Public Information Meeting

Bassi Road Bridge Replacement Project

Wednesday, August 1, 2012 - 6:30 to 7:30 p.m.

Gold Trail Grange #452

319 Highway 49

Coloma, CA 95613

What is the Bassi Road Bridge Replacement Project?

The El Dorado County Department of Transportation (DOT) is planning to replace the existing Bassi Road Bridge over Granite Creek, in the community of Lotus, CA (see project site map on reverse side). DOT has obtained federal grant funding to replace the bridge with a single-span structure that meets current design standards.

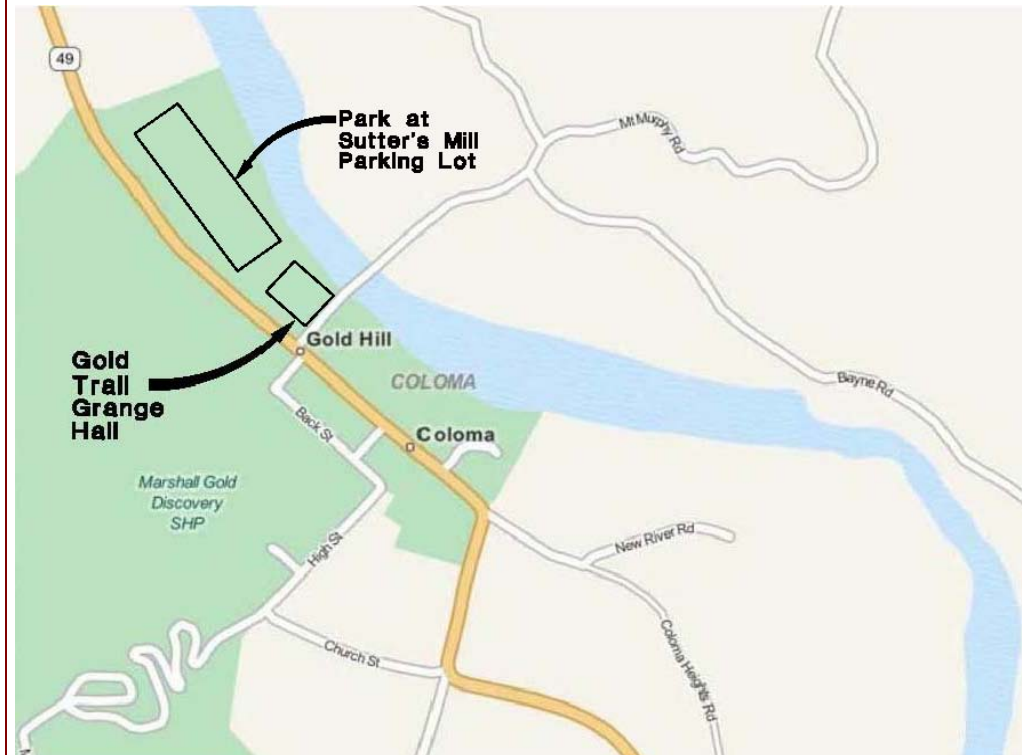

What is the Purpose of this Public Meeting?

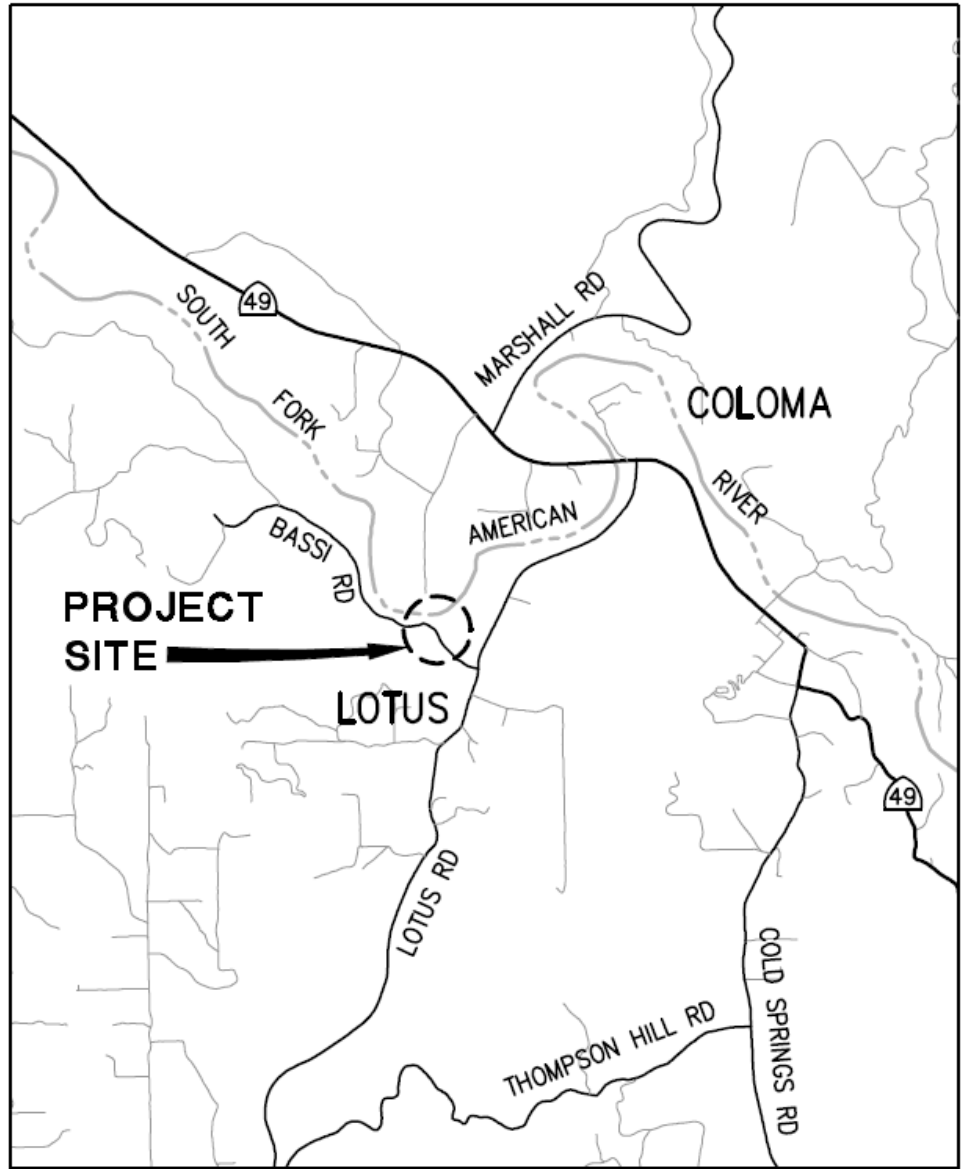

This meeting is intended to provide the public an opportunity to review preliminary project exhibits, obtain information about the project, ask questions, and provide input to DOT.

How can I comment without attending?

If you are unable to attend, please forward your comments, concerns or thoughts to:
