**El Dorado County to Perform Temporary Signal Installation
Missouri Flat Road at Industrial Drive
April 6, 2020 – May 1, 2020**

April 6, 2020

(PLACERVILLE, CA) -- El Dorado County's Department of Transportation will be performing road work and installing a temporary signal at Missouri Flat Road and Industrial Drive intersection beginning April 6th and continuing through the month. The work will require occasional lane closures during which motorists should expect delays. The lane closures are necessary to ensure motorist and worker safety while the County's contractor installs a temporary signal and constructs improvements at the intersection.

Motorists are advised to slow down through the work zone and expect delays during reversing traffic control. Motorists are also advised to allow extra time when traveling through the work zone in order to arrive at their destinations on time.

The County sincerely appreciates the cooperation and patience of motorists that use this roadway and we apologize for any inconvenience as a result of these closures.

For questions regarding this construction, please contact the County's Transportation main line at (530) 621-5900 (select Option 3 for Engineering).
