

Request for Proposals

El Dorado County Air Quality Management District

Motor Vehicle Emission Reduction

Electric Vehicle Charging Station Projects 2021

Background

In 1990, Assembly Bill 2766 (AB 2766) was adopted into the California Health and Safety Code. AB 2766 authorized the Department of Motor Vehicles (DMV) to collect a motor vehicle registration clean air surcharge of \$4 per vehicle. Revenues generated from the surcharge are utilized by the Air Quality Management District (AQMD) for grant programs that reduce air pollution from motor vehicles in order to implement the California Clean Air Act and internal operations. Grant programs include alternative fueled vehicles, electric vehicle infrastructure, shuttles, park and ride facilities, bike trails, dirt road paving, and others. With the recent passage of SB513, the Carl Moyer Air Quality Standards Attainment Program (Moyer) can also provide funding for electric vehicle infrastructure projects (Health and Safety Code section 44281c).

Purpose

This is a competitive grant program designed to improve air quality. The AQMD's goal is to further reduce motor vehicle emissions by establishing Electric Vehicle Supply Equipment (EVSE) or chargers throughout the County at retail business locations and points of interest. Projects will be evaluated by AQMD staff, ranked and presented to the El Dorado County Air Quality Management Air Pollution Control Officer (APCO) for award consideration.

Grant Funding

Approximately \$100,000 will be available for the period authorized by the AQMD Board of Directors (through 6/30/22). Grant funds will cover the cost of charger equipment and installation up to \$5,000 per Level 2 EVSE charging station, up to a maximum of ten (10) EVSE charging stations per applicant. The APCO reserves the right to approve proposals, reject proposals, or fund an amount less than the amount requested. **Proposals will be accepted until Wednesday, June 30, 2021.**

Matching Funds

As a project match, applicants must agree to:

- Install EVSE under a building permit from the agency having jurisdiction.
- Make the chargers available for public use during normal business hours for a minimum of five (5) years.
- Provide electricity free of charge to the public for a minimum of two (2) years.
- Provide electricity service to the charging stations.
- Designate parking space(s) for electric vehicles.
- Ensure at least one of the chargers is ADA van accessible. It does not have to be an exclusive ADA space. If installing more than four (4) EVSE, a second EVSE must also be ADA accessible.

- Provide funding for any and all project costs in excess of amount provided by AQMD.
- Maintain chargers according to manufacturer's recommendations, including repairs if needed.
- Allow the placement of signage on or near the EVSE acknowledging that funding was provided by AQMD.
- Annually provide AQMD with equipment usage data, if available.

Applicant Eligibility

Retail business operators, owners, and retail commercial property owners located within El Dorado County are eligible to apply for these grants. El Dorado County jurisdictions including: cities, special districts, other political subdivisions and jurisdictions joined together by JPAs or MOUs, and non-profit organizations are also eligible to apply for these grants.

Payment of Grant Funds

Grantees must obtain a minimum of two quotes from two independent licensed electrical contractors for the purchase and installation of EVSE and provide them to AQMD. Grant funds will provide 80% of the low bid (up to \$4,000 per charger) in advance. The balance will be paid on a reimbursement basis for the actual eligible costs directly related to the implementation of the project as approved in the Contract. All payment requests must include an itemization with documentation of claimed expenses (e.g., itemized receipts, proof of payment invoices, etc.). The AQMD shall not under any circumstances reimburse Contractor for commitments made by Contractor for services not performed or materials not received.

Reporting Requirements

The AB 2766 grant is performance based. Periodic performance reports are required to ensure projects are on schedule and within parameters approved by AQMD. Grantees must annually report any equipment breakdowns and an estimate and any recorded data of EVSE usage.

Grant Term

The grant term is from the Notice to Proceed date through (6) six months later. All costs must be incurred during this term. The final payment request is due two months after the end of the grant term. Failure to submit final payment request and final report with appropriate documentation by the due date may result in Payment Request rejection and forfeiture of claims for costs incurred.

