting:

- (a) The person's parole or probation officer when applicable.

# El Dorado County Sheriff's Office

- (b) The prosecuting attorney to seek additional charges against the person for failure to comply or to otherwise bring the refusal before a judge.
- (c) The judge at the person's next court appearance.
- (d) The person's attorney.
- (e) A chaplain.
- (f) Another custody facility with additional resources, where an arrestee can be transferred to better facilitate sample collection.
- (g) A supervisor who may be able to authorize custodial disciplinary actions to compel compliance, if any are available.

The supervisor shall review and approve any plan to use force and be present to document the process.

#### **374.5.1 VIDEO RECORDING**

A video recording should be made anytime force is used to obtain a biological sample. The recording should document all staff participating in the process, in addition to the methods and all force used during the collection. The recording should be part of the investigation file, if any, or otherwise retained in accordance with the department's records retention schedule (15 CCR § 1059).

#### **374.5.2 CELL EXTRACTIONS**

If the use of force includes a cell extraction, the extraction shall be video recorded, including audio. Video shall be directed at the cell extraction event. The video recording shall be retained by the Department for the length of time required by statute. Notwithstanding the use of the video as evidence in a criminal proceeding, the tape shall be retained administratively (15 CCR § 1059).

#### **374.6 LEGAL MANDATES AND RELEVANT LAWS**

California law provides for the following:

##### **374.6.1 DOCUMENTATION RELATED TO FORCE**

Supervisors shall prepare prior written authorization for the use of any force (15 CCR § 1059). The written authorization shall include information that the subject was asked to provide the requisite specimen, sample or impression and refused, as well as the related court order authorizing the force.

##### **374.6.2 BLOOD SAMPLES**

A blood sample should only be obtained under this policy when:

- (a) The California DOJ requests a blood sample and the subject consents, or
- (b) A court orders a blood sample following a refusal.

The withdrawal of blood may only be performed in a medically approved manner by health care providers trained and qualified to draw blood. A California DOJ collection kit shall be used for this purpose (Penal Code § 298(a); Penal Code § 298(b)(2)).

Department chaplains shall be familiar with state evidentiary laws and rules pertaining to the limits of the clergy-penitent privilege and shall inform department members when it appears reasonably likely that the member is discussing matters that are not subject to the clergy-penitent privilege. In such cases, the chaplain should consider referring the member to a non-department counseling resource.

## Child Safety Policy

### 380.1 PURPOSE AND SCOPE

The El Dorado County Sheriff's Office recognizes that children who are subjected to traumatic events, such as the arrest of a parent or guardian, may experience negative emotional effects that can last throughout the lifetime of the individual. After such an event the child may not receive the appropriate care, which can lead to further emotional or physical trauma. This policy is intended to provide guidelines for deputies to take reasonable steps to minimize the impact to the child when it becomes necessary to take action involving the child's parent or guardian (Penal Code § 833.2(a)).

#### 380.1.1 POLICY

It is the policy of this department to mitigate, to the extent reasonably possible, the stressful experience children may have when their parent or caregiver is arrested. The El Dorado County Sheriff's Office will endeavor to create a strong cooperative relationship with local, state and community-based child social services to ensure an effective, collaborative response that addresses the needs of affected children.

### 380.2 PROCEDURES DURING AN ARREST

When encountering an arrest situation deputies should make reasonable attempts to determine if the arrestee is responsible for minor dependent children. In some cases this is obvious, such as when children are present. However, deputies should inquire if the person has any other dependent minor children who are without appropriate supervision. The following steps should be taken (Penal Code § 13517.7(b)(1)):

- (a) Inquire about and confirm the location of any dependent minor children.
- (b) Look for evidence of children. Deputies should be mindful that some arrestees may conceal the fact that they have dependent children for fear their children may be taken from them.
- (c) Inquire of witnesses, neighbors, friends and relatives of the arrestee as to whether the person is responsible for a dependent child.

Whenever possible, deputies should take reasonable steps to accomplish the arrest of a parent or guardian out of the presence of his/her child. Removing children from the scene in advance of the arrest will generally ensure the best outcome for the child.

Whenever it is safe to do so, deputies should allow the parent to assure children that they will be provided care. If this is not safe or if the demeanor of the in-custody parent suggests this conversation would be non-productive, the deputy at the scene should explain the reason for the arrest in age-appropriate language and offer reassurance to the children that both parent and children will receive appropriate care.

#### 380.2.1 AFTER AN ARREST

Whenever an arrest is made, the deputy should take all reasonable steps to ensure the safety of the arrestee's disclosed or discovered, dependent minor children.

Deputies should allow the arrestee reasonable time to arrange for care of minor children. Temporary placement of the child with family or friends may be appropriate. However, any

### *Child Safety Policy*

---

decision should give priority to a child-care solution that is in the best interest of the child. In such cases the following guidelines should be followed:

- (a) Allow the person reasonable time to arrange for the care of minor children with a responsible party, as appropriate.
  1. Unless there is evidence to the contrary (e.g., signs of abuse, drug use, unsafe environment), deputies should respect the parent's judgment regarding arrangements for child care. It is generally best if the child remains with relatives or family friends the child knows and trusts. Consideration regarding the child's familiarity with the surroundings, comfort, emotional state and safety should be paramount.
  2. Except when a court order exists limiting contact, the deputy should attempt to locate and place dependent children with the non-arrested parent or guardian.
- (b) Provide for the immediate supervision of minor children until an appropriate caregiver arrives.
- (c) Notify Child Protective Services if appropriate.
- (d) Notify the field supervisor or Shift Sergeant of the disposition of minor children.

If children are at school or at a known location outside the household at the time of arrest, the arresting deputy should attempt to contact the school or other known location and inform the principal or appropriate responsible adult of the parent's arrest and of the arrangements being made for the care of the arrestee's children, and then record the result of such actions in the associated report.

#### **380.2.2 DURING THE BOOKING PROCESS**

During the booking process the arrestee shall be allowed to make additional free local phone calls to relatives or other responsible individuals as is reasonably necessary to arrange for the care of any minor dependent child. These phone calls shall be given immediately upon request or as soon as practicable and are in addition to any other phone calls allowed by law (Penal Code § 851.5(c)).

#### **380.2.3 REPORTING**

For all arrests where children are present or living in the household, the reporting employee will include information about the children, including names, gender, age and how they were placed.

#### **380.3 CHILD WELFARE SERVICES**

Whenever an arrestee is unwilling or incapable of arranging for the appropriate care of any dependent minor children, the handling deputy should consider taking children into protective custody and placing them with the appropriate county child welfare service or other department-approved social service (Welfare and Institutions Code § 305).

Only when other reasonable options are exhausted should a child be transported to the sheriff's facility, transported in a marked patrol car or taken into formal protective custody.

Under no circumstances should a child be left unattended or without appropriate care.

#### **380.4 TRAINING**

The Training coordinator is responsible to ensure that all personnel of this department who may be involved in arrests affecting children participate, on a timely basis, in a

POST-approved course on effective child safety when a parent or guardian is arrested (Penal Code § 13517.7).

## Service Animal Policy

### **382.1 PURPOSE AND SCOPE**

Service animals play an important role in helping to overcome the limitations often faced by people with disabilities. The El Dorado County Sheriff's Office recognizes this need and is committed to making reasonable modifications to its policies, practices, and procedures in accordance with Title II of the Americans with Disabilities Act of 1990 (ADA) to permit the use of service animals that are individually trained to assist a person with a disability.

### **382.2 SERVICE ANIMALS**

The ADA defines a service animal as any guide dog, signal dog or other animal individually trained to provide assistance to an individual with a disability. Service animals may be of any type or breed and need not be certified by any governmental agency or service group.

Some service animals, such as guide dogs, may be readily identifiable but many do not have a distinctive symbol, harness or collar. Service animals are not pets and may be trained by an individual or organization to assist individuals with disabilities.

The following examples are just some of the ways service animals may be used to provide assistance:

- Guiding people who are blind or have low vision.
- Alerting people who are deaf or hard of hearing.
- Retrieving or picking up items, opening doors, or flipping switches for people with disabilities who have limited use of their hands, arms or legs.
- Pulling wheelchairs.
- Providing physical support and assisting people with physical disabilities with stability and balance.
- Doing work or performing tasks for persons with traumatic brain injury, intellectual disabilities, or psychiatric disabilities, such as reminding a person with depression to take medication or to wake the person.
- Alerting a person with anxiety to the onset of panic attacks, providing tactile stimulation to calm a person with post traumatic stress disorder, assisting people with schizophrenia to distinguish between hallucinations and reality, and helping people with traumatic brain injury to locate misplaced items, find places or follow daily routines.

### **382.3 EMPLOYEE RESPONSIBILITIES**

Under the Americans with Disabilities Act, service animals assisting individuals with disabilities are permitted in all public facilities and areas where the general public is allowed. Employees are expected to treat individuals with service animals with the same courtesy and respect that the El Dorado County Sheriff's Office affords to all members of the public.

If an animal exhibits vicious behavior, poses a direct threat to the health of others or unreasonably disrupts or interferes with normal business operations the employee may direct the partner/handler to remove the animal from the premises. Barking alone is not a threat nor does a direct threat exist if the partner/handler takes prompt, effective action

### *Service Animal Policy*

---

to control the animal. Each incident must be considered individually and past incidents alone are not cause for excluding a service animal. Removal of a service animal may not be used as a reason to refuse service to an individual with disabilities and members of this department are expected to provide all services as are reasonably available to the individual with the disability.

If it is apparent or if the employee is aware the animal is a service animal, the handler/partner should not be asked any questions as to the status of the animal. If it is unclear whether an animal meets the definition of a service animal, the deputy should ask the individual only the following questions:

- Is the animal required because of a disability?
- What task or service has the service animal been trained to perform?

If the individual explains that the animal is required because of a disability and has been trained to work or perform at least one task the animal meets the definition of a service animal and no further question as to the animal's status should be asked. The person should not be asked questions about his/her disabilities nor should the person be asked to provide any license, certification or identification card for the service animal.

Service animals are not pets. Employees should not interfere with the important work performed by a service animal by talking to, petting or otherwise initiating contact with a service animal.

When handling calls of a complaint regarding a service animal, members of this department should remain neutral and should be prepared to explain the ADA requirements concerning service animals to the concerned parties. Businesses are required to permit service animals to accompany their partner/handler in all areas that other customers or members of the public are allowed.

Absent a violation of law independent of ADA, deputies should take no enforcement action beyond keeping the peace and individuals who believe they have been discriminated against as a result of their disability should be referred to the Civil Right Division of the U.S. Department of Justice.

## Volunteer Program

### **384.1 PURPOSE AND SCOPE**

It is the policy of this department to use qualified volunteers for specified tasks and duties in order to create efficiencies for the Department and improve services to the community. Volunteers are intended to supplement and support, rather than supplant, sworn deputies and civilian personnel. Volunteers can be an important part of any organization and are proven to be a valuable asset to law enforcement agencies. Volunteers help to increase departmental responsiveness, delivery of services and information input, and provide new program opportunities. In addition, volunteers bring new skills and expertise to the Department and prompt new enthusiasm.

#### **384.1.1 DEFINITION OF VOLUNTEER**

An individual who performs a service for the Department without promise, expectation or receipt of compensation for services rendered. This may include unpaid chaplains, unpaid reserve deputies, interns, persons providing administrative support and youth involved in a law enforcement Explorer Post, among others.

### **384.2 VOLUNTEER MANAGEMENT**

#### **384.2.1 VOLUNTEER COORDINATOR**

The Volunteer Coordinator shall be appointed by the Sheriff, or designee. The function of the Volunteer Coordinator is to provide a central coordinating point for effective volunteer management within the Department, and to direct and assist staff and volunteer efforts to jointly provide more productive services. The Volunteer Coordinator should work with other Department staff on an ongoing basis to assist in the development and implementation of volunteer-staffed positions.

The Volunteer Coordinator, or his/her designee, shall be responsible for the following:

- (a) Recruiting, selecting and training qualified volunteers for various positions.
- (b) Facilitating the implementation of new volunteer activities and assignments.
- (c) Maintaining records for each volunteer.
- (d) Tracking and evaluating the contribution of volunteers.
- (e) Maintaining the volunteer handbook and outlining expectations, policies and responsibilities for all volunteers.
- (f) Maintaining a record of volunteer schedules and work hours.
- (g) Completion and dissemination as appropriate of all necessary paperwork and information.
- (h) Planning periodic recognition events.
- (i) Administering discipline when warranted.
- (j) Maintaining liaison with other volunteer-utilizing programs in the community and assisting in community-wide efforts to recognize and promote volunteering.

#### **384.2.2 RECRUITMENT**

Volunteers should be recruited on a continuous and ongoing basis consistent with department policy on equal opportunity nondiscriminatory employment. A primary qualification for participation in the application process should be an interest in, and an ability to assist the Department in serving the public.

Requests for volunteers should be submitted in writing by interested staff to the Volunteer Coordinator through the requester's immediate supervisor. A complete position description and a requested time-frame should be included in the request. All parties should understand that the recruitment of volunteers is enhanced by creative and interesting assignments. The Volunteer Coordinator may withhold assignment of any volunteer until such time as the requesting unit is prepared to make effective use of volunteer resources.

#### **384.2.3 SCREENING**

All prospective volunteers should complete the volunteer application form. The Volunteer Coordinator or designee should conduct a face-to-face interview with an applicant under consideration.

A documented background investigation shall be completed on each volunteer applicant and shall include, but not necessarily be limited to, the following:

- (a) Traffic and criminal background check. Fingerprints shall be obtained from all applicants and processed through the California Criminal Information Index.
- (b) Employment
- (c) References
- (d) Credit check

A polygraph exam may be required of each applicant depending on the type of assignment.

#### **384.2.4 SELECTION AND PLACEMENT**

Service as a volunteer with the Sheriff's Office shall begin with an official notice of acceptance or appointment to a volunteer position. Notice may only be given by an authorized representative of the Sheriff's Office, who will normally be the Volunteer Coordinator. No volunteer should begin any assignment until they have been officially accepted for that position and completed all required screening and paperwork. At the time of final acceptance, each volunteer should complete all required enrollment paperwork and will receive a copy of their position description and agreement of service with the Sheriff's Office.

Volunteers should be placed only in assignments or programs that are consistent with their knowledge, skills, abilities and the needs of the Sheriff's Office.

#### **384.2.5 TRAINING**

Volunteers will be provided with an orientation program to acquaint them with the Department, personnel, policies and procedures that have a direct impact on their work assignment.

Volunteers should receive position-specific training to ensure they have adequate knowledge and skills to complete tasks required by the position and should receive periodic ongoing training as deemed appropriate by their supervisor or the Volunteer Coordinator.

## Policy Manual

### *Volunteer Program*

---

Training should reinforce to volunteers that they may not intentionally represent themselves as, or by omission infer that they are sworn deputies or other full-time members of the Department. They shall always represent themselves as volunteers.

All volunteers shall comply with the rules of conduct and with all orders and directives, either oral or written, issued by the Department.

#### **384.2.6 FITNESS FOR DUTY**

No volunteer shall report to work or be on-duty when his/her judgment or physical condition has been impaired by alcohol, medication, other substances, illness or injury.

Volunteers shall report to their supervisor any changes in status that may affect their ability to fulfill their duties. This includes, but is not limited to, the following:

- (a) Driver license
- (b) Medical condition
- (c) Arrests
- (d) Criminal investigations

All volunteers shall adhere to the guidelines set forth by this department regarding drug and alcohol use.

#### **384.2.7 DRESS CODE**

As representatives of the Department, volunteers are responsible for presenting a professional image to the community. Volunteers shall dress appropriately for the conditions and performance of their duties.

Volunteers shall conform to department-approved dress consistent with their duty assignment. Uniforms authorized for volunteers should be readily distinguishable from those worn by sworn deputies. The uniform or identifiable parts of the uniform shall not be worn while off-duty except volunteers may choose to wear the uniform while in transit to or from official department assignments or functions provided an outer garment is worn over the uniform shirt so as not to bring attention to the volunteer while he/she is off duty.

Volunteers shall be required to return any issued uniform or department property at the termination of service.

#### **384.3 SUPERVISION OF VOLUNTEERS**

Each volunteer who is accepted to a position with the Department must have a clearly identified supervisor who is responsible for direct management of that volunteer. This supervisor will be responsible for day-to-day management and guidance of the work of the volunteer and should be available to the volunteer for consultation and assistance.

A volunteer may be assigned as and act as a supervisor of other volunteers provided that the supervising volunteer is under the direct supervision of a paid staff member.

Functional supervision of volunteers is the responsibility of the supervisor in charge of the unit where the volunteer is assigned. Following are some considerations to keep in mind while supervising volunteers:

- (a) Take the time to introduce volunteers to employees on all levels.
- (b) Ensure volunteers have work space and necessary office supplies.

# El Dorado County Sheriff's Office

- (c) Make sure the work is challenging. Do not hesitate to give them an assignment or task that will tap these valuable resources.

#### **384.4 CONFIDENTIALITY**

With appropriate security clearance, volunteers may have access to confidential information such as criminal histories or investigative files. Unless otherwise directed by a supervisor or departmental policy, all information shall be considered confidential. Only that information specifically identified and approved by authorized personnel shall be released. Confidential information shall be given only to persons who have a need and a right to know as determined by departmental policy and supervisory personnel.

Each volunteer will be required to sign a nondisclosure agreement before being given an assignment with the Department. Subsequent unauthorized disclosure of any confidential information, verbally, in writing or by any other means, by the volunteer is grounds for immediate dismissal and possible criminal prosecution.

Volunteers shall not address public gatherings, appear on radio or television, prepare any article for publication, act as correspondents to a newspaper or other periodical, release or divulge any information concerning the activities of the Department, or maintain that they represent the Department in such matters without permission from the proper department personnel.

#### **384.5 PROPERTY AND EQUIPMENT**

Volunteers will be issued an identification card that must be worn at all times while on-duty. Any fixed and portable equipment issued by the Department shall be for official and authorized use only. Any property or equipment issued to a volunteer shall remain the property of the Department and shall be returned at the termination of service.

##### **384.5.1 VEHICLE USE**

Volunteers assigned to duties such as vacation house checks or other assignments that require the use of a vehicle must first complete the following:

- (a) A driving safety briefing and department approved driver safety course.
- (b) Verification that the volunteer possesses a valid California Driver License.
- (c) Verification that the volunteer carries current vehicle insurance.

The Volunteer Coordinator should insure that all volunteers receive safety briefing updates and license and insurance verification at least once a year.

When operating a Department vehicle, volunteers shall obey all rules of the road, including seat belt requirements. Smoking is prohibited in all Department vehicles.

Volunteers should not operate a marked patrol car unless there is a prominently placed sign indicating that it is out of service and are not authorized to operate a Department vehicle Code-3.

##### **384.5.2 RADIO AND MDC USAGE**

Volunteers shall successfully complete CLETS and radio procedures training prior to using the police radio or MDC and comply with all related provisions. The Volunteer Coordinator should ensure that radio and CLETS training is provided for volunteers whenever necessary.

#### **384.6 DISCIPLINARY PROCEDURES/TERMINATION**

A volunteer may be removed from the volunteer program at the discretion of the Sheriff or the Volunteer Coordinator. Volunteers shall have no property interests in their continued appointment. However, if a volunteer is removed for alleged misconduct, the volunteer will be afforded an opportunity solely to clear his/her name through a liberty interest hearing which shall be limited to a single appearance before the Sheriff or authorized designee.

Volunteers may resign from volunteer service with the Department at any time. It is requested that volunteers who intend to resign provide advance notice of their departure and a reason for their decision.

##### **384.6.1 EXIT INTERVIEWS**

Exit interviews, where possible, should be conducted with volunteers who are leaving their positions. The interview should ascertain why the volunteer is leaving the position and solicit the volunteer's suggestions on improving the position. When appropriate, the interview should also include a discussion on the possibility of involvement in some other capacity with the Department.

##### **384.7 EVALUATION**

An evaluation of the overall volunteer program will be conducted on an annual basis by the Volunteer Coordinator. Regular evaluations should be conducted with volunteers to ensure the best use of human resources available, to ensure personnel problems can be identified and dealt with promptly and fairly, and to ensure optimum satisfaction on the part of volunteers.

## Off-Duty Law Enforcement Actions

### 386.1 PURPOSE AND SCOPE

The decision to become involved in a law enforcement action when off-duty can place a deputy as well as others at great risk and must be done with careful consideration. This policy is intended to provide guidelines for deputies of the El Dorado County Sheriff's Office with respect to taking law enforcement action while off-duty.

### 386.2 POLICY

Initiating law enforcement action while off-duty is generally discouraged. Deputies should not attempt to initiate enforcement action when witnessing minor crimes, such as suspected intoxicated drivers, reckless driving or minor property crimes. Such incidents should be promptly reported to the appropriate law enforcement agency.

Deputies are not expected to place themselves in unreasonable peril. However, any sworn member of this department who becomes aware of an incident or circumstance that he/she reasonably believes poses an imminent threat of serious bodily injury or death, or significant property damage may take reasonable action to minimize the threat.

When public safety or the prevention of major property damage requires immediate action, deputies should first consider reporting and monitoring the activity and only take direct action as a last resort.

### 386.3 FIREARMS

Deputies of this department may carry firearms while off-duty in accordance with federal regulations and department policy. All firearms and ammunition must meet guidelines as described in the department Firearms and Qualification Policy. When carrying firearms while off-duty deputies shall also carry their department-issued badge and identification.

Deputies should refrain from carrying firearms when the consumption of alcohol is likely or when the need to carry a firearm is outweighed by safety considerations. Firearms shall not be carried by any deputy who has consumed an amount of an alcoholic beverage or taken any drugs that would tend to adversely affect the deputy's senses or judgment.

### 386.4 DECISION TO INTERVENE

There is no legal requirement for off-duty deputies to take law enforcement action. However, should deputies decide to intervene, they must evaluate whether the action is necessary or desirable, and should take into consideration the following:

- (a) The tactical disadvantage of being alone and the fact there may be multiple or hidden suspects.
- (b) The inability to communicate with responding units.
- (c) The lack of equipment, such as handcuffs, OC or baton.
- (d) The lack of cover.
- (e) The potential for increased risk to bystanders if the off-duty deputy were to intervene.
- (f) Unfamiliarity with the surroundings.

# El Dorado County Sheriff's Office

## Policy Manual

### *Off-Duty Law Enforcement Actions*

---

- (g) The potential for the off-duty deputy to be misidentified by other peace officers or members of the public.

Deputies should consider waiting for on-duty uniformed deputies to arrive, and gather as much accurate intelligence as possible instead of immediately intervening.

#### **386.4.1 INTERVENTION PROCEDURE**

If involvement is reasonably necessary the deputy should attempt to call or have someone else call 9-1-1 to request immediate assistance. The dispatcher should be informed that an off-duty deputy is on-scene and should be provided a description of the officer if possible.

Whenever practicable, the deputy should loudly and repeatedly identify him/herself as an El Dorado County Sheriff's Office deputy until acknowledged. Official identification should also be displayed.

#### **386.4.2 INCIDENTS OF PERSONAL INTEREST**

Deputies should refrain from handling incidents of personal interest, (e.g., family or neighbor disputes) and should remain neutral. In such circumstances deputies should call the responsible agency to handle the matter.

#### **386.4.3 CIVILIAN RESPONSIBILITIES**

Civilian personnel should not become involved in any law enforcement actions while off-duty except to notify the local law enforcement authority and remain at the scene, if safe and practicable.

#### **386.4.4 OTHER CONSIDERATIONS**

When encountering a non-uniformed deputy in public, uniformed deputies should wait for acknowledgement by the non-uniformed deputy in case he/she needs to maintain an undercover capability.

#### **386.5 REPORTING**

Any off-duty deputy who engages in any law enforcement activity, regardless of jurisdiction, shall notify the Shift Sergeant as soon as practicable. The Shift Sergeant shall determine whether a report should be filed by the employee.

Deputies should cooperate fully with the agency having jurisdiction in providing statements or reports as requested or as appropriate.

## Illness and Injury Protection Program

### **388.1 PURPOSE AND SCOPE**

  2. Airborne transmissible diseases (8 CCR § 5199)
  3. Heat illness (8 CCR § 3395).
  4. Respiratory protection (8 CCR § 5144).

Supervisors are responsible for training, counseling, instructing or making informal verbal admonishments anytime safety performance is deficient. Supervisors may also initiate discipline when it is reasonable and appropriate under the Disciplinary Policy in this manual.

All employees should use safe work practices, follow all directives and policies and assist in maintaining a safe work environment.

      3. Heat illness prevention (8 CCR § 3395).

#### **388.5 HAZARD ASSESSMENT**

Safety inspections are crucial to a safe work environment. These inspections identify and evaluate workplace hazards utilizing the applicable sections of the Hazard Assessment Checklist to ensure a thorough inspection. These checklists can be found at <http://www.dir.ca.gov/DOSH/etools/09-031/tools.htm>.

##### **388.5.1 ADMINISTRATIVE SERVICES SUPERVISOR INSPECTION DUTIES**

The Administrative Services Supervisor shall ensure an Identified Hazard and Correction Record (<http://www.dir.ca.gov/DOSH/etools/09-031/IndHazCorRec.pdf>) is completed for each inspection.

#### **388.6 ACCIDENT/EXPOSURE INVESTIGATIONS**

Employees must report all injuries that are a result of a workplace accident and any hazardous substance exposure to a supervisor. A supervisor receiving such a report should personally investigate the incident or ensure that an investigation is conducted. Investigative procedures for workplace accidents and hazardous substance exposures should include:

#### **388.7 HAZARD CORRECTION**

All employees should report and/or take reasonable steps to correct unsafe or unhealthy work conditions, practices or procedures in a timely manner. Employees should make their reports to a supervisor (as a general rule, their own supervisor).

Supervisors should make reasonable efforts to correct unsafe or unhealthy work conditions in a timely manner based on the severity of the hazards. Hazards should be corrected when observed or discovered, when it is reasonable to do so. When a hazard exists that cannot be immediately abated without endangering employees or property, supervisors should protect or remove all exposed workers from the area or item, except those necessary to correct the existing condition.

Employees who are necessary to correct the hazardous condition shall be provided with the necessary protection.

All significant actions taken and dates they are completed shall be documented on an Identified Hazard and Correction Form. This should be forwarded to the Administrative Services Supervisor via the chain of command.

A crime report may be completed by any patrol deputy who receives criminal information. The report will be processed and forwarded to the appropriate bureau for retention or follow-up investigation.

#### **400.2.3 PATROL BRIEFINGS**

Patrol supervisors, detective sergeants, and special unit sergeants are encouraged to share information as much as possible. All supervisors and/or deputies will be provided an opportunity to share information at the daily patrol Briefings as time permits.

Deputies are encouraged to contact organizers or responsible persons to seek voluntary compliance that may address relevant public safety/order concerns.

Deputies should consider enforcement of applicable state and local laws, such as Penal Code 602.1 (obstructing or intimidating business operators), when the activity blocks the entrance or egress of a facility or location and when voluntary compliance with the law is not achieved.

## **Racial/Bias Based Profiling**

### **402.1 PURPOSE AND SCOPE**

The El Dorado County Sheriff's Office strives to provide law enforcement to our community with due regard to the racial and cultural differences of those we serve. It shall therefore be the policy and practice of this department to provide law enforcement services and to enforce the law equally and fairly without discrimination toward any individual(s) or group because of their race, ethnicity or nationality, religion, gender, sexual orientation, or disability.

#### **402.1.1 DEFINITION**

Definitions related to this policy include:

**Racial- or bias-based profiling** - An inappropriate reliance on factors such as race, ethnicity, national origin, religion, sex, sexual orientation, economic status, age, cultural group, disability or affiliation with any other similar identifiable group as a factor in deciding whether to take law enforcement action or to provide service.

### **402.2 POLICY**

The practice of racial/bias based profiling is illegal and will not be tolerated by this Department (Penal Code § 13519.4(f)).

- (a) It is the responsibility of every member of this department to prevent, report, and respond appropriately to clear discriminatory or biased practices.
- (b) Every member of this department engaging in a non-consensual detention shall be prepared to articulate sufficient reasonable suspicion to justify the detention independent of the individual's membership in a protected class.
  1. To the extent that written documentation would otherwise be completed (e.g., arrest report, F.I. card, etc.), the involved deputy should include those facts giving rise to the deputy's reasonable suspicion or probable cause for the contact.
  2. Nothing in this policy shall require any deputy to prepare documentation of a contact that would not otherwise involve such reporting.
  3. While the practice of racial profiling is strictly prohibited, it is recognized that race or ethnicity may be legitimately considered by a deputy in combination with other legitimate factors to establish reasonable suspicion or probable cause (e.g., suspect description is limited to a specific race or group).

The El Dorado County Sheriff's Office will investigate all complaints of alleged racial/bias based profiling complaints against its members. Employees found to be in violation of this policy are subject to discipline in accordance with this department's disciplinary policy.

### **402.3 MEMBER RESPONSIBILITY**

Every member of this department shall perform his/her duties in a fair and objective manner and is responsible for promptly reporting any known instances of racial- or bias-based profiling to a supervisor.

#### **402.3.1 REASON FOR DETENTION**

Deputies detaining a person shall be prepared to articulate sufficient reasonable suspicion to justify a detention, independent of the individual's membership in a protected class.

To the extent that written documentation would otherwise be completed (e.g., arrest report, Field Interview (FI) card), the involved deputy should include those facts giving rise to the deputy's reasonable suspicion or probable cause for the detention, as applicable.

Nothing in this policy shall require any deputy to document a contact that would not otherwise require reporting.

#### **402.4 SUPERVISOR RESPONSIBILITY**

- (a) Supervisors should discuss any issues with the involved deputy and his/her supervisor in a timely manner.

  - 1. Supervisors should document these periodic reviews.
  - 2. Recordings that capture a potential instance of racial- or bias-based profiling should be appropriately retained for administrative investigation purposes.
- (c) Supervisors shall initiate investigations of any actual or alleged violations of this policy.
- (d) Supervisors should ensure that no retaliatory action is taken against any member of this department who discloses information concerning racial- or bias-based profiling.

#### **402.5 TRAINING**

Training on racial- or bias-based profiling and review of this policy should be conducted as directed by the Training Section.

- (a) All sworn members of this department will be scheduled to attend Peace Officer Standards and Training (POST)-approved training on the subject of racial- or bias-based profiling.
- (b) Pending participation in such POST-approved training and at all times, all members of this department are encouraged to familiarize themselves with and consider racial and cultural differences among members of this community.
- (c) Each sworn member of this department who received initial racial- or bias-based profiling training will thereafter be required to complete an approved refresher course every five years, or sooner if deemed necessary, in order to keep current with changing racial and cultural trends (Penal Code § 13519.4(i)).

## **Crime And Disaster Scene Integrity**

### **406.1 PURPOSE AND SCOPE**

The protection and integrity of a crime scene is of the utmost importance for the successful apprehension of criminals and successful prosecution. The integrity of a disaster scene is equally as critical for the protection of life and property and investigation by proper authorities.

### **406.2 CRIME SCENE RESPONSIBILITY**

The first deputy at the scene of a crime or major incident is generally responsible for taking reasonable efforts to preserve the scene. Deputies shall also consider officer safety and public safety, including reasonable efforts to render medical aid to any obviously injured parties. Once an deputy has assumed or been assigned to maintain the integrity of the crime/disaster scene, the deputy shall continue to do so until he/she is relieved by a supervisor.

#### **406.2.1 FIRST RESPONDER CONSIDERATIONS**

The following list generally describes the functions which the first responder should reasonably attempt to take at a crime or disaster scene. This list is not intended to be all-inclusive, is not necessarily in order and may be altered according to the demands of each situation, the availability of resources, capacity of personnel and totality of each circumstance:

- (a) Ensure no suspects are still in the area.
- (b) Broadcast emergency information, including all requests for additional assistance.
- (c) Provide first aid to injured parties if it can be done safely.
- (d) Evacuate the location as required.
- (e) Secure the inner and outer perimeter if needed.
- (f) Protect items of apparent evidentiary value.
- (g) Identify potential witnesses.
- (h) Start a chronological log noting critical times and personnel allowed access.

#### **406.2.2 EXECUTION OF HEALTH ORDERS**

Any sworn member of this department is authorized to enforce all orders of the local health officer that have been issued for the purpose of preventing the spread of any contagious, infectious or communicable disease (Health and Safety Code § 120155).

### **406.3 SEARCHES AT CRIME OR DISASTER SCENES**

Deputies arriving at crime or disaster scenes are often faced with the immediate need to search for and render aid to victims and determine if suspects are present and continue to pose a threat. Once deputies are satisfied that no additional suspects are present and/or there are no injured persons to be treated, those exigent circumstances will likely no longer exist. Deputies should thereafter secure the scene and conduct no further search until proper authority for the search is obtained.

#### **406.3.1 CONSENT**

Deputies should seek consent to search from authorized individuals where possible. When seeking consent deputies should audio record or complete a consent to search form and have the authorized individual sign the form. However, in the case of serious crimes or major investigations, it may be prudent to obtain a search warrant. Consent may be sought even in cases where a search warrant has been granted.

## **Crisis Response Unit**

### **408.1 PURPOSE AND SCOPE**

The Crisis Response Unit (CRU) is comprised of three specialized teams: the Crisis Negotiation Team (CNT), the Bomb Squad, and the Special Weapons and Tactics Team (SWAT). The unit has been established to provide specialized support in handling critical field operations where intense negotiations and/or special tactical deployment methods beyond the capacity of field officers appear to be necessary. This policy is written to comply with the guidelines established in the Attorney General's Commission on Special Weapons and Tactics Report (September 2002) and the POST 2005 SWAT Operational Guidelines and Standardized Training Recommendations (Penal Code § 13514.1).

#### **408.1.1 OPERATIONAL AND ADMINISTRATIVE POLICY**

The Policy Manual sections pertaining to the Crisis Response Unit are divided into Administrative and Operational Policy and Procedures. Since situations that necessitate the need for such a law enforcement response vary greatly from incident to incident and such events often demand on-the-scene evaluation, the Operational Policy outlined in this manual section serves as a guideline to department personnel allowing for appropriate on scene decision making as required. The Administrative Procedures, however, are more restrictive and few exceptions should be taken.

#### **408.1.2 SWAT TEAM DEFINED**

A SWAT team is a designated unit of law enforcement officers that is specifically trained and equipped to work as a coordinated team to resolve critical incidents that are so hazardous, complex, or unusual that they may exceed the capabilities of first responders or investigative units including, but not limited to, hostage taking, barricaded suspects, snipers, terrorist acts and other high-risk incidents. As a matter of department policy, such a unit may also be used to serve high-risk warrants, both search and arrest, where public and officer safety issues warrant the use of such a unit.

