**August 2020 through October 2020**

July 27, 2020

**(PLACERVILLE, CA)** -- El Dorado County's Department of Transportation will be performing road work on Green Valley Road between El Dorado Road and the Weber Creek Bridge, beginning August 3rd and continuing through October 2020. Electronic message signs will be posted approximately one week in advance of the construction and will remain throughout the duration of the project.

A temporary signal system will be installed the week of August 3rd and the road will be reduced to one lane. The temporary signal system will operate continuously 24/7 until the beginning of October.

Motorists are advised to slow down through the work zone and expect delays during operation of the temporary signal. Motorists are also advised to allow extra time when traveling through the work zone in order to arrive at their destinations on time.

The County sincerely appreciates the cooperation and patience of motorists that use this roadway and we apologize for any inconvenience as a result of these closures.

For questions regarding this construction, please contact the County's Transportation main line at (530) 621-5900 (select Option 3 for Engineering).