Proposals

Proposal submittal constitutes an agreement to all conditions set forth in the RFP. Proposals must include all required information, letters of support, and technical appendices as follows:

Project Summary (Attachment 1) - Provide basic information indicated, including contact information, site address, the number of chargers to be installed, an estimate of the number of customer vehicle trips to the site on an annual basis, and an estimate of how many customers will utilize the proposed EVSE on an annual basis.

Map – An aerial map (satellite view from an internet based map) with the proposed charger location(s) identified.

Public Agency Authorization Letter/Resolution – Public agency applicants must provide a governing body letter/resolution authorizing proposal submittal. Authorization must identify grant administrator. For joint proposals, the authorization must be signed by an authorized representative from each entity.

Funding Request/Breakdown of Cost - Include amount of money requested from AB 2766 DMV Surcharge fund and total project cost. Itemize the equipment to be purchased and the installation labor cost.

Match Requirement – State commitment to comply with the matching requirement and agree to acknowledge that project was funded by AQMD, by allowing the placement of a sign on the EVSE equipment.

Cost Estimates – **Provide a minimum of two quotes from two distinct licensed electricians for the equipment and installation.**

Evaluation

Proposals will be evaluated based upon the estimated number of customer vehicle trips and the distance from other public chargers located in El Dorado County. AQMD will, in its sole discretion, determine which project(s) will make the best use of grant funds. The decisions of APCO are final.

Respondents are advised that:

- Responses will be accepted on a continuous basis after RFP is released up until the deadline.
- Incomplete responses will not be accepted.
- All components of the proposal are mandatory.
- Failure to include all requested information may result in rejection.
- Minor or inconsequential deviations may be waived by the APCO.
- AQMD reserves the right to reject any and all of the responses to the RFP.

Additional advance payments will not be permitted.

AQMD will reimburse Grantee, in arrears, for all the remaining Project costs. Reimbursable items include installed materials, equipment, labor, and permits required for installation. Reimbursement will occur after receipt, verification, and approval of submitted invoices. Attn: Dave Johnston, Air Pollution Control Officer

Upon receipt of proper documentation and verification that Grantee has satisfactorily completed the work for which compensation is sought, and that the work is in accordance with ARTICLE II, Scope of Work, AQMD will issue payment to Grantee within thirty (30) calendar days of verification and approval.

The total obligation of AQMD under this Agreement shall not exceed ten thousand dollars (\$_____), inclusive of all expenses.

The amount to be paid to Grantee under this Agreement includes all sales and use taxes incurred pursuant to this Agreement, if any, including any such taxes due on equipment purchased by Grantee.

Any compensation under this Agreement, which is not expended by Grantee pursuant to the terms and conditions of this Agreement by the Project completion date, shall automatically revert to AQMD. Only expenditures incurred by the Grantees in the direct performance of this Agreement will be reimbursed by AQMD.

ARTICLE IV

Taxes: Grantee certifies that as of today's date, they are not in default on any unsecured property taxes or other taxes or fees owed by Grantee to County of El Dorado or AQMD. Grantee agrees that it shall not default on any obligations to County of El Dorado or AQMD during the term of this Agreement.

ARTICLE V

Rights to Emission Reductions: Grantee transfers and conveys to AQMD all rights and claims to ownership of the emission reductions achieved through the installation and operation of any electric vehicle charging station or any installation supplies funded by this Agreement. Grantee shall not use or attempt to use the emission reductions achieved by the Project as emission reduction credits. Grantee hereby fully and completely relinquishes such rights for the useful life of the Project.

ARTICLE VI

Accident Prevention: Grantee shall exercise all reasonable and necessary precautions for the protection of persons and property. All care shall be employed to ensure that the work proceeds under the highest standards of safety and prudence, and in compliance with all applicable laws and regulations.

ARTICLE VII

Compliance with Applicable Laws: Grantee shall comply with all federal, State, and local laws and ordinances which are or may be applicable to the Project to be undertaken by Grantees including but not limited to California Health and Safety Code sections 44220 et seq, all Air Resources Board and AQMD criteria thereunder, prevailing wage and work day definitions where applicable, Government Code Section 8546.7, contracting license requirements and permits.