### **408.2 POLICY**

It shall be the policy of this department to maintain a SWAT team and to provide the equipment, manpower, and training necessary to maintain a SWAT team. The SWAT team should develop sufficient resources to perform three basic operational functions:

- (a) Command and Control
- (b) Containment
- (c) Entry/Apprehension/Rescue

It is understood it is difficult to categorize specific capabilities for critical incidents. Training needs may vary based on the experience level of the team personnel, team administrators and potential incident commanders. Nothing in this policy shall prohibit individual teams from responding to a situation that exceeds their training levels due to the exigency of the circumstances. The preservation of innocent human life is paramount.

#### **408.2.1 OPERATIONAL PROCEDURES**

This department shall develop a separate written set of operational procedures in accordance with the determination of their level of capability, using sound risk reduction

practices. The operational procedures should be patterned after the National Tactical Officers Association Suggested SWAT Best Practices. Because such procedures are specific to CRU members and will outline tactical and officer safety issues, they are not included within this policy. The operational procedures will be kept at the unit level.

#### **408.3 TRAINING NEEDS ASSESSMENT**

The SWAT/CRU Commander shall conduct an annual SWAT Training needs assessment to ensure that training is conducted within team capabilities and department policy.

##### **408.3.1 INITIAL TRAINING**

SWAT team operators and SWAT supervisors/team leaders should not be deployed until successful completion of the POST-certified Basic SWAT Course or its equivalent.

- (a) To avoid unnecessary or redundant training, previous SWAT Basic training completed by members may be considered equivalent when the hours and content (topics) meet or exceed department requirements or POST standardized training recommendations.

##### **408.3.2 UPDATED TRAINING**

SWAT team operators and SWAT supervisors/team leaders should complete update or refresher training as certified by POST, or its equivalent, every 24 months.

##### **408.3.3 SUPERVISION AND MANAGEMENT TRAINING**

Command and executive personnel are encouraged to attend training for managing the SWAT function at the organizational level to ensure personnel who provide active oversight at the scene of SWAT operations understand the purpose and capabilities of the teams.

Command personnel who may assume incident command responsibilities should attend SWAT or Critical Incident Commander course or its equivalent. SWAT command personnel should attend a POST-certified SWAT commander or tactical commander course, or its equivalent.

##### **408.3.4 SWAT ONGOING TRAINING**

SWAT team training will be coordinated by the SWAT team Sergeant, consistent with the defined mission capabilities.

##### **408.3.5 TRAINING SAFETY**

Use of a designated safety officer should be considered for all tactical training.

##### **408.3.6 SCENARIO BASED TRAINING**

The SWAT team should participate in scenario-based training that simulates the tactical operational environment. Such training is an established method of improving performance during an actual deployment.

##### **408.3.7 TRAINING DOCUMENTATION**

Individual and team training shall be documented and records maintained by the Team Sergeant. A separate agency SWAT training file shall be maintained with documentation and records of all team training.

The following procedures serve as directives for the administrative operation of the Crisis Negotiation Team.

##### **408.6.1 TRAINING OF NEGOTIATORS**

Performance and efficiency levels, established by the team supervisor, will be met and maintained by all team members. Any member of the Negotiation Team who performs or functions at a level less than satisfactory shall be subject to dismissal from the unit.

#### **408.7 SWAT TEAM ADMINISTRATIVE PROCEDURES**

The Special Weapons and Tactics (SWAT) Team was established to provide a skilled and trained team which may be deployed during events requiring specialized tactics in such situations as cases where suspects have taken hostages and/or barricaded themselves as well as prolonged or predictable situations in which persons armed or suspected of being armed pose a danger to themselves or others.

The following procedures serve as directives for the administrative operation of the Special Weapons and Tactics Team.

##### **408.7.1 TEAM EVALUATION**

Continual evaluation of a team member's performance and efficiency as it relates to the positive operation of the unit shall be conducted by the Team Sergeant. #### **408.8 OPERATION GUIDELINES FOR CRISIS RESPONSE UNIT**

The following procedures serve as guidelines for the operational deployment of the Crisis Response Unit. Generally, the Special Weapons and Tactics Team and the Crisis Negotiation Team will be activated together. This shall be at the discretion of the CRU chain of command.

##### **408.8.1 ON-SCENE DETERMINATION**

## Hazardous Material Response

### 412.1 PURPOSE AND SCOPE

Hazardous materials present a potential harm to employees resulting from their exposure. To comply with Title 8, California Code of Regulations, § 5194, the following is to be the policy of this department.

#### 412.1.1 HAZARDOUS MATERIAL DEFINED

A hazardous material is a substance which by its nature, containment and reactivity, has the capability of inflicting harm during exposure; characterized as being toxic, corrosive, flammable, reactive, an irritant or strong sensitizer and thereby posing a threat to health when improperly managed.

#### 412.2 HAZARDOUS MATERIAL RESPONSE

Employees may encounter situations involving suspected hazardous materials, such as at the scene of a traffic accident, chemical spill, or fire. When employees come into contact with a suspected hazardous material, certain steps should be taken to protect themselves and citizens.

The following steps should be considered at any scene involving suspected hazardous materials:

- (a) Respond from uphill/upwind - remain outside the contaminated zone, avoid being in the path of the hazardous material spill.
- (b) Assess the situation:
  1. Size and type of spill;
  2. Number of people contaminated - initial reactions (burning, breathing difficulty, etc.);
  3. What is the immediate, short and long term threat.
- (c) If safe, attempt to identify type of hazardous substance. (Identification can be determined by placard, driver's manifest or statements from person transporting).
- (d) Notify Office of Emergency Services and summon as much assistance as will be needed.
- (e) Provide first-aid for injured parties if it can be done safely and without contamination
- (f) Establish a command post and staging area
- (g) Establish a unified command (ICS) with Fire and HAZMAT, and other agencies with jurisdictional responsibility
- (h) Tactical considerations:
  1. Isolate the area
  2. Evacuate threatened populations
  3. Provide care and shelter
  4. Demobilization of teams.

#### **412.3 REPORTING EXPOSURE(S)**

Department personnel who believe that they have been exposed to a hazardous material shall immediately report the exposure to a supervisor. Each exposure shall be documented by the employee in an employee memorandum that shall be forwarded via chain of command to the Commanding Officer. Should the affected employee be unable to document the exposure for any reason, it shall be the responsibility of the notified supervisor to complete the memorandum.

Injury or illness caused or believed to be caused from exposure to hazardous materials shall be reported the same as any other on-duty injury or illness in addition to a crime report or incident report.

##### **412.3.1 SUPERVISOR RESPONSIBILITY**

When a supervisor has been informed that an employee has been exposed to a hazardous material, he/she shall ensure that immediate medical treatment is obtained and appropriate action is taken to lessen the exposure.

## Hostage and Barricade Incidents

### 414.1 PURPOSE AND SCOPE

Hostage situations and barricaded suspects present unique problems for agencies. The protection of the public and law enforcement personnel is of the utmost importance. Proper planning and training will tend to reduce the risks involved with these incidents.

#### 414.1.1 DEFINITIONS

**Hostage** - A person held by one party in a conflict as security so that specified terms will be met by the opposing party.

**Barricaded Suspect** - A person who takes a position of cover or concealment or maintains a position in a structure or vehicle and who resists capture by law enforcement personnel. A barricaded suspect may be armed or suspected of being armed.

### 414.2 HOSTAGE NEGOTIATIONS

Promises of immunity or leniency and payment of ransom demands are rarely effective and will generally not be offered to barricaded suspects. Trained hostage negotiators, however, will be permitted to exercise flexibility in each situation based upon the circumstances presented and consistent with their training.

Personnel involved in barricaded/hostage situations are urged to exercise patience and extreme caution. The use of deadly force against any armed suspect will be governed by Policy Manual § 300, with particular regard directed toward the safety of hostages.

### 414.3 FIRST RESPONDER RESPONSIBILITY

Until the Incident Commander has been designated, the first deputy on the scene of an actual or potential hostage/barricade situation shall consider the following:

- (a) Attempt to avoid confrontation in favor of controlling and containing the situation until the arrival of trained personnel and/or trained hostage negotiation personnel
- (b) Notification of tactical and hostage negotiation personnel
- (c) Notification of appropriate persons within and outside the agency, such as command officers, dog handlers, or helicopter pilots
- (d) Establishment of inner and outer perimeters
- (e) Evacuation of bystanders and injured persons
- (f) Establishment of central command post and appropriate chain of command
- (g) Request for ambulance, rescue, fire and surveillance equipment
- (h) Authorization for news media access and news media policy
- (i) Pursuit/surveillance vehicles and control of travel routes

### 414.4 REPORTING

Unless otherwise relieved by a supervisor, the initial deputy at the scene is responsible for completion of reports or coordination of reports for the hostage/barricade incident.

### 416.3 EXPLOSION/BOMBING INCIDENTS

When an explosion has occurred, there are multitudes of considerations which may confront the responding deputies. As in other catastrophic incidents, a rapid response may help to minimize injury to victims, contamination of the scene by gathering crowds, or additional damage by resulting fires or unstable structures. Whether the explosion was the result of an accident or a criminal act, the responding deputies should consider the following actions:

- Assess the scope of the incident, including the number of victims and extent of injuries.

If the probable cause is based on the statement of a person other than the deputy, or other individual authorized by statute, such person shall be informed that they may be liable in a civil action for intentionally giving a statement which he or she knows to be false.

### 418.3 DEPUTY CONSIDERATIONS AND RESPONSIBILITIES

by a staff member. As soon as a security staff member becomes available, he/she should relieve the deputy and physically remain in the treatment room with the patient.

#### **418.3.2 RESTRAINTS**

If the patient is violent or potentially violent, the deputy will notify the staff of this concern. The staff member in charge will have discretion as to whether soft-restraints will be used. If these restraints are desired, the deputy will wait while they are being applied to help provide physical control of the patient, if needed.

#### **418.3.3 MENTAL HEALTH DOCUMENTATION**

The deputy will complete an Application For 72-Hour Detention for Evaluation Treatment form (MH-302) and provide it to the staff member assigned to that patient. The deputy will retain a copy of the 72-hour evaluation for inclusion in the case report. #### **418.3.4 SECURING OF WEAPONS**

##### **Firearms at the Psychiatric Health Facility**

Deputies and Correctional Officers will routinely be unarmed while guarding an inmate of the jail, an arrestee, or a 5150 commit, at the Psychiatric Health Facility (PHF). Firearms shall be secured in their vehicles or in gun-safes at PHF.

When practical, any person charged with a crime who also appears to be mentally ill shall be booked at the El Dorado County Sheriff's Office Jail before being transported to the authorized facility. If the person has injuries or some other medical condition, he/she may be taken directly to the hospital with the approval of a supervisor.

#### **418.5 CONFISCATION OF FIREARMS AND OTHER WEAPONS**

Whenever a person has been detained or apprehended for examination pursuant to Welfare and Institutions Code § 5150, the handling deputy should seek to determine if the person owns or has access to any firearm or other deadly weapon. Any such firearm or other deadly weapon should be confiscated in a manner consistent with current search and seizure law (Welfare and Institutions Code § 8102(a)).

Deputies are cautioned that a search warrant may be needed before entering a residence or other place to search unless lawful, warrantless entry has already been made (e.g., exigent circumstances, valid consent) (Penal Code § 1524).

For purposes of this section, deadly weapon means any weapon, the possession of which or carrying while concealed, is prohibited by Penal Code § 19100; 21310.

At the time any such petition is initiated, the Department shall send written notice to the individual informing him or her of the right to a hearing on the issue and that he or she has 30 days to confirm with the court clerk any desire for a hearing and that the failure to do so will result in the forfeiture of any confiscated weapon(s).
- (c) If no petition is initiated within the above period, the Department shall make the weapon(s) available for return in accordance with subsection (d) below. If the person does not confirm a desire for a hearing within the prescribed 30 days, the Department may file a petition for an order of default.

## Cite & Release Policy

### 420.1 PURPOSE AND SCOPE

Penal Code § 853.6 requires law enforcement agencies to use citation release procedures in lieu of arrest for misdemeanor offenses with certain exceptions. The State Legislature has shown the intent to release all persons on misdemeanor citations, if qualified for such release.

### 420.2 STATUTORY REQUIREMENTS

Citation releases are authorized by Penal Code § 853.6. Release by citation for misdemeanor offenses can be accomplished in two separate ways:

- (a) A field release is when the violator is released in the field without being transported to a jail facility.
- (b) A jail release is when a violator is released after being transported to the jail and booked.

#### 420.2.1 DISCRETION TO ARREST

While this department recognizes the statutory power of peace officers to make arrests throughout the state, deputies are encouraged to use sound discretion in the enforcement of the law. On-duty arrests will not generally be made outside the jurisdiction of this department except in cases of hot and/or fresh pursuit, while following up on crimes committed within the County, or while assisting another agency. On-duty deputies who discover criminal activity outside the jurisdiction of the County should, when circumstances permit, consider contacting the agency having primary jurisdiction before attempting an arrest.

Off-duty deputies observing criminal activity should generally take enforcement action only when it reasonably appears that imminent risk to life or property exists and the reasonable opportunity does not exist to contact the law enforcement agency with primary jurisdiction. In such situations the involved deputy shall clearly identify him/herself as a sheriff's deputy.

Deputies are authorized to use verbal warnings to resolve minor traffic and criminal violations when appropriate.

### 420.3 DEPARTMENT PROCEDURE

The following procedure will be followed to comply with this law.

#### 420.3.1 FIELD CITATIONS

In most misdemeanor cases an arrestee 18 years or older may be released on citation provided the individual can be satisfactorily identified, there is no outstanding arrest warrant for the individual and none of the below described disqualifying circumstances are present (Penal Code § 853.6 and Penal Code § 1270.1).

#### 420.3.2 JAIL RELEASE

In certain cases, it may be impractical to release a person arrested for misdemeanor offenses in the field. The person arrested may instead be released after booking at the jail, with Shift Sergeant approval.

## Policy Manual

### *Cite & Release Policy*

---

Any person arrested for a misdemeanor offense shall be released on his/her written promise to appear after the booking procedure is completed, unless disqualified for reasons listed below.

#### **420.3.3 DISQUALIFYING CIRCUMSTANCES**

A person arrested for a misdemeanor shall be released on a notice to appear unless one of the following situations is present (Penal Code § 853.6(i)):

- (a) The person arrested is so intoxicated that he/she could be a danger to him/herself or to others. Release may occur as soon as this condition no longer exists.
- (b) The person arrested requires medical examination or medical care or is otherwise unable to care for his/her own safety
  1. The El Dorado County Sheriff's Office shall not release an arrestee from custody for the purpose of allowing that person to seek medical care at a hospital, and then immediately re-arrest the same individual upon discharge from the hospital, unless the hospital determines this action will enable it to bill and collect from a third-party payment source (Penal Code § 4011.10).
- (c) The person is arrested for one or more of the offenses listed in Vehicle Code §§ 40302, 40303 and 40305.
  1. Any person arrested for any offense listed in Vehicle Code § 40303(b) shall, in the judgment of the arresting deputy, either be given a 10 day notice to appear or be taken without delay before a magistrate in the county of arrest.
  2. If a person under Vehicle Code §§ 40303 or 40305 does not have satisfactory identification, the deputy may require the individual to provide a right thumbprint (or other finger). However such print may not be used for other than law enforcement purposes.
  3. Should any person arrested on a notice to appear claim under penalty of perjury not to be the person listed in the notice, such person may request that his/her thumbprint be taken for comparison at a fee not to exceed the actual cost of such service.
- (d) There are one or more outstanding arrest warrants for the person.
- (e) The person could not provide satisfactory evidence of personal identification.
- (f) The prosecution of the offense or offenses for which the person was arrested or the prosecution of any other offense or offenses would be jeopardized by the immediate release of the person arrested.
- (g) There is a reasonable likelihood that the offense or offenses would continue or resume, or that the safety of persons or property would be imminently endangered by the release of the person arrested.
- (h) The person arrested demands to be taken before a magistrate or has refused to sign the notice to appear.
- (i) There is reason to believe that the person would not appear at the time and place specified in the notice to appear. The basis for this determination shall be specifically documented.
- (j) The charges fall under Penal Code § 1270.1 (serious or violent felonies, domestic violence, etc.)

- (f) The person requires medical examination or medical care or was otherwise unable to care for his or her own safety
- (g) The person has other ineligible charges pending against him/her
- (h) There is reasonable likelihood that the offense or offenses would continue or resume, or that the safety of persons or property would be immediately endangered by the release of the person
- (i) The person refuses to sign the notice to appear
- (j) The person cannot provide satisfactory evidence of personal identification
- (k) The warrant of arrest indicates that the person is not eligible to be released on a notice to appear

Release under this section shall be done in accordance with the provisions of this section.

## Arrest or Detention of Foreign Nationals

### 422.1 PURPOSE AND SCOPE

Article 36 of the Vienna Convention on Consular Relations, sets forth certain rights of foreign nationals from member countries when arrested, detained or imprisoned by law enforcement officials in this country. This section provides direction to deputies when considering a physical arrest or detention of a foreign national. All foreign service personnel shall be treated with respect and courtesy, regardless of the level of established immunity. As noted herein, the United States is a party to several bilateral agreements that obligate authorities to notify the consulate upon the person's detention, regardless of whether the detained person requests that his/her consulate be notified. The list of specific countries that the United States is obligated to notify is listed on the U.S. Department of State [website](#).

#### 422.1.1 DEFINITIONS

**Foreign National** - Anyone who is not a citizen of the United States (U.S.). A person with dual-citizenship, U.S. and foreign, is not a foreign national.

**Immunity** - Refers to various protections and privileges extended to the employees of foreign governments who are present in the U.S. as official representatives of their home governments. These privileges are embodied in international law and are intended to ensure the efficient and effective performance of their official missions (i.e., embassies, consulates, etc.) in foreign countries. Proper respect for the immunity to which an individual is entitled is necessary to ensure that U.S. diplomatic relations are not jeopardized and to maintain reciprocal treatment of U.S. personnel abroad. Although immunity may preclude U.S. courts from exercising jurisdiction, it is not intended to excuse unlawful activity. It is the policy of the U.S. Department of State's Office of Foreign Missions (OFM) that illegal acts by Foreign Service personnel should always be pursued through proper channels. Additionally, the host country's right to protect its citizens supersedes immunity privileges. Peace officers may intervene to the extent necessary to prevent the endangerment of public safety or the commission of a serious crime, regardless of immunity claims.

### 422.2 ARREST OR DETENTION OF FOREIGN NATIONALS

Deputies should take appropriate enforcement action for all violations observed, regardless of claims of diplomatic or consular immunity received from violators. A person shall not, however, be subjected to in-custody arrest when diplomatic or consular immunity is claimed by the individual or suspected by the deputy, and the deputy has verified or reasonably suspects that the claim of immunity is valid.

### 422.3 LEVELS OF IMMUNITY

The specific degree of immunity afforded to foreign service personnel within the U.S. is directly related to their function and position in this country.

#### 422.3.1 DIPLOMATIC AGENTS

Diplomatic agents (e.g., ambassadors and United Nations representatives) are afforded the highest levels of immunity. They are exempt from arrest or detention and are immune from all criminal (and most civil) prosecution by the host state. The family members of diplomatic

---

agents enjoy these same immunities. Currently there are no diplomatic agents permanently assigned to California; but they do occasionally visit the state.

#### **422.3.2 CONSULAR OFFICERS**

Consular officers are the ranking members of consular posts who perform various formal functions on behalf of their own governments. Typical titles include consul general, consul, and vice consul. These officials are immune from arrest or detention, except pursuant to a felony warrant. They are only immune from criminal and civil prosecution arising from official acts. Official acts immunity must be raised as an affirmative defense in the court jurisdiction, and its validity is determined by the court. Under this defense, the prohibited act itself must have been performed as an official function. It is not sufficient that the consular agent was on-duty or in an official capacity at the time of the violation. The family members of consular officers generally enjoy no immunity, however, any family member who enjoys a higher level of immunity is issued an identification card by Department of State (DOS) enumerating any privileges or immunities on the back of the card. Examples are consular officers and family members from Russia or China.

There are approximately 600 consular officers in California, with most located in Los Angeles, San Francisco and San Diego.

#### **422.3.3 HONORARY CONSULS**

Honorary consuls are part-time employees of the country they represent and are either permanent residents of the U.S. or U.S. nationals (unlike career consular officers, who are foreign nationals on temporary assignment to the U.S.). Honorary consuls may be arrested and detained; limited immunity for official acts may be available as a subsequent defense. Family members have no immunity. There are less than 100 honorary consuls in California.

#### **422.4 IDENTIFICATION**

All diplomatic and consular personnel who are entitled to immunity are registered with the Department of State and are issued distinctive identification cards by the Department of State Protocol Office. These cards are the best means of identifying Foreign Service personnel. They include a photograph, identifying information, and, on the reverse side, a brief description of the bearer's immunity status. Unfortunately, these identification cards are not always promptly issued by the Department of State. In addition to the Department of State identification card, Foreign Service personnel should also have a driver license issued by the Department of State Diplomatic Motor Vehicle Office (DMVO), which in most circumstances replaces the operator's license issued by the state. Additionally they may have California credentials issued by the California Emergency Management Agency (Cal EMA).

##### **422.4.1 VEHICLE REGISTRATION**

Vehicles that are owned by foreign missions or Foreign Service personnel and their dependents are registered with the Department of State OFM and display distinctive red, white, and blue license plates. Vehicles assigned to diplomatic or consular officers will generally have license plates labels with the words diplomat or consul. Vehicles owned by honorary consuls are not issued OFM license plates; but may have California license plates with an honorary consul label. Driver's identity or immunity status should not be presumed from the type of license plates displayed on the vehicle. The status of an OFM license plate should be run via the National Law Enforcement Telecommunications System (NLETS), designating US as the state, if the deputy has reason to question the legitimate possession of the license plate.

### *Arrest or Detention of Foreign Nationals*

---

#### **422.5 ENFORCEMENT PROCEDURES**

The following procedures provide a guideline for handling enforcement of foreign nationals:

##### **422.5.1 CITABLE OFFENSES**

An enforcement document shall be issued at the scene for all violations warranting such action, regardless of the violator's immunity status. The issuance of a citation is not considered an arrest or detention under current Department of State guidelines. Whenever the equivalent of a notice to appear is issued to an immunity claimant, the following additional procedures shall be followed by the arresting deputy:

- (a) Identification documents are to be requested of the claimant
- (b) The title and country represented by the claimant are to be recorded on the back of the deputy's copy of the Notice to Appear for later reference. Do not include on the face of the notice to appear
- (c) The claimant shall be requested to sign the notice to appear. If the claimant refuses, the identity and immunity status of the individual shall be conclusively established
- (d) Verified diplomatic agents and consular officers, including staff and family members from countries with which the U.S. has special agreements, are not required to sign the Notice to Appear. The word *Refused* shall be entered in the signature box, and the violator shall be released
- (e) Verified consular staff members, excluding those from countries with which the U.S. has special agreements, are generally obligated to sign the Notice to Appear, but a signature shall not be required if their immunity status is uncertain
- (f) All other claimants are subject to the provisions of Vehicle Code § 40302(b) and policy and procedures outlined in this chapter
- (g) The violator shall be provided with the appropriate copy of the notice to appear

##### **422.5.2 IN-CUSTODY ARRESTS**

Diplomatic agents and consular officers are immune from arrest or detention (unless they have no identification and the detention is to verify their diplomatic status). Proper identification of immunity claimants is imperative in potential in-custody situations. Claimants who are not entitled to immunity shall be placed in custody in accordance with the provisions outlined in Policy Manual § 422.6 of this policy.

A subject who is placed under arrest and claims diplomatic or consular immunity shall not be physically restrained before verification of the claim (unless restraint is necessary for the protection of the deputy or others.)

A supervisor shall be promptly notified and should respond to the scene when possible.

Field verification of the claimant's identity is to be attempted as follows:

- (a) Identification cards issued by the Department of State, Protocol Office, are the only valid evidence of diplomatic or consular immunity. The following types of identification cards are issued: Diplomatic (blue bordered), Consular (red bordered), and Official (green bordered), The Department of State identification cards are 3-3/4 inch by 1-1/2 inch and contain a photograph of the bearer.
- (b) Initiate telephone verification with the Department of State. Newly arrived members of diplomatic or consular missions may not yet have official Department of State identity documents. Verify immunity by telephone with the Department of State any time an

Members of diplomatic or consular missions also may have other forms of identification. These include identification cards issued by California Emergency Management Agency (Cal EMA), local law enforcement agencies, the foreign embassy, or consulate; driver licenses issued by Department of State; and, Department of State license indicia on the vehicle. All these items are only an indication that the bearer may have some form of immunity.

Subjects verified through the above procedures as being officials entitled to immunity (diplomatic agent, consular officers and consular staff and family members from countries with which the U.S. has special agreements) may not be arrested. The procedures below shall be followed. These procedures should also be used in the event immunity cannot be verified, but another form of identification indicates that immunity is probable.

If the release of the violator will not create an additional hazard, adequate information to properly identify the violator shall be obtained then the official shall be released. A supervisor's approval for the release shall be obtained whenever possible. The necessary release documents and/or a Certificate of Release form should only be issued under the proper conditions.

If the violator appears to have been driving while under the influence, field sobriety tests, including Preliminary Alcohol Screening (PAS) device tests and chemical tests should be offered and obtained whenever possible, however, these tests cannot be compelled. The subject shall not be permitted to drive. A supervisor's approval for release shall be obtained whenever possible and alternative transportation should be arranged.

All facts of the incident shall be documented in accordance with this policy in a Driving Under the Influence (DUI) Arrest-Investigation Report, Arrest-Investigation Report and/or any other relevant Report form. Notwithstanding the field release of the subject, prosecution is still appropriate and should be pursued by the command concerned. The Department of State will take appropriate sanctions against errant foreign service personnel, even where prosecution is not undertaken by the agency.

#### **422.6 TRAFFIC COLLISIONS**

Persons involved in traffic collisions who possess a Department of State OFM Diplomatic Driver License, issued by the DMVO, shall have D coded in the license class box of the Traffic Collision Report. The actual driver license class (e.g., 1, 2, 3, or A, B, C, M) shall be entered in the miscellaneous box on page two of the traffic report. If subsequent prosecution of the claimant is anticipated, the claimant's title, country, and type of identification presented should be recorded for future reference. Issuance of a citation to, or arrest of, an immunity claimant at the accident scene should be handled in accordance with the procedures specified in Policy Manual § 422.5 of this chapter.

##### **422.6.1 VEHICLES**

Vehicles, which are owned by subjects with full immunity, may not be searched, stored, or impounded without the owner's permission. (Such permission may be assumed if the vehicle has been stolen.) These vehicles may, however, be towed the necessary distance to remove them from obstructing traffic or creating any other hazard.

##### **422.6.2 REPORTS**

A photocopy of each traffic collision report involving an identified diplomat and/or immunity claimant shall be forwarded to the office of the Sheriff within 48 hours whether or not the claim is verified. The words Immunity Claim shall be marked on the photocopy, together with a notation of the claimant's title, country, and type of identification presented (if applicable). In addition to the report, a follow-up cover memorandum should be submitted if the violation was flagrant, if the claimant was uncooperative, or if there were any other unusual aspects of the enforcement contact that should be reported to the Department of State for further action. The Shift Sergeant/Supervisor apprised of the incident/accident shall also send a copy of all documents and reports submitted by the investigating deputy along with any supervisor's notes, materials and/or logs to the Sheriff's office within 48 hours of the incident. The Sheriff's office will check to ensure that notification of Department of State and all necessary follow-up occur.

#### **422.7 FOREIGN NATIONALS WHO DO NOT CLAIM IMMUNITY**

These policies and procedures apply to foreign nationals who do not claim diplomatic or consular immunity.

Deputies shall arrest foreign nationals only under the following circumstances:

- (a) There is a valid warrant issued for the person's arrest
- (b) There is probable cause to believe that the foreign national has violated a federal criminal law, a state law, or a local ordinance
- (c) Deputies shall not arrest foreign nationals solely for alleged undocumented entry into the U.S. unless the undocumented entry is committed in the deputy's presence

After a lawful detention or criminal arrest, deputies may detain foreign nationals solely for alleged undocumented presence in the U.S. if the U.S. Immigration and Customs Enforcement (ICE) is contacted and can respond to take custody within a reasonable time. Deputies shall not arrest foreign nationals for undocumented presence. Federal courts have consistently held that undocumented presence is not a crime but a federal civil violation only enforceable by federal officers.

- Deputies shall not stop or detain persons solely for determining immigration status.

### *Arrest or Detention of Foreign Nationals*

---

- International treaty obligations provide for notification of foreign governments when foreign nationals are arrested or otherwise detained in the U.S.
- Whenever a deputy arrests and incarcerates a foreign national or detains a foreign national for investigation for over two hours, the deputy shall promptly advise the individual that he/she is entitled to have his/her government notified of the arrest or detention. (Penal Code § 834c). If the individual wants his/her government notified, the deputy shall begin the notification process.

#### **422.7.1 ARREST PROCEDURE**

Whenever a deputy physically arrests or detains an individual for criminal investigation and the deputy reasonably believes the person to be a foreign national, the deputy shall inquire to determine the person's citizenship.

This procedure applies to detentions of more than two hours. An inquiry is not required if the individual is detained less than two hours for criminal investigation.

If the individual indicates that he/she is other than a U.S. citizen, the deputy shall advise the individual that he/she has a right to have the nearest appropriate embassy or consulate notified of the arrest/detention (Vienna Convention on Consular Relations, Art. 36, (1969)).

If the individual requests such notification, the deputy shall contact Central Dispatch as soon as practical and request the appropriate embassy/consulate be notified. Deputies shall provide Central Dispatch with the following information concerning the individual:

- Country of citizenship
- Full name of individual, including paternal and maternal surname, if used
- Date of birth or age
- Current residence
- Time, date, place, location of incarceration/detention and the 24-hour telephone number of the place of detention if different from the Department itself

If the individual claims citizenship of one of the countries for which notification of the consulate/embassy is mandatory, deputies shall provide Central Dispatch with the information above as soon as practicable, regardless of whether the individual desires that the embassy/consulate be notified. This procedure is critical because of treaty obligations with the particular countries. The list of countries and jurisdictions that require notification can be found on the U.S. Department of State website.

#### **422.7.2 DOCUMENTATION**

Deputies shall document on the face page and in the narrative of the appropriate Arrest-Investigation Report the date and time Central Dispatch was notified of the foreign national's arrest/detention and his/her claimed nationality.

## Rapid Deployment Team Policy

### 424.1 PURPOSE AND SCOPE

Violence in schools, workplaces and other locations by any individual or group of individuals presents a difficult situation for law enforcement. The purpose of this policy is to identify guidelines and factors that will assist responding deputies as they make decisions in these rapidly unfolding and tense situations.

### 424.2 POLICY

The policy of this department in dealing with the crisis situation shall be:

- (a) To obtain and maintain complete operative control of the incident.
- (b) To explore every reasonably available source of intelligence regarding the circumstances, location, and suspect(s) in the incident.
- (c) To attempt, by every means available, to attain any tactical advantage over the responsible individual(s).
- (d) To attempt, whenever feasible, a negotiated surrender of the suspect(s) and release of the hostages through the expertise of the members of this department and others.
- (e) When an emergency situation exists, neutralize the threat as rapidly as reasonably possible to minimize injury and loss of life.

Nothing in this policy shall preclude the use of necessary force, deadly or otherwise, by members of this department in protecting themselves or others from death or serious injury.

### 424.3 PROCEDURE

If there is a reasonable belief that acts or threats by a suspect are placing lives in imminent danger, first responding deputies should consider reasonable options to immediately eliminate the threat. Deputies must decide, often under a multitude of difficult and rapidly evolving circumstances, whether to advance on the suspect, take other actions to deal with the threat or wait for additional resources.

When deciding on a course of action deputies should consider:

- (a) Whether sufficient personnel are available on-scene to advance on the suspect. Any advance on a suspect should be made using teams of two or more deputies whenever reasonably possible.
- (b) Whether individuals who are under imminent threat can be moved out of danger with reasonable safety.
- (c) Whether the deputies have the ability to effectively communicate with others in the field.
- (d) Whether planned tactics can be effectively deployed.
- (e) The availability of rifles, shotguns, shields, control devices and any other appropriate tools, and whether the deployment of these tools will provide a tactical advantage.
- (f) In a case of a barricaded suspect with no hostages and no immediate threat to others, deputies should consider summoning and waiting for additional assistance (special tactics and/or hostage negotiation team response).

### *Rapid Deployment Team Policy*

---

- (g) If a suspect is actively engaged in the infliction of serious bodily harm or other life-threatening activity toward others, the deputy should take immediate action, if reasonably possible, to stop the threat presented by the suspect while calling for additional assistance.

## **Reporting Police Activity Outside of Jurisdiction**

### **426.1 PURPOSE AND SCOPE**

This policy provides general guidelines for reporting police activity while on or off-duty and occurring outside the jurisdiction of the El Dorado County Sheriff's Office.

#### **426.1.1 ASSISTANCE TO AGENCIES OUTSIDE THE COUNTY**

When a deputy is on-duty and is requested by an allied agency to participate in law enforcement activity in another jurisdiction, he/she shall obtain prior approval from the immediate supervisor or the Shift Sergeant. If the request is of an emergency nature, the deputy shall notify Central Dispatch before responding and thereafter notify a supervisor as soon as practical.

#### **426.1.2 LAW ENFORCEMENT ACTIVITY OUTSIDE THE COUNTY**

Any on-duty deputy, who engages in law enforcement activities of any type outside the immediate jurisdiction of the El Dorado shall notify his or her supervisor or the Shift Sergeant at the earliest possible opportunity. Any off-duty deputy who engages in any law enforcement activities, regardless of jurisdiction shall notify the Shift Sergeant as soon as practical.

The supervisor shall determine if a case report or other documentation of the deputy's activity is required. The report or other documentation shall be forwarded to the deputy's Division Commander.

Exception: Routine assistance to adjoining county agencies (Meeks Bay deputy assisting Placer County Sheriff's Office personnel in Tahoma and Homewood) requires notification to Central Dispatch only.

## Immigration Violations

### 428.1 PURPOSE AND SCOPE

The immigration status of individuals alone is generally not a matter for police action. It is incumbent upon all employees of this department to make a personal commitment to equal enforcement of the law and equal service to the public regardless of immigration status. Confidence in this commitment will increase the effectiveness of the Department in protecting and serving the entire community.

### 428.2 DEPARTMENT POLICY

The U.S. Immigration and Customs Enforcement (ICE) has primary jurisdiction for enforcement of the provisions of Title 8, United States Code dealing with illegal entry. When assisting ICE at its specific request, or when suspected criminal violations are discovered as a result of inquiry or investigation based on probable cause originating from activities other than the isolated violations of Title 8, U.S.C., §§ 1304, 1324, 1325 and 1326, this department may assist in the enforcement of federal immigration laws.

### 428.3 PROCEDURES FOR IMMIGRATION COMPLAINTS

Persons wishing to report immigration violations should be referred to the local office of the U.S. Immigration and Customs Enforcement (ICE). The Employer Sanction Unit of ICE has primary jurisdiction for enforcement of Title 8, United States Code.

