**WHEREAS**, adoption of revised Rule 523-1 is exempt from the California Environmental Quality Act (CEQA), under Section 15308 of the State CEQA Guidelines as an action by a regulatory agency for the protection of the environment; and under Section 15061(b)(3) of the State CEQA Guidelines as an action that can be seen with certainty that there is no possibility that such actions may have a significant adverse effect on the environment.
