All property corners must be located and staked for this site assessment. Use stakes driven solidly into the ground at the property corners. In cases where there is heavy brush or tree cover, surveyors tape (brightly colored plastic ribbon) shall be tied to the stakes. If this is not done for the site visit a \$100.00 fee will be charged to revisit the property. The address must be posted on the property visible from the road.

I give the abovementioned "Authorized Agent" authority to act on my behalf for this site assessment. I authorize El Dorado County Building Department Staff and Tahoe Regional Planning Agency staff access onto the parcel and to the County Assessor's records.