#### 428.3.1 BASIS FOR CONTACT

Unless immigration status is relevant to another criminal offense or investigation (e.g., harboring, smuggling, terrorism), the fact that an individual is suspected of being an undocumented alien shall not be the sole basis for contact, detention, or arrest.

#### 428.3.2 SWEEPS

The El Dorado County Sheriff's Office does not independently conduct sweeps or other concentrated efforts to detain suspected undocumented aliens.

When enforcement efforts are increased in a particular area, equal consideration should be given to all suspected violations and not just those affecting a particular race, ethnicity, age, gender, sexual orientation, religion, socioeconomic status or other group.

The disposition of each contact (e.g., warning, citation, arrest), while discretionary in each case, should not be affected by such factors as race, ethnicity, age, gender, sexual orientation, religion or socioeconomic status.

#### 428.3.3 ICE REQUEST FOR ASSISTANCE

If a specific request is made by ICE or any other federal agency, this department will provide available support services, such as traffic control or peacekeeping efforts, during the federal operation.

Members of this department should not participate in such federal operations as part of any detention team unless it is in direct response to a request for assistance on a temporary basis or for officer safety. Any detention by a member of this department should be based upon the reasonable belief that an individual is involved in criminal activity.

## Policy Manual

### *Immigration Violations*

---

#### **428.3.4 IDENTIFICATION**

Whenever any individual is reasonably suspected of a criminal violation (infraction, misdemeanor or felony), the investigating deputy should take reasonable steps to determine the person's identity through valid identification or other reliable sources.

If an individual would have otherwise been released for an infraction or misdemeanor on a citation, the person should be taken to the station and given a reasonable opportunity to verify his/her true identity (e.g., telephone calls). If the person's identity is thereafter reasonably established, the original citation release should be completed without consideration of immigration status.

#### **428.3.5 ARREST**

If the deputy intends to take enforcement action and the individual is unable to reasonably establish his/her true identity, the deputy may take the person into custody on the suspected criminal violation (see Vehicle Code § 40302(a) and Penal Code § 836, if pertinent to the circumstances). A field supervisor shall approve all such arrests.

#### **428.3.6 BOOKING**

If the deputy is unable to reasonably establish an arrestee's identity, the individual may, upon approval of a supervisor, be booked into jail for the suspected criminal violation and held for bail.

A person detained exclusively pursuant to the authority of Vehicle Code § 40302(a) for any Vehicle Code infraction or misdemeanor shall not be detained beyond two hours for the purpose of establishing his/her true identity. Regardless of the status of that person's identity at the expiration of two hours, he/she shall be released on his/her signature with a promise to appear in court for the Vehicle Code infraction or misdemeanor involved.

#### **428.3.7 NOTIFICATION OF IMMIGRATION AND CUSTOMS ENFORCEMENT**

Whenever a deputy has reason to believe that any person arrested for any offense listed in Health & Safety Code §11369 or any other felony may not be a citizen of the United States and the individual is not going to be booked into county jail, the arresting deputy shall cause ICE to be notified for consideration of an immigration hold.

If a deputy has an articulable belief that an individual taken into custody for any misdemeanor is an undocumented alien, and after he/she is formally booked there is no intention to transport to the county jail, ICE may be informed by the arresting deputy so that ICE may consider placing an immigration hold on the individual.

In making the determination whether to notify ICE in such circumstances, the deputy should, in consultation with a supervisor, consider the totality of circumstances of each case, including, but not limited to:

- (a) Seriousness of the offense
- (b) Community safety
- (c) Potential burden on ICE
- (d) Impact on the immigrant community

Generally, deputies will not need to notify ICE when booking arrestees at the county jail. Immigration officials routinely interview suspected undocumented aliens who are booked into the county jail on criminal charges and notification will be handled according to jail operation procedures.

### *Immigration Violations*

#### **428.4 CONSIDERATIONS PRIOR TO REPORTING TO ICE**

The El Dorado County Sheriff's Office is concerned for the safety of local citizens and thus detection of criminal behavior is of primary interest in dealing with any person. The decision to arrest shall be based upon those factors which establish probable cause and not on arbitrary aspects. Race, ethnicity, age, gender, sexual orientation, religion, and socioeconomic status alone are of no bearing on the decision to arrest.

All individuals, regardless of their immigration status, must feel secure that contacting law enforcement will not make them vulnerable to deportation. Members should not attempt to determine the immigration status of crime victims and witnesses or take enforcement action against them absent exigent circumstances or reasonable cause to believe that a crime victim or witness is involved in violating criminal laws. Generally, if a deputy suspects that a victim or witness is an undocumented immigrant, the deputy need not report the person to ICE unless circumstances indicate such reporting is reasonably necessary.

Nothing in this policy is intended to restrict deputies from exchanging legitimate law enforcement information with any other federal, state or local government entity (Title 8 U.S.C. §1373 and 8 U.S.C. § 1644).

##### **428.4.1 U-VISA/T-VISA NONIMMIGRANT STATUS**

Under certain circumstances, federal law allows temporary immigration benefits to victims and witnesses of certain qualifying crimes (8 USC § 1101(a)(15)(U and T); 8 USC § 1101(a)(15)(T)). A declaration/certification for a U-Visa/T-Visa from the U.S. Citizenship and Immigration Services may be completed on the appropriate U.S. DHS Form supplements (I-918 or I-914) by law enforcement and must include information on how the individual can assist in a criminal investigation or prosecution in order for a U-Visa/T-Visa to be issued.

Any request for assistance in applying for U-Visa/T-Visa status should be forwarded in a timely manner to the Detective Bureau sergeant assigned to supervise the handling of any related case. The Detective Bureau sergeant should do the following:

- (a) Consult with the assigned detective to determine the current status of any related case and whether further documentation is warranted.
- (b) Review the instructions for completing the declaration/certification if necessary. Instructions for completing Forms I-918/I-914 can be found on the U.S. DHS website.
- (c) Contact the appropriate prosecutor assigned to the case, if applicable, to ensure the declaration/certification has not already been completed and whether a declaration/certification is warranted.
- (d) Address the request and complete the declaration/certification, if appropriate, in a timely manner.
- (e) Ensure that any decision to complete or not complete the form is documented in the case file and forwarded to the appropriate prosecutor. Include a copy of any completed declaration/certification in the case file.

##### **428.4.2 HUMAN TRAFFICKING T-VISA**

Deputies and their supervisors who are assigned to investigate a case of human trafficking shall complete the above process and documents needed for a T-Visa application within 15 business days of the first encounter with the victim, whether or not it is requested by the victim (Penal Code § 236.5).

## Aircraft Accidents

### **434.1 PURPOSE AND SCOPE**

This policy describes situations involving aircraft accidents including responsibilities of personnel, making proper notification, and documentation.

### **434.2 RESPONSIBILITIES**

In the event of an aircraft accident the employee responsibilities are as follows:

#### **434.2.1 DEPUTY RESPONSIBILITY**

Deputies should treat an aircraft accident site as a crime scene until it is determined that such is not the case. If a military aircraft is involved, additional dangers, such as live ordnance or hazardous materials, may be present. The scene may require additional security due to the potential presence of confidential equipment or information.

The duties of the field deputy at the scene of an aircraft accident include the following:

- (a) Determine the nature and extent of the accident.
- (b) Request additional personnel and other resources to respond as needed.
- (c) Provide assistance for the injured parties until the arrival of Fire Department personnel and/or other emergency personnel.
- (d) Cordon off and contain the area to exclude unauthorized individuals as soon as practicable.
- (e) Provide crowd control and other assistance until directed otherwise by a supervisor.
- (f) Ensure the Coroner's office is notified if a death occurs.

Entering an aircraft or tampering with parts or debris is only permissible for the purpose of removing injured or trapped occupants, protecting the wreckage from further damage or protecting the public from danger. If possible, the investigating authority should first be consulted before entering or moving any aircraft or any crash debris. Photographs or sketches of the original positions should be made whenever feasible.

The Fire Department will be responsible for control of the accident scene until the injured parties are cared for and the accident scene has been rendered safe for containment. Thereafter, sheriff's personnel will be responsible for preserving the scene until relieved by the investigating authority.

Once the scene is relinquished to the investigating authority, personnel from this agency may assist in containment of the scene until the investigation is completed or assistance is no longer needed.

An airport service worker or the airport manager may respond to the scene to assist the on-scene commander with technical expertise, should it be needed during the operation.

#### **434.2.2 NATIONAL TRANSPORTATION SAFETY BOARD**

The National Transportation Safety Board (NTSB) has the primary responsibility for investigating accidents involving civil aircraft. In the case of a military aircraft incident,

# El Dorado County Sheriff's Office

the appropriate branch of the military will be involved in the investigation. The NTSB is concerned with several aspects of a accident as described in this section.

Every effort should be made to preserve the scene to the extent possible in the condition in which it was found until such time as NTSB or other authorized personnel arrive to take charge of the scene.

Military personnel will respond to take charge of any military aircraft involved, whether or not injuries or deaths have occurred.

If the accident did not result in a death or injury and the NTSB elects not to respond, the pilot or owner may assume control of the aircraft.

Removal of the wreckage shall be done under the guidance of the NTSB or military authorities or, if the NTSB is not responding for an on-site investigation, at the discretion of the pilot or the owner.

#### **434.2.3 CENTRAL DISPATCH RESPONSIBILITIES**

Dispatchers are responsible to make notifications as directed once an aircraft accident has been reported. The notifications will vary depending on the type of accident, extent of injuries or damage, and the type of aircraft involved. Generally, the dispatcher will need to notify the following agencies or individuals when an aircraft accident has occurred.

- (a) Fire Department
- (b) The affected airport tower
- (c) Closest military base if a military aircraft is involved
- (d) Ambulances or other assistance as required

When an aircraft accident is reported to the Sheriff's Department by the airport tower personnel the dispatcher receiving such information should verify that the tower personnel will contact the Federal Aviation Administration (FAA) Flight Standards District Office and the National Transportation Safety Board (NTSB). In the event that airport personnel are not involved, the dispatcher should notify the FAA and the NTSB.

#### **434.2.4 RECORDS MANAGER RESPONSIBILITIES**

The Records Manager is responsible for the following:

- (a) Forward and maintain an approved copy of the accident report to the California Department of Aeronautics
- (b) Forward a copy of the report to the Operations Division Commander and the manager of the affected airport

#### **434.2.5 PUBLIC INFORMATION OFFICER RESPONSIBILITIES**

The Department Public Information Officer is responsible for the following:

- (a) Obtain information for a press release from the on-scene commander or his or her designee
- (b) When practical, the Department Public Information Officer should coordinate with the FAA Press Information Officer to prepare a press release for distribution to the Media

## Sheriff's Responsibilities - Major Fires

### 437.1 PURPOSE AND SCOPE

The purpose of this policy is to define the role of the Sheriff's Office at the scene of major fires within the County area. It is emphasized that this policy is not intended in any way to infringe on the areas of responsibility of the various fire departments. The timely arrival of a Sheriff's unit is to:

- (a) Provide an on-scene emergency responder at the earliest possible time since the Sheriff's unit may be more proximate to the fire scene than the fire department.
- (b) Provide the earliest opportunity for the Sheriff's Office to exercise its areas of jurisdiction as set forth below.

### 437.2 OVERALL SHERIFF'S OFFICE RESPONSIBILITIES

The following are the responsibilities of the Sheriff's Office at the fire scene:

- (a) CROWD CONTROL: Crowd and spectator control at the fire scene is the responsibility of the Sheriff's Office by the enforcement authority of Penal Code § 409.5.
- (b) TRAFFIC CONTROL: Traffic control will normally be referred to the California Highway Patrol. However, if the California Highway Patrol is not on-scene or does not have sufficient units available for the commitment, Sheriff's Deputies may provide traffic control as requested or as necessary.
- (c) EVACUATION: The Sheriff's Office is the scene manager for major evacuation. Though the first priority of the fire department is fire suppression, fire department personnel, if available, may assist in evacuation if necessary. The Sheriff's Office has authority to close an area and compel evacuation via Penal Code § 409.5. Under this same Section, the Sheriff's Office may arrest unauthorized persons who enter an area closed due to disaster.
- (d) PRE-EVACUATION WARNINGS ASSISTANCE: the Sheriff's Office assumes this responsibility since it closely coincides with evacuations and is consistent with the authority set forth in Penal Code § 409.5. Fire departments can assist in public warnings of pre-evacuations are requested or as necessary.

### 437.3 DECISION TO EVACUATE

No specific or single agency has the legislated responsibility to make the decision to evacuate. It is anticipated that under the incident command system concept of unified command that such a decision will be arrived at through the utilization of the expertise of the agency representatives present at the Command Post site. In a situation in which the Sheriff is Incident Commander (such as a barricaded suspect situation), the decision will rest entirely within the scope of the Sheriff's Office authority. In a situation in which the Sheriff is not the Incident Commander the final decision to evacuate will come from the Incident Commander. Once such a decision is made, the Sheriff's Office assumes full authority and responsibility to implement evacuation.

#### 437.3.1 NOTIFICATION

As soon as the probability of evacuation arises, the following are to be contacted to respond to the scene: the on-duty Patrol Sergeant, Patrol Lieutenant and/or the Patrol Captain.

# El Dorado County Sheriff's Office

## Policy Manual

### *Sheriff's Responsibilities - Major Fires*

---

Immediately following the above notifications, the Undersheriff, Sheriff and the El Dorado County Office of Emergency Services are to be notified. These notifications are to be made at the point where it is decided to warn residents of the possibility of evacuation.

#### **437.3.2 CLASSIFICATIONS OF EVACUATION**

For the purpose of the Sheriff's Office, evacuations shall be divided into two stages:

- (a) Voluntary (precautionary) evacuation: In this situation a warning is given to persons within the affected area that a threat of life and property exists. Persons issued this type of warning are not required to evacuate.
- (b) Mandatory evacuation: A warning is given to persons within the affected area that an imminent threat to life and property exists. Persons issued this type of warning must evacuate in accordance with the directions of the on-scene deputies.
  1. A deputy's judgment might be questioned if an attempt was made to "force" an occupant from his residence when, after being notified, he states that he wishes to remain and protect his property. Additional verbal persuasion should be employed when a life-endangering situation is imminent. If this fails, an "Evacuation Refusal Form" should be filled out by the deputy and a copy given to the resident. In extreme cases sufficient legal authority exists under Penal Code § 148 of the to make an arrest, however, extreme caution must be exercised in utilizing this method of removal.
  2. NOTE OF CAUTION: Although we want to give ourselves as much lead-time as possible to carry out our mission, premature evacuations are not the answer. Therefore, the situation must be carefully assessed using all available resources.

#### **437.3.3 PRELIMINARY EVACUATION FACTORS**

- (a) Prior to the announcement of the decision to evacuate, either voluntary or mandatory, the following issues must be anticipated and determined to the maximum extent possible:
  1. The area to be evacuated based on the incident conditions.
  2. Available evacuation routes.
  3. The available means of notification.
  4. The personnel available to carry out the evacuation.
  5. The time available.
  6. Location of evacuation centers (Contact Office of Emergency Services for evacuation center location).

#### **437.3.4 PROCEDURES**

- (a) The ranking Sheriff's officer in charge is responsible for the accomplishment of the following objectives:
  1. A situation estimate. In incidents in which the Sheriff's Office is not the Incident Commander, this estimate will, if necessary, have to come from the Incident Commander.
  2. Establishment and maintenance of a perimeter around the affected area.
  3. Door-to-door communication to persons within the affected area warning them to leave and giving the location of evacuation center(s).

# El Dorado County Sheriff's Office

## Policy Manual

### *Sheriff's Responsibilities - Major Fires*

---

4. Interior patrol of the evacuated area, if appropriate.
5. Additional departmental personnel and resources needed at the scene.
6. Location of the "staging area" for departmental personnel.
7. Location of Command Post and radio designation of the Command Post as well as the scene deputies.
  - (a) Even though a Command Post may already have been established, it will usually prove advantageous to respond the Sheriff's mobile Command Post to the scene especially if the incident has any potential for a lengthy duration.
8. Designate a Law Branch Director. Normally this will be a Sergeant, however, in an incident of major magnitude this can be a Lieutenant or above. The Sheriff's Incident Commander or agency representative should remain with the Command Post.

#### **437.3.5 SPECIFIC EVACUATION PROCEDURES**

The area to be evacuated shall be divided into sectors. Deputies shall be assigned to evacuate specific sectors, beginning closest to the incident and moving outward from it.

- (a) Use door knocks, siren, public address system, etc. as appropriate.
- (b) Maintain a record of each contact and/or no answer. Ask neighbors about any deaf, infirm or invalid person who may not have responded to a door knock.
- (c) Advise residents of the type of evacuation (voluntary/ mandatory).
- (d) Advise residents of the best available routes out of the area.
- (e) Advise residents of the location of the evacuation center (s), if known.
- (f) Advise residents of the time remaining before the situation becomes critical and the estimated duration of the emergency if known or can be reasonable estimated.

#### **437.3.6 POST EVACUATION PROCEDURES**

- (a) Once the evacuation has been completed, the ranking Sheriff's officer in charge shall take the appropriate action to close the area:
  1. No access. Prohibits unauthorized persons into the closed area.
  2. Limited access. Allows persons into the closed area according to criteria established by the Incident Commander such as:
    - (a) Residents with valid identification indicating residency in the affected area.
    - (b) Public utility employees.
    - (c) Owners, managers, and/or employees of businesses within the closed area.

Generally there is not authority to prohibit media with valid identification from entering a closed area. They should be warned of the danger and allowed to proceed.

#### **437.4 COMMUNICATION**

If possible, secondary frequencies and/or CLEMARS should be utilized during evacuation operations.

#### **437.5 ARSON INVESTIGATION**

The Sheriff's Office will initiate the appropriate report and investigation when fire personnel have determined that the cause of a fire is arson. Follow-up investigation will be handled by the appropriate Sheriff, CDF, USFS and/or fire department arson investigators.

## Detentions And Photographing Detainees

### 440.1 PURPOSE AND SCOPE

The purpose of this policy is to establish guidelines for conducting field interviews (FI) and pat-down searches, and the taking and retention of photographs of persons detained in the field but not arrested. Due to a variety of situations confronting the deputy, the decision to FI or photograph a field detainee shall be left to the discretion of the involved deputy based on the totality of the circumstances available to them at the time of the detention.

### 440.2 DEFINITIONS

**Detention** - Occurs when a deputy intentionally, through words, actions or physical force causes an individual to reasonably believe he/she is being required to restrict his/her movement. Detentions also occur when a deputy actually restrains a person's freedom of movement.

**Consensual Encounter** - Occurs when a deputy contacts an individual but does not create a detention through words, actions or other means. In other words, a reasonable individual would believe that his/her contact with the deputy is voluntary.

**Field Interview** - The brief detainment of an individual, whether on foot or in a vehicle, based on reasonable suspicion for the purposes of determining the individual's identity and resolving the deputy's suspicions.

**Field Photographs** - Field photographs are defined as posed photographs taken of a person during a contact, detention, or arrest in the field. Undercover surveillance photographs of an individual and recordings captured by the normal operation of a Mobile Audio Video (MAV) system when persons are not posed for the purpose of photographing are not considered field photographs.

**Pat-Down Search** - This type of search is used by deputies in the field to check an individual for weapons. It involves a thorough patting down of clothing to locate any weapons or dangerous items that could pose a danger to the deputy, the detainee, or others.

**Reasonable Suspicion** - Occurs when, under the totality of the circumstances, a deputy has articulable facts that criminal activity may be afoot and a particular person is connected with that possible criminal activity.

### 440.3 FIELD INTERVIEWS

Deputies may stop individuals for the purpose of conducting an FI where reasonable suspicion is present. In justifying the stop, the deputy should be able to point to specific facts which, when taken together with rational inferences, reasonably warrant the stop. Such facts include, but are not limited to, the following:

- (a) The appearance or demeanor of an individual suggests that he/she is part of a criminal enterprise or is engaged in a criminal act.
- (b) The actions of the suspect suggest that he/she is engaged in a criminal activity.
- (c) The hour of day or night is inappropriate for the suspect's presence in the area.

# El Dorado County Sheriff's Office

## Policy Manual

### *Detentions And Photographing Detainees*

---

- (d) The suspect's presence in the particular area is suspicious.
- (e) The suspect is carrying a suspicious object.
- (f) The suspect's clothing bulges in a manner that suggests he/she is carrying a weapon.
- (g) The suspect is located in proximate time and place to an alleged crime.
- (h) The deputy has knowledge of the suspect's prior criminal record or involvement in criminal activity.

#### **440.3.1 INITIATING A FIELD INTERVIEW**

A deputy may initiate the stop of a person when there is articulable, reasonable suspicion to do so. A person however, should not be detained longer than is reasonably necessary to resolve the deputy's suspicions.

Nothing in this policy is intended to discourage consensual contacts. Frequent and random casual contacts with consenting individuals are encouraged by the El Dorado County Sheriff's Office to strengthen our community involvement, community awareness and problem identification.

#### **440.3.2 WITNESS IDENTIFICATION AND INTERVIEWS**

Because potential witnesses to an incident may become unavailable or the integrity of their statements compromised with the passage of time, deputies should, when warranted by the seriousness of the case, take reasonable steps to promptly coordinate with an on-scene supervisor and/or criminal investigators to utilize available personnel for the following:

- (a) Identify all persons present at the scene and in the immediate area.
  - 1. When feasible, a recorded statement should be obtained from those persons who claim not to have witnessed the incident but who were present at the time it occurred.
  - 2. Any potential witness who is unwilling or unable to remain available for a formal interview should not be detained absent reasonable suspicion to detain or probable cause to arrest. Without detaining the individual for the sole purpose of identification, deputies should attempt to identify the witness prior to his/her departure.
- (b) Witnesses who are willing to provide a formal interview should be asked to meet at a suitable location where criminal investigators may obtain a recorded statement. Such witnesses, if willing, may be transported by department personnel.
  - 1. A written, verbal or recorded statement of consent should be obtained prior to transporting a witness in a department vehicle. When the witness is a minor, consent should be obtained from the parent or guardian, if available, prior to transportation.

#### **440.4 PAT-DOWN SEARCHES**

A pat-down search of a detained subject may be conducted whenever a deputy reasonably believes that the person may possess an object that can be utilized as an offensive weapon or whenever the deputy has a reasonable fear for his/her own safety or the safety of others. Circumstances that may establish justification for performing a pat-down search include, but are not limited to the following:

# El Dorado County Sheriff's Office

## Policy Manual

### *Detentions And Photographing Detainees*

---

- (a) The type of crime suspected, particularly in crimes of violence where the use or threat of deadly weapons is involved.
- (b) Where more than one suspect must be handled by a single deputy.
- (c) The hour of the day and the location or neighborhood where the stop takes place.
- (d) Prior knowledge of the suspect's use of force and/or propensity to carry deadly weapons.
- (e) The appearance and demeanor of the suspect.
- (f) Visual indications which suggest that the suspect is carrying a firearm or other weapon.
- (g) The age and gender of the suspect.

Whenever possible, pat-down searches should be performed by deputies of the same gender.

#### **440.5 FIELD PHOTOGRAPHS**

Before photographing any field detainee, the deputy shall carefully consider, among other things, the factors listed below.

##### **440.5.1 FIELD PHOTOGRAPHS TAKEN WITH CONSENT**

Field photographs may be taken when the subject of the photograph knowingly and voluntarily gives consent.

##### **440.5.2 FIELD PHOTOGRAPHS TAKEN WITHOUT CONSENT**

Field photographs may be taken without consent only if they are taken during a detention that is based upon reasonable suspicion of criminal activity, and the photograph serves a legitimate law enforcement purpose related to the detention. Mere knowledge or suspicion of gang membership or affiliation is not a sufficient justification for taking a photograph without consent. The deputy must be able to articulate facts that reasonably indicate that the subject was involved in or was about to become involved in criminal conduct.

If, prior to taking a photograph, the deputy's reasonable suspicion of criminal activity has been dispelled, the detention must cease and the photograph should not be taken.

All field photographs will be retained in compliance with this policy.

#### **440.6 SUPERVISOR RESPONSIBILITY**

While it is recognized that field photographs often become valuable investigative tools, supervisors should monitor such practices in view of the above listed considerations. This is not to imply that supervisor approval is required before each photograph. Access to field photographs shall be strictly limited to law enforcement purposes.

#### **440.7 DISPOSITION OF PHOTOGRAPHS**

All detainee photographs must be adequately labeled and submitted to the Shift Sergeant with either an associated FI card or other memorandum explaining the nature of the contact. If an individual is photographed as a suspect in a particular crime, the photograph should be submitted as an evidence item in the related case, following standard evidence procedures.

# El Dorado County Sheriff's Office

## Policy Manual

### *Detentions And Photographing Detainees*

---

If a photograph is not associated with an investigation where a case number has been issued, the Shift Sergeant should review and forward the photograph to one of the following locations:

- (a) If the photo and associated FI or memorandum is relevant to criminal street gang enforcement, the Shift Sergeant will forward the photo and documents to the Gang Supervisor. The Gang Supervisor will ensure the photograph and supporting documents are retained as prescribed by Policy § 442.
- (b) Photographs that do not qualify for Criminal Street Gang file retention or which are not evidence in an investigation with an assigned case number should be forwarded to the Records Section. These photographs will be purged as described in Policy § 440.7.1.

When a photograph is taken in association with a particular case, the detective may use such photograph in a photo lineup. Thereafter, the individual photograph should be retained as a part of the case file. All other photographs will be kept in the Records Section in a separate non-booking photograph file in alphabetical order.

#### **440.7.1 PURGING THE FIELD PHOTO FILE**

The Records Manager will be responsible for ensuring that photographs maintained by the Records Section that are more than one year old and no longer serve a law enforcement purpose are periodically purged and destroyed. Photographs that continue to serve a legitimate law enforcement purpose may be retained longer than one year provided that a notation of that fact is added to the file for each additional year that they are retained. Access to the FI photo file shall be strictly limited to law enforcement purposes.

A photograph need not be purged but may be retained as an updated photograph in a prior booking file if the person depicted in the photograph has been booked at the El Dorado County Sheriff's Office and the booking file remains in the Records Section.

#### **440.8 PHOTO REVIEW POLICY**

Any person who has been the subject of a field photograph or an FI by this agency during any contact other than an arrest may file a written request within 30 days of the contact requesting a review of the status of the photograph/FI. The request shall be directed to the office of the Sheriff who will ensure that the status of the photograph or FI is properly reviewed according to this policy as described below. Upon a verbal request, the Department will send a request form to the requesting party along with a copy of this policy.

##### **440.8.1 REVIEW PROCESS**

Upon receipt of such a written request, the Sheriff or his or her designee will permit the individual to appear in person (any minor must be accompanied by their parent or legal guardian) for a review of the status of the photograph/FI.

Such a meeting will generally be scheduled during regular business hours within 30 days of the receipt of the written request. An extension of the 30-day limit may be made either upon the mutual convenience of the parties or if, at the discretion of the Sheriff, there appears to be an ongoing legitimate law enforcement interest which warrants a delay. If the delay could jeopardize an ongoing investigation, nothing in this policy shall require the Sheriff to disclose the reason(s) for the delay.

A meeting for the review of the status of any non-arrest photograph/FI is not intended to be a formal hearing, but simply an informal opportunity for the individual to meet with the Sheriff or his/her designee to discuss the matter.

# El Dorado County Sheriff's Office

## Policy Manual

### *Detentions And Photographing Detainees*

---

After carefully considering the information available, the Sheriff or designee will determine, generally within 30 days of the original meeting, whether the photograph/FI was obtained in accordance with existing law and El Dorado County Sheriff's Office policy and, even if properly obtained, then whether there is any ongoing legitimate law enforcement interest in retaining the photograph/FI.

If the Sheriff or his/her designee determines that the photograph/FI was obtained in accordance with existing law and department policy and that there is an ongoing legitimate law enforcement interest in retaining the non-arrest photograph, the photograph/FI shall be retained according to this policy and applicable law.

If the Sheriff or his/her designee determines that the original legitimate law enforcement interest in retaining a non-arrest photograph no longer exists or that it was obtained in violation of existing law or El Dorado County Sheriff's Office policy, the original photograph will be destroyed or returned to the person photographed, if requested. All other associated reports or documents, however, will be retained according to department policy and applicable law.

If the Sheriff or his/her designee determines that the original legitimate law enforcement interest in retaining a non-arrest FI no longer exists or that the original F/I was not obtained in accordance with established law or El Dorado County Sheriff's Office policy, the original FI may only be destroyed upon the execution of a full and complete waiver of liability by the individual (and guardian if a minor) arising out of that field contact.

If the Sheriff or his/her designee determines that any involved El Dorado County Sheriff's Office personnel violated existing law or department policy, the Sheriff or designee shall initiate a separate internal investigation which may result in additional training, discipline or other appropriate action for the involved employees.

The person photographed/FI'd will be informed in writing within 30 days of the Sheriff's determination whether or not the photograph/FI will be retained. This does not entitle any person to any discovery or access to any law enforcement records not otherwise authorized by law.

## Criminal Street Gangs

### 442.1 PURPOSE AND SCOPE

It is the policy of this department to establish a procedure for identifying criminal street gangs, participants of criminal street gangs, and patterns of criminal activity as outlined in Penal Code § 186.20 through Penal Code § 186.33 of the "Street Terrorism Enforcement and Prevention Act."

The intent of this policy is to provide for the collection and management of criminal street gang information so as to enhance officer safety and the criminal prosecution of criminal street gang participants. This policy is not intended or designed to establish a formal gang intelligence database.

### 442.2 DEFINITIONS

**Pattern of Criminal Gang Activity** - The commission, attempted commission, conspiracy to commit, sustained juvenile petition for, or conviction of two or more of any offenses as described in Penal Code § 186.22(e).

**Criminal Street Gang** - Any ongoing organization, association, or group of three or more persons, whether formal or informal, having as one of its primary activities the commission of one or more of the criminal acts enumerated in Penal Code § 186.22(e), and which has a common name or common identifying sign or symbol, and whose members individually or collectively engage or have engaged in a pattern of criminal street gang activity.

**Gang Related Crime** - Any crime, which is committed for the benefit of, at the direction of, or in association with, a criminal street gang with the intent to promote, further or assist any criminal street gang.

### 442.3 IDENTIFICATION OF CRIMINAL STREET GANGS / PARTICIPANTS

The Gang Enforcement Unit shall be authorized to collect information on individuals who are suspected of participating in a criminal street gang and groups that are suspected of being criminal street gangs.

- (a) A group of three or more individuals shall be designated a criminal street gang when:
  1. They have a common name or common identifying sign or symbol.
  2. There is evidence, substantiated by crime and informational reports, that a primary activity of the group is the commission of one or more criminal acts enumerated in Policy Manual § 442.2.
  3. One or more members individually or collectively have engaged in a pattern of criminal gang activity as defined in Policy Manual § 442.2 of this policy.
  4. A designated representative of the District Attorney's Office reviews the available evidence and concurs with a Department finding that the group meets the criteria for being a criminal street gang.
- (b) An individual shall be designated as a participant in a criminal street gang and included in a gang file, when one or more of the following elements have been verified by a Gang Enforcement Unit member and a reasonable basis for believing such affiliation has been established and approved by a supervisor:

# El Dorado County Sheriff's Office

## Policy Manual

### *Criminal Street Gangs*

---

1. An individual admits membership in a criminal street gang.
  2. A reliable informant or known gang member identifies an individual as a participant in a criminal street gang.
  3. An informant of previously untested reliability identifies an individual as a participant in a criminal street gang when that identification is corroborated by independent information.
  4. An individual resides in or frequents a particular criminal street gang's area, and affects their style of dress, color of dress, use of jewelry, tattoos, monikers, or any other identifiable mannerism associated to that particular criminal street gang, and where the deputy documents reasonable suspicion that the individual is involved in criminal gang activity or enterprise.
  5. A person has been arrested in the company of identified criminal street gang members for offenses that are consistent with criminal street gang activity or criminal street gang related crimes.
  6. An individual is identified as a gang member in a criminal street gang document or the individual is depicted in a criminal street gang member's photograph(s) in such a manner as to clearly indicate membership in a criminal street gang.
  7. An individual otherwise meets the criteria of a criminal street gang participant under the guidelines of a department approved gang intelligence database and/or 28 C.F.R. 23.20.
- (c) An individual may be designated as a gang affiliate only when the individual is known to affiliate with active criminal gang members and a deputy has established that there is reasonable suspicion that the individual is involved in criminal activity. A deputy's belief must be premised upon reasoning and logic coupled with sound judgment based upon law enforcement experience, rather than a mere hunch or whim.

#### **442.4 CRIMINAL STREET GANG TEMPORARY FILE**

The Gang Unit Supervisor may maintain a temporary file of reports and FIs that is separate from any criminal gang intelligence database when an individual or group has been identified as a suspected criminal street gang participant or a suspected criminal street gang but does not meet the criteria necessary for entry into a criminal gang intelligence database.

Inclusion in a temporary file may be done only if there is a reasonable likelihood that, within one year of the contact, the individual or group will meet the criteria for entry into a department approved criminal gang intelligence database. Reports and FIs will only be included in a temporary gang file with the written authorization of the Gang Unit Supervisor. A temporary file of criminal street gang participants or criminal street gangs shall include:

- (a) Names, aliases, monikers, addresses, and other relevant identifying information.
- (b) Gang name.
- (c) Justification used to identify an individual as a criminal street gang participant.
- (d) Vehicle(s) known to be used.
- (e) Cross references to other identified gangs or gang members.

#### **442.4.1 REVIEW AND PURGING OF GANG PARTICIPANT FILE**

Temporary files shall not be retained longer than one year. At the end of one year, temporary files must be purged if the information does not qualify for entry into a department approved criminal gang intelligence database.

The Gang Unit Supervisor shall periodically review temporary files to verify that the information was properly obtained and meets the criteria for retention. Validation and purging of temporary criminal street gang files is the responsibility of the Gang Unit Supervisor.

#### **442.4.2 CRIMINAL GANG INTELLIGENCE DATABASES**

While this policy does not establish a criminal gang intelligence database, the Sheriff may approve one or more criminal gang intelligence databases, such as CALGANG, for use by members of the Gang Unit. Any such database should be compliant with 28 C.F.R. § 23.20 regulating criminal intelligence systems. Employees must obtain the requisite training before accessing any such database.

It is the Gang Unit Supervisor's responsibility to determine whether any report or FI contains information that would qualify for entry into a department approved criminal gang intelligence database. The Gang Unit Supervisor should forward any such reports or FIs to the Records Section after appropriate database entries are made. The submitting Gang Unit Supervisor should clearly mark the report/FI as Gang Intelligence Information.

It is the responsibility of the Records Section Supervisor to retain reports and FIs in compliance with the procedures of the department approved criminal gang intelligence database and 28 C.F.R. § 23.20. The Records Section Supervisor may not purge these reports or FIs without the approval of the Gang Unit Supervisor.

