The County is updating its General Plan Safety Element. You are invited to participate in the planning process!

The Safety Element Update has refined the goals, policies, and implementation measures that address existing and future climate-related natural hazards in the County. Your participation will help us develop effective public health and safety strategies that reflect the needs of our community members.

Please assist the County by participating in our workshop and providing input on the public draft Safety Element Update!

The public comment period for the public draft Safety Element Update has been extended to **Friday, January 5, 2024**. Please provide written comments to Thea Graybill at thea.graybill@edcgov.us or Planning and Building Department, Long Range Planning, 2850 Fairlane Court, Building C, Placerville, CA 95667.

The public draft Safety Element Update and other information can be found on the County's Safety Element Update webpage: <https://www.edcgov.us/Government/longrangeplanning/Pages/General-Plan-Safety-Element-Update.aspx>.
