NOTICE OF PUBLIC HEARING
El Dorado County
Air Quality Management District

Proposed Amendments to Rule 1000 Emission Statement
& Rule 1000.1 Emission Statement Waiver

NOTICE IS HEREBY GIVEN that the El Dorado County (EDC) Air Quality Management District (AQMD) has scheduled a public hearing on Tuesday, August 25, 2020, during the EDC Board of Supervisor's Public meeting, at 9 AM or thereafter. Public participation instructions are listed below and on the EDC Board of Supervisor's agendas. The Board of Directors will consider the adoption of revisions to Rule 1000 Emission Statement and to Rule 1000.1 Emission Statement Waiver.

Western EDC has been designated as a non-attainment area for the 1997, 2008 and 2015 federal eight-hour ozone standards by the United States Environmental Protection Agency (EPA). The AQMD is required to implement and enforce regulations that will promote progress towards attaining the federal ozone standard. The Federal Clean Air Act (CAA), Section 182(a)(3)(B), Emissions Statements requires all ozone non-attainment areas to have in place a program that requires emission statements for stationary sources of Oxides of Nitrogen (NOx) and Volatile Organic Compounds (VOC) emissions. Rule 1000 and Rule 1000.1 were adopted by the District in 1992 to meet the emissions statements requirements of the CAA.

In May 2020, EPA Region 9 staff reviewed Rule 1000 and Rule 1000.1 and concluded that they do not meet all the requirements for emissions statements as set forth in Section 182(a)(3)(B)(i) and Section 182(a)(3)(B)(ii); respectively. The AQMD is proposing amendments to Rule 1000 and Rule 1000.1 to satisfy the requirements of the CAA.

The proposed amendments to Rule 1000 and Rule 1000.1 will not result in any changes to AQMD operations as none of the stationary sources are using the waiver and throughput emissions from all stationary sources are being submitted to AQMD on an annual basis.

NOTICE IS FURTHER GIVEN that if adopted, Rules 1000 and 1000.1 will be submitted through the California Air Resources Board to the United States EPA as a revision to the State Implementation Plan.

NOTICE IS FURTHER GIVEN that all interested persons may examine the proposed rules and associated documents at the office of the Air Quality Management District, 330 Fair Lane, Building A, Placerville, CA 95667 from 8:00 AM to 5:00 PM Monday through Friday by advance appointment. These rules are also available for review at the following web address <http://www.edcgov.us/AirQualityManagement>. You may also request copies at the AQMD office listed below. Please provide any comments on the rules in writing at 330 Fair Lane, Placerville, CA 95667 or via aqmd@edcgov.us. The rules will be considered for adoption by the AQMD Board of Directors during the public hearing on August 25, 2020.
