El Dorado County to Perform Road Work Class II Bikeway Project - Green Valley Road from Loch Way to Pleasant Grove Middle School April 11 - 22, 2016

April 5, 2016

The Transportation Division of El Dorado County's Community Development Agency will be performing road work on Green Valley Road between Loch Way to Pleasant Grove Middle School east of El Dorado Hills, beginning on April 11, 2016 and continuing through April 22, 2016. The construction work will require lane closures with one-way reversing traffic control for which motorists should expect delays.

The closures are necessary to ensure motorist and worker safety while the County's contractor performs work on the roadway. The improvements include installing Class II bike lane striping, widening shoulders with hot mix asphalt, and installing bike lane signs.

Motorists are advised to slow down through the work zone and expect delays during reversing traffic control. Motorists are also advised to allow extra time when traveling through the work zone in order to arrive at their destinations on time. Traffic control is expected to be in effect from approximately 8:00 a.m. to 3:00 p.m., Monday through Friday. Portable changeable message signs will be placed at each end of the work zone to keep motorists updated on the schedule for closures.

The County sincerely appreciates the cooperation and patience of motorists that use these roadway facilities.

For questions regarding this construction, please contact the Transportation main line at (530) 621-5900.
