

DBE TRAINING

for both Contractors and Consultants

Date:

Thursday, March 3, 2016

Cost:

Free

Time:

2:00 p.m. — 3:30 p.m.

Location:

County of El Dorado,
Community Development Agency
2850 Fairlane Court
Placerville, California 95667
Planning Commission Hearing Room

About:

There have been recent changes in the DBE program, including Consultant contracts no longer having an automatic 0% DBE goal. Both the State and Federal Governments are mandating DBE goals on all Consultant and Construction Contracts.

The purpose of this training is to inform our Contractors and Consultants how to navigate the Disadvantaged Business Enterprise (DBE) rules and regulations and to help you prevent your bid or proposal from potential disqualification. We will discuss how to properly prepare a DBE submittal when you meet the goal as well as how to prepare a Good Faith Effort when you don't.