ARTICLE VIII

Prevailing Wage: Grantee or its Contractors shall comply with all applicable state and federal prevailing wage rates, statutes, rules, and regulations, including the requirement to register with the Department of Industrial Relations for work under this Agreement requiring the payment of prevailing wages. Grantee or their Contractors, as applicable, shall use the general prevailing wage rates determined by the Director of Industrial Relations for the county in which the work is to be done, which are available at the principal office of County's Community Development Services. Changes, if any, to the general prevailing wage rates will be available at the same location.

Future effective general prevailing wage rates which have been predetermined and are on file with the California Department of Industrial Relations are referenced but not printed in the general prevailing wage rates.

Grantee or its Contractors, as applicable, shall comply with all applicable wage requirements, as set forth in Labor Code Sections 1770 et seq., 1773.2, 1775, 1776, 1810 and 1813 for work performed under this Agreement. In accordance with the provisions of Labor Code Section 1810, eight (8) hours of labor shall constitute a legal day's work upon all work done hereunder, and Grantee or their Contractors, as applicable, shall also conform to and be bound by the provisions of Labor Code Sections 1810 through 1815.

ARTICLE IX

Non-Allocation of Funds: The terms of this Agreement and the services to be provided thereunder are contingent on the approval of funds by the appropriating

government agency. Should sufficient funds not be allocated, the services provided may be modified or this Agreement terminated at any time by giving Grantee thirty (30) days prior written notice.

ARTICLE X

Changes to Agreement: This Agreement may be amended by mutual consent of the Contract Administrators. Said amendments shall become effective only when in writing and fully executed by the Contract Administrators.

ARTICLE XI

Confidentiality: Grantee shall maintain the confidentiality and privileged nature of all records, including billing records, together with any knowledge therein acquired, in accordance with all applicable state and federal laws and regulations, as they may now exist or may hereafter be amended or changed. Grantee, and all Grantee's staff, employees, and representatives, shall not use or disclose, directly or indirectly at any time, any said confidential information without prior written approval from AQMD except, other than to AQMD for the purpose of, and in the performance of, this Agreement. This confidentiality provision shall survive after the expiration or earlier termination of this Agreement.

ARTICLE XII

Independent Contractor Liability: Grantee is, and shall be at all times, deemed as an independent contractor and shall be wholly responsible for the acts of Grantee's employees, associates, and subcontractors, in connection with the implementation of the Project, and in performance of the work, duties, and obligations by Grantee under this Agreement.

Grantee shall be responsible for performing the work under this Agreement in a safe, professional, skillful, and workmanlike manner and shall be liable for its own negligence and negligent acts of its employees. AQMD shall have no right of control over the manner in which work is to be done and shall, therefore, not be charged with responsibility of preventing risk to Grantee or their employees. AQMD shall retain the right to administer this Agreement so as to verify that Grantee is performing its obligations in accordance with the terms and conditions thereof.

ARTICLE XIII, Independent Contractor Liability, shall survive any termination of this Agreement.

ARTICLE XIII

Fiscal Considerations: The parties to this Agreement recognize and acknowledge that AQMD may not expend funds for products, equipment, or services not budgeted in a given fiscal year. It is further understood that in the normal course of AQMD business, AQMD will adopt a proposed budget prior to a given fiscal year, but that the final adoption of a budget does not occur until after the beginning of the fiscal year.

Notwithstanding any other provision of this Agreement to the contrary, AQMD shall give notice of cancellation of this Agreement in the event of adoption of a proposed budget

that does not provide for funds for the services, products, or equipment subject herein. Such notice shall become effective upon the adoption of a final budget, which does not provide funding for this Agreement. Upon the effective date of such notice, this Agreement shall be automatically terminated and AQMD released from any further liability hereunder.

In addition to the above, should the Board of Directors during the course of a given year for financial reasons reduce or order a reduction in the budget for AQMD for which services were contracted to be performed, pursuant to this paragraph in the sole discretion of AQMD, this Agreement may be deemed to be canceled in its entirety subject to payment for services performed prior to cancellation.

