

Warning! Research Before you Invest

“CAVEAT EMPTOR” MEANS, “BUYER BEWARE”.

WARNING – RESEARCH BEFORE YOU INVEST!

- Tax Defaulted Property is sold on an “As Is” basis.
- Any costs incurred by the purchaser during the process will be borne by the purchaser.
- There are absolutely NO refunds of expenses, purchases, nor refund of deposit.

The sale of these properties should not, in any way, be equated to real estate sales by licensed salesmen, brokers and realtors. The County of El Dorado Treasurer- Tax Collector cannot guarantee the current, future, or potential use/and or condition of the property nor assume any responsibility for conformance to codes, permits or zoning ordinances.

The bidder(s) should inspect the property before investing. The burden is on the purchaser to thoroughly research, before the sale, any matters relevant to a decision to purchase. The County’s sole interest in the sale is the recovery of back taxes.

It is recommended that bidders consult with the Zoning Department of any city within which a particular parcel lies, or the Zoning Section of the County Planning Department for an unincorporated area parcel.

The exact location, desirability, and usefulness of the properties must be determined by the prospective purchaser. **Refund of any purchase or any payment on a credit sale will not be made.**