#### **442.5 FIELD CONTACTS**

Deputies who contact individuals who are, or may be participants in criminal street gang activity should complete a FI card and document the reasonable suspicion underlying the contact and the exact circumstances leading to the suspicion that the individual is a criminal street gang participant (e.g., subject states he or she is a member of XYZ gang; XYZ tattoo on right hand near thumb; wearing ball cap with gang name printed in blue or red ink).

Photographing known or suspected criminal street gang participants shall be done in accordance with the provisions of Policy Manual § 440 (Photographing of Field Detainees).

#### **442.6 INQUIRY BY PARENT OR GUARDIAN**

When an inquiry is made by a parent or guardian as to whether a juvenile's name is in the temporary criminal street gang participant's file, such information shall be provided by the unit supervisor, unless there is good cause to believe that the release of such information may jeopardize an ongoing criminal investigation.

Employees must observe strict compliance with the rules of a department approved gang intelligence database regarding release of information from that database.

#### **442.7 DISSEMINATIONS OF THE FILE INFORMATION**

Information from the temporary criminal street gang participant files may only be furnished to Department personnel and other public law enforcement agencies on a need-to-know basis. This means information that may be of use in the prevention of gang-related criminal activity

or information concerning the investigation of gang-related crimes shall only be released to members of this department and other law enforcement agencies.

Information from any department approved gang intelligence file must only be released in compliance with the rules for that particular database.

#### **442.8 REPORTING CRITERIA AND ROUTING**

Incidents that appear to be criminal street gang related shall be documented on a report form and shall at minimum include the following:

- (a) A description of any document, statements, actions, dress or other information that would tend to support the deputy's belief that the incident may be related to the activities of a criminal street gang.
- (b) Whether any photographs were taken and a brief description of what they depict.
- (c) What physical evidence, if any, was observed, collected or booked.
- (d) A specific request that a copy of the report be routed to the Gang Unit.

Any photographs taken or evidence collected shall be booked in accordance with current evidence booking procedures.

## Central Dispatch Policy

### 443.1 PURPOSE AND SCOPE

The primary responsibility of Central Dispatch is to receive and dispatch calls for service. Part of that responsibility includes tracking all available personnel and acting as a resource for deputies.

### 443.2 PROCEDURE

All department personnel, both on and off duty, will only call Central Dispatch on the phone when absolutely necessary. The only calls to Central should be strictly business-related calls that cannot be accomplished over the air. The following reasons to call Central are no longer acceptable justification to take a dispatcher from their primary responsibility.

- (a) Advise Code 7 or out of service at a specific number
- (b) Otherwise advise of status
- (c) Check status of individual deputies or sergeants
- (d) Directions to a call
- (e) Clarify information on a call, or repeat a call apparently not previously understood
- (f) Request case numbers or times of a call
- (g) Question why they are being sent to a particular call

All of the above can, and should be conveyed on the air. Dispatch, fellow deputies and sergeants all need to know the status of the individual units and what they are doing.

Should on-duty personnel need to call dispatch on the phone, there is no need to talk to the particular dispatcher assigned to your particular frequency. Doing so takes that dispatcher away from their primary responsibility. Any dispatcher or call-taker can provide the necessary information.

Off-duty personnel have even fewer reasons to call Central (e.g., obtaining personal phone numbers). Off-duty personnel should not inquire about an incident in which they do not have an immediate business necessity to become involved.

## Mobile Audio Video Procedure

### 446.1 PURPOSE AND SCOPE

The El Dorado County Sheriff's Office has equipped marked patrol units with a Mobile Audio & Video (MAV) recording system. The MAV is designed to assist and compliment patrol deputies in the performance of his/her duties. The MAV is used to record certain activities by providing a visual and/or audio record. Video recordings are intended to provide an unbiased visual/audio record of the incident and to supplement the deputy's report. The MAV is designed to capture video and audio best when within sight of the cameras mounted in the patrol unit. The MAV microphone has a limited range and reduced quality as the distance from the vehicle increases. Audio recording when out of sight (range) of the MAV should be accomplished by using the department issued handheld digital audio recorder.

#### 446.1.1 DEFINITIONS

Definitions related to this policy include:

**Activate** - Any process that causes the MAV system to transmit or store video or audio data in an active mode.

**In-car camera system and Mobile Audio Video (MAV) system**- Synonymous terms which refer to any system that captures audio and video signals, that is capable of installation in a vehicle, and that includes at minimum, a camera, microphone, recorder and monitor.

**MAV technician** -Personnel certified or trained in the operational use and repair of MAVs, duplicating methods, storage and retrieval methods and procedures, and who have a working knowledge of video forensics and evidentiary procedures.

**Recorded media** - Audio-video signals recorded or digitally stored on a storage device or portable media.

### 446.2 DEPUTY RESPONSIBILITIES

Deputies shall test the MAV system at the start of each shift.

Deputies shall report any malfunction of the MAV by ensuring the unit is written up for repairs.

### 446.3 ACTIVATION OF THE MAV

The system is designed to activate when the unit's emergency lights are activated, at excessive speed, as a result of a crash and manual activation.

#### 446.3.1 REQUIRED ACTIVATION OF MAV

This policy is not intended to describe every possible situation where the system may be used however here are many situations where the use of the MAV system is appropriate. In addition to the required situations, deputies may activate the system any time he/she believes its use would be appropriate and/or valuable to document an incident. The activation of the MAV system is required in any of the following situations:

- (a) All field contacts involving actual or potential criminal conduct, within visual range of the MAV, which includes:

### *Mobile Audio Video Procedure*

---

1. Vehicular pursuits
  2. Suspicious vehicles
  3. Arrests
  4. Pedestrian checks
  5. DUI investigations including field sobriety tests
  6. Consensual encounters
  7. Responding to an in-progress call to include any and all CODE 3 driving
- (b) Any call for service involving a crime where the recorder may aid in the apprehension and/or prosecution of a suspect, and is within visual range of the MAV such as:
1. Domestic violence calls
  2. Disturbance of peace calls
  3. Offenses involving violence or weapons
- (c) Any other contact that becomes adversarial after the initial contact in a situation that would not otherwise require recording
- (d) Any other circumstances where the deputy believes that a recording of an incident would be appropriate

Once the MAV system is activated, it shall remain on and shall not be turned off until the incident has concluded. For purposes of this section, conclusion of an incident has occurred when all arrests have been made, arrestees have been transported, and all witnesses, victims, etc. have been interviewed. Recording may cease if a deputy is simply waiting for a tow truck or a family member to arrive or when the deputy has a reasonable belief that continued recording will not yield any video or audio of evidentiary value.

#### **446.3.2 WHEN ACTIVATION NOT REQUIRED**

Activation of the MAV system is not required when exchanging information with other deputies or during breaks, lunch periods, when not in service, or actively on patrol.

Absent legal cause or lawful order, no member of this department may surreptitiously record any other member of this department without the expressed knowledge and consent of all parties.

#### **446.4 REVIEW OF MAV RECORDINGS**

Recordings may be reviewed in any of the following situations:

- (a) By a supervisor investigating a specific act of deputy conduct
- (b) By a department detective after approval of a supervisor who is participating in an official investigation, such as a personnel complaint, administrative inquiry or a criminal investigation
- (c) By department personnel to review their own recordings for official purposes.
- (d) By court personnel through proper process or with permission of the Sheriff or his/her designee
- (e) By media personnel with permission of the Sheriff or his/her designee
- (f) Recordings may be shown for the purposes of training value. If an involved deputy objects to the showing of recording, his/her objection will be submitted to staff to

determine if the training value outweighs the deputy's objection for not showing the recording.

Employees desiring to view any MAV recording (excluding their own as described in "c" above) shall submit a request in writing to the Shift Sergeant.

In no event shall any recording be used or shown for the purpose of ridicule or embarrassing any employee.

#### **446.5 DOCUMENTING MAV USE**

Any incident that was recorded with either the video or audio system, and is determined by the deputy to have evidentiary value, shall be documented in the deputy's report accompanied with a property record. The deputy shall mark the evidence box and record the case number on the video's incident page.

If a citation was issued, a notation shall be made on the video indicating the citation number or case number corresponding to the event.

#### **446.6 VIDEO MEDIA STORAGE & INTEGRITY**

All "routinely recorded" video data (Govt. Code section 26202.3) is stored in a secure file system and is confidential. All video recordings not booked in as evidence will be retained for a minimum of two years after which time they will be erased.

##### **446.6.1 COPIES OF VIDEO RECORDINGS**

Original video recording media shall not be used for any purpose other than for initial review by a supervisor. A copy of the original video recording will be made upon proper request for any person authorized in Policy Manual § 446.4.

Original video recording media may only be released in response to a valid court order or upon approval by the Sheriff or his/her designee.

#### **446.7 RECORDING MEDIA STORAGE AND INTEGRITY**

Once submitted for storage, all recording media will be labeled and stored in a designated secure area. All recording media that is not booked as evidence will be retained for a minimum of two years after which time it will be erased, destroyed or recycled in accordance with the established records retention schedule (Government Code § 34090.6).

##### **446.7.1 MAV RECORDINGS AS EVIDENCE**

Deputies who reasonably believe that a MAV recording is likely to contain evidence relevant to a criminal offense, potential claim against the deputy or against the El Dorado County Sheriff's Office should indicate this in an appropriate report. Deputies should ensure relevant recordings are preserved by marking the evidence check box corresponding with the video.

## Automatic Vehicle Locating System

### 447.1 PURPOSE AND SCOPE

The purpose of this policy is to establish guidelines and procedures for the implementation and use of the Automatic Vehicle Locating System. The system is designed to increase officer safety by providing the ability to locate personnel who have lost contact with dispatch or other deputies. It is also intended to enhance coordination and resource management during tactical situations.

### 447.2 POLICY

The Automatic Vehicle Location System should be installed in all marked patrol vehicles. If inventory allows, it will also be installed in Transportation vehicles, and other vehicles at the discretion of the Sheriff.

The system shall be configured so that it is "on" any time either the ignition or radio power switch is on. Once a unit and vehicle is in-service, the system should remain on.

Personnel shall not tamper with the power supply, or in any way attempt to disable the AVL unit or alter its function.

### 447.3 ACCESS

The system includes a mapping capability to enable the viewing of maps showing the location of other units on MDC screens in the patrol vehicles.

Dispatch will have the ability to monitor the current location of all vehicles.

The AVL system has the ability to keep a historical record of the location of all equipped vehicles. Historical data shall be maintained for two years, or longer at the discretion of the Sheriff. Access to historical data by others shall require authorization by the Division Commander of the individual or vehicle being researched.

### 447.4 USE

The system automatically reports unit positions at varying intervals, based on a number of factors. Normal position reporting is every two to four minutes. Reporting frequency will change based on:

- (a) Activation of emergency equipment (i.e. lights, siren)
- (b) the number of units in-service
- (c) changes in location
- (d) vehicle speed
- (e) manual position marked by operator
- (f) other technical factors

Deputies will have the ability to manually mark their position. The ability can be used to mark location where events occurred, for instance, in a pursuit. A marker could be manually entered to identify where an object was tossed from a pursued vehicle, or where a stationary object was struck, etc, enabling a return to the specific location.

# El Dorado County Sheriff's Office

## Policy Manual

### *Automatic Vehicle Locating System*

---

#### **447.5 EMPLOYEE RESPONSIBILITIES**

The AVL system operates on a combination of radio and cell phone systems. As such, technical issues could occasionally affect its ability to function as intended. Personnel should, therefore, always keep Dispatch informed of their status and locations. While information from the system will be available to them, dispatchers will not be responsible to routinely monitor unit location and status using the system, and deputies should never expect them to do so. It is important for deputies to continue the current practice of radio notifications to dispatch during emergency operations. Dispatch will continue to assign calls pursuant to their operational policy.

---

## Mobile Data Computer Use

### 448.1 PURPOSE AND SCOPE

The purpose of this policy is to set forth standardized procedures and guidelines for users of Mobile Data Computer's (MDC's). The MDC accesses confidential records from the State of California, Department of Justice and Department of Motor Vehicles databases. Employees using the MDC shall comply with all appropriate federal and state rules and regulations.

### 448.2 MDC USE

The MDC shall be used for official sheriff's communications only. Messages that are of a sexual, racist, or offensive nature, or otherwise critical of any member of the Department are strictly forbidden. MDC use is also subject to the Department Technology Use Policy.

Messages may be reviewed by supervisors at anytime without prior notification. Employees generating or transmitting messages not in compliance with this policy are subject to discipline.

All calls dispatched to patrol units should be communicated by voice and MDC unless otherwise authorized by the Shift Sergeant.

#### 448.2.1 USE WHILE DRIVING

Use of the MDC by the vehicle operator should generally be limited to times when the vehicle is stopped. When the vehicle is in motion, the operator should only attempt to read messages that are likely to contain information that is required for immediate enforcement, investigative or safety needs.

Short transmissions, such as a license plate check, are permitted if it reasonably appears that it can be done safely. In no case shall an operator attempt to send or review lengthy messages while the vehicle is in motion.

#### 448.2.2 DOCUMENTATION OF ACTIVITY

MDC's and voice transmissions are used to record the deputy's daily activity. To ensure the most accurate recording of these activities, the following are required:

- (a) All contacts or activity shall be documented at the time of the contact;
- (b) Whenever the activity or contact is initiated by voice, it shall be entered into the Computer Aided Dispatch (CAD) system by a dispatcher.

#### 448.2.3 STATUS CHANGES

Change Status function(as outlined in patrol procedure 11-05) allows a deputy to change his/her status silently. The changes performed prior to clearing a call will be linked to the call for service and tracked as part of the call documentation. Common usage of this feature would include a deputy placing themselves enroute status to jail, fuel, report writing and out at the office. Once at the location the deputy would change the status to "out at". Note if transporting a subject of the opposite sex, mileage should be given in the status box.

Code Three Notification (upper right hand corner of MDC). The purpose of this feature is to allow subsequent units to silently enroute themselves "Code 3" to calls for service

## Policy Manual

### *Mobile Data Computer Use*

---

as outlined in Policy 316. The first two units are required to voice their response "Code 3", status and location, which will be acknowledge by the dispatcher and then the shift supervisor. It is the responsibility of the responding deputies to activate and deactivate their "Code 3" button, however the dispatcher shall and after allowing the deputy a reasonable amount of time(20-30 seconds) update the response status if the deputy does not. All subsequent responding "Code 3" units should use their "Code 3" buttons on MDC to notify dispatch and the sergeant of their "Code 3" response.

All changes in status (e.g., arrival at scene, meal periods, in service) will be transmitted either verbally over the sheriff's radio or through the MDC system.

Deputies responding to in-progress calls shall advise changes in status verbally over the radio to assist other deputies responding to the same incident.

Other changes in status may be entered by depressing the appropriate keys on the MDC's.

### **448.3 MDC CONSIDERATIONS**

#### **448.3.1 NON-FUNCTIONING MDC**

Whenever possible, deputies will not use units with malfunctioning MDC's. Whenever deputies must drive a unit in which the MDC is not working, they shall notify Central Dispatch. It shall be responsibility of Central Dispatch to record all information that will then be transmitted verbally over the sheriff's radio.

#### **448.3.2 BOMB CALLS**

When investigating reports of possible bombs, deputies will turn off their MDC's and all other electronic equipment by turning off the master power switch. Operating the MDC may cause some devices to detonate.

## Use of Audio Recorders

### 450.1 PURPOSE AND SCOPE

This policy provides guidelines for the use of portable audio/video recording devices by members of this department while in the performance of their duties.

This policy does not apply to surreptitious interception of electronic communications for lawful authorized investigative purposes or to mobile audio video recordings (see the Mobile Audio Video Policy).

### 450.2 UNIFORMED DEPUTY RESPONSIBILITIES

Prior to going into service, each uniformed deputy will be responsible for making sure that he/she is equipped with a departmentally issued audio recorder in good working order.

### 450.3 NON-UNIFORMED DEPUTY RESPONSIBILITIES

Any deputy assigned to non-uniformed positions may carry a departmentally issued audio recorder at any time the deputy believes that such a device may be beneficial to the situation.

At the beginning of any recording, the deputy shall dictate his/her name, serial number and the current date and time. At the conclusion of the date or particular shift, the deputy shall record the ending date and time.

Each deputy shall be responsible for maintaining his/her own recordings until the media has been uploaded in ACIS.

### 450.4 ACTIVATION OF THE AUDIO RECORDER

Penal Code § 632 prohibits any individual from surreptitiously recording any conversation in which any party to the conversation has a reasonable belief that the conversation was private or confidential, however Penal Code § 633 expressly exempts law enforcement from this prohibition during the course of a criminal investigation.

- (a) No member of this department may surreptitiously record a conversation of any other member of this department without the expressed knowledge and consent of all parties. Nothing in this section is intended to interfere with a deputy's right to openly record any interrogation pursuant to Government Code § 3303(g).
- (b) Any member of this department may surreptitiously record any conversation during the course of a criminal investigation in which the deputy reasonably believes that such a recording will be beneficial to the investigation.
  1. For the purpose of this policy, any deputy contacting an individual suspected of violating any law or during the course of any official law enforcement related activity shall be presumed to be engaged in a criminal investigation. This presumption shall not apply to contacts with other employees conducted solely for administrative purposes.
  2. For the purpose of this policy, it shall further be presumed that any individual contacted by a uniformed deputy wearing a conspicuously mounted audio recorder will have knowledge that such a contact is being recorded.

# El Dorado County Sheriff's Office

## Policy Manual

### *Use of Audio Recorders*

---

- (c) Members of the Department are encouraged to activate their recorders at any time that the deputy reasonably believes that a recording of an on-duty contact with a member of the public may be of future benefit.
  - 1. At no time should a deputy jeopardize his/her safety in order to activate a recorder or change the recording media.
  - 2. Deputies are prohibited from utilizing department recorders and recording media for personal use.

#### **450.5 RETENTION OF RECORDING MEDIA**

At any time that a deputy records any portion of a contact which the deputy reasonably believes constitutes evidence in a criminal case; the deputy shall record the related case number and book the recording media into evidence or download the file in accordance with current procedure for storing digital files.

- (a) The deputy shall further note in any related report that the recording has been placed into evidence.
- (b) Recording media placed into evidence shall be retained through the final disposition of the related criminal case.

#### **450.5.1 NON-CRIMINAL MATTER**

At any time that a deputy reasonably believes that a recorded contact may be of benefit in a non-criminal matter (e.g., a hostile contact), the deputy may book the recording media into safekeeping or download the file in accordance with current procedure for storing digital files.

- (a) Under such circumstances, the deputy shall notify a supervisor of the existence of the recording as soon as practicable.
- (b) Recording media which have been placed into safekeeping shall be retained for a period of no less than 180 days or until the related matter has been closed (e.g., internal investigation, civil litigation).

Once any recording medium has been filled, the deputy shall place it into safekeeping or download the file in accordance with current procedure for storing digital files where it shall be retained for a period of no less than 180 days unless utilized in a specific case.

#### **450.6 REVIEW OF RECORDED MEDIA FILES**

Recorded files may be reviewed in any of the following situations:

- (a) By a supervisor investigating a specific act of deputy conduct
- (b) Upon approval by a supervisor, any member of the Department who is participating in an official investigation such as a personnel complaint, administrative investigation or criminal investigation
- (c) By the personnel who originally recorded the incident
- (d) Pursuant to lawful process or by court personnel otherwise authorized to review evidence in a related case
- (e) By media personnel with permission of the Sheriff or authorized designee

# El Dorado County Sheriff's Office

## Policy Manual

### *Use of Audio Recorders*

---

#### **450.7 REVIEW OF RECORDED MEDIA FILES**

When preparing written reports, members should review their recordings as a resource. However, members should not use the fact that a recording was made as a reason to write a less detailed report.

Supervisors are authorized to review relevant recordings any time they are investigating alleged misconduct, reports of meritorious conduct or whenever such recordings would be beneficial in reviewing the member's performance.

Recorded files may also be reviewed:

- (a) Upon approval by a supervisor, by any member of the Department who is participating in an official investigation, such as a personnel complaint, administrative investigation or criminal investigation.
- (b) Pursuant to lawful process or by court personnel who are otherwise authorized to review evidence in a related case.
- (c) By media personnel with permission of the Sheriff or the authorized designee.
- (d) In compliance with a public records request, if permitted, and in accordance with the Release of Records and Information Policy.

## Foot Pursuit Policy

### 458.1 PURPOSE AND SCOPE

Foot pursuits are inherently dangerous and require common sense, sound tactics and heightened officer safety awareness. This policy sets forth guidelines to assist deputies in making the decision to initiate or continue the pursuit of suspects on foot by balancing the objective of apprehending the suspect with the risk of potential injury to the deputy, the public or the suspect.

#### 458.1.1 POLICY

It is the policy of this department when deciding to initiate or continue a foot pursuit that deputies must continuously balance the objective of apprehending the suspect with the risk and potential for injury to department personnel, the public or the suspect.

Deputies are expected to act reasonably, based on the totality of the circumstances. Absent exigent circumstances, the safety of department personnel and the public should be the primary consideration when determining whether a foot pursuit should be initiated or continued. Deputies must be mindful that immediate apprehension of a suspect is rarely more important than the safety of the public and department personnel.

### 458.2 DECISION TO PURSUE

Deputies may be justified in initiating a foot pursuit of any individual the deputy reasonably believes is about to engage in, is engaging in or has engaged in criminal activity. The decision to initiate or continue such a foot pursuit, however, must be continuously re-evaluated in light of the circumstances presented at the time.

Mere flight by a person who is not suspected of criminal activity shall not serve as the sole justification for engaging in an extended foot pursuit without the development of reasonable suspicion regarding the individual's involvement in criminal activity.

Deciding to initiate or continue a foot pursuit is a decision that a deputy must make quickly and under unpredictable and dynamic circumstances. It is recognized that foot pursuits potentially place department personnel and the public at significant risk. Therefore, no deputy or supervisor shall be criticized or disciplined for deciding not to engage in a foot pursuit because of the perceived risk involved.

If circumstances permit, surveillance and containment are generally the safest tactics for apprehending fleeing persons. In deciding whether to initiate or continue a foot pursuit, a deputy should continuously consider reasonable alternatives to pursuit based upon the circumstances and resources available, such as the following:

- (a) Containment of the area.
- (b) Canine search.
- (c) Saturation of the area with patrol personnel.
- (d) Aerial support.
- (e) Apprehension at another time when the identity of the suspect is known or there is information available that would likely allow for later apprehension, and the need to

immediately apprehend the suspect does not reasonably appear to outweigh the risk of continuing the pursuit.

#### **458.3 GUIDELINES FOR FOOT PURSUIT**

Unless the deputy reasonably believes that exigent circumstances exist (e.g. a serious threat to the safety of personnel or members of the public), deputies should consider alternatives to engaging in or continuing a foot pursuit under the following conditions:

- (a) When directed by a supervisor to terminate the foot pursuit. Such an order shall be considered mandatory
- (b) When the deputy is acting alone.
- (c) When two or more deputies become separated, lose visual contact with one another, or obstacles separate them to the degree that they cannot immediately assist each other should a confrontation take place. In such circumstances, it is generally recommended that a single deputy keep the suspect in sight from a safe distance and coordinate the containment effort.
- (d) The deputy is unsure of his/her location and direction of travel.
- (e) When pursuing multiple suspects and the pursuing deputies do not reasonably believe that they would be able to control the suspect should a confrontation occur.
- (f) When the physical condition of the deputies renders them incapable of controlling the suspect if apprehended.
- (g) When the deputy loses radio contact with Central Dispatch or with backup deputies.
- (h) When the suspect enters a building, structure, confined space or a wooded or otherwise isolated area and there are insufficient deputies to provide backup and containment. The primary deputy should consider discontinuing the pursuit and coordinating containment pending the arrival of sufficient deputies.
- (i) The deputy becomes aware of unanticipated or unforeseen circumstances that unreasonably increase the risk to deputies or the public.
- (j) The deputy reasonably believes that the danger to the pursuing deputies or public outweighs the objective of immediate apprehension.
- (k) The deputy loses possession of his/her firearm or other essential equipment.
- (l) The deputy or a third party is injured during the pursuit, requiring immediate assistance, and there are no other emergency personnel available to render assistance.
- (m) The suspect's location is no longer definitely known.
- (n) The identity of the suspect is established or other information exists that will allow for the suspect's apprehension at a later time, and it reasonably appears that there is no immediate threat to department personnel or the public if the suspect is not immediately apprehended.
- (o) The deputy's ability to safely continue the pursuit is impaired by inclement weather, darkness or other conditions.

#### **458.4 RESPONSIBILITIES IN FOOT PURSUITS**

##### **458.4.1 INITIATING DEPUTY RESPONSIBILITIES**

Unless relieved by another deputy or a supervisor, the initiating deputy shall be responsible for coordinating the progress of the pursuit. When acting alone and when practicable, the initiating deputy should not attempt to overtake and confront the suspect but should attempt

---

# El Dorado County Sheriff's Office

## Policy Manual

### *Foot Pursuit Policy*

---

to keep the suspect in sight until sufficient deputies are present to safely apprehend the suspect.

Early communication of available information from the involved deputies is essential so that adequate resources can be coordinated and deployed to bring a foot pursuit to a safe conclusion. Deputies initiating a foot pursuit should broadcast the following information as soon as it becomes practicable and available:

- (a) Unit identifier
- (b) Location and direction of travel
- (c) Reason for the foot pursuit
- (d) Number of suspects and description
- (e) Whether the suspect is known or believed to be armed

Deputies should be mindful that radio transmissions made while running may be difficult to understand and may need to be repeated.

Absent extenuating circumstances, any deputy unable to promptly and effectively broadcast this information should terminate the pursuit. If the foot pursuit is discontinued for any reason, immediate efforts for containment should be established and alternatives considered based upon the circumstances and available resources.

When a foot pursuit terminates, the deputy will notify Central Dispatch of his/her location and the status of the pursuit termination (e.g., suspect in custody, lost sight of suspect), and will direct further actions as reasonably appear necessary.

#### **458.4.2 ASSISTING DEPUTY RESPONSIBILITIES**

Whenever any deputy announces that he/she is engaged in a foot pursuit, all other deputies should minimize non-essential radio traffic to permit the involved deputies maximum access to the radio frequency.

Any deputy who is in a position to intercept a fleeing suspect or who can assist the primary deputy with the apprehension of the suspect, shall act reasonably and in accordance with department policy, based upon available information and his/her own observations.

#### **458.4.3 SUPERVISOR RESPONSIBILITY**

Upon becoming aware of a foot pursuit, the supervisor shall make every reasonable effort to ascertain sufficient information to direct responding resources and to take command, control and coordination of the foot pursuit. The supervisor should respond to the area whenever possible; the supervisor does not, however, need not be physically present to exercise control over the pursuit. The supervisor shall continuously assess the situation in order to ensure the foot pursuit is conducted within established department guidelines.

The supervisor shall terminate the foot pursuit when the danger to pursuing deputies or the public appears to unreasonably outweigh the objective of immediate apprehension of the suspect.

Upon apprehension of the suspect, when possible, the supervisor should promptly proceed to the termination point to direct the post-pursuit activity.

### *Foot Pursuit Policy*

#### **458.4.4 CENTRAL DISPATCH RESPONSIBILITIES**

Upon being notified or becoming aware that a foot pursuit is in progress, communication personnel shall, as soon as practicable, notify the field supervisor and provide available information. Central Dispatch personnel are also responsible for the following:

- (a) Clear the radio channel of non-emergency traffic.
- (b) Repeat the transmissions of the pursuing deputy as needed.
- (c) Relay all pertinent information to responding personnel.
- (d) Contact additional resources as directed by a supervisor.
- (e) Coordinate response of additional resources to assist with the foot pursuit.

#### **458.5 REPORTING**

The initiating deputy shall complete the appropriate crime/arrest reports documenting, at minimum, the following:

- (a) The reason for initiating the foot pursuit.
- (b) The identity of involved personnel.
- (c) The course and approximate distance of the pursuit.
- (d) Whether a suspect was apprehended as well as the means and methods used.
  - 1. Any use of force shall be reported and documented in compliance with the Department Use of Force Policy.
- (e) Any injuries or property damage.

Assisting deputies taking an active role in the apprehension of the suspect shall complete supplemental reports as necessary or as directed.

In any case in which a suspect is not apprehended and there is insufficient information to warrant further investigation, a supervisor may authorize that the initiating deputy need not complete a formal report.

El Dorado County Sheriff's Office  
Policy Manual

**Chapter 5 - Traffic Operations**

## Traffic Function and Responsibility

### 500.1 PURPOSE AND SCOPE

The ultimate goal of traffic law enforcement is to reduce traffic collisions. This may be achieved through the application of such techniques as geographic/temporal assignment of personnel and equipment and the establishment of preventive patrols to deal with specific categories of unlawful driving behavior. Traffic enforcement techniques are based on accident data, enforcement activity records, traffic volume, and traffic conditions. This department provides enforcement efforts toward violations, not only in proportion to the frequency of their occurrence in accident situations, but also in terms of traffic-related needs.

### 500.2 DEPUTY DEPLOYMENT

All deputies will take directed enforcement action on request, and random enforcement action when appropriate against violators as a matter of routine.

Other factors to be considered for deployment are citizen requests, construction zones or special events.

### 500.3 ENFORCEMENT

Enforcement actions are commensurate with applicable laws and take into account the degree and severity of the violation committed. This department does not establish ticket quotas and the number of arrests or citations issued by any deputy shall not be used as the sole criterion for evaluating deputy overall performance (Vehicle Code § 41603). The visibility and quality of a deputy's work effort will be commensurate with the philosophy of this policy. Several methods are effective in the reduction of collisions:

#### 500.3.1 WARNINGS

Warnings or other non-punitive enforcement actions should be considered in each situation and substituted for arrests or citations when circumstances warrant, especially in the case of inadvertent violations.

#### 500.3.2 CITATIONS

Citations may be issued when a deputy believes it is appropriate. It is essential that deputies fully explain the rights and requirements imposed on motorists upon issuance of a citation for a traffic violation. Deputies should provide the following information at a minimum:

- (a) Explanation of the violation or charge
- (b) Court appearance procedure including the optional or mandatory appearance by the motorist
- (c) Notice of whether the motorist can enter a plea and pay the fine by mail or at the court

#### 500.3.3 PHYSICAL ARREST

Physical arrest can be made on a number of criminal traffic offenses outlined in the Vehicle Code or Penal Code. These physical arrest cases usually deal with, but are not limited to:

- (a) Vehicular manslaughter

# El Dorado County Sheriff's Office

## Policy Manual

### *Traffic Function and Responsibility*

---

- (b) Felony and misdemeanor driving under the influence of alcohol/drugs
- (c) Felony or misdemeanor hit-and-run
- (d) Refusal to sign notice to appear
- (e) Any other misdemeanor at the discretion of the deputy, such as reckless driving with extenuating circumstances

#### **500.4 SUSPENDED OR REVOKED DRIVERS LICENSES**

If a deputy contacts a traffic violator for driving on a suspended or revoked license, the deputy may issue a traffic citation pursuant to Vehicle Code § 14601.

If a computer check of a traffic violator's license status reveals a suspended or revoked driver license and the traffic violator still has his or her license in possession, the license shall be seized by the deputy. The deputy shall verbally advise the traffic violator of the suspension or revocation and issue the citation. The deputy will be responsible for filling out the Verbal Notice form (DMV form DL-310) and causing that form and license to be forwarded to the Department of Motor Vehicles.

#### **500.5 HIGH-VISIBILITY VESTS**

The Department has provided ANSI Class II high-visibility vests to reduce the danger to employees who may be exposed to hazards presented by passing traffic, construction vehicles and disaster recovery equipment (8 CCR § 1598).

Although intended primarily for use while performing traffic related assignments, high-visibility vests should be worn at any time increased visibility would improve the safety or efficiency of the employee.

##### **500.5.1 REQUIRED USE**

Except when working in a potentially adversarial or confrontational role, such as during vehicle stops, high-visibility vests should be worn at any time it is anticipated that an employee will be exposed to the hazards of approaching traffic or construction and recovery equipment. Examples of when high-visibility vests should be worn include traffic control duties, accident investigations, lane closures and while at disaster scenes, or anytime high visibility is desirable. When emergency conditions preclude the immediate donning of the vest, deputies should retrieve and wear the vest as soon as conditions reasonably permit. Use of the vests shall also be mandatory when directed by a supervisor.

Vests maintained in the investigation units may be used any time a plainclothes deputy might benefit from being readily identified as a member of law enforcement.

##### **500.5.2 CARE AND STORAGE OF HIGH-VISIBILITY VESTS**

High-visibility vests shall be maintained in the trunk of each patrol and investigation unit, in the side box of each sheriff's motorcycle and in the saddlebag or gear bag of each sheriff's bicycle. Each vest should be stored inside the re-sealable plastic bag provided to protect and maintain the vest in a serviceable condition. Before going into service each employee shall ensure a serviceable high-visibility vest is properly stored.

A supply of high-visibility vests will be maintained in the equipment room for replacement of damaged or unserviceable vests. The Training coordinator should be promptly notified whenever the supply of vests in the equipment room needs replenishing.

## Traffic Collision Reporting

### **502.1 PURPOSE AND SCOPE**

This policy establishes the procedure to be followed by the El Dorado County Sheriff's Office for the investigation and reporting of traffic collisions involving Department personnel and equipment.

A Driver's Report of Accident form may be completed in lieu of a Traffic Collision investigation report, at the direction of a supervisor, when the collision occurs on private property or does not involve another vehicle.

Whenever there is damage to a County vehicle, the Driver's Report of Accident shall be forwarded to the appropriate Division Commander or designee.

### **502.2 TRAFFIC COLLISION REPORTING**

### **502.3 TRAFFIC COLLISION REPORTING: OUTSIDE EL DORADO COUNTY**

Any traffic collision involving a County vehicle occurring outside the County of El Dorado shall be investigated by the local agency having jurisdiction where the collision occurred. The involved Department employee shall request the investigating agency to forward a copy of the traffic collision report to the El Dorado Sheriff's Office.

## Vehicle Towing Policy

### 510.1 PURPOSE AND SCOPE

This policy provides the procedures for towing a vehicle by or at the direction of the El Dorado County Sheriff's Office. Nothing in this policy shall require the Department to tow a vehicle.

### 510.2 STORAGE AND IMPOUNDS

When circumstances permit, for example when towing a vehicle for parking or registration violations, the handling employee should, prior to having the vehicle towed, make a good faith effort to notify the owner of the vehicle that it is subject to removal. This may be accomplished by personal contact, telephone or by leaving a notice attached to the vehicle at least 24 hours prior to removal. If a vehicle presents a hazard, such as being abandoned on the roadway, it may be towed immediately.

The responsibilities of those employees towing, storing or impounding a vehicle are listed below.

#### 510.2.1 VEHICLE STORAGE REPORT

Department members requesting towing, storage or impound of a vehicle shall complete CHP Form 180 and accurately record the mileage and a description of property within the vehicle (Vehicle Code § 22850). A copy of the storage report should be given to the tow truck operator and the original shall be submitted to the Records Section as soon as practicable after the vehicle is stored.

#### 510.2.2 REMOVAL FROM TRAFFIC COLLISION SCENES

When a vehicle has been involved in a traffic collision and must be removed from the scene, the deputy shall have the driver select a towing company, if possible, and shall relay the request for the specified towing company to the dispatcher. When there is no preferred company requested, a company will be selected from the rotational list of towing companies in Central Dispatch.

If the owner is incapacitated, or for any reason it is necessary for the Department to assume responsibility for a vehicle involved in a collision, the deputy shall request the dispatcher to call the next tow company on the rotational tow list. The deputy will then store the vehicle using a CHP Form 180.

#### 510.2.3 STORAGE AT ARREST SCENES

Whenever a person in charge or in control of a vehicle is arrested, it is the policy of this department to provide reasonable safekeeping by storing the arrestee's vehicle subject to the exceptions described below. The vehicle, however, shall be stored whenever it is needed for the furtherance of the investigation or prosecution of the case, or when the community caretaker doctrine would reasonably suggest that the vehicle should be stored (e.g., traffic hazard, high crime area).

The following are examples of situations where consideration should be given to leaving a vehicle at the scene in lieu of storing, provided the vehicle can be lawfully parked and left in a reasonably secured and safe condition:

# El Dorado County Sheriff's Office

## Policy Manual

### *Vehicle Towing Policy*

---

- Traffic related warrant arrest.
- Situations where the vehicle was not used to further the offense for which the driver was arrested.
- Whenever the licensed owner of the vehicle is present, willing, and able to take control of any vehicle not involved in criminal activity.
- Whenever the vehicle otherwise does not need to be stored and the owner requests that it be left at the scene. In such cases the owner shall be informed that the Department will not be responsible for theft or damages.

#### **510.2.4 DRIVING A NON-COUNTY VEHICLE**

Vehicles which have been towed by or at the direction of the Department should not be driven by sheriff's personnel unless it is necessary to move a vehicle a short distance to eliminate a hazard, prevent the obstruction of a fire hydrant or to comply with posted signs.

#### **510.2.5 DISPATCHER'S RESPONSIBILITIES**

Upon receiving a request for towing, the dispatcher shall promptly telephone the specified authorized towing service. The deputy shall be advised when the request has been made and the towing service has been dispatched.

When there is no preferred company requested, the dispatcher shall call the next firm in rotation from the list of approved towing companies and shall make appropriate entries on that form to ensure the following firm is called on the next request.

#### **510.2.6 RECORDS SECTION RESPONSIBILITY**

Records personnel shall promptly enter pertinent data from the completed storage form (CHP Form 180) into the Stolen Vehicle System and return the form to the Shift Sergeant for approval (Vehicle Code § 22651.5(b); Vehicle Code § 22851.3(b); Vehicle Code § 22854.5).

Approved storage forms shall be promptly placed into the auto-file so that they are immediately available for release or review should inquiries be made.

Within 48 hours, excluding weekends and holidays, of the storage of any such vehicle it shall be the responsibility of the Records Section to determine the names and addresses of any individuals having an interest in the vehicle through DMV or CLETS computers. Notice shall be sent to all such individuals by first-class mail (Vehicle Code § 22851.3(d); Vehicle Code § 22852(a); Vehicle Code § 14602.6(a)(2)). The notice shall include the following (Vehicle Code § 22852(b)):

- (a) The name, address, and telephone number of this Department.
- (b) The location of the place of storage and description of the vehicle, which shall include, if available, the name or make, the manufacturer, the license plate number, and the mileage.
- (c) The authority and purpose for the removal of the vehicle.
- (d) A statement that, in order to receive their post-storage hearing, the owners, or their agents, shall request the hearing in person, writing, or by telephone within 10 days of the date appearing on the notice.

#### **510.3 TOWING SERVICES**

The County of El Dorado periodically selects a firm to act as the official tow service and awards a contract to that firm. This firm will be used in the following situations:

---

# El Dorado County Sheriff's Office

## Policy Manual

### *Vehicle Towing Policy*

---

- (a) When it is necessary to safeguard a vehicle due to the inability of the owner or operator to take the required action.
- (b) When a vehicle is being held as evidence in connection with an investigation.
- (c) When it is otherwise necessary to store a motor vehicle. This would include situations involving the recovery of stolen or abandoned vehicles, and the removal from the streets of vehicles obstructing traffic in violation of state or local regulations.

#### **510.4 VEHICLE INVENTORY**

All property in a stored or impounded vehicle shall be inventoried and listed on the vehicle storage form. This includes the trunk and any compartments or containers, even if closed and/or locked. Members conducting inventory searches should be as thorough and accurate as practical in preparing an itemized inventory. These inventory procedures are for the purpose of protecting an owner's property while in sheriff's custody, to provide for the safety of deputies, and to protect the Department against fraudulent claims of lost, stolen, or damaged property.

#### **510.5 SECURITY OF VEHICLES AND PROPERTY**

Unless it would cause an unreasonable delay in the completion of a vehicle impound/storage or create an issue of officer safety, deputies should make reasonable accommodations to permit a driver/owner to retrieve small items of value or personal need (e.g., cash, jewelry, cell phone, prescriptions) which are not considered evidence or contraband.

If a search of a vehicle leaves the vehicle or any property contained therein vulnerable to unauthorized entry, theft or damage, personnel conducting the search shall take such steps as are reasonably necessary to secure and/or preserve the vehicle or property from such hazards.

#### **510.6 RELEASE OF VEHICLE**

The Department will maintain a listed, 24-hour telephone number to provide information regarding impoundment of vehicles and the right of the registered owner to request a storage hearing. Releases for towed vehicles will be made available during regular, non-emergency business hours (Vehicle Code § 14602.6).

- (a) Vehicles removed pursuant to Vehicle Code § 22850 shall be released after proof of current registration is provided by the owner or the person in control of the vehicle and after all applicable fees are paid (Vehicle Code § 22850.3 and Vehicle Code § 22850.5).
- (b) Vehicles removed that require payment of parking fines or proof of valid driver's license shall only be released upon presentation of proof of compliance, proof of payment, completion of affidavit and payment of applicable fees related to the removal (Vehicle Code § 22651 et seq., Vehicle Code § 22652 et seq., Vehicle Code § 22850.3 and Vehicle Code § 22850.5).
- (c) A vehicle removed pursuant to Vehicle Code § 14602.6(a) shall be released to the registered owner or his/her agent with proof of current registration, proof of a valid driver's license and applicable fees paid prior to the end of the 30-day impoundment period if the vehicle was stolen, if the driver reinstates his/her driver's license, if the driver acquires a license and proper insurance, or under other circumstances as set forth in Vehicle Code § 14602.6.

## Policy Manual

### *Vehicle Towing Policy*

---

Personnel whose duties include releasing towed vehicles should consult the Vehicle Code under which the vehicle was towed or impounded for any specific requirements prior to release.

Employees who suspect that a vehicle was impounded in error should promptly advise a supervisor. Supervisors should approve, when appropriate, the release of the vehicle without requiring the registered owner or his/her agent to request a hearing, as described in the Vehicle Impound Hearings Policy.

## Vehicle Impound Hearings

### 512.1 PURPOSE AND SCOPE

This policy establishes a procedure for the requirement to provide vehicle storage or impound hearings pursuant to Vehicle Code § 22852.

### 512.2 STORED OR IMPOUND HEARING

When a vehicle is stored or impounded by any member of the El Dorado County Sheriff's Office, a hearing will be conducted upon the request of the registered or legal owner of the vehicle or his/her agent (Vehicle Code §§ 22650(a) and 22852(a)).

The hearing shall be conducted within 48 hours of the request, excluding weekends and holidays. The hearing officer must be a person other than the person who directed the storage or impound of the vehicle (Vehicle Code § 22852(c)).

#### 512.2.1 HEARING PROCEDURES

The vehicle storage hearing is an informal process to evaluate the validity of an order to store or impound a vehicle. The employee who caused the storage or removal of the vehicle does not need to be present for this hearing.

All requests for a hearing on a stored or impounded vehicle shall be submitted in person, in writing or by telephone within 10 days of the date appearing on the notice (Vehicle Code § 22852(d)). The Administrative Sergeant will generally serve as the hearing officer. The person requesting the hearing may record the hearing at his/her own expense.

The failure of either the registered or legal owner or interested person or his/her agent to request a hearing in a timely manner or to attend a scheduled hearing shall be considered a waiver of and satisfaction of the post-storage hearing requirement (Vehicle Code §§ 22851.3(e)(2) and 22852(d)).

Any relevant evidence may be submitted and reviewed by the hearing officer to determine if reasonable grounds have been established for the storage or impound of the vehicle. The initial burden of proof established by a preponderance of the evidence that the storage/impound was based on probable cause rests with the Department.

After consideration of all information, the hearing officer shall determine the validity of the storage or impound of the vehicle in question and then render a decision. The hearing officer shall also consider any mitigating circumstances attendant to the storage that reasonably would warrant the release of the vehicle or a modification or reduction of the period the vehicle is impounded (Vehicle Code §§14602.6(b) and 14602.8(b)).

Aside from those mitigating circumstances enumerated in the Vehicle Code, the registered owner's lack of actual knowledge that the driver to whom the vehicle was loaned was not validly licensed may constitute a mitigating circumstance under Vehicle Code §§ 14602.6(b) or 14608(b), warranting release of the vehicle. This mitigating circumstance exception is not limited to situations where the owner made a reasonable inquiry as to the licensed status of the driver before lending the vehicle.

## Policy Manual

### *Vehicle Impound Hearings*

---

The legislative intent and this department's policy is to prevent unlicensed driving pursuant to Vehicle Code §14602.6. If this purpose is not furthered by the continued impoundment of a vehicle, release is most often appropriate.

- (a) If a decision is made that reasonable grounds for storage or impound have been established, the hearing officer shall advise the inquiring party of the decision and that the inquiring party may pursue further civil remedies if desired.
  - 1. If mitigating circumstances are found to be relevant, the hearing officer shall make reasonable adjustments to the impound period, storage or assessment of fees as warranted.
- (b) If a decision is made that reasonable grounds for storage or impound have not been established or sufficient mitigating circumstances exist, the vehicle in storage shall be released immediately. Towing and storage fees will be paid at the Department's expense (Vehicle Code § 22852(e)).
- (c) If a decision is made that reasonable grounds for storage have not been established or sufficient mitigating circumstances exist, and the vehicle has been released with fees having been paid, the receipt for such fees will be forwarded with a letter to the appropriate Division Commander. The hearing officer will recommend to the appropriate Division Commander that the fees paid by the registered or legal owner of the vehicle in question or their agent be reimbursed by the Department.

## Impaired Driving and Evidence Collection

### 514.1 PURPOSE AND SCOPE

This policy explains the procedures to be followed while collecting evidence to establish the blood alcohol level of drivers arrested for driving while intoxicated, unconscious drivers, and unconscious pedestrians involved in traffic collisions because of their intoxicated state.

### 514.2 POLICY

The El Dorado County Sheriff's Office is committed to the safety of the roadways and the community and will pursue fair but aggressive enforcement of California's impaired driving laws.

### 514.3 INVESTIGATIONS

Deputies should not enforce DUI laws to the exclusion of their other duties unless specifically assigned to DUI enforcement. All deputies are expected to enforce these laws with due diligence.

### 514.4 FIELD TESTS

The Patrol Lieutenant should identify the primary field sobriety tests (FSTs) and any approved alternate tests for deputies to use when investigating violations of DUI laws.

### 514.5 CHEMICAL TESTS

A person is deemed to have consented to a chemical test or tests under any of the following (Vehicle Code § 23612):

- (a) The person is arrested for driving a vehicle while under the influence, pursuant to Vehicle Code § 23152.
- (b) The person is under 21 years of age and is arrested by a deputy having reasonable cause to believe that the person's blood alcohol content is 0.05 or more (Vehicle Code § 23140).
- (c) The person is under 21 years of age and detained by a deputy having reasonable cause to believe that the person was driving a vehicle while having a blood alcohol content of 0.01 or more (Vehicle Code § 23136).
- (d) The person was operating a vehicle while under the influence and proximately caused bodily injury to another person (Vehicle Code § 23153).
- (e) The person is dead, unconscious or otherwise in a condition that renders him/her incapable of refusal (Vehicle Code § 23612(a)(5)).

#### 514.5.1 CHOICE OF TEST

A person arrested for DUI has the choice of whether the test is of his/her blood or breath, and the deputy shall advise the person that he/she has that choice. If the person arrested either is incapable, or states that he/she is incapable, of completing the chosen test, the person shall submit to the remaining test.

# El Dorado County Sheriff's Office

## Policy Manual

### *Impaired Driving and Evidence Collection*

---

If the person chooses to submit to a breath test and there is reasonable cause to believe that the person is under the influence of a drug or the combined influence of alcohol and any drug, the deputy may also request that the person submit to a blood test. If the person is incapable of completing a blood test, the person shall submit to and complete a urine test (Vehicle Code § 23612(a)(2)(C)).

#### **514.5.2 BREATH TEST**

The Patrol Lieutenant should ensure that all devices used for the collection and analysis of breath samples are properly serviced and tested and that a record of such service and testing is properly maintained.

Deputies obtaining a breath sample should monitor the device for any sign of malfunction. Any anomalies or equipment failures should be noted in the appropriate report and promptly reported to the Patrol Lieutenant.

When the arrested person chooses a breath test, the handling deputy shall advise the person that the breath-testing equipment does not retain a sample, and the person may, if desired, provide a blood or urine specimen, which will be retained to facilitate subsequent verification testing (Vehicle Code § 23614).

The deputy should also require the person to submit to a blood test if the deputy has a clear indication that a blood test will reveal evidence of any drug or the combined influence of an alcoholic beverage and any drug. Evidence of the deputy's belief shall be included in the deputy's report (Vehicle Code § 23612(a)(2)(C)).

#### **514.5.3 BLOOD TEST**

Only persons authorized by law to withdraw blood shall collect blood samples (Vehicle Code § 23158). The withdrawal of the blood sample should be witnessed by the assigned deputy. No deputy, even if properly certified, should conduct the blood withdrawal.

Deputies should inform an arrestee that if he/she chooses to provide a blood sample, a separate sample can be drawn for alternate testing. Unless medical personnel object, two samples should be drawn and retained as evidence, so long as only one puncture is required.

If an arrestee cannot submit to a blood test because he/she is a hemophiliac or is using an anticoagulant, he/she shall not be required to take a blood test. Such inability to take a blood test should not be treated as a refusal. However, the person may be required to complete another available and viable test.

#### **514.5.4 URINE TESTS**

If a urine test will be performed, the person should be promptly transported to the appropriate testing site. The deputy shall follow any directions accompanying the urine evidence collection kit.

Urine samples shall be collected and witnessed by a deputy or jail staff of the same sex as the person giving the sample. The person tested should be allowed sufficient privacy to maintain his/her dignity, to the extent possible, while still ensuring the accuracy of the specimen (Vehicle Code § 23158(i)).

The collection kit shall be marked with the person's name, offense, El Dorado County Sheriff's Office case number and the name of the witnessing deputy. The collection kit should be refrigerated pending transportation for testing.

#### **514.6 REFUSALS**

When a person refuses to provide a viable chemical sample, deputies should:

- (a) Advise the person of the requirement to provide a sample (Vehicle Code § 23612).
- (b) Audio-record the admonishment and the response if practicable.
- (c) Document the refusal in the appropriate report.

Upon refusal to submit to a chemical test as required by law, deputies shall personally serve the notice of order of suspension upon the person and take possession of any state-issued license to operate a motor vehicle that is held by that person (Vehicle Code § 23612(e); Vehicle Code § 23612(f)).

#### **514.6.1 BLOOD SAMPLE WITHOUT CONSENT**

A blood sample may be obtained from a person who refuses a chemical test when any of the following conditions exist:

- (a) A search warrant has been obtained; or
- (b) The deputy can articulate that exigent circumstances exist. Exigency does not exist solely because of the short time period associated with the natural dissipation of alcohol in the person's blood stream. Exigency can be established by the existence of special facts such as a lengthy delay in obtaining a blood sample due to an accident investigation or medical treatment of the person.

#### **514.6.2 FORCED BLOOD SAMPLE**

If a person indicates by word or action that he/she will physically resist a blood draw, the deputy should request a supervisor to respond.

The responding supervisor should:

- (a) Evaluate whether using force to obtain a blood sample is appropriate under the circumstances.
- (b) Ensure that all attempts to obtain a blood sample through force cease if the person agrees to, and completes a viable form of testing in a timely manner.
- (c) Advise the person of his/her duty to provide a sample (even if this advisement was previously done by another deputy) and attempt to persuade the person to submit to such a sample without physical resistance. This dialogue should be recorded on audio and/or video if practicable.
- (d) Ensure that the withdrawal is taken in a medically approved manner.
- (e) Ensure the forced withdrawal is recorded on audio and/or video when practicable.
- (f) Monitor and ensure that the type and level of force applied is reasonable under the circumstances:
  - 1. Unless otherwise provided in a warrant, force should generally be limited to handcuffing or similar restraint methods.
  - 2. In misdemeanor cases, if the suspect becomes violent or more resistant, no additional force will be used and a refusal should be noted in the report.
  - 3. In felony cases, force which reasonably appears necessary to overcome the resistance to the blood being withdrawn may be permitted.
- (g) Ensure the use of force and methods used to accomplish the blood sample draw are documented in the related report.

### *Impaired Driving and Evidence Collection*

---

If a supervisor is unavailable, deputies are expected to use sound judgment and perform as a responding supervisor, as set forth above.

#### **514.7 ARREST AND INVESTIGATION**

##### **514.7.1 WARRANTLESS ARREST**

In addition to the arrest authority granted to deputies pursuant to Penal Code § 836, a deputy may make a warrantless arrest of a person that the deputy has reasonable cause to believe has been driving under the influence of an alcoholic beverage or any drug, or under the combined influence of the same when (Vehicle Code § 40300.5):

- (a) The person is involved in a traffic accident.
- (b) The person is observed in or about a vehicle that is obstructing the roadway.
- (c) The person will not be apprehended unless immediately arrested.
- (d) The person may cause injury to him/herself or damage property unless immediately arrested.
- (e) The person may destroy or conceal evidence of a crime unless immediately arrested.

##### **514.7.2 STATUTORY WARNING**

A deputy requesting that a person submit to chemical testing shall provide the person with the mandatory warning pursuant to Vehicle Code § 23612(a)(1)(D) and Vehicle Code § 23612(a)(4).

##### **514.7.3 PRELIMINARY ALCOHOL SCREENING**

Deputies may use a preliminary alcohol screening (PAS) test to assist in establishing reasonable cause to believe a person is DUI. The deputy shall advise the person that the PAS test is being requested to assist in determining whether the person is under the influence of alcohol or drugs, or a combination of the two. Unless the person is under the age of 21, he/she shall be advised that the PAS test is voluntary. The deputy shall also advise the person that submitting to a PAS test does not satisfy his/her obligation to submit to a chemical test as otherwise required by law (Vehicle Code § 23612).

##### **514.7.4 PRELIMINARY ALCOHOL SCREENING FOR MINORS**

If a deputy lawfully detains a person under 21 years of age who is driving a motor vehicle and the deputy has reasonable cause to believe that the person has a blood alcohol content of 0.01 or more, the deputy shall request that the person take a PAS test to determine the presence of alcohol in the person, if a PAS test device is immediately available. If a PAS test device is not immediately available, the deputy may request the person to submit to chemical testing of his/her blood, breath or urine, conducted pursuant to Vehicle Code § 23612 (Vehicle Code § 13388).

If the person refuses to take or fails to complete the PAS test or other chemical test, or if the result of either test reveals a blood alcohol content of 0.01 or more, the deputy shall proceed to serve the person with a notice of order of suspension pursuant to this policy (Vehicle Code § 13388).

##### **514.7.5 DEPUTY RESPONSIBILITIES**

The deputy serving the arrested person with a notice of an order of suspension shall immediately (Vehicle Code § 23612):

- (a) Forward a copy of the completed notice of suspension or revocation form and any confiscated driver's license to the Department of Motor Vehicles (DMV).
- (b) Forward a sworn report to DMV that contains the required information in Vehicle Code § 13380.
- (c) Forward the results to the appropriate forensic laboratory if the person submitted to a blood or urine test.

#### **514.8 RECORDS SECTION RESPONSIBILITIES**

The Records Manager will ensure that all case-related records are transmitted according to current records procedures and as required by the prosecuting attorney's office.

#### **514.9 ADMINISTRATIVE HEARINGS**

The supervisor will ensure that all appropriate reports and documents related to administrative license suspensions are reviewed and forwarded to DMV.

Any deputies who receive notice of required attendance to an administrative license suspension hearing should promptly notify the prosecuting attorney.

Deputies called to testify at an administrative hearing should document the hearing date and DMV file number in a supplemental report. Specific details of the hearing generally should not be included in the report unless errors, additional evidence or witnesses are identified. The Records Section should forward this to the prosecuting attorney as part of the case file.

#### **514.10 TRAINING**

The Training coordinator should ensure that deputies participating in the enforcement of DUI laws receive regular training. Training should include, at minimum, current laws on impaired driving, investigative techniques and rules of evidence pertaining to DUI investigations. The Training coordinator should confer with the prosecuting attorney's office and update training topics as needed.

## Traffic Citations

### **516.1 PURPOSE AND SCOPE**

This policy outlines the responsibility for traffic citations, the procedure for dismissal, correction, and voiding of traffic citations.

### **516.2 RESPONSIBILITIES**

The Patrol Lieutenant shall be responsible for the development and design of all Department traffic citations in compliance with state law and the Judicial Council.

The Patrol Section CSO shall be responsible for the supply and accounting of all traffic citations issued to employees of this department.

### **516.3 DISMISSAL OF TRAFFIC CITATIONS**

Employees of this department do not have the authority to dismiss a citation once it has been issued. Only the court has the authority to dismiss a citation that has been issued (Vehicle Code § 40500(d)). Any request from a recipient to dismiss a citation shall be referred to the Patrol Sergeant. Upon a review of the circumstances involving the issuance of the traffic citation, the Patrol Sergeant may request the Patrol Lieutenant to recommend dismissal of the traffic citation. If approved, the citation will be forwarded to the appropriate court with a request for dismissal. All recipients of traffic citations whose request for the dismissal of a traffic citation has been denied shall be referred to the appropriate court.

Should a deputy determine during a court proceeding that a traffic citation should be dismissed in the interest of justice or where prosecution is deemed inappropriate the deputy may request the court to dismiss the citation. Upon dismissal of the traffic citation by the court, the deputy shall notify his/her immediate supervisor of the circumstances surrounding the dismissal and shall complete any paperwork as directed or required. The citation dismissal shall then be forwarded to the Patrol Lieutenant for review.

### **516.4 VOIDING TRAFFIC CITATIONS**

## ***Brady* Material Disclosure**

### **612.1 PURPOSE AND SCOPE**

This policy establishes guidelines for identifying and releasing potentially exculpatory or impeachment information (so-called *Brady* information ) to a prosecuting attorney.

#### **612.1.1 DEFINITIONS**

Definitions related to this policy include:

***Brady* information** -Information known or possessed by the El Dorado County Sheriff's Office that is both favorable and material to the current prosecution or defense of a criminal defendant.

### **612.2 POLICY**

The El Dorado County Sheriff's Office will conduct fair and impartial criminal investigations and will provide the prosecution with both incriminating and exculpatory evidence, as well as information that may adversely affect the credibility of a witness. In addition to reporting all evidence of guilt, the El Dorado County Sheriff's Office will assist the prosecution by complying with its obligation to disclose information that is both favorable and material to the defense. The Department will identify and disclose to the prosecution potentially exculpatory information, as provided in this policy.

### **612.3 DISCLOSURE OF INVESTIGATIVE INFORMATION**

Deputies must include in their investigative reports adequate investigative information and reference to all material evidence and facts that are reasonably believed to be either incriminating or exculpatory to any individual in the case. If a deputy learns of potentially incriminating or exculpatory information any time after submission of a case, the deputy or the handling investigator must prepare and submit a supplemental report documenting such information as soon as practicable. Supplemental reports shall be promptly processed and transmitted to the prosecutor's office.

If information is believed to be privileged or confidential (e.g., confidential informant or protected personnel files), the deputy should discuss the matter with a supervisor and/or prosecutor to determine the appropriate manner in which to proceed.

Evidence or facts are considered material if there is a reasonable probability that they would affect the outcome of a criminal proceeding or trial. Determining whether evidence or facts are material often requires legal or even judicial review. If a deputy is unsure whether evidence or facts are material, the deputy should address the issue with a supervisor.

Supervisors who are uncertain about whether evidence or facts are material should address the issue in a written memo to an appropriate prosecutor. A copy of the memo should be retained in the Department case file.

### **612.4 DISCLOSURE OF PERSONNEL INFORMATION**

Whenever it is determined that *Brady* information is located in the personnel file of a member of this department who is a material witness in a criminal case, the following procedure shall apply:

## **Personal Communication Devices**

### **702.1 PURPOSE AND SCOPE**

The purpose of this policy is to establish guidelines for the use of mobile telephones and communication devices, whether issued by the Department or personally owned, while on-duty or when used for authorized work-related purposes.

This policy generically refers to all such devices as Personal Communication Devices (PCD) but is intended to include all mobile telephones, personal digital assistants (PDA) and similar wireless two-way communications and/or portable Internet access devices. PCD use includes, but is not limited to, placing and receiving calls, text messaging, blogging and microblogging, e-mailing, using video or camera features, playing games and accessing sites or services on the Internet.

### **702.2 POLICY**

The El Dorado County Sheriff's Office allows employees to utilize department-issued PCDs and to possess personally owned PCDs in the workplace, subject to certain limitations. Any PCD used while on-duty, or used off-duty in any manner reasonably related to the business of the Department, will be subject to monitoring and inspection consistent with the standards set forth in this policy.

The inappropriate use of a PCD while on-duty may impair officer safety. Additionally, employees are advised and cautioned that the use of a personally owned PCD either on-duty or after duty hours for business-related purposes may subject the employee and the employee's PCD records to civil or criminal discovery or disclosure under applicable public records laws.

Employees who have questions regarding the application of this policy or the guidelines contained herein are encouraged to seek clarification from supervisory personnel.

### **702.3 PRIVACY POLICY**

Employees shall have no expectation of privacy with regard to any communication made with or stored in or through PCDs issued by the Department and shall have no expectation of privacy in their location should the device be equipped with location detection capabilities. The use of any department-provided or -funded PCD, computer, Internet service, telephone service or other wireless service while on-duty is without any expectation of privacy that the employee might otherwise have in any communication, including the content of any such communication. Communications or data reception on personal, password-protected, web-based e-mail accounts and any other services are subject to monitoring if department equipment is used.

In accordance with this policy, supervisors are authorized to conduct a limited administrative search of electronic files without prior notice, consent or a search warrant, on department-issued or personally owned PCDs that have been used to conduct department-related business. Administrative searches can take place for work-related purposes that may be unrelated to investigations of employee misconduct and, as practicable, will be done in the presence of the affected employee. Prior to conducting any search of personally owned devices, supervisors shall consult with the Sheriff. All such searches shall be fully documented in a written report.

#### **702.4 DEPARTMENT-ISSUED PCD**

Depending on an employee's assignment and the needs of the position, the Department may, at its discretion, issue a PCD. Department-issued PCDs are provided as a convenience to facilitate on-duty performance only. Such devices and the associated telephone number shall remain the sole property of the Department and shall be subject to inspection or monitoring (including all related records and content) at any time without notice and without cause.

Unless an employee is expressly authorized by the Sheriff or the authorized designee for off-duty use of the PCD, the PCD will either be secured in the workplace at the completion of the tour of duty or will be turned off when leaving the workplace.

#### **702.5 PERSONALLY OWNED PCD**

Employees may carry a personally owned PCD while on-duty, subject to the following conditions and limitations:

- (a) Carrying a personally owned PCD while on duty is a privilege, not a right.
- (b) The Department accepts no responsibility for loss of or damage to a personally owned PCD.
- (c) Employees shall promptly notify the Department in the event the PCD is lost or stolen.
- (d) The PCD and any associated services shall be purchased, used and maintained solely at the employee's expense.
- (e) The device should not be used for work-related purposes except in exigent circumstances (e.g., unavailability of radio communications). Employees will have a reduced expectation of privacy when using a personally owned PCD in the workplace and have no expectation of privacy with regard to any department business-related communication.
- (f) The device shall not be utilized to record or disclose any business-related information, including photographs, video or the recording or transmittal of any information or material obtained or made accessible as a result of employment with the Department, without the express authorization of the Sheriff or the authorized designee.
- (g) Use of a personally owned PCD while on duty constitutes consent for the Department to access the PCD to inspect and copy data to meet the needs of the Department, which may include litigation, public records retention and release obligations and internal investigations. If the PCD is carried on-duty, employees will provide the Department with access to the device.

Except with prior express authorization from their supervisor, employees are not obligated or required to carry, access, monitor or respond to electronic communications using a personally owned PCD while off-duty. If an employee is in an authorized status that allows for appropriate compensation consistent with policy or existing collective bargaining agreements, or if the employee has prior express authorization from his/her supervisor, the employee may engage in business-related communications. Should employees engage in such approved off-duty communications or work, employees entitled to compensation shall promptly document the time worked and communicate the information to their supervisor to ensure appropriate compensation. Employees who independently document off-duty department-related business activities in any manner shall promptly provide the Department with a copy of such records to ensure accurate record keeping.

- (a) A PCD shall not be carried in a manner that allows it to be visible while in uniform, unless it is in an approved carrier.
- (b) All PCDs in the workplace shall be set to silent or vibrate mode.

Disclosure of any such information to any third party through any means, without the express authorization of the Sheriff or the authorized designee, may result in discipline.
- (f) While on duty, Employees will not access social networking sites for any purpose that is not official department business.
- (g) Using PCDs to harass, threaten, coerce or otherwise engage in inappropriate conduct with any third party is prohibited. Any employee having knowledge of such conduct shall promptly notify a supervisor.

#### **702.7 SUPERVISORY RESPONSIBILITIES**

Supervisors should ensure that members under their command are provided appropriate training on the use of PCDs consistent with this policy. Supervisors should monitor, to the extent practicable, PCD use in the workplace and take prompt corrective action if an employee is observed or reported to be improperly using a PCD. An investigation into improper conduct should be promptly initiated when circumstances warrant.

If, when carrying out any provision of this policy, the need to contact an employee who is off-duty arises, supervisors should consider delaying the contact, if practicable, until the employee is on-duty, as such contact may be compensable.

#### **702.8 USE WHILE DRIVING**

The use of a PCD while driving can adversely affect safety, cause unnecessary distractions and present a negative image to the public. Deputies operating emergency vehicles should restrict the use of these devices to matters of an urgent nature and should, where practicable, stop the vehicle at an appropriate location to use the PCD.

Except in an emergency, employees who are operating non-emergency vehicles shall not use a PCD while driving unless the device is specifically designed and configured to allow hands-free use (Vehicle Code § 23123). Hands-free use should be restricted to business-related calls or calls of an urgent nature.

#### **702.9 OFFICIAL USE**

Employees are reminded that PCDs are not secure devices and conversations may be intercepted or overheard. Caution should be exercised while utilizing PCDs to ensure that

Property Lockers are not to be used for storage without supervisor approval and a memo in the locker identifying the deputy and circumstances. Property discovered in a locker without proper markings, officer identification, ACIS entry, and/or without the key dropped will be removed from the locker and stored until claimed by the member. When listing items in the ACIS Case Property screen, members shall list the information as outlined in § 805.3.3. To allow for positive identification of the item be sure to number each item as described.

Separately bagged and sealed items should have the item number also noted on the outside bag, tag, or evidence tape for identification. These separate items should remain separate when booked into the Evidence locker.

The Property/Evidence form is to be completed in the field on items taken as evidence requiring a receipt be issued. This does not excuse members from the responsibility of entering the items into ACIS.

It is the responsibility of the member placing the evidence into Property to notify the Detective Sergeant of evidence items requiring CSI processing.

## Restoration of Firearm Serial Numbers

### 808.1 PURPOSE AND SCOPE

The primary purpose for restoring firearm serial numbers is to determine the prior owners or origin of the item from which the number has been recovered. Thus, property can be returned to rightful owners or investigations can be initiated to curb illegal trade of contraband firearms. The purpose of this plan is to develop standards, methodologies, and safety protocols for the recovery of obliterated serial numbers from firearms and other objects using procedures that are accepted as industry standards in the forensic community. All personnel who are involved in the restoration of serial numbers will observe the following guidelines. This policy complies with Penal Code § 11108.9.

### 808.2 PROCEDURE

Any firearm coming into the possession of the El Dorado County Sheriff's Office as evidence, found property, etc., where the serial numbers have been removed or obliterated will be processed in the following manner:

#### 808.2.1 PRELIMINARY FIREARM EXAMINATION

- (a) Always keep the muzzle pointed in a safe direction. Be sure the firearm is in an unloaded condition. This includes removal of the ammunition source (e.g., the detachable magazine, contents of the tubular magazine) as well as the chamber contents.
- (b) If the firearm is corroded shut or in a condition that would preclude inspection of the chamber contents, treat the firearm as if it is loaded. Make immediate arrangements for a firearms examiner or other qualified examiner to render the firearm safe.
- (c) Accurately record/document the condition of the gun when received. Note the positions of the various components such as the safeties, cylinder, magazine, slide, hammer, etc. Accurately record/document cylinder chamber and magazine contents. Package the ammunition separately.
- (d) If the firearm is to be processed for fingerprints or trace evidence, process before the serial number restoration is attempted. First record/document important aspects such as halos on the revolver cylinder face or other relevant evidence that might be obscured by the fingerprinting chemicals.

#### 808.2.2 PROPERTY BOOKING PROCEDURE

Any employee taking possession of a firearm with removed/obliterated serial numbers shall book the firearm into property following standard procedures. The employee booking the firearm shall indicate on the property form that serial numbers have been removed or obliterated.

#### 808.2.3 EVIDENCE PROPERTY TECH RESPONSIBILITY

The evidence property tech receiving a firearm when the serial numbers have been removed or obliterated shall arrange for the firearm to be picked up by the Department Crime Scene Investigator (CSI) for serial number restoration.

## Release of Records and Information

### 810.1 PURPOSE AND SCOPE

The purpose of this section is to establish a comprehensive reference and procedure for the maintenance and release of Department reports and records in accordance with applicable law.

