**August 28 through September 14, 2020**

El Dorado County's Department of Transportation, in conjunction with Lennar Winncrest, LLC, will be implementing a detour on Country Club Drive between Bass Lake Road and Tierra De Dios Drive beginning Friday, August 28<sup>th</sup> at 6:00 pm. The Country Club Drive detour will be from Friday, August 28<sup>th</sup> through September 14<sup>th</sup>. Portable changeable message signs are posted and will remain throughout the duration of the project.

The Country Club Drive detour will allow construction of new Country Club Drive and construction of the new realigned Bass Lake Road Country Club Drive intersection.

Motorists are advised to slow down through the work zone and expect delays during construction. Motorists are also advised to allow extra time when traveling through the work zone in order to arrive at their destinations on time or use alternate routes (Silva Valley Parkway/ Cambridge Road) to avoid the construction area.

The County sincerely appreciates the cooperation and patience of motorists that use this roadway and we apologize for any inconvenience as a result of the detour.

For questions regarding this construction, please contact the County's Transportation main line at (530) 621-5900 (select Option 3 for Engineering).
