### **El Dorado County to Perform Road Work Silver Springs Parkway Offsite (South Segment) Project August 2020 – December 2020**

August 25, 2020

**(PLACERVILLE, CA)** – El Dorado County’s Department of Transportation will be performing road widening and utility relocation work on Bass Lake Road between Sandhurst Hill Road and 400 feet south of Madera Way beginning the week of September 13, 2020 until December 2020. The roadwork will require occasional lane closures and one way traffic control.

This closure is necessary to ensure motorist and worker safety while the County’s Contractor performs potholing, removes trees, and widens Bass Lake Road. Portable changeable message signs will be posted in advance of the construction and will remain in place when necessary.

Motorists are advised to slow down through the work zone and expect delays during reversing traffic control. Motorists are also advised to allow extra time when traveling through the work zone in order to arrive at their destinations on time.

The County sincerely appreciates the cooperation and patience of motorists that use this roadway and we apologize for any inconvenience as a result of this closure.

For questions regarding this road closure, please contact the Transportation main line at (530) 621-5900.
