

**NOTICE OF PUBLIC HEARING**  
**El Dorado County**  
**Air Quality Management District**  
**Proposed Ozone Emergency Episode Plan for**  
**El Dorado County**

**NOTICE IS HEREBY GIVEN** that the El Dorado County Air Quality Management District (AQMD) Board of Directors has scheduled a public hearing on Tuesday, January 12, 2016, at the El Dorado County Board of Supervisor's Hearing Room, 330 Fair Lane, Placerville, California, at 8 AM or thereafter. The Board of Directors will consider adopting the Ozone Emergency Episode Plan (the "Plan") in order to comply with the Federal Clean Air Act for prevention of air pollution emergency episodes.

Under the federal Clean Air Act, areas that 1) do not attain the federal standards for ozone and 2) have one-hour concentrations above 0.10 parts per million (ppm) are required to develop a plan to prevent ozone concentrations from reaching the significant harm level of 0.6 ppm, averaged over two hours. Since El Dorado County is classified as non-attainment for the 2008 federal ozone 8-hour average standard and has more than one day with the maximum hourly concentration greater than 0.10 ppm between 2011 and 2012, the AQMD is required to prepare an Ozone Emergency Episode Plan for El Dorado County.

NOTICE IS FURTHER GIVEN that if adopted, the Plan will be submitted through the California Air Resources Board (CARB) to the United States Environmental Protection Agency.

NOTICE IS FURTHER GIVEN that all interested persons may examine the Plan and associated documents at the office of the Air Quality Management District, 330 Fair Lane, Building A, Placerville, CA 95667 from 8:00 AM to 5:00 PM Monday through Friday by advance appointment. The Plan is also available for review at the following web address <http://www.edcgov.us/AirQualityManagement>. You may also request a copy at the district office listed below. Please provide any comments on the Plan in writing at 330 Fair Lane, Placerville, CA 95667 or via [aqmd@edcgov.us](mailto:aqmd@edcgov.us). The Plan will be considered for adoption by the AQMD Board of Directors during the public hearing on January 12, 2016. Please contact Adam Baughman at (530) 621-7501 if you have any questions or to make an appointment.