ARTICLE XIV

Audits, Inspections and Enforcement: With an appointment, Grantee shall at any time during regular business hours, and as often as AQMD may deem necessary, make available to AQMD for examination all of Grantee's records and data with respect to the matters covered by this Agreement. Grantee shall, and upon request by AQMD, permit AQMD to audit and inspect all of such records and data necessary to ensure Grantee's compliance with the terms of this Agreement. Grantee shall be subject to an audit by AQMD or its authorized representative to determine if the revenues received by Grantee were spent in accordance with the terms and conditions of this Agreement. If, after audit, AQMD makes a determination that funds provided Grantee pursuant to this Agreement were not spent in conformance with this Agreement or any other applicable provisions of law, Grantee agrees to immediately reimburse AQMD all funds determined to have been expended not in conformance with said provisions.

Grantee shall retain all records and data for activities performed under this Agreement for at least three (3) years from the date of final payment under this Agreement or until all state and federal audits are completed for that fiscal year, whichever is later.

Grantee acknowledges that if total compensation under this Agreement is greater than \$10,000.00, this Agreement is subject to examination and audit by the California State Auditor for a period of three (3) years, or for any longer period required by law, after final payment under this Agreement, pursuant to California Government Code § 8546.7. In order to facilitate these potential examinations and audits, Grantee shall maintain, for a period of at least three (3) years, or for any longer period required by law, after final payment under the contract, all books, records, and documentation necessary to demonstrate performance under the Agreement.

The obligations set forth in this ARTICLE XV, Audits, Inspections and Enforcement, shall survive any termination of this Agreement.

ARTICLE XV

Termination: AQMD may immediately suspend or terminate this Agreement, in whole or in part, where in the determination of AQMD there is:

1. An illegal or improper use of the grant funds;

2. A failure to comply with any term of this Agreement;
3. A substantially incorrect or incomplete report submitted to AQMD; or
4. Improperly performed services.

In no event shall any payment by AQMD constitute a waiver by AQMD of any breach of this Agreement or any default, which may then exist on the part of Grantee. Neither shall such payment impair or prejudice any remedy available to AQMD with respect to the breach or default. AQMD shall have the right to demand of Grantee the repayment to AQMD of any funds disbursed to Grantee under this Agreement which in the judgment of AQMD were not expended in accordance with the terms of this Agreement. Grantee shall promptly refund any such funds upon demand.

In addition to immediate suspension or termination, AQMD may impose any other remedies available at law, in equity, or otherwise specified in this Agreement.

Either party may terminate this Agreement at any time upon giving the other party at least thirty (30) days advance, written notice of intention to terminate. In such case, AQMD shall, subject to ARTICLE IV, Compensation, pay it's pro rata share of the reasonable value of all services satisfactorily rendered and actual, reasonable costs incurred up to the time of the termination. Upon such termination, the entire work product produced by Grantee shall be promptly delivered to AQMD.

ARTICLE XVI

Notice to Parties: All notices to be given by the parties hereto shall be in writing and served by depositing same in the United States Post Office, certified or registered mail, postage prepaid and return receipt requested. Notices shall be in duplicate and addressed as follows:

Said notice shall become part of this Agreement upon acknowledgment in writing by AQMD's Contract Administrator, and no further amendment of the Agreement shall be necessary provided that such change of address does not conflict with any other provisions of this Agreement.

ARTICLE XVIII

Time is of the Essence: It is understood that for Grantee's performance under this Agreement, time is of the essence. The parties reasonably anticipate that Grantee shall, to the reasonable satisfaction of AQMD, complete all activities outlined in ARTICLE II, Scope of Project.

