To Whom It May Concern:

El Dorado County, Department of Transportation, Tahoe Engineering Unit invites you to attend a public meeting for the Apache Avenue Pedestrian Safety and Connectivity Project (Project). This project will include the construction of roadway improvements on lower Apache Avenue from Highway 50 to East San Bernardino that will include a shared use path, sidewalk, drainage, and roadway safety improvements. The Tahoe Engineering Unit has analyzed existing conditions information, developed and compared alternatives for the Project. The results of this study have been combined into a Project Feasibility Report. The purpose of this meeting is to present this information for public comment. Following this meeting, the analysis will be further refined.