### 810.2 PUBLIC REQUESTS FOR RECORDS

The California Public Records Act (Government Code § 6250, et seq.) provides that records created by a public agency shall be subject to inspection and release pursuant to request, except pursuant to exemptions set forth in the Act or otherwise established by statute. Public requests for records of this department shall be processed as follows:

#### 810.2.1 PROCESSING OF REQUESTS

Any member of the public, including the media and elected officials, may access unrestricted records of this department by submitting a written and signed request for each record sought and paying any associated fees (Government Code § 6253).

The processing of requests is subject to the following limitations:

- (a) The employee processing the request shall determine if the requested record is available and, if so, whether the record is exempt from disclosure. Either the requested record or the reason for non-disclosure will be provided promptly, but no later than 10 days from the date of request, unless unusual circumstances preclude doing so. If more time is needed, an extension of up to 14 additional days may be authorized by the Sheriff or the authorized designee. If an extension is authorized, the Department shall provide written notice of the extension to the requesting party (Government Code § 6253(c)).
- (b) In accordance with the Public Records Act, the Department is not required to create records that do not otherwise exist in order to accommodate a request under the Act.

Requests by elected officials for records that are not open to public inspection should be referred to the Support Services Division Commander for a determination as to whether the records will be released.

### 810.3 REPORT RELEASE RESTRICTIONS

Absent a valid court order or other statutory authority, records and/or unrestricted portions of such records of this department shall be made public subject to the following restrictions:

#### 810.3.1 GENERAL CASE AND CRIME REPORTS

Reports containing any of the items listed below will not be released:

- (a) **Victim information** - Victims of crimes who have requested that their identifying information be kept confidential, victims who are minors and victims of certain offenses (e.g., sex crimes, Penal Code § 293) shall not be made public. No employee shall disclose to any arrested person or to any person who may be a defendant in a criminal action the address or telephone number of any person who is a victim or witness in the alleged offense, unless it is required by law (Penal Code § 841.5).

- (b) **Confidential information** - Information involving confidential informants, intelligence information, information that would endanger the safety of any person involved or information that would endanger the successful completion of the investigation or a related investigation shall not be made public.
  - 1. Analysis and conclusions of investigating deputies may also be exempt from disclosure.
  - 2. If it has been noted in any report that any individual wishes to protect his/her right to privacy under the California Constitution, such information may not be subject to public disclosure.
- (c) **Specific crimes** - Certain types of reports involving, but not limited to, **child abuse/molestation** (Penal Code § 11167.5), **elder abuse** (Welfare and Institutions Code § 15633) and **juveniles** (Welfare and Institutions Code § 827) shall not be made public.
- (d) **General information** - Absent statutory exemption to the contrary or other lawful reason to deem information from reports confidential, information from unrestricted agency reports shall be made public as outlined in Government Code § 6254(f).
- (e) **Deceased juvenile crime victims** - The Code of Civil Procedure § 130 limits the dissemination of autopsy and private medical information concerning a murdered child by allowing families to request that the autopsy report of the victim be sealed from public inspection. Such requests shall be honored, with the exceptions that allow dissemination of those reports to law enforcement agents, prosecutors, defendants or civil litigants under state and federal discovery laws (Code of Civil Procedure §130).

#### **810.3.2 ARREST REPORTS**

Arrestee information shall be subject to release in the same manner as information contained in other reports as set forth above.

In addition to the restrictions stated above, all requests from criminal defendants and their authorized representatives (including attorneys) shall be referred to the District Attorney, County Counsel or the courts pursuant to Penal Code § 1054.5.

#### **810.4.1 PERSONAL IDENTIFYING INFORMATION**

#### **810.5 SUBPOENA DUCES TECUM**

Any Subpoena Duces Tecum (SDT) should be promptly provided to a supervisor for review and processing. While a Subpoena Duces Tecum may ultimately be subject to compliance, it is not an order from the Court that will automatically require the release of the requested information.

All questions regarding compliance with any Subpoena Duces Tecum should be promptly referred to legal counsel for the Department so that a timely response can be prepared.

#### **810.6 RELEASED RECORDS TO BE STAMPED**

## Computers and Digital Evidence

### 814.1 PURPOSE AND SCOPE

This policy establishes procedures for the seizure and storage of computers, personal communications devices (PCDs) digital cameras, digital recorders and other electronic devices that are capable of storing digital information; and for the preservation and storage of digital evidence. All evidence seized and/or processed pursuant to this policy shall be done so in compliance with clearly established Fourth Amendment and search and seizure provisions.

### 814.2 SEIZING COMPUTERS AND RELATED EVIDENCE

Computer equipment requires specialized training and handling to preserve its value as evidence. Deputies should be aware of the potential to destroy information through careless or improper handling, and utilize the most knowledgeable available resources. When seizing a computer and accessories the following steps should be taken:

- (a) Photograph each item, front and back, specifically including cable connections to other items. Look for a phone line or cable to a modem for Internet access.
- (b) Do not overlook the possibility of the presence of physical evidence on and around the hardware relevant to the particular investigation such as fingerprints, biological or trace evidence, and/or documents.
- (c) If the computer is off, do not turn it on.
- (d) If the computer is on, do not shut it down normally and do not click on anything or examine any files.
  1. Photograph the screen, if possible, and note any programs or windows that appear to be open and running.
  2. Disconnect the power cable from the back of the computer box or if a portable notebook style, disconnect any power cable from the case and remove the battery.
- (e) Label each item with case number, evidence sheet number, and item number.
- (f) Handle and transport the computer and storage media (e.g., tape, discs, memory cards, flash memory, external drives) with care so that potential evidence is not lost.
- (g) Lodge all computer items in the Property Room. Do not store computers where normal room temperature and humidity is not maintained.
- (h) At minimum, deputies should document the following in related reports:
  1. Where the computer was located and whether or not it was in operation.
  2. Who was using it at the time.
  3. Who claimed ownership.
  4. If it can be determined, how it was being used.
- (i) In most cases when a computer is involved in criminal acts and is in the possession of the suspect, the computer itself and all storage devices (hard drives, tape drives, and disk drives) should be seized along with all media. Accessories (printers, monitors, mouse, scanner, keyboard, cables, software and manuals) should not be seized unless as a precursor to forfeiture.

### *Computers and Digital Evidence*

---

#### **814.2.1 BUSINESS OR NETWORKED COMPUTERS**

If the computer belongs to a business or is part of a network, it may not be feasible to seize the entire computer. Cases involving networks require specialized handling. Deputies should contact a certified forensic computer examiner for instructions or a response to the scene. It may be possible to perform an on-site inspection, or to image the hard drive only of the involved computer. This should only be done by someone specifically trained in processing computers for evidence.

#### **814.2.2 FORENSIC EXAMINATION OF COMPUTERS**

If an examination of the contents of the computer's hard drive, or floppy disks, compact discs, or any other storage media is required, forward the following items to a computer forensic examiner:

- (a) Copy of report(s) involving the computer, including the Evidence/Property sheet.
- (b) Copy of a consent to search form signed by the computer owner or the person in possession of the computer, or a copy of a search warrant authorizing the search of the computer hard drive for evidence relating to investigation.
- (c) A listing of the items to search for (e.g., photographs, financial records, e-mail, documents).
- (d) An exact duplicate of the hard drive or disk will be made using a forensic computer and a forensic software program by someone trained in the examination of computer storage devices for evidence.

#### **814.3 SEIZING DIGITAL STORAGE MEDIA**

Digital storage media including hard drives, floppy discs, CD's, DVD's, tapes, memory cards, or flash memory devices should be seized and stored in a manner that will protect them from damage.

- (a) If the media has a write-protection tab or switch, it should be activated.
- (b) Do not review, access or open digital files prior to submission. If the information is needed for immediate investigation request the Property and Evidence Section to copy the contents to an appropriate form of storage media.
- (c) Many kinds of storage media can be erased or damaged by magnetic fields. Keep all media away from magnetic devices, electric motors, radio transmitters or other sources of magnetic fields.
- (d) Do not leave storage media where they would be subject to excessive heat such as in a parked vehicle on a hot day.
- (e) Use plastic cases designed to protect the media, or other protective packaging, to prevent damage.

#### **814.4 SEIZING PCDS**

Personal communication devices such as cell phones, PDAs or other hand-held devices connected to any communication network must be handled with care to preserve evidence that may be on the device including messages, stored data and/or images.

- (a) Deputies should not attempt to access, review or search the contents of such devices prior to examination by a forensic expert. Unsent messages can be lost, data can be inadvertently deleted and incoming messages can override stored messages.

- (b) Do not turn the device on or off. The device should be placed in a solid metal container such as a paint can or in a faraday bag, to prevent the device from sending or receiving information from its host network.
- (c) When seizing the devices, also seize the charging units and keep them plugged in to the chargers until they can be examined. If the batteries go dead all the data may be lost.

#### **814.5 DIGITAL EVIDENCE RECORDED BY OFFICERS**

Deputies handling and submitting recorded and digitally stored evidence from digital cameras and audio or video recorders will comply with these procedures to ensure the integrity and admissibility of such evidence.

##### **814.5.1 COLLECTION OF DIGITAL EVIDENCE**

Once evidence is recorded it shall not be erased, deleted or altered in any way prior to submission. All photographs taken will be preserved regardless of quality, composition or relevance. Video and audio files will not be altered in any way.

##### **814.5.2 SUBMISSION OF DIGITAL MEDIA**

The following are required procedures for the submission of digital media used by cameras or other recorders:

- (a) The recording media (smart card, compact flash card or any other media) shall be brought to the Property and Evidence Section as soon as possible for submission into evidence.
- (b) Deputies are not authorized to review or copy memory cards. The evidence technicians are the only employees authorized to copy and/or distribute digital media made from the memory cards.
- (c) As soon as possible following the collection of evidence, the camera operator is to remove the memory card from their digital camera and place the card into a plastic carrier. The card and carrier are then to be placed into a zip-lock type baggie. The camera operator shall write their name and the related case number on the outside of the baggie before placing in the film drop box along with the evidence form.
- (d) Evidence technicians will make a copy of the memory card using appropriate storage media. Once they have verified that the images properly transferred to the storage media, the technicians will erase the memory card for re-use. The storage media will be marked as the original.
- (e) Deputies requiring a copy of the digital files must request a copy on the evidence form when submitted to evidence.

##### **814.5.3 DOWNLOADING OF DIGITAL FILES**

Digital information such as video or audio files recorded on devices using internal memory must be downloaded to storage media. The following procedures are to be followed:

- (a) Files should not be opened or reviewed prior to downloading and storage.
- (b) Where possible, the device should be connected to a computer and the files accessed directly from the computer directory or downloaded to a folder on the host computer for copying to the storage media.

#### **814.5.4 PRESERVATION OF DIGITAL EVIDENCE**

- (a) Only evidence technicians are authorized to copy original digital media that is held as evidence. The original digital media shall remain in evidence and shall remain unaltered.
- (b) Digital images that are enhanced to provide a better quality photograph for identification and investigative purposes must only be made from a copy of the original media.
- (c) If any enhancement is done to the copy of the original, it shall be noted in the corresponding incident report.

## Custody Searches

### 902.1 PURPOSE AND SCOPE

The purpose of this policy is to establish consistent department procedures which conform to Penal Code § 4030 regarding pat-down, booking and strip searches of pre-arraignment detainees.

### 902.2 DEFINITIONS OF SEARCHES

**Pat-Down Search** - This is the normal type of search used by deputies in the field to check an individual for weapons. It involves a thorough patting down of clothing to locate any weapons or dangerous items that could pose a danger to the deputy, the prisoner, or other prisoners.

**Booking Search** - This search is used in the jail and again involves a thorough patting down of an individual's clothing. All pockets, cuffs, etc., on the clothing are checked to locate all personal property, contraband, or weapons. The prisoner's personal property is taken and inventoried.

**Strip Search or Visual Body Cavity Search** - This is a search that requires a person to remove or rearrange some or all of his/her clothing to permit a visual inspection of the underclothing, breasts, buttocks or genitalia of such person (Penal Code § 4030(d)(2)). This includes monitoring of an arrestee showering or changing clothes where the arrestee's underclothing, buttocks, genitalia or female breasts are visible to the monitoring employee.

**Physical Body Cavity Search** - This is a search that includes physical intrusion into a body cavity. Body cavity means the stomach or rectal cavity of a person, and the vagina of a female person (Penal Code §§ 4030(d)(1) and 4030(d)(3)).

### 902.3 PAT DOWN SEARCHES

When any deputy has reasonable suspicion to believe that a person being lawfully detained may possess weapons or other dangerous items, or in such circumstances the deputy reasonably believes that the individual may present a threat to officer safety, that deputy may conduct a normal pat-down search of that individual.

Prior to detaining any individual in any sheriff's vehicle, a deputy should conduct a normal pat-down search of that individual.

Whenever practical, a pat-down search of an individual should be conducted by a deputy of the same sex as the person being searched. Absent the availability of a same sex deputy, it is recommended that a witness deputy be present during any pat-down search of an individual of the opposite sex as the searching deputy.

### 902.4 BOOKING SEARCHES

(a) Absent emergency circumstances in which no reasonable alternative exists, no person arrested for a misdemeanor or infraction not involving weapons, controlled substance or violence may be placed in the general jail population, unless all of the following conditions exist:

1. The person is not cited and released

## Policy Manual

### *Custody Searches*

---

2. The person is not released on his or her own recognizance
  3. The person is not able to post bail within a reasonable time not less than three hours
- (b) Any person taken into custody may be subjected to pat-down searches, metal detector searches, and thorough clothing searches in order to discover and retrieve concealed weapons and contraband prior to being placed in a booking cell.

#### **902.5 STRIP SEARCHES**

No person held at a El Dorado County Sheriff's Office facility shall be subjected to a strip search unless there is reasonable suspicion based upon specific and articulable facts to believe the person has a health condition requiring immediate medical attention or is concealing a weapon or contraband. Factors to be considered in determining reasonable suspicion include, but are not limited to:

- (a) The detection of an object during a pat-down search that may be a weapon or contraband and cannot be safely retrieved without a modified strip search or strip search.
- (b) Circumstances of a current arrest that specifically indicate the person may be concealing a weapon or contraband. A felony arrest charge or being under the influence of a controlled substance should not suffice as reasonable suspicion absent other facts.
- (c) Custody history (past possession of contraband while in custody, assaults on staff, escape attempts).
- (d) The person's actions or demeanor.
- (e) Criminal history (level of experience in a custody setting).

No transgender or intersex prisoner shall be searched or examined for the sole purpose of determining the prisoner's genital status. If the prisoner's genital status is unknown, it may be determined during conversations with the prisoner, by reviewing medical records, or, if necessary, as part of a broader medical examination conducted in private by a medical practitioner (28 CFR 115.115).

#### **902.5.1 STRIP SEARCH PROCEDURES**

Strip searches at El Dorado County Sheriff's Office facilities shall be conducted as follows (Penal Code § 4030; 28 CFR 115.115):

- (a) Written authorization from the Shift Sergeant shall be obtained prior to the strip search.
- (b) All employees involved with the strip search shall be of the same sex as the person being searched, unless the search is conducted by authorized medical personnel (28 CFR 115.115).
- (c) All strip searches shall be conducted in a professional manner under sanitary conditions and in a secure area of privacy so that the search cannot be observed by persons not participating in the search. The search shall not be reproduced through a visual or sound recording.
- (d) Whenever possible, a second deputy of the same sex should be present during the search for security and as a witness to the finding of evidence.
- (e) Employees conducting a strip search shall not touch the breasts, buttocks or genitalia of the person being searched.
- (f) The primary employee conducting the search shall prepare a written report to include:

  2. The reasons less intrusive methods of searching were not used or were insufficient.
  3. The written authorization for the search, obtained from the Shift Sergeant.
  4. The name of the person who was searched.
  5. The name and sex of the persons who conducted the search.
  6. The name, sex and role of any person present during the search.
  7. The time and date of the search.
  8. The place at which the search was conducted.
  9. A list of the items, if any, recovered during the search.
  10. The facts upon which the employee based his/her belief that the person searched was concealing a weapon or controlled substance, if the person was not arrested for a felony.
- (g) A copy of the written authorization shall be retained and made available upon request to the prisoner or the prisoner 's authorized representative.
- (h) No employee should view a prisoner's private underclothing, buttocks, genitalia or female breasts while the prisoner is showering, performing bodily functions or changing clothes, unless the prisoner otherwise qualifies for a strip search. However, if serious hygiene or health issues make it reasonably necessary to assist the prisoner with a shower or a change of clothes, a supervisor should be contacted to ensure reasonable steps are taken to obtain the prisoner 's consent and/or otherwise protect the prisoner 's privacy and dignity.

### **902.6 PHYSICAL BODY CAVITY SEARCH**

- (a) No person arrested on a misdemeanor or infraction shall be subjected to a body cavity search without a search warrant (Penal Code § 4030(h)).
- (b) A copy of the search warrant and the results of any body cavity search shall be included with the related reports and made available, upon request, to the arrestee or authorized representative (Penal Code § 4030(i)).
- (c) Only a physician, nurse practitioner, registered nurse, licensed vocational nurse, or Level II Emergency Medical Technician (EMT) may conduct a physical body cavity search (Penal Code § 4030(k)).
- (d) Except for the above mentioned licensed medical personnel, persons present must be of the same sex as the person being searched. Privacy requirements, including restricted touching of body parts, are the same as the strip search standard.

### **902.7 TRAINING**

The Training coordinator shall ensure members have training in, at a minimum (28 CFR 115.115):

- Conducting searches properly in a professional and respectful manner and in the least intrusive manner possible, consistent with security needs.
- Conducting cross-gender searches.
- Conducting searches of transgender and intersex prisoners.

- (c) Review any prior complaints and reports of sexual abuse involving the suspect.
- (d) Conduct compelled interviews only after consulting with prosecutors as to whether compelled interviews may be an obstacle for subsequent criminal prosecution.

- (f) Document in written reports a description of physical, testimonial, documentary and other evidence, the reasoning behind any credibility assessments, and investigative facts and findings.
- (g) Refer allegations of conduct that may be criminal to the District Attorney for possible prosecution, including any time there is probable cause to believe a detainee or prisoner sexually abused another detainee or prisoner in the Temporary Holding Facility (28 CFR 115.178).

#### **904.5.3 ADMINISTRATIVE INVESTIGATIONS**

Administrative investigations shall include an effort to determine whether staff actions or failures to act contributed to the abuse. The departure of the alleged abuser or victim from the employment or control of this department shall not be used as a basis for terminating an investigation (28 CFR 115.171).

#### **904.5.4 SEXUAL ASSAULT AND SEXUAL ABUSE VICTIMS**

No detainee or prisoner who alleges sexual abuse shall be required to submit to a polygraph examination or other truth-telling device as a condition for proceeding with the investigation of such an allegation (28 CFR 115.171(e)).

Treatment services shall be provided to the victim without financial cost and regardless of whether the victim names the abuser or cooperates with any investigation arising out of the incident (28 CFR 115.182).

#### **904.5.5 CONCLUSIONS AND FINDINGS**

All completed investigations shall be forwarded to the Sheriff, or if the allegations may reasonably involve the Sheriff, to the Chief Administrative Officer. The Sheriff or Chief Administrative Officer shall review the investigation and determine whether any allegations of sexual abuse or sexual harassment have been substantiated by a preponderance of the evidence (28 CFR 115.172).

All personnel shall be subject to disciplinary sanctions up to and including termination for violating this policy. Termination shall be the presumptive disciplinary sanction for department members who have engaged in sexual abuse. All discipline shall be commensurate with the nature and circumstances of the acts committed, the member's disciplinary history and the sanctions imposed for comparable offenses by other members with similar histories (28 CFR 115.176).

All terminations for violations of this policy, or resignations by members who would have been terminated if not for their resignation, shall be criminally investigated unless the activity was clearly not criminal and reported to any relevant licensing body (28 CFR 115.176).

Any contractor or volunteer who engages in sexual abuse shall be prohibited from contact with detainees or prisoners and reported to any relevant licensing bodies (28 CFR 115.177). The Sheriff shall take appropriate remedial measures and consider whether to prohibit further contact with detainees or prisoners by a contractor or volunteer.

#### **904.6 RETALIATION PROHIBITED**

All detainees, prisoners and members who report sexual abuse or sexual harassment or who cooperate with sexual abuse or sexual harassment investigations shall be protected from retaliation (28 CFR 115.167). If any other individual who cooperates with an investigation expresses a fear of retaliation, appropriate measures shall be taken to protect that individual.

The Shift Sergeant or the authorized designee shall employ multiple protection measures, such as housing changes or transfers for detainee or prisoner victims or abusers, removal of alleged abusers from contact with victims, and emotional support services for detainees, prisoners or members who fear retaliation for reporting sexual abuse or sexual harassment or for cooperating with investigations.

The Shift Sergeant or the authorized designee shall identify a staff member to monitor the conduct and treatment of detainees, prisoners or members who have reported sexual abuse and of detainees or prisoners who were reported to have suffered sexual abuse. The staff member shall act promptly to remedy any such retaliation. In the case of detainees or prisoners, such monitoring shall also include periodic status checks.

#### **904.7 REVIEWS AND AUDITS**

##### **904.7.1 INCIDENT REVIEWS**

An incident review shall be conducted at the conclusion of every sexual abuse investigation, unless the allegation has been determined to be unfounded. The review should occur within 30 days of the conclusion of the investigation. The review team shall include upper-level management officials and seek input from line supervisors and investigators (28 CFR 115.186).

The review shall (28 CFR 115.186):

- (a) Consider whether the allegation or investigation indicates a need to change policy or practice to better prevent, detect or respond to sexual abuse.
- (b) Consider whether the incident or allegation was motivated by race; ethnicity; gender identity; lesbian, gay, bisexual, transgender or intersex identification, status or perceived status; gang affiliation; or was motivated or otherwise caused by other group dynamics at the facility.
- (c) Examine the area in the facility where the incident allegedly occurred to assess whether physical barriers in the area may enable abuse.
- (d) Assess the adequacy of staffing levels in that area during different shifts.
- (e) Assess whether monitoring technology should be deployed or augmented to supplement supervision by staff.

The review team shall prepare a report of its findings, including any determinations made pursuant to this section and any recommendations for improvement. The report shall be submitted to the Sheriff and the PREA Coordinator. The Sheriff or the authorized designee shall implement the recommendations for improvement or shall document the reasons for not doing so (28 CFR 115.186).

##### **904.7.2 DATA REVIEWS**

The facility shall conduct an annual review of collected and aggregated incident-based sexual abuse data. The review should include, as needed, data from incident-based documents, including reports, investigation files and sexual abuse incident reviews (28 CFR 115.187).

The purpose of these reviews is to assess and improve the effectiveness of sexual abuse prevention, detection and response policies, practices and training. An annual report shall be prepared that includes (28 CFR 115.188):

- (a) Identification of any potential problem areas.
- (b) Identification of any corrective actions taken.

## Selection Policy

### 1001.1 PURPOSE AND SCOPE

This policy establishes guidelines governing the selection of personnel for specialized assignments within specific job classifications. This applies to sworn, correctional and professional staff members. Sheriff's supervisory and management staff members, whose assignments may at any time be changed by the Sheriff, are excluded.

It is the policy of the Sheriff's Office to provide career development opportunities to its employees and ensure the most suitable candidates are selected for specialized positions.

### 1001.2 POLICY

Upon a vacancy being created or the anticipation of a vacancy the Division Commander where the position exists will initiate the recruitment process. The recruitment will be initiated through an Information Bulletin. The Information Bulletin will include the following: Position description, Minimum qualifications, Testing/selection process (if any), Timelines for consideration. Should no candidate express interest in the assignment, the Sheriff or his/her designee will select an employee for the assignment from among employees within the specified job classification pursuant to Personnel Management Resolution #22884, Part 10, Section 1002.

In the event the assignment is for a full time position (investigator, work program officer, etc) or one for which skill pay is attached (FTO, JTO, K9, etc.), the selection process will include the following steps:

1. The Division Commander, or his/her designee, will assemble a panel and schedule all candidates for interviews.
2. The interview panel will be comprised of at least two Sheriff's Office employees, and may include a member of the community.
3. Candidates should consider the interview a formal process and should be properly prepared.
4. Oral board members will be given evaluation forms for rating each candidate's performance and suitability for the assignment.
5. After the interviews are concluded, the board's numerical ranking will be forwarded to the Sheriff for final selection, via the chain of command.
6. The list will remain in effect for a period of six months following the date the Division Commander receives the panel's numerical ranking.

NOTE: Nothing in this General Order shall prevent the Sheriff from exercising his/her right to reassign employees as described in El Dorado County Personnel Management Resolution #22884, Part 10, Section 1002 "The appointing authority may assign an employee from one position to another position in the same class within the department." Nothing in this General Order shall prevent a Division Commander, with approval of the Sheriff, from reassigning personnel, who are in a like assignment, within his/her Division based on the needs of the Division and/or Department. An example would be a Sex Crimes Detective moved to Property Crimes.

## Evaluation of Employees

### **1002.1 PURPOSE AND SCOPE**

The objective of the evaluation system is to record work performance for both the Department and the employee giving recognition for good work and providing a guide for improvement where needed. The employee performance evaluation report is a gauge in measuring performance and is used for making personnel decisions relating to merit increase, promotion, reassignment, discipline, demotion and termination. The report also provides a guide for mutual work planning and review and an opportunity to convert general impressions into a more objective history of work performance based on job standards.

### **1002.2 POLICY**

Employee performance evaluations will be written based on job related factors specific to the position occupied by the employee without regard to sex, race, color, or creed. Each evaluation will cover a specific period and should be based on performance during that period. The employee's immediate supervisor will complete each evaluation. Other supervisors directly familiar with the employee's performance during the rating period should be consulted by the immediate supervisor for their input.

All sworn and civilian supervisory personnel shall be sent to a POST approved supervisory course that includes training on the completion of performance evaluations within one year of the supervisory appointment.

Each supervisor should discuss the tasks of the position, standards of performance expected, and the evaluation rating criteria with each employee at the beginning of the rating period. When a non-probationary employee's job performance falls below the established standards of the job, the supervisor should, as soon as practical, but at least 90 days prior to the end of the annual evaluation period, advise the employee in writing in order to provide an opportunity for the employee to improve performance. The involved employee will be provided the opportunity to initial any such writing and respond in writing within 30 days, if desired. Failure to meet established performance standards is justification for an unsatisfactory rating. Rating factors that are not observed are assumed to be performed at a standard level.

### **1002.3 FULL TIME PROBATIONARY PERSONNEL**

Civilian personnel are on probation for 12 months before being eligible for certification as permanent employees. An evaluation is completed monthly for all full-time civilian personnel during the probationary period.

Sworn personnel are on probation for 18 months before being eligible for certification as permanent employees. Probationary deputies are evaluated daily, weekly and monthly during the probationary period.

### **1002.4 FULL-TIME PERMANENT STATUS PERSONNEL**

Permanent employees are subject to three types of performance evaluations:

**Regular** - An Employee Performance Evaluation shall be completed once each year by the employee's immediate supervisor on the anniversary of the employee's date of hire

**Transfer** - If an employee is transferred from one assignment to another in the middle of an evaluation period and less than six months have transpired since the transfer, then an evaluation shall be completed by the current supervisor with input from the previous supervisor.

#### **1002.4.1 RATINGS**

When completing the Employee Performance Evaluation, the rater will place a check mark in the column that best describes the employee's performance. The definition of each rating category is as follows:

**Exceeds Standards** - The employee's work performance is frequently or consistently above the level of a satisfactory employee. Any factor receiving this rating must have comments describing the reasons the employee exceeds standards.

**Meets Standards** - Is the performance of a fully competent employee. The employee's work performance consistently meets the standards required of the position.

**Improvement Needed** - The employee's work performance is below the minimum standards for the position. Effort is needed to improve performance. Any factor receiving this rating must have comments describing the reasons the employee exceeds standards. An Improvement Needed rating must be thoroughly discussed with the employee.

**Unacceptable** - The employee's performance is inferior to the standards required of the position. It is very inadequate or undesirable performance that cannot be tolerated.

Space for written comments is provided at the end of the evaluation in the rater comments section. This section allows the rater to document the employee's strengths, weaknesses, and suggestions for improvement. .

#### **1002.5 EVALUATION INTERVIEW**

When the supervisor has completed the preliminary evaluation, arrangements shall be made for a private discussion of the evaluation with the employee. The supervisor should discuss the results of the just completed rating period and clarify any questions the employee may have. If the employee has valid and reasonable protests of any of the ratings, the supervisor may make appropriate changes to the evaluation. Areas needing improvement and goals for reaching the expected level of performance should be identified and discussed. The supervisor should also provide relevant counseling regarding advancement, specialty positions and training opportunities. The supervisor and employee will sign and date the evaluation. Permanent employees may also write comments in the Employee Comments section of the performance evaluation report.

#### **1002.6 EVALUATION REVIEW**

After the supervisor finishes the discussion with the employee, the signed performance evaluation is forwarded to the rater's supervisor (Division Commander). The Division Commander shall review the evaluation for fairness, impartiality, uniformity, and consistency. The Division Commander shall evaluate the supervisor on the quality of ratings given.

## Grievance Procedure

### 1006.1 PURPOSE AND SCOPE

It is the policy of this department that all grievances be handled quickly and fairly without discrimination against employees who file a grievance whether or not there is a basis for the grievance. Our Department's philosophy is to promote a free verbal communication between employees and supervisors.

#### 1006.1.1 GRIEVANCE DEFINED

A grievance is any difference of opinion concerning terms or conditions of employment or the dispute involving the interpretation or application of any of the following documents by the person(s) affected:

- The employee bargaining agreement (Memorandum of Understanding)
- This Policy Manual
- County rules & regulations covering personnel practices or working conditions

### 1006.3 EMPLOYEE REPRESENTATION

### 1006.4 GRIEVANCE RECORDS

At the conclusion of the grievance process, all documents pertaining to the process shall be forwarded to Administrative Services for inclusion into a secure file for all written grievances.

## Reporting of Employee Convictions

### 1010.1 PURPOSE AND SCOPE

Convictions of certain offenses may restrict or prohibit an employee's ability to properly perform official duties. Therefore, all employees shall be required to promptly notify the Sheriff's Office of any past and current criminal convictions.

The Support Services Division shall submit in a timely manner a notice to the Commission on Peace Officer Standards and Training (POST) of any appointment, termination, reinstatement, name change or status change regarding any peace officer, reserve peace officer, public safety dispatcher and records supervisor employed by this department (11 CCR § 1003).

The Support Services Division shall submit in a timely manner a notice to POST of a felony conviction or Government Code § 1029 reason that disqualifies any current peace officer employed by this department or any former peace officer if this department was responsible for the investigation (11 CCR § 1003).

### 1010.2 DOMESTIC VIOLENCE CONVICTIONS AND RESTRAINING ORDERS

California and federal law prohibit individuals convicted of certain offenses and individuals subject to certain court orders from lawfully possessing a firearm. Such convictions and court orders often involve allegations of the use or attempted use of force or threatened use of a weapon on any individual in a domestic relationship (e.g., spouse, cohabitant, parent, child) (18 USC § 922; Penal Code § 29805).

All members are responsible for ensuring that they have not been disqualified from possessing a firearm by any such conviction or court order and shall promptly report any such conviction or court order to a supervisor, as provided in this policy.

### 1010.3 OTHER CRIMINAL CONVICTIONS

Government Code § 1029 prohibits any person convicted of a felony from being a peace officer in the State of California. This prohibition applies regardless of whether the guilt was established by way of a verdict, guilty or nolo contendere plea.

Convictions of certain violations of the Vehicle Code and other provisions of law may also place restrictions on an employee's ability to fully perform the duties of the job.

Moreover, while legal restrictions may or may not be imposed by statute or by the courts upon conviction of any criminal offense, criminal conduct by members of this department may be inherently in conflict with law enforcement duties and the public trust.

### 1010.4 REPORTING PROCEDURE

All members of this department and all retired deputies with an identification card issued by the Department shall promptly notify their immediate supervisor (or the Sheriff in the case of retired deputies) in writing of any past or current criminal arrest or conviction regardless of whether or not the matter is currently on appeal and regardless of the penalty or sentence, if any.

# El Dorado County Sheriff's Office

## Policy Manual

### *Reporting of Employee Convictions*

---

All members and all retired deputies with an identification card issued by the Department shall further promptly notify their immediate supervisor (or the Sheriff in the case of retired deputies) in writing if the member or retiree becomes the subject of a domestic violence restraining order or similar court order.

Any member whose criminal conviction unduly restricts or prohibits that member from fully and properly performing his/her duties may be disciplined including, but not limited to, being placed on administrative leave, reassignment and/or termination. Any effort to remove such disqualification or restriction shall remain entirely the responsibility of the member on his/her own time and expense.

Any member failing to provide prompt written notice pursuant to this policy shall be subject to discipline.

#### **1010.5 PROCEDURE FOR RELIEF**

Pursuant to Penal Code § 29855, a peace officer may petition the court for permission to carry a firearm following a conviction under state law. Federal law, however, does not provide for any such similar judicial relief and the granting of a state court petition under Penal Code § 29855 will not relieve one of the restrictions imposed by federal law. Therefore, relief for any employee falling under the restrictions imposed by federal law may only be obtained by expungement of the conviction. Each employee shall seek relief from firearm restrictions on their own time and through their own resources.

Pursuant to Family Code § 6389(h), an individual may petition the court for an exemption to any restraining order, which would thereafter permit the individual to carry a firearm as a part of their employment. Relief from any domestic violence or other restriction shall also be pursued through the employee's own resources and on the employee's own time.

Pending satisfactory proof of relief from any legal restriction imposed on an employee's duties, the employee may be placed on administrative leave, reassigned or disciplined. The Department may, but is not required to return an employee to any assignment, reinstate any employee or reverse any pending or imposed discipline upon presentation of satisfactory proof of relief from any legal restriction set forth in this policy.

## **Alcohol and Drug Use Policy**

### **1012.1 PURPOSE AND SCOPE**

### **1012.2 GENERAL GUIDELINES**

The consumption of illegal drugs is strictly prohibited and the consumption of alcohol by on-duty personnel is generally prohibited except as necessary and expressly authorized in the performance of an official special assignment. Personnel who are authorized to consume alcohol as part of a special assignment shall not do so to the extent of impairing on-duty performance.

Personnel who have consumed an amount of an alcoholic beverage or taken any medication that would tend to adversely affect their mental or physical abilities shall not report for duty. Personnel shall notify the Shift Sergeant or appropriate supervisor as soon as they are aware that they will not be able to report to work. If personnel are unable to make the notification, every effort should be made to have a representative contact the supervisor in a timely manner.

#### **1012.2.1 PURCHASE OR POSSESSION OF DRUGS OR ALCOHOL ON-DUTY**

Department employees shall not purchase or possess alcohol or other controlled substances on County property, at work, or while on-duty except in the performance of a special assignment as described in this policy.

Department employees shall not illegally manufacture any alcohol or drugs while on-duty, on County property or at any other time.