ARTICLE XIX

Indemnity: Grantee shall defend, indemnify, and hold AQMD, its Board, officers, agents, employees, and representatives and the County of El Dorado, its Board, officers, agents, employees, and representatives harmless against and from any and all claims, suits, losses, damages and liability for damages of every name, kind, and description, including attorneys' fees and costs incurred, brought for, or on account of, injuries to or death of any person, including but not limited to workers, AQMD and the County of El Dorado employees, and the public, or damage to property, or any economic or consequential losses, which are claimed to or in any way arise out of or are connected with or resulting from public or County employee use of the charging stations or the performance by Grantee, its officers, agents, subcontractors or employees of Grantee's duties under this Agreement, unless such claim, loss, damage, injury or death is the result of the sole or active negligence of AQMD and the County of El Dorado, including any employee, agent, or contractor. This duty of Grantee to indemnify and save AQMD and the County of El Dorado harmless includes the duties to defend set forth in California Civil Code Section 2778. Except as provided in this Article, in no event shall AQMD and/or the County of El Dorado be liable to Grantee or any third party for any direct, indirect, consequential, special, incidental, or punitive damages for the design, manufacture, operation, maintenance, performance, or demonstration of the electric vehicle charging stations under any theory, including but not limited to tort, contract, breach of warranty, or strict liability.

This indemnification obligation shall survive any termination of this Agreement.

- A. Grantee shall provide proof of a policy of insurance satisfactory to County of El Dorado's Risk Management Division and documentation evidencing that Grantee maintain insurance that meets the following requirements:
 1. Commercial General Liability Insurance of not less than \$1,000,000

combined single limit per occurrence for bodily injury and property damage and a \$2,000,000 aggregate limit.

2. Grantee shall furnish a certificate of insurance satisfactory to County of El Dorado's Risk Management Division as evidence that the insurance required above is being maintained.
3. The insurance will be issued by an insurance company acceptable to County of El Dorado's Risk Management Division, or be provided through partial or total self-insurance likewise acceptable to the Risk Management Division.
4. Grantee agrees that the insurance required above shall be in effect at all times during the term of this Agreement. In the event said insurance coverage expires at any time or times during the term of this Agreement, Grantee agree to provide at least thirty (30) days prior to said expiration date, a new certificate of insurance evidencing insurance coverage as provided for herein for not less than the remainder of the term of the Agreement, or for a period of not less than one (1) year. New certificates of insurance are subject to the approval of Risk Management and Grantee agree that no work or services shall be performed prior to the giving of such approval. In the event Grantee fail to keep in effect at all times insurance coverage as herein provided, the County of El Dorado and/or AQMD may, in addition to any other remedies it may have, terminate this Agreement upon the occurrence of such event.
5. The certificate of insurance must include the following provisions stating that:
 - a. The insurer will not cancel the insured's coverage without prior written notice to County of El Dorado and AQMD; and
 - b. AQMD, its officers, officials, employees, and volunteers and the County of El Dorado, its officers, officials, employees, and volunteers are included as additional insured, on an additional insured endorsement, but only insofar as the operations under this Agreement are concerned. This provision shall apply to the general liability policy.
6. Grantee's insurance coverage shall be primary insurance as respects AQMD, its officers, officials and employees, and the County of El Dorado, its officers, officials and employees. Any insurance or self-insurance maintained by AQMD, its officers, officials, or employees and the County of El Dorado, its officers, officials, and employees shall be in excess of Grantee's insurance and shall not contribute with it.
7. Any deductibles or self-insured retentions must be declared to and approved by AQMD and the County of El Dorado. At the option of AQMD

and the County of El Dorado, either: The insurer shall reduce or eliminate such deductibles or self-insured retentions as respects AQMD, its officers, officials and employees, and the County of El Dorado, its officers, officials and employees; or Grantee shall procure a bond guaranteeing payment of losses and related investigations, claim administration, and defense expenses.

8. Any failure to comply with the reporting provisions of the policies shall not affect coverage provided to AQMD, its officers, officials and employees and the County of El Dorado, its officers, officials and employees.
 9. The insurance companies shall have no recourse against AQMD, its officers and employees or any of them or the County of El Dorado, its officers and employees or any of them for payment of any premiums or assessments under any policy issued by any insurance company.
 10. Grantee's obligations shall not be limited by the foregoing insurance requirements and shall survive the expiration of this Agreement.
 11. In the event Grantee cannot provide an occurrence policy, Grantee shall provide insurance covering claims made as a result of performance of this Agreement for not less than three (3) years following completion of performance of this Agreement.