#### **1012.2.2 USE OF PRESCRIBED MEDICATIONS**

Any employee who is required to take any medication with side effects which might impair his/her ability to fully and safely perform all requirements of the position shall report the need for such medication to the immediate supervisor prior to commencing any on-duty status. No employee shall be permitted to work or drive a department-owned or department-leased vehicle while taking such potentially impairing medication without a written release from his/her physician.

Possession of medical marijuana or being under the influence of marijuana on- or off-duty is prohibited and may lead to disciplinary action.

#### **1012.3 EMPLOYEE ASSISTANCE PROGRAM**

There is a voluntary Employee Assistance Program available to assist employees who wish to seek help for alcohol and drug problems. There is also available a variety of insurance coverage which provide treatment for drug and alcohol abuse. Employees may contact the Department of Human Resources, their insurance provider, or the Employee Assistance Program for additional information.

---

Personnel who experience drug or alcohol problems are encouraged to seek referral for rehabilitation through the Employee Assistance Programs or their insurance provider. It is the responsibility of each employee to seek assistance before alcohol or drug problems lead to performance problems.

#### **1012.3.1 CONFIDENTIALITY**

The Department recognizes the confidentiality and privacy due employees, and disclosure of any information relating to chemical abuse treatment, except on a need to know basis, shall only be with the express written consent of the employee involved or pursuant to lawful process.

#### **1012.4 WORK RESTRICTIONS**

If any personnel inform a supervisor that he/she has consumed any alcohol, drug or medication that could interfere with the safe and efficient performance of his/her duties, the employee may be required to obtain clearance from his/her physician before he/she continues to work.

If a supervisor reasonably believes, based upon objective facts, that any person's ability to perform his/her duties safely and efficiently may be impaired by the consumption of alcohol or other drugs, the supervisor may ask the person whether he/she has consumed any alcohol or other drugs and, if so the amount and type of alcohol or other drug consumed and the time of consumption, and the name of the medical professional (if applicable) who prescribed the controlled substance.

Reasonable suspicion means a suspicion based on objective facts and reasonable inference drawn from those facts, that an employee is under the influence of a drug and/or alcohol. Such facts may include characteristics of the employee's appearance, behavior, mannerisms, speech or body odors. Examples include, but are not limited to:

- (a) inability to perform work properly;
- (b) behavior creating a safety hazard;
- (c) difficulties walking or standing, problems with dexterity, or other physical activity impairments;
- (d) impaired ability to speak (i.e. slurred, thick speech);
- (e) belligerent or violent behavior or wide mood swings;
- (f) excessive unauthorized absenteeism;
- (g) any conduct that constitutes a significant change from the individual's usual behavior, or indicates impairment of sound judgement;
- (h) Arrest or conviction for drug-related offense or the identification of an employee as the focus of a criminal investigation into illegal drug possession, use or trafficking (the term trafficking shall also mean distribution.)

The term "under the influence" means the employee's ability to perform the functions of the job is impaired or that the employee's ability to perform his/her job safely is reduced due to consumption or use of drugs or alcohol.

If the supervisor reasonably believes, based on objective facts, that a person is impaired by the consumption of alcohol or other drugs, the supervisor shall prevent the person from continuing work and shall transport him/her or cause him/her to be transported safely away from the Department. The supervisor will then document the incident in accordance with Personnel Complaint Procedure Policy Manual 1020.

#### **1012.5 REQUESTING SCREENING TESTS**

The Department may request an employee to submit to a screening test if the Department:

- (a) Reasonably believes, based upon objective facts, that the employee is under the influence of alcohol or drugs that are impairing his/her ability to perform duties safely and efficiently.
- (b) Informs the employee of the specific facts supporting its belief and prepares a written record of those facts, and:
  - 1. Informs the employee in writing whether the test will be for alcohol or drugs or both.
  - 2. Informs the employee that the result of the test is not admissible in any criminal proceeding against him/her.
  - 3. Informs the employee that he/she may refuse the test but that refusal may result in dismissal or other disciplinary action.

#### **1012.5.1 SCREENING TEST REFUSAL**

An employee is subject to disciplinary action if he/she:

- (a) Fails or refuses to submit to a screening test as requested.
- (b) After taking a screening test that indicates the presence of a controlled substance, fails to provide proof, within 72 hours after being requested by his/her appointing authority, that he/she took the controlled substance as directed, pursuant to a current and lawful prescription issued in his/her name.

#### **1012.6 CONFIDENTIALITY**

The Department recognizes the confidentiality and privacy due employees. Disclosure of any information relating to chemical abuse treatment, except on a need-to-know basis, shall only be with the express written consent of the employee involved or pursuant to lawful process. The written results of any screening test may be provided to the employee but will remain confidential and separate from the employee's other personnel files.

## **Sick Leave Reporting**

### **1014.1 PURPOSE AND SCOPE**

Employees of this department are provided with a sick leave benefit that gives them continued compensation during times of absence due to personal or family illness. The number of hours available is detailed in the employee's respective personnel manual or applicable collective bargaining agreement.

This policy is not intended to cover all types of sick or other leaves. For example, employees may be entitled to additional paid or unpaid leave for certain family and medical reasons as provided for in the Family and Medical Leave Act (FMLA), the California Family Rights Act or for organ or bone marrow donor procedures (29 CFR 825; Government Code § 12945.2; Labor Code § 1510).

### **1014.2 EMPLOYEE RESPONSIBILITIES**

Sick leave may be used for absences caused by illness, injury, temporary disability (including pregnancy/maternity), or for medical, dental or vision exams or medical treatment of the employee or the employee's immediate family when it is not possible to schedule such appointments during non-working hours.

Sick leave is not considered vacation, and abuse of sick leave may result in discipline and/or denial of sick-leave benefits. Employees on sick leave shall not engage in other employment or self-employment, or participate in any sport, hobby, recreational or other activity which may impede recovery from the injury or illness.

Upon return to work, employees shall complete and submit a leave request describing the type of leave used and the specific amount of time taken. Employees shall also complete an EDSO Time Card describing the nature of sick leave usage (e.g.; family, personal) and the amount of time taken.

#### **1014.2.1 NOTIFICATION**

Employees are encouraged to notify the Shift Sergeant or appropriate supervisor as soon as they are aware that they will not be able to report to work. At a minimum, employees shall make such notification no less than one hour before the start of their scheduled shift. If an employee is unable to contact the supervisor in the case of an emergency, every effort should be made to have a representative contact the supervisor.

When the necessity for leave is foreseeable, such as an expected birth or planned medical treatment, the employee shall, whenever possible, provide the Department with no less than 30-days notice of the intent to take leave.

### **1014.3 EXTENDED ILLNESS**

Employees on extended absences shall, if possible, contact their unit supervisor at three-day intervals to provide an update on their absence and expected date of return. Employees absent from duty due to personal illness in excess of three consecutive days may be required to furnish a statement from their health care provider supporting the use of sick leave and/or the ability to return to work.

# El Dorado County Sheriff's Office

## Policy Manual

### *Sick Leave Reporting*

---

Nothing in this section precludes a supervisor, with cause, from requiring a physician's statement if three or fewer sick days are taken.

#### **1014.4 SUPERVISOR RESPONSIBILITY**

Supervisors should monitor sick leave usage and regularly review the attendance of employees under their command to ensure that the use of sick leave is consistent with this policy. Supervisors should address sick-leave use in the employee's performance evaluation when it has negatively affected the employee's performance or ability to complete assigned duties, and when unusual amounts of sick leave by the employee has had a negative impact on department operations. When appropriate, supervisors should counsel employees regarding the excessive use of sick leave and should consider referring the employee to the Employee Assistance Program.

## Communicable Diseases

### 1016.1 PURPOSE AND SCOPE

This policy is intended to provide guidelines for department personnel to assist in minimizing the risk of contracting and/or spreading communicable diseases and to minimize the incidence of illness and injury. The policy will offer direction in achieving the following goals:

- (a) To manage the risks associated with blood borne pathogens (BBP), aerosol transmissible diseases, and other potentially infectious substances.
- (b) To assist department personnel in making decisions concerning the selection, use, maintenance, limitations, storage, and disposal of personal protective equipment (PPE).
- (c) To protect the privacy rights of all department personnel who may be exposed to or contract a communicable disease during the course of their duties.
- (d) To provide appropriate treatment and counseling should an employee be exposed to a communicable disease.

### 1016.2 PROCEDURES FOR EXPOSURE TO BLOOD, BODILY FLUIDS OR AEROSOL TRANSMISSIBLE DISEASES

All department personnel who are exposed to another person's blood, bodily fluids or an aerosol transmissible disease (e.g., during an altercation or while attending to any injured person) shall follow these procedures and guidelines.

Exposure to blood or other potentially infectious materials includes, but is not limited to, the contact of such substances with the eye, mouth, other mucous membranes, non-intact skin, needle sticks, human bites, cuts or abrasions or any exposure that otherwise qualifies under Health and Safety Code § 121060.1 or 8 CCR § 5193.

Exposure to an aerosol transmissible disease is any event in which all of the following have occurred (8 CCR 5199):

- (a) An employee has been exposed to an individual who is a case or a suspected case of a reportable aerosol transmissible disease, or to a work area or to equipment that is reasonably expected to contain aerosol transmissible pathogens associated with a reportable aerosol transmissible disease.
- (b) The exposure occurred without the benefit of applicable exposure controls required by this policy.
- (c) It reasonably appears from the circumstances of the exposure that transmission of disease is sufficiently likely to require medical evaluation.

#### 1016.2.1 EXPOSURE CONTROL OFFICER

The Sheriff will assign a person as the Department's Exposure Control Officer. The ECO shall be responsible for the following:

- (a) The overall management of the bloodborne pathogen Exposure Control Plan (ECP).
- (b) Establishing written procedures and a training program related to aerosol transmissible diseases, as required by 8 CCR § 5199.

# El Dorado County Sheriff's Office

### *Communicable Diseases*

---

- (c) Working with management to develop and administer any additional related policies and practices necessary to support the effective implementation of this plan.
- (d) Remaining current on all legal requirements concerning bloodborne pathogens and other communicable diseases, as required by 8 CCR § 5193.
- (e) Acting as a liaison during OSHA inspections, conducting program audits to maintain an up-to-date ECP and ensuring exposure report forms are available and adequate for employees to properly report incidents of exposure.
- (f) Maintaining an up-to-date list of sheriff's personnel requiring training. Developing and implementing a training program, maintaining class rosters and quizzes, and periodically reviewing and updating the training program.
- (g) Reviewing and updating the ECP annually (on or before January 1 of each year).

Department supervisors are responsible for exposure control in their respective areas. They shall work directly with the ECO and any affected employees to ensure that the proper exposure control procedures are followed.

#### **1016.2.2 UNIVERSAL PRECAUTIONS**

All human blood and body fluids such as saliva, urine, semen, and vaginal secretions are to be treated as if they are known to be infectious. Where it is not possible to distinguish between body fluid types, all body fluids are to be assumed potentially infectious.

#### **1016.2.3 PERSONAL PROTECTIVE EQUIPMENT**

Personal protective equipment is the last line of defense against communicable disease. Therefore, the following equipment is provided for all personnel to assist in the protection against such exposures:

- Protective Hood or "Spit Sock".
- Not less than two pair disposable latex gloves. (Keeping a box in the car recommended.)
- Safety glasses or goggles
- Rescue mask with a one-way valve
- Alcohol (or similar substance) to flush skin at emergency site. (Keeping several alcohol hand wipes in the car recommend)

A Protective Hood or "Spit Sock" is a temporary protective hood for use on in-custody subjects where a risk of exposure to infectious disease is present. If used properly, a Spit Sock can reduce the risk of the wearer transmitting fluids (saliva and mucous) from the facial area, from spitting, sneezing or coughing.

A Protective Hood or "Spit Sock" is a temporary protective hood for use on subjects in your custody where a risk of exposure to infectious disease is present. If used properly, a Spit Sock can reduce the risk of the wearer transmitting fluids (saliva and mucous) from the facial area, from spitting, sneezing or coughing.

Improper use may result in serious injury or death due to asphyxiation, suffocation or drowning in ones own fluids.

**CONDITIONS FOR USE:** Do NOT use a Protective Hood or "Spit Sock" unless:

- Prisoner / Subject is under control and restrained.

# El Dorado County Sheriff's Office

## Policy Manual

### *Communicable Diseases*

---

- Prisoner / Subject must be under constant visual supervision and should NEVER be left unattended.
- DO NOT USE on any prisoner / subject that is vomiting, having difficulty breathing, or is bleeding profusely from the area around the mouth or nose.
- Remove prisoner / subject's jewelry and eyewear before application as practical.
- If there is difficulty applying due to large head size, discontinue use.

#### INSTRUCTIONS FOR USE:

- (a) Open and remove Protective Hood / Spit Sock from packaging.
- (b) Place the Protective Hood / Spit Sock over the head of the prisoner / subject extending the hood below the nose and mouth area.
- (c) The elastic band should extend below the prisoner / subject's mouth and jaw resting loosely around the neck area.
- (d) The Protective Hood / Spit Sock is designed to be used on a single person, and should never be reused. Remove when prisoner / subject must be left unattended or the use of the Spit Sock is no longer needed or practical.
- (e) After use of a Protective Hood / Spit Sock, the deputy shall dispose of it as a biohazard in an approved biohazard waste container at the hospital, jail facility, or sheriff's office.

The listed protective equipment is to be kept in each sheriff's vehicle; inspected at the start of each shift and replaced immediately upon returning to the station if used or damaged during the shift, or as otherwise needed.

#### **1016.2.4 IMMUNIZATIONS**

All department personnel who, in the line of duty, may be exposed to or have contact with a communicable disease shall be offered appropriate treatment immunization.

#### **1016.2.5 WORK PRACTICES**

All personnel shall use the appropriate barrier precautions to prevent skin and mucous membrane exposure whenever contact with blood or body fluid is anticipated.

Disposable gloves shall be worn on all medical emergency responses. Disposable gloves shall be worn before making physical contact with any patient and/or when handling items (e.g., evidence, transportation vehicle) soiled with blood or other body fluids. Should one's disposable gloves become contaminated with blood or other body fluids, the gloves shall be disposed of as contaminated waste. Care should be taken to avoid touching other items (e.g., pens, books, and personal items in general) while wearing the disposable gloves in a potentially contaminated environment.

All procedures involving blood or other potentially infectious materials shall be done in a way to minimize splashing, spraying, or otherwise generating droplets of those materials.

Eating, drinking, smoking, applying lip balm, and handling contact lenses shall be prohibited in areas where a potential for an exposure exists.

#### **1016.3 DISPOSAL AND DECONTAMINATION**

The following procedures will apply to the disposal and decontamination after responding to an event that involved contact with a person's blood or body fluids:

---

# El Dorado County Sheriff's Office

### *Communicable Diseases*

---

#### **1016.3.1 USE OF WASTE CONTAINERS**

Deputies shall dispose of biohazard with the on-scene fire response vehicle, or at the attending clinic/hospital with their approval, or in an appropriately marked biohazard waste container at the station immediately upon arrival.

The biohazard waste container located at the station shall be collapsible, leakproof, red in color or appropriately labeled with a biohazard warning and routinely emptied.

#### **1016.3.2 DECONTAMINATION OF SKIN AND MUCOUS MEMBRANES**

Personnel shall wash their hands immediately (on-scene if possible), or as soon as possible following the removal of potentially contaminated gloves. Antibacterial soap and warm water or an approved disinfectant shall be used to wash one's hands, paying particular attention to the fingernails.

If an employee's intact skin contacts someone else's blood or bodily fluids or other potentially infectious materials, the employee shall immediately wash the exposed part of his/her body with soap and warm water and/or an approved disinfectant, as soon as possible. If the skin becomes grossly contaminated, body washing shall be followed by an approved hospital strength disinfectant. If large areas of the employee's skin are contaminated, the employee shall shower as soon as possible, using warm water and soap and/or an approved disinfectant. Medical treatment should be obtained.

Contaminated non-intact skin (e.g., injured skin, open wound) shall be cleaned using an approved disinfectant and then dressed or bandaged as required. Medical treatment is required.

All hand, skin, and mucous membrane washing that takes place in the station shall be done in the designated cleaning or decontamination area. Cleaning shall not be done in the kitchen, bathrooms, or other locations not designated as the cleaning or decontamination area.

#### **1016.3.3 SHARPS AND ITEMS THAT CUT OR PUNCTURE**

All personnel shall avoid using or holding sharps (needles) unless needed to do so while assisting a paramedic, or collecting them for evidence. Unless required for evidentiary reasons related to evidence preservation, employees are not to recap sharps. If recapping is necessary, a one-handed method shall be employed to avoid a finger prick. Disposal, when practicable, shall be into a puncture proof biohazard container.

All sharps and items that cut or puncture (e.g., broken glass, razors, and knives) shall be treated cautiously to avoid cutting, stabbing, or puncturing one's self or any other person. In addition, if a sharp object contains known or suspected blood or other bodily fluids, that item is to be treated as a contaminated item. If the item is not evidence, touching it with the hands shall be avoided. Rather, use a device such as tongs, or a broom and a dustpan to cleanup debris. If the material must be hand held, protective gloves must be worn.

#### **1016.3.4 DISPOSABLE PROTECTIVE EQUIPMENT**

Contaminated disposable supplies (gloves, dressings, CPR mask) shall be transported with the patient or suspect in the ambulance or sheriff's vehicle. The waste material shall then be disposed of in a biohazard waste container at the hospital or sheriff's station. Disposable gloves are to be worn while placing the waste into the waste biohazard container, placing the gloves in with the waste when through.

#### **1016.3.5 DECONTAMINATION OF PERSONAL PROTECTIVE EQUIPMENT**

After using any reusable personal protective equipment, it shall be washed or disinfected and stored appropriately. If the personal protective equipment is non-reusable (e.g., disposable gloves), it shall be discarded in a biohazard waste container as described in Policy Manual § 1016.3.4.

Any personal protective equipment that becomes punctured, torn, or loses its integrity, shall be removed as soon as feasible. The employee shall wash up and replace the personal protective equipment if the job has not been terminated. If this situation resulted in a contaminated non-intact skin event, Policy Manual § 1016.3.2 shall be implemented.

Contaminated reusable personal protective equipment that must be transported prior to cleaning it shall be placed into a biohazard waste bag and transported in the ambulance, paramedic truck or sheriff's vehicle. Gloves shall be worn while handling the biohazard waste bag and during placement into the biohazard waste container, and then included in with the waste.

#### **1016.3.6 DECONTAMINATION OF NON-DISPOSABLE EQUIPMENT**

Contaminated non-disposable equipment (e.g., flashlight, gun, baton, clothing, portable radio) shall be decontaminated as soon as possible. If it is to be transported, it shall be done by first placing it into a biohazard waste bag.

Grossly contaminated non-disposable equipment items shall be transported to a hospital, fire station, or sheriff's station for proper cleaning and disinfecting. Porous surfaces such as nylon bags and straps shall be brushed and scrubbed with a detergent and hot water, laundered and allowed to dry. Non-porous surfaces (e.g., plastic or metal) shall be brushed and scrubbed with detergent and hot water, sprayed with a bleach solution, rinsed, and allowed to dry. Delicate equipment (e.g., radios) should be brushed and scrubbed very carefully using a minimal amount of a type of germicide that is approved by Environmental Protection Agency (EPA) .

While cleaning equipment, pay close attention to handles, controls, portable radios, and corners (tight spots). Equipment cleaning shall not be done in the kitchen, bathrooms, or other areas not designated as the cleaning/decontamination area.

Contaminated equipment should be cleaned using an approved EPA germicide or a 1:100 solution of chlorine bleach (one-quarter-cup of bleach per one gallon of water) while wearing disposable gloves and goggles. Large particles of contaminants such as, vomit, feces, blood clots, etc. should first be removed (using a disposable towel or other means to prevent direct contact) and properly disposed of.

#### **1016.3.7 DECONTAMINATION OF CLOTHING**

Contaminated clothing such as uniforms and undergarments shall be removed as soon as feasible and rinsed in cold water to prevent the setting of bloodstains. If the clothing may be washed in soap and hot water, do so as soon as possible. If the clothing must be dry cleaned, place it into a biohazard waste bag and give it to the Exposure Control Officer. The ECO will secure a dry cleaner that is capable of cleaning contaminated clothing, and inform them of the potential contamination. This dry cleaning will be done at the Department's expense.

Contaminated leather boots shall be brushed and scrubbed with detergent and hot water. If the contaminant soaked through the boot, the boot shall be discarded.

#### **1016.3.8 DECONTAMINATION OF VEHICLES**

Contaminated vehicles and components such as the seats, radios, and doors shall be washed with soap and warm water and disinfected with an approved germicide as soon as feasible.

#### **1016.3.9 DECONTAMINATION OF STATION AND CLEANING AREA**

The ECO shall designate a location at the station that will serve as the area for cleaning/decontamination. This area is to be used to keep equipment clean and sanitary and for the employees to wash any potential contamination from their bodies. This area is to be thoroughly cleaned after each use and to be maintained in a clean and sanitary order at all times between each use. The application of cosmetics, smoking cigarettes, consuming food and drink are prohibited in this designated area at all times.

#### **1016.4 POST-EXPOSURE REPORTING AND FOLLOW-UP REQUIREMENTS**

In actual or suspected exposure incidents, proper documentation and follow-up action must occur to limit potential liabilities and to ensure the best protection and care for the employee(s).

##### **1016.4.1 EMPLOYEE RESPONSIBILITY TO REPORT EXPOSURE**

To provide appropriate and timely treatment should exposure occur, all employees shall verbally report the exposure to their immediate supervisor and complete a written exposure report as soon as possible following the exposure or suspected exposure. That report shall be submitted to the employee's immediate supervisor. Additionally, employees should document in the exposure report whether they would like the person who was the source of the exposure to be tested for communicable diseases.

##### **1016.4.2 SUPERVISOR REPORTING REQUIREMENTS**

The supervisor on-duty shall investigate every exposure that occurs as soon as possible following the incident, while gathering the following information:

- (a) Name and social security number of the employee(s) exposed.
- (b) Date and time of incident.
- (c) Location of incident.
- (d) What potentially infectious materials were involved.
- (e) Source of material or person.
- (f) Current location of material or person.
- (g) Work being done during exposure.
- (h) How the incident occurred or was caused.
- (i) PPE in use at the time of the incident.
- (j) Actions taken post-event (e.g., clean-up, notifications).

The supervisor shall advise the employee of the laws and regulations concerning disclosure of the identity and infectious status of a source, and Policy § 1016.5, which addresses source testing.

# El Dorado County Sheriff's Office

## Policy Manual

### *Communicable Diseases*

---

If the ECO is unavailable to seek testing of the person who was the source of the exposure, it is the responsibility of the exposed employee's supervisor to ensure testing is sought (Policy § 1016.5).

#### **1016.4.3 MEDICAL CONSULTATION, EVALUATION AND TREATMENT**

Any employee who was exposed or who suspects he/she was exposed to HIV or to hepatitis B or C should be seen by a physician or qualified health care provider as soon as possible. The doctor or qualified health care provider should be provided with the supervisor's report and the employee's medical records relevant to the visit and examination. The blood of the exposed employee shall be tested.

The health care professional will provide the ECO and/or the County's Risk Manager with a written opinion/evaluation of the exposed employee's medical condition. This opinion should only contain the following information:

- If a post-exposure treatment is indicated for the employee.
- If the employee received a post-exposure treatment.
- Confirmation that the employee received the evaluation results.
- Confirmation that the employee was informed of any medical condition resulting from the exposure incident and whether further treatment or evaluation will be required.
- Whether communicable disease testing from the source is warranted, and if so, which diseases should the testing include.

All other findings or diagnosis shall remain confidential and are not to be included in the written report.

#### **1016.4.4 COUNSELING**

The Department shall provide the exposed employee (and his/her family if necessary) the opportunity for counseling and consultation.

#### **1016.4.5 CONFIDENTIALITY OF REPORTS**

Most of the information involved in this process must remain confidential. The ECO shall ensure that all records and reports are kept in the strictest confidence.

The ECO shall be responsible for maintaining records containing the employee's treatment status and the results of examinations, medical testing and follow-up procedures.

The Risk Manager shall be responsible for maintaining the name and social security number of the employee and copies of any information provided to the consulting health care professional.

This information is confidential and shall not be disclosed to anyone without the employee's written consent (except as required by law). Test results from persons who may have been the source of an exposure are to be kept confidential as well.

#### **1016.5 SOURCE TESTING**

Testing for communicable diseases of a person who was the source of an exposure should be sought when it is desired by the exposed employee or when it is otherwise appropriate. There are five methods to obtain such testing. It is the responsibility of the ECO to ensure that the proper testing and reporting occur. These methods are:

---

# El Dorado County Sheriff's Office

## Policy Manual

### *Communicable Diseases*

---

- (a) Obtaining voluntary consent from any person who may be the source of an exposure to cover testing for any communicable disease.
- (b) Filing a report with the county health officer when an employee is exposed to the bodily fluids of an arrestee. The county health officer may pursue testing for HIV or hepatitis B or C (Penal Code § 7510 et seq.).
- (c) Seeking consent for testing or applying for a court order for HIV, hepatitis B and hepatitis C testing (Health and Safety Code § 121060 et seq.).
- (d) Seeking a court order when the person who may be the source of an exposure will not consent to testing and the exposure does not fall under the statutory schemes for testing. This covers testing for any communicable disease as deemed appropriate by a health care professional and documented in the request for the court order.
- (e) Under certain circumstances, a court may issue a search warrant for the purpose of HIV testing an adult or juvenile when an employee of the El Dorado County Sheriff's Office qualifies as a crime victim (Penal Code § 1524.1).

#### **1016.5.1 EXPOSURE FROM A NON-ARRESTEE**

Upon notification of an employee's exposure to a person who was not arrested, the ECO should attempt to determine if the person who was the source of the exposure will voluntarily consent to testing. If consent is indicated, the following steps should be taken:

- (a) A licensed health care provider should notify the person to be tested of the exposure and make a good faith effort to obtain voluntary informed consent from the person or his/her authorized legal representative to perform a test for HIV, hepatitis B, hepatitis C and other communicable diseases the health care provider deems appropriate.
- (b) The voluntary informed consent obtained by the health care provider must be in writing and include consent for three specimens of blood for testing. The ECO should document the consent as a supplement to the Exposure Control Report.
- (c) The results of the tests should be made available to the source and the exposed employee.

If consent is not obtained, the ECO should promptly consult with County Counsel and consider requesting that a court order be sought for appropriate testing.

#### **1016.5.2 EXPOSURE FROM AN ARRESTEE**

Upon notification of an exposure to an employee by a person who was arrested, the ECO should take the following steps:

- (a) Comply with the statutory scheme of Health and Safety Code § 121060. This includes seeking consent from the person who was the source of the exposure and seeking a court order if consent is not given.
- (b) Take reasonable steps to immediately contact the County Health Officer and provide preliminary information regarding the circumstances of the exposure and the status of the involved individuals to determine whether the County Health Officer will order testing (Penal Code § 7510).
- (c) In all cases, comply with the reporting and testing scheme of Penal Code § 7510 et seq. This includes completing a State Department of Health Services Form CDPH 8479 and submitting it to the County Health Officer with a copy of the Exposure Control Report by the end of the employee's shift. If submission by the end of the shift is not practicable, it must occur as soon as possible but no later than two days after the incident. The exposed employee's name should not appear on this form.

### *Communicable Diseases*

---

- (d) Remain in contact with the County Health Officer to determine whether testing of the arrestee will occur and whether the testing satisfies the medical needs of the employee.
- (e) The results of the tests should be made available to the donor and the exposed employee.

Since there is potential for overlap between the two statutory schemes, the ECO is responsible for coordinating the testing with the County Health Officer to prevent unnecessary or duplicate testing.

In the rare event that the exposed employee is not covered by either statutory scheme, the ECO should seek consent or a court order in the same manner as for a non-arrestee.

## Smoking Policy

## Personnel Complaint Procedure

### 1020.1 PURPOSE AND SCOPE

The purpose of this procedure is to provide guidelines for the reporting, investigation and disposition of complaints regarding the conduct of members and employees of this department.

#### 1020.1.1 PERSONNEL COMPLAINTS DEFINED

Personnel complaints consist of any allegation of misconduct or improper job performance against any department employee that, if true, would constitute a violation of department policy, federal, state or local law.

Inquiries about employee conduct which, even if true, would not qualify as a personnel complaint may be handled informally by a department supervisor and shall not be considered complaints.

This policy shall not apply to any interrogation, counseling, instruction, informal verbal admonishment or other routine or unplanned contact of an employee in the normal course of duty, by a supervisor or any other employee, nor shall this policy apply to an investigation concerned solely and directly with alleged criminal activities (Cal. Govt. Code 3303(i)).

Personnel Complaints shall be classified in one of the following categories:

**Informal** - A matter in which the complaining party is satisfied that appropriate action has been taken by a department supervisor of rank greater than the accused employee. Informal complaints need not be documented on a personnel complaint form and the responsible supervisor shall have the discretion to handle the complaint in any manner consistent with this policy.

**Formal** - A matter in which the complaining party requests further investigation or which a department supervisor determines that further action is warranted. Such complaints may be investigated by a department supervisor of rank greater than the accused employee or referred to the Professional Standards Unit depending on the seriousness and complexity of the investigation.

**Incomplete** - A matter in which the complaining party either refuses to cooperate or becomes unavailable after diligent follow-up investigation. At the discretion of the assigned supervisor or the Professional Standards Unit, such matters need not be documented as personnel complaints, but may be further investigated depending on the seriousness of the complaint and the availability of sufficient information.

### 1020.2 AVAILABILITY AND ACCEPTANCE OF COMPLAINTS

#### 1020.2.1 AVAILABILITY OF COMPLAINT FORMS

Personnel complaint forms will be available at the front counter at the Sheriff's Office.

#### 1020.2.2 SOURCE OF COMPLAINTS

- (a) A department employee becoming aware of alleged misconduct shall immediately notify a supervisor.

- (b) A supervisor receiving a complaint from any source alleging misconduct of an employee which, if true, could result in disciplinary action.
- (c) Anonymous complaints and third party complaints should be accepted and investigated to the extent that sufficient information is provided.

#### **1020.2.3 ACCEPTANCE OF COMPLAINTS**

A complaint may be filed in person, in writing, or by telephoning the Department. Although not required, every effort should be made to have the complainant appear in person. The following should be considered before taking a complaint:

- (a) Complaints shall not be prepared unless the alleged misconduct or job performance is of a nature which, if true, would normally result in disciplinary action
- (b) When an uninvolved supervisor or the Shift Sergeant determines that the reporting person is satisfied that their complaint required nothing more than an explanation regarding the proper/improper implementation of department policy or procedure, a complaint need not be taken
- (c) When the complainant is intoxicated to the point where his/her credibility appears to be unreliable, identifying information should be obtained and the person should be provided with a Personnel Complaint form
- (d) Depending on the urgency and seriousness of the allegations involved, complaints from juveniles should generally be taken only with their parents or guardians present and after the parents or guardians have been informed of the circumstances prompting the complaint

#### **1020.2.4 COMPLAINT DOCUMENTATION**

Formal complaints of alleged misconduct shall be documented by a supervisor on a personnel complaint form. The supervisor shall ensure that the nature of the complaint is defined as clearly as possible.

A supervisor may elect to document informal complaints as a supervisor or Shift Sergeant log entry.

When a Personnel Complaint form is completed in person, the complainant should legibly write a detailed narrative of his/her complaint. If circumstances indicate that this is not feasible, the complaint may be dictated to the receiving supervisor. In an effort to ensure accuracy in any complaint, it is recommended that a recorded statement be obtained from the reporting party. A refusal by a party to be recorded shall not alone be grounds to refuse to accept a complaint. Whether handwritten or dictated, the complainant's signature should be obtained at the conclusion of the statement. The complainant should be provided with a copy of his/her own original complaint per Penal Code § 832.7.

#### **1020.3 SUPERVISOR RESPONSIBILITY**

A supervisor who becomes aware of alleged misconduct shall take reasonable steps to prevent aggravation of the situation. Moreover, supervisors shall also maintain the ability to engage in the interrogation of an employee in the normal course of duty, counseling, instruction, or informal verbal admonishment, or other routine or unplanned contact (Cal. Govt. Code 3303(i)).

In general, the primary responsibility for the investigation of a personnel complaint shall rest with the employee's immediate supervisor. The Sheriff or authorized designee may,

however, direct that another supervisor investigate it. The supervisor shall be responsible for the following:

- (a) A supervisor receiving a formal complaint involving allegations of a potentially serious nature shall ensure that the Shift Sergeant, Commanding Officer and Sheriff are notified as soon as practicable.
- (b) A supervisor receiving or initiating any formal complaint shall ensure that a Personnel Complaint form has been completed as fully as possible. The original complaint form will then be directed to the Commanding Officer of the accused employee, via the chain of command, who will take appropriate action or forward the complaint to the Professional Standards Unit for further action.
  - 1. During the preliminary investigation of any complaint, the supervisor should make every reasonable effort to obtain names, addresses and telephone numbers of additional witnesses.
  - 2. Once immediate medical attention has been provided, photographs of alleged injuries as well as accessible areas of non-injury should be taken.
  - 3. In circumstances where the integrity of the investigation could be jeopardized by reducing the complaint to writing or where the confidentiality of a complainant is at issue, a supervisor shall orally report the matter to the employee's Division Commander or the Sheriff who will initiate appropriate action.
- (c) A supervisor dealing with an accused employee shall ensure that the procedural rights of the employee are followed pursuant to Government Code § 3303, et seq.
- (d) When the nature of a personnel complaint relates to sexual, racial, ethnic, or other forms of prohibited harassment or discrimination, the supervisor receiving the complaint shall promptly contact the Department of Human Resources and the Sheriff for direction regarding their role in investigation and/or addressing the complaint.

#### **1020.4 ASSIGNMENT TO ADMINISTRATIVE LEAVE**

When a complaint of misconduct is of a serious nature or when circumstances practically dictate that it would impose an unreasonable risk to the Department, the employee, other employees or the public, a supervisor may assign the accused employee to inactive duty pending completion of the investigation or the filing of administrative charges.

##### **1020.4.1 ADMINISTRATIVE LEAVE**

An employee placed on administrative leave may be subject to the following guidelines:

- (a) Under such circumstances, an employee placed on administrative leave shall continue to receive regular pay and benefits pending the imposition of any discipline
- (b) An employee placed on administrative leave may be required by a supervisor to relinquish any badge, departmental identification, assigned weapon(s) and any other departmental equipment
- (c) An employee placed on administrative leave may be ordered to refrain from taking any action as a departmental employee or in an official capacity. The employee shall be required to continue to comply with all policies and lawful orders of a supervisor
- (d) An employee placed on administrative leave may be temporarily reassigned to a different shift (generally normal business hours) during the pendency of the investigation and the employee may be required to remain available for contact at all times during such shift and report as ordered

- (e) It shall be the responsibility of the assigning supervisor to promptly notify the employee's Division Commander and the Sheriff
- (f) At such time as any employee placed on administrative leave is returned to full and regular duty, the employee shall be returned to their regularly assigned shift with all badges, identification card and other equipment returned

#### **1020.5 ALLEGATIONS OF CRIMINAL CONDUCT**

Where an employee of this department is accused of potential criminal conduct, a separate supervisor or assigned detective shall be assigned to investigate the criminal allegations apart from any administrative investigation. Any separate administrative investigation may parallel a criminal investigation.

The Sheriff shall be notified as soon as practical when an employee is formally accused of criminal conduct. In the event of serious criminal allegations, the Sheriff may request a criminal investigation by an outside law enforcement agency.

An employee accused of criminal conduct shall be provided with all rights and privileges afforded to a civilian and the employee may not be administratively ordered to provide any information to a criminal detective.

No information or evidence administratively coerced from an employee may be provided to a criminal detective.

Any law enforcement agency is authorized to release information concerning the arrest or detention of a peace officer, which has not led to a conviction, however, no disciplinary action, other than paid administrative leave shall be taken against the accused employee based solely on an arrest or crime report (Labor Code § 432.7(b)). An independent administrative investigation shall be conducted based upon the allegations in the report in accordance with department policy.

#### **1020.6 ADMINISTRATIVE INVESTIGATION OF COMPLAINT**

Whether conducted by a supervisor or an assigned member of the Professional Standards Unit, the following procedures shall be followed with regard to the accused employee(s):

- (a) Interviews of accused employees shall be conducted during reasonable hours and, if the employee is off-duty, the employee shall be compensated (Government Code § 3303(a)).
- (b) No more than two interviewers may ask questions of an accused employee (Government Code § 3303(b)).
- (c) Prior to any interview, an employee shall be informed of the nature of the investigation (Government Code § 3303(c)).
- (d) All interviews shall be for a reasonable period and the employee's personal needs shall be accommodated (Government Code § 3303(d)).
- (e) No employee shall be subjected to offensive or threatening language, nor shall any promises, rewards or other inducements be used to obtain answers. Any employee refusing to answer questions directly related to the investigation may be ordered to answer questions administratively or be subject to discipline for insubordination. Nothing administratively ordered may be provided to a criminal investigator (Government Code § 3303(e)).
- (f) Absent circumstances preventing it, the interviewer should record all interviews of employees and witnesses. The employee may also record the interview. If the

employee has been previously interviewed, a copy of that recorded interview shall be provided to the employee prior to any subsequent interview (Government Code § 3303(g)).

- (g) If the allegations involve potential criminal conduct, the employee shall be advised of his/her Constitutional rights pursuant to *Lybarger*. This admonishment shall be given administratively whether or not the employee was advised of these rights during any separate criminal investigation. (Government Code § 3303(h)).
- (h) All employees subjected to interviews that could result in punitive action shall have the right to have an uninvolved representative present during the interview. However, in order to maintain the integrity of each individual employee's statement, involved employees shall not consult or meet with a representative or attorney collectively or in groups prior to being interviewed (Government Code § 3303(i)).
- (i) All employees shall provide complete and truthful responses to questions posed during interviews.
- (j) No employee may be compelled to submit to a polygraph examination, nor shall any refusal to submit to such examination be mentioned in any investigation (Government Code § 3307).

#### **1020.6.1 ADMINISTRATIVE SEARCHES**

An employee of this department may be administratively ordered to submit to a blood, breath, or urine test for alcohol and drugs under any of the following circumstances:

- When the employee, whether on or off-duty, is involved in a shooting or police related death.
- When the employee is involved in an injury or fatal accident while on duty.
- When the employee is involved in an injury or fatal accident while operating any County owned vehicle whether on or off-duty.
- When the employee is found to be exhibiting objective symptoms of intoxication or drug influence while on duty.

The use of compelled testing results shall be restricted to the administrative investigation.

Any employee may be compelled to disclose personal financial information pursuant to proper legal process; if such information tends to indicate a conflict of interest with official duties, or, if the employee is assigned to or being considered for a special assignment with a potential for bribes (Government Code § 3308).

Employees shall have no expectation of privacy when using telephones, computers, radios or other communications provided by the Department.

Assigned lockers and storage spaces may only be administratively searched in the employee's presence, with the employee's consent, with a valid search warrant or where the employee has been given reasonable notice that the search will take place (Government Code § 3309).

All other departmentally assigned areas (e.g., desks, office space, assigned vehicles) may be administratively searched by a supervisor, in the presence of an uninvolved witness, for non-investigative purposes. (e.g., obtaining a needed report or radio). An investigative search of such areas shall only be conducted upon a reasonable suspicion that official misconduct is involved.

**Synopsis** - Provide a very brief summary of the facts giving rise to the investigation.

**Summary Of Allegations** - List the allegations separately (including applicable policy sections) with a very brief summary of the evidence relevant to each allegation. A separate recommended finding should be provided for each allegation.

#### **1020.7 DISPOSITION OF PERSONNEL COMPLAINTS**

Each allegation shall be classified with one of the following dispositions:

**EXONERATED** - When the investigation discloses that the alleged act occurred, but that the act was justified, lawful and/or proper.

**NOT SUSTAINED** - When the investigation discloses that there is insufficient evidence to sustain the complaint or fully exonerate the employee.

**SUSTAINED** - When the investigation discloses sufficient evidence to establish that the act occurred and that it constituted misconduct.

**NO FINDING** - When the complaining party either refuses to cooperate or becomes unavailable after diligent follow-up and the investigation cannot be completed.

If an investigation discloses misconduct or improper job performance which was not alleged in the original complaint, the investigator shall take appropriate action with regard to any additional allegations.

#### **1020.8 COMPLETION OF INVESTIGATIONS**

Every investigator or supervisor assigned to investigate a personnel complaint or other alleged misconduct shall proceed with due diligence in an effort to complete the investigation within one year from the date of discovery by an individual authorized to initiate an investigation. In the event that an investigation cannot be completed within one year of discovery, the assigned investigator or supervisor shall ensure that an extension or delay is warranted within the exceptions set forth in Government Code § 3304(d) or Government Code § 3508.1. If the nature of the allegations dictate that confidentiality is

Upon completion, the report should be forwarded through the chain of command to the commanding officer of the involved employee(s).

Once received, the Sheriff may accept or modify the classification and recommendation for disciplinary action contained in the report.

Within 30 days of the final review by the Sheriff, written notice of the findings shall be sent to the complaining party. This notice shall indicate the findings, however, will not disclose the amount of discipline, if any imposed. The complaining party should also be provided with a copy of his/her own original complaint (Penal Code § 832.7).

Any complaining party who is not satisfied with the findings of the Department concerning their complaint may contact the Sheriff to discuss the matter further.

#### **1020.8.1 CONFIDENTIALITY OF PERSONNEL FILES**

All investigations of personnel complaints shall be considered confidential peace officer personnel files. The contents of such files shall not be revealed to other than the involved employee or authorized personnel except pursuant to lawful process.

In the event that an accused employee (or the representative of such employee) knowingly makes false representations regarding any internal investigation and such false representations are communicated to any media source, the Department may disclose sufficient information from the employee's personnel file to refute such false representations (Penal Code § 832.5).

All formal personnel complaints shall be maintained for a period of no less than five years. (Penal Code § 832.5) All non-citizen (e.g., those that originate internally) initiated complaints shall be maintained no less than two years (Government Code § 34090 et seq.).

## Seat Belt Procedure

### **1022.1 PURPOSE AND SCOPE**

The use of seat belts and other safety restraints significantly reduces the chance of death or injury in case of a traffic collision. This policy establishes guidelines for seat belt and child safety seat use to promote maximum operator and passenger safety, thus reducing the possibility of death or injury as the result of a motor vehicle crash. This policy will apply to all employees operating or riding in department vehicles (Vehicle Code § 27315.5).

### **1022.2 WEARING OF SAFETY RESTRAINTS**

All employees shall wear properly adjusted safety restraints when operating or riding in a seat equipped with restraints, in any vehicle owned, leased or rented by this department while on- or off-duty or in any privately owned vehicle while on-duty. The employee driving such a vehicle shall ensure that all other occupants, including non-employees, are also properly restrained.

Exceptions to the requirement to wear safety restraints may be made only in exceptional situations where, due to unusual circumstances, wearing a seat belt would endanger the deputy or the public. Employees must be prepared to justify any deviation from this requirement.

#### **1022.2.1 TRANSPORTING CHILDREN**

Children under the age of 8 should be transported in compliance with California's restraint system requirements (Vehicle Code § 27360).

A child may be transported by sworn personnel without the use of a child passenger restraint system in an authorized emergency vehicle if a child passenger restraint system is unavailable and the child is secured by a seat belt (Vehicle Code § 27363(b) and Vehicle Code § 165).

Members should deactivate, if available, the passenger side airbag when appropriate, such as when transporting a rear-facing infant or child in the front seat.

### **1022.3 TRANSPORTING PRISONERS**

Whenever possible, prisoners should be secured in the prisoner restraint system in the rear seat of the patrol vehicle or, when a prisoner restraint system is not available, by seat belts. The prisoner should be in seating position for which seat belts have been provided by the vehicle manufacturer. The prisoner restraint system is not intended to be a substitute for handcuffs or other appendage restraints.

### **1022.4 INOPERABLE SEAT BELTS**

No person shall operate a department vehicle in which the seat belt in the driver's position is inoperable. No person shall be transported in a seating position in which the seat belt is inoperable.

No person shall modify, remove, deactivate or otherwise tamper with the vehicle safety belts, except for vehicle maintenance and repair staff who shall do so only with the express authorization of the Sheriff.

## **Body Armor**

### **1024.1 PURPOSE AND SCOPE**

The purpose of this policy is to provide law enforcement officers with guidelines for the proper use of body armor.

### **1024.2 POLICY**

It is the policy of the El Dorado County Sheriff's Office to maximize officer safety through the use of body armor in combination with prescribed safety procedures. While body armor provides a significant level of protection, it is not a substitute for the observance of officer safety procedures.

### **1024.3 ISSUANCE OF BODY ARMOR**

The Support Services Division shall ensure that body armor is issued to all deputies when the deputy begins service at the El Dorado County Sheriff's Office and that, when issued, the body armor meets or exceeds the standards of the National Institute of Justice.

The Support Services Division shall establish a body armor replacement schedule and ensure that replacement body armor is issued pursuant to the schedule or whenever the body armor becomes worn or damaged to the point that its effectiveness or functionality has been compromised.

#### **1024.3.1 USE OF SOFT BODY ARMOR**

Generally, the use of body armor is required subject to the following:

- (a) Deputies shall only wear agency-approved body armor.
- (b) Deputies shall wear body armor anytime they are in a situation where they could reasonably be expected to take enforcement action.
- (c) Deputies may be excused from wearing body armor when they are functioning primarily in an administrative or support capacity and could not reasonably be expected to take enforcement action.
- (d) Body armor shall be worn when a deputy is working in uniform or taking part in Department range training.
- (e) A deputy may be excused from wearing body armor when he/she is involved in undercover or plainclothes work that his/her supervisor determines could be compromised by wearing body armor, or when a supervisor determines that other circumstances make it inappropriate to mandate wearing body armor.

#### **1024.3.2 INSPECTIONS OF BODY ARMOR**

Supervisors should ensure that body armor is worn and maintained in accordance with this policy through routine observation and periodic documented inspections. Annual inspections of body armor should be conducted by an authorized designee for fit, cleanliness, and signs of damage, abuse and wear.

#### **1024.3.3 CARE AND MAINTENANCE OF SOFT BODY ARMOR**

Soft body armor should never be stored for any period of time in an area where environmental conditions (e.g., temperature, light, humidity) are not reasonably controlled

(e.g., normal ambient room temperature/humidity conditions), such as in automobiles or automobile trunks.

Soft body armor should be cared for and cleaned pursuant to the manufacturer's care instructions provided with the soft body armor. The instructions can be found on labels located on the external surface of each ballistic panel. The carrier should also have a label that contains care instructions. Failure to follow these instructions may damage the ballistic performance capabilities of the armor. If care instructions for the soft body armor cannot be located, contact the manufacturer to request care instructions.

Soft body armor should not be exposed to any cleaning agents or methods not specifically recommended by the manufacturer, as noted on the armor panel label.

Soft body armor should be replaced in accordance with the manufacturer's recommended replacement schedule.

#### **1024.4 ARMORER/RANGEMASTER RESPONSIBILITIES**

The Armorer/Rangemaster should:

- (a) Monitor technological advances in the body armor industry for any appropriate changes to Department approved body armor.
- (b) Assess weapons and ammunition currently in use and the suitability of approved body armor to protect against those threats.
- (c) Provide training that educates deputies about the safety benefits of wearing body armor.

## **Meal Periods and Breaks**

### **1034.1 PURPOSE AND SCOPE**

This policy regarding meals and breaks, insofar as possible shall conform to the policy governing all County employees that has been established by the Chief Administrative Officer.

#### **1034.1.1 MEAL PERIODS**

Sworn employees and dispatchers shall remain on duty subject to call during meal breaks. All other employees are not on call during meal breaks unless directed otherwise by a supervisor.

Patrol deputies shall notify Central Dispatch prior to taking a meal period. Uniformed deputies shall take their breaks within the County limits unless on assignment outside of the County.

The time spent for the meal period shall not exceed the authorized time allowed.

#### **1034.1.2 15 MINUTE BREAKS**

Each employee is entitled to a 15 minute break, near the mid point, for each four-hour work period. Only one 15 minute break shall be taken during each four hours of duty. No breaks shall be taken during the first or last hour of an employee's shift unless approved by a supervisor.

Employees normally assigned to the sheriff's facility shall remain in the sheriff's facility for their breaks. This would not prohibit them from taking a break outside the facility if on official business.

Field deputies will take their breaks in their assigned areas, subject to call and shall monitor their radios. When field deputies take their breaks away from their vehicles, they shall do so only with the knowledge and clearance of Central Dispatch.

#### **1034.1.3 NUMBER OF EMPLOYEES ALLOWED**

No more than three EDSO distinguishable deputies and/or correctional officers shall take meal periods or breaks at the same facility at the same time.

No more than two distinguishable Sheriff's vehicles shall be at the same facility at the same time.

## **Lactation Break Policy**

### **1035.1 PURPOSE AND SCOPE**

The purpose of this policy is to provide reasonable accommodations to employees desiring to express breast milk for the employee's infant child (29 USC § 207 and Labor Code §§ 1030-1032).

### **1035.2 POLICY**

It is the policy of this department to provide, in compliance with the Fair Labor Standards Act, reasonable break time and appropriate facilities to accommodate any employee desiring to express breast milk for her nursing infant child (29 USC § 207 and Labor Code § 1030).

### **1035.3 LACTATION BREAK TIME**

A rest period should be permitted each time the employee has the need to express breast milk (29 USC § 207). In general, lactation breaks that cumulatively total 30 minutes or less during any four-hour work period or major portion of a four-hour work period would be considered reasonable. However, individual circumstances may require more or less time. Such breaks, if feasible, should be taken at the same time as the employee's regularly scheduled rest or meal periods.

While a reasonable effort will be made to provide additional time beyond authorized breaks, any such time exceeding regularly scheduled and paid break time will be unpaid (Labor Code § 1030).

Employees desiring to take a lactation break shall notify Central Dispatch or a supervisor prior to taking such a break. Such breaks may be reasonably delayed if they would seriously disrupt department operations (Labor Code § 1032).

Once a lactation break has been approved, the break should not be interrupted except for emergency or exigent circumstances.

### **1035.4 PRIVATE LOCATION**

The Department will make reasonable efforts to accommodate employees with the use of an appropriate room or other location to express milk in private. Such room or place should be in close proximity to the employee's work area and shall be other than a bathroom or toilet stall. The location must be shielded from view and free from intrusion from co-workers and the public (29 USC § 207 and Labor Code § 1031).

Employees occupying such private areas shall either secure the door or otherwise make it clear to others that the area is occupied with a need for privacy. All other employees should avoid interrupting an employee during an authorized break, except to announce an emergency or other urgent circumstance.

Authorized lactation breaks for employees assigned to the field may be taken at the nearest appropriate private area.

#### **1035.5 STORAGE OF EXPRESSED MILK**

Any employee storing expressed milk in any authorized refrigerated area within the Department shall clearly label it as such and shall remove it when the employee ends her shift.

## **Payroll Record Procedures**

### **1036.1 PURPOSE AND SCOPE**

Payroll records are submitted to Administrative Services on a bi-weekly basis for the payment of wages.

#### **1036.1.1 RESPONSIBILITY FOR COMPLETION OF PAYROLL RECORDS**

Employees are responsible for the accurate and timely submission of payroll records for the payment of wages.

All supervisors/managers responsible for signing and approving time cards are responsible for ensuring the accuracy of the employee's time card, including the hours worked, time off, and ensuring that all overtime was authorized and in accordance with Sheriff's Office and County policies.

#### **1036.1.2 TIME REQUIREMENTS**

All employees are paid on a bi-weekly basis on Friday, with certain exceptions such as holidays. Payroll records shall be completed and submitted to Administrative Services no later than 8:00 a.m. on the Friday morning before the end of the pay period, unless specified otherwise.

When employees' time sheets are listed as "Approved" in the Kronos/TeleStaff system, Sheriff's payroll staff will print the time card and change the status to "Payroll Preparation". Any changes to time sheets after the status has been updated to "Payroll Preparation" must be made using the "Amendment to Time Card" form located in Google Shared Documents. It is the employee's responsibility to ensure that all corrections are properly entered into TeleStaff.

"Amendment to Time Card" forms must be signed by a supervisor, then FAXed to as soon as possible to Sheriff's Payroll at 530-642-9473. The completed form and FAX receipt will be given to the Administrative Sergeant or other supervisor responsible for payroll in the employee's department.

"Amendment to Time Card" forms received prior to noon on the Saturday following the last day of the pay period shall be processed by Sheriff's Payroll immediately. Forms received by Sheriff's Payroll after noon on the Saturday following the last day of the pay period will be processed with the next pay period. (See example)

Example: The employee works overtime after his/her time card has been updated to PAYROLL PREPARATION in pay period 10. He/she submits an Amendment to Time Card form after noon on the Saturday following the end of the pay period. The overtime will be included in pay period 11 as it would have been paid in pay period 10, even if there is time off in pay period 11.

If there is a County Holiday in the pay period, the above times may change. Employees will be notified via an Information Bulletin of any changes to due dates and times.

## Overtime Payment

### **1038.1 PURPOSE AND SCOPE**

It is the policy of the Department to compensate non-exempt salaried employees who work authorized overtime either by payment of wages as agreed and in effect through their Memorandum of Understanding (MOU), or by the allowance of accrual of compensatory time off. In order to qualify for either, the employee must complete and submit an EDSO Timesheet reflecting the hours worked and the overtime code.

#### **1038.1.1 DEPARTMENT POLICY**

Because of the nature of police work, and the specific needs of the Department, a degree of flexibility concerning overtime policies must be maintained.

Non-exempt employees are not authorized to volunteer work time to the Department. All overtime requests must be expressly approved by a supervisor in advance. If circumstances do not permit prior approval, then approval shall be sought as soon as practical during the overtime shift and in no case later than the end of shift in which the overtime is worked.

Short periods of work at the end of the normal duty day (e.g., less than one hour in duration) may be handled unofficially between the supervisor and the employee by flexing a subsequent shift schedule to compensate for the time worked rather than by submitting requests for overtime payments. If the supervisor authorizes or directs the employee to complete a form for such a period, the employee shall comply.

The individual employee may request compensatory time in lieu of receiving overtime payment, however, the employee may not exceed the amount established in their respective MOU.

### **1038.2 OVERTIME AUTHORIZATION**

Employees shall have all overtime verified and signed by their immediate supervisor, or other authorized supervisor in his/her absence, before submitting the EDSO Time sheet to Payroll. Failure to follow this procedure may result in a delay or denial of compensation.

#### **1038.2.1 SUPERVISORS RESPONSIBILITY**

The supervisor who verifies the overtime earned shall verify that the overtime was worked before approving the request.

### **1038.3 ACCOUNTING FOR OVERTIME WORKED**

Employees are to record the actual time worked in an overtime status. In some cases, the Memorandum of Understanding provides that a minimum number of hours will be paid, (e.g., two hours for Call-back compensation, three hours for Court). Supervisor approval must be obtained in each case.

#### **1038.3.1 ACCOUNTING FOR PORTIONS OF AN HOUR**

When accounting for less than a full hour, time worked shall be rounded up to the nearest fourth of an hour as indicated by the following chart:

# El Dorado County Sheriff's Office

## Policy Manual

| 46 to 60 minutes   | 1 hour                  |

#### **1038.3.2 VARIATION IN TIME REPORTED**

Where two or more employees are assigned to the same activity, case, or court trial and the amount of time for which payment is requested varies from that reported by the other deputy, the Shift Sergeant or other approving supervisor may require each employee to include the reason for the variation on the back of the overtime payment request.

#### **1038.4 SCHEDULING FOR TRAINING**

(a) Employees attending a training, class or conference of five (5) or more days shall have their work schedule adjusted to match the class schedule. For example, an employee working a 12-hour schedule or a 4/10 schedule with a paid lunch hour, who is assigned to attend a 5-day class, shall have his or her schedule changed to 5/8 without a paid lunch for that week. Pursuant to Section 18 of the MOU with the Deputy Sheriff's Association, Section 1 of Article 7 of the MOU with the El Dorado County Employees' Association and Section 1 of Article 7 of the MOUs with the Operating Engineers' Local 3, the Training Section will notify the employee of the schedule change when the employee is notified of approved training. Requests for training must be submitted thirty (30) days in advance to ensure that timely notice can be given. Requests submitted less than thirty (30) days in advance will be denied unless the employee is willing to waive notice or the Division Commander authorizes any resulting overtime.

Whenever possible, an employee who is assigned to one shift and who must attend a training session during another shift shall have his or her work schedule adjusted by his or her supervisor so that the shift on which training is provided is the employee's regular shift for that day. Appropriate notice must be given to the employee pursuant to the applicable MOU. Supervisors will be held responsible for failing to make such schedule changes if overtime charges are incurred which could have been avoided.

(b) Travel time between an employee's home and the location of a training course, class or conference will be treated as normal commuting time and such time will not be compensated unless and to the extent that it cuts across the employee's then-assigned work hours.

(c) Compensation will not be paid for employee's travel to a location where he or she must stay overnight to attend training, classes or conferences, unless the travel time cuts across the employee's assigned work hours in a work day or cuts across corresponding work hours on non-working days.

(d) Compensation related to travel time for trainings, classes or conferences not addressed in subsections (b) or (c) above, will be treated as follows: Travel time to and from an

approved training, class or conference will not be compensated unless and to the extent that it cuts across the employee's then-assigned work schedule for the day. As to travel time for a training, class or conference that exceeds the employee's then-assigned work schedule for the day, only the driver who is using their own car instead of public transportation, for authorized overnight travel to and from the training, class or conference location, and not employees who are passengers in any mode of travel, shall have that period of travel included for purposes of computing any overtime compensation due for the relevant pay period.

(e) Only one vehicle traveling to a single destination will be authorized, unless more than four employees are traveling to a single location and a second vehicle is required to accommodate all of the employees. Travel shall be accomplished in the most economical, reasonable manner available, and should an employee select some other means of transportation, any required reimbursement or compensation shall not exceed the amount of the most economical means of transportation.

(f) This policy shall apply and be implemented in accordance with FLSA requirements.

#### **1038.5 VACATION/COMPENSATORY TIME OFF**

Employees shall not be granted vacation and/or compensatory time off and then allowed to work that same shift and earn overtime. Approval of vacation and/or compensatory time off shall be deemed withdrawn if the employee ultimately works the shift for which they have requested time off. For example, a Deputy assigned to a day shift in Patrol may not take the day shift off as vacation or compensatory time off and then work that day shift for the Transportation Section and be paid at an overtime rate.

#### **1038.6 RESPONSIBILITY FOR COMPLIANCE**

Supervisors and managers shall be responsible for insuring compliance with the provisions of this Policy. The Department's Payroll Section shall bring any apparent violations of the Policy to the attention of the responsible supervisor or manager who shall take necessary corrective action.

## Outside Employment

### 1040.1 PURPOSE AND SCOPE

In order to avoid actual or perceived conflicts of interest for departmental employees engaging in outside employment, all employees shall obtain written approval from the Sheriff prior to engaging in any outside employment. Approval of outside employment shall be at the discretion of the Sheriff in accordance with the provisions of this policy.

#### 1040.1.1 DEFINITIONS

**Outside Employment** - Any member of this department who receives wages, compensation or other consideration of value from another employer, organization or individual not affiliated directly with this department for services, product(s) or benefits rendered. For purposes of this section, the definition of outside employment includes those employees who are self-employed and not affiliated directly with this department for services, product(s) or benefits rendered.

**Outside Overtime** - Any member of this department who performs duties or services on behalf of an outside organization, company, or individual within this jurisdiction. Such outside overtime shall be requested and scheduled directly through this department so that the Department may be reimbursed for the cost of wages and benefits.

### 1040.2 OBTAINING APPROVAL

No member of this department may engage in any outside employment without first obtaining prior written approval of the Sheriff. Failure to obtain prior written approval for outside employment or engaging in outside employment prohibited by this policy may lead to disciplinary action.

In order to obtain approval for outside employment, the employee must submit a memorandum describing the nature of the employment to the employee's immediate supervisor. The memorandum will then be forwarded through channels to the Sheriff for consideration.

If approved, the employee will be provided with a copy of the approved memorandum. Unless otherwise indicated in writing on the approved memorandum, it will be valid through the end of the calendar year in which approved. Any employee seeking the renewal of authorization shall submit a new memorandum each year.

Any employee seeking approval of outside employment, whose request has been denied, shall be provided with a written reason for the denial of the application at the time of the denial (Penal Code § 70(e)(3)).

#### 1040.2.1 APPEAL OF DENIAL OF OUTSIDE EMPLOYMENT

If an employee's Outside Employment Request is denied or withdrawn by the Department, the employee may file a written notice of appeal to the Sheriff within ten days of the date of denial.

If the employee's appeal is denied, the employee may file a grievance pursuant to the procedure set forth in the current Memorandum of Understanding (MOU).

#### **1040.2.2 REVOCATION/SUSPENSION OF OUTSIDE EMPLOYMENT**

Any permission for outside employment may be revoked or suspended under the following circumstances:

- (a) Should an employee's performance at this department decline to a point where it is evaluated by a supervisor as needing improvement to reach an overall level of competency, the Sheriff may, at his or her discretion, revoke any previously approved outside employment permission. That revocation will stand until the employee's performance has been reestablished at a satisfactory level and his/her supervisor recommends reinstatement of permission for outside employment
- (b) Suspension or revocation of a previously approved outside employment permission may be included as a term or condition of sustained discipline
- (c) If, at any time during the term of valid permission for outside employment, an employee's conduct or outside employment conflicts with the provisions of department policy, the permission may be suspended or revoked
- (d) When an employee is unable to perform at a full duty capacity due to an injury or other condition, any previous approval for outside employment may be subject to similar restrictions as those applicable to the employee's full time duties until the employee has returned to a full duty status

#### **1040.3 PROHIBITED OUTSIDE EMPLOYMENT**

Consistent with the provisions of Government Code § 1126, the Department expressly reserves the right to deny any Outside Employment Application submitted by an employee seeking to engage in any activity which:

- (a) Involves the employee's use of departmental time, facilities, equipment or supplies, the use of the Department badge, uniform, prestige or influence for private gain or advantage
- (b) Involves the employee's receipt or acceptance of any money or other consideration from anyone other than this department for the performance of an act which the employee, if not performing such act, would be required or expected to render in the regular course or hours of employment or as a part of the employee's duties as a member of this department
- (c) Involves the performance of an act in other than the employee's capacity as a member of this department that may later be subject directly or indirectly to the control, inspection, review, audit or enforcement of any other employee of this department
- (d) Involves time demands that would render performance of the employee's duties for this department less efficient

#### **1040.3.1 OUTSIDE SECURITY AND PEACE OFFICER EMPLOYMENT**

Consistent with the provisions of Penal Code § 70, and because it would further create a potential conflict of interest, no member of this department may engage in any outside or secondary employment as a private security guard, private investigator or other similar private security position.

Any private organization, entity or individual seeking special services for security or traffic control from members of this department must submit a written request to the Sheriff in advance of the desired service. Such outside extra duty overtime assignments will be assigned, monitored and paid through the Department.

#### **1040.3.2 OUTSIDE OVERTIME ARREST AND REPORTING PROCEDURE**

Any employee making an arrest or taking other official police action while working in an approved outside overtime assignment shall be required to complete all related reports in a timely manner pursuant to department policy. Time spent on the completion of such reports shall be considered incidental to the outside overtime assignment.

#### **1040.4 DEPARTMENT RESOURCES**

Employees are prohibited from using any department equipment or resources in the course of or for the benefit of any outside employment. This shall include the prohibition of access to official records or databases of this department or other agencies through the use of the employee's position with this department.

##### **1040.4.1 REVIEW OF FINANCIAL RECORDS**

Employees approved for outside employment expressly agree that their personal financial records may be requested and reviewed/audited for potential conflict of interest (Government Code § 3308; Government Code § 1126). Prior to providing written approval for an outside employment position, the Department may request that an employee provide his/her personal financial records for review/audit in order to determine whether a conflict of interest exists. Failure of the employee to provide the requested personal financial records could result in denial of the off-duty work permit. If, after approving a request for an outside employment position, the Department becomes concerned that a conflict of interest exists based on a financial reason, the Department may request that the employee provide his/her personal financial records for review/audit. If the employee elects not to provide the requested records, his/her off-duty work permit may be revoked pursuant to § 1040.2.2(c) of this policy.

#### **1040.5 CHANGES IN OUTSIDE EMPLOYMENT STATUS**

If an employee terminates his or her outside employment during the period of valid permission, the employee shall promptly submit written notification of such termination to the Sheriff through channels. Employees shall also promptly submit in writing to the Sheriff any material changes in outside employment including any change in the number of hours, type of duties, or demands of any approved outside employment. Employees who are uncertain whether a change in outside employment is material are advised to report the change.

#### **1040.6 OUTSIDE EMPLOYMENT WHILE ON DISABILITY**

Department members engaged in outside employment who are placed on disability leave or modified/light-duty shall inform their immediate supervisor in writing within five days whether or not they intend to continue to engage in such outside employment while on such leave or light-duty status. The immediate supervisor shall review the duties of the outside employment along with any related doctor's orders, and make a recommendation to the Sheriff whether such outside employment should continue.

In the event the Sheriff determines that the outside employment should be discontinued or if the employee fails to promptly notify his/her supervisor of his/her intentions regarding their outside employment, a notice of revocation of the member's permission for outside employment will be forwarded to the involved employee, and a copy attached to the original outside employment request.

Criteria for revoking permission for outside employment include, but are not limited to, the following:

- (a) The outside employment is medically detrimental to the total recovery of the disabled member, as indicated by the County's professional medical advisors.
- (b) The outside employment performed requires the same or similar physical ability, as would be required of an on-duty member.

## On Duty Injuries

### 1042.1 PURPOSE AND SCOPE

The purpose of this policy is to provide for the reporting of on-duty injuries, occupational illnesses, or deaths to Risk Management, to ensure proper medical attention is received, and document the circumstances of the incident.

### 1042.2 WORKER'S COMPENSATION FUND REPORTS

#### 1042.2.1 INJURIES REQUIRING MEDICAL CARE

All work related injuries and work related illnesses requiring medical care must be reported to the "Company Nurse" and a DWC-1 claim form shall be provided to the injured employee within 24 hours from the time the injury was discovered, or at the time the "Company Nurse" is called and the supervisor is notified.

#### 1042.2.2 ACCIDENT DEFINED

**Accident** - is defined as any occurrence from which bodily injury or property damage may result, regardless of whether any injury or damage actually does occur (e.g., exposure where no immediate injury is apparent).

#### 1042.2.3 EMPLOYEE'S RESPONSIBILITY

Any employee sustaining any work-related injury or illness, as well as any employee who is involved in any accident while on duty shall report such injury, illness or accident within 24 hours of incident or as soon as practical to his/her supervisor and the "Company Nurse".

Any employee observing or learning of a potentially hazardous condition is to promptly report the condition to his/her immediate supervisor.

Any employee sustaining a work-related injury or illness that requires relief from duty is required to be examined/treated by a doctor.

Any employee sustaining a work-related injury or illness that requires relief from duty is also required to comply with departmental policies and directives relating to the duty to periodically call in during absences, as well as the duty to notify the Department of any change in condition or anticipated duration of the absence.

When appropriate, an employee being treated for an on-duty injury should inform the attending physician that a modified duty assignment may be available at the Department. Limited-service duty may be available for the employees whose injuries prevent resumption of regular duties.

An injured employee or employee who has suffered a work-related illness shall report as soon as practical to his/her immediate supervisor the extent and duration of any work restrictions if they are known. In addition, such employees are required to promptly submit all medical releases, whether partial or full releases, to their supervisor.

#### **1042.2.4 SUPERVISOR'S RESPONSIBILITY**

A supervisor learning of any work-related injury, illness or accident shall promptly prepare the appropriate forms as outlined under this policy. Updated copies of forms with instructions for completion provided by Risk Management are kept in the Sergeant's office.

When an accident, injury, or illness is reported initially to the "Company Nurse" and the employee subsequently requires professional medical care, the State of California Employer's Report of Occupational Injury or Illness form shall then be completed. The injured employee shall also sign the form in the appropriate location.

Every injured employee must be provided with an Employee's Claim for Workers' Compensation Benefits Form (DWC-1) within 24 hours, regardless of the nature of illness or injury.

#### **1042.2.5 SHERIFF RESPONSIBILITY**

The Sheriff, or his/her designee, shall review and forward copies of the DWC-1 report to the Department of Human Resources. Any copies of the report and any related documents retained by the Department shall be filed in the employee's confidential medical file and not in the employee's personnel file (see Policy Manual § 1026).

#### **1042.3 INJURY NOT REQUIRING MEDICAL ATTENTION**

By notifying "Company Nurse", the employee will not preclude his/her ability to seek medical attention later.

#### **1042.4 SETTLEMENT OF INJURY CLAIMS**

Occasionally, an employee's work-related injury results from the negligent or wrongful acts of another, for which the employee, the County, and/or other insurers are entitled to recover civilly. ##### **1042.4.2 NO SETTLEMENT WITHOUT PRIOR APPROVAL**

No less than ten (10) days prior to accepting and finalizing the settlement of any third party claim arising out of or related to an on duty injury, the employee shall provide the Sheriff with written notice of the proposed terms of such settlement. In no case shall the employee accept a settlement without first providing such written notice to the Sheriff. The purpose of such notice to permit the County to determine whether or not the offered settlement will affect any claim the County may have regarding payment for damage(s) to equipment or reimbursement for wages against the person who caused the accident or injury and to protect the County's right of subrogation, while ensuring that the employee's rights to receive compensation for injuries are not affected.
