CALDOR FIRE PERMIT FEE REDUCTION/WAIVER REQUEST FORM

In accordance Chapter 130.69, approved by the El Dorado County Board of Supervisors on September 10, 2021, which addresses temporary emergency housing, resiliency, and rebuilding after the 2021 Caldor Fire, applicants may request the waiver or reduction of permit fees adopted and charged by the Planning and Building Department. These fees include:

1. Permits necessary for temporary emergency housing for displaced persons on fire-damaged lots in the burn area; or
2. Permits necessary for demolition of a destroyed or damaged dwelling or structure and for repair or reconstruction of a conforming or legal nonconforming dwelling or structure on fire-damaged lots in the burn area, provided that:
 - the repair or reconstruction is substantially equivalent to the damaged or destroyed dwelling or structure;
 - the applicant owned the lot(s) as of August 14, 2021; and
 - the application is submitted prior to the expiration of Chapter 130.69.

No permit fee waiver or reduction may be granted for any permit that could otherwise be covered by insurance or could otherwise be covered through any other federal or state sources. Before seeking a permit fee waiver or reduction, applicants must provide written documentation to the satisfaction of the Planning and Building Department Director, or his or her designee, establishing that the applicant:

- does not have insurance;
- the insurance company has denied payment of the permitting fee;
- the insurance coverage does not include the cost of permitting fees for repair or reconstruction; or
- the insurance company has approved only partial payment of the permitting fee, in which case only the uncovered portion may be waived.

Additionally, if a permitting fee is initially denied by an insurance company and then recovered subsequent to any waiver or reduction of the permitting fee by the County, the applicant shall reimburse the County for the waived or reduced permitting fee up to the full amount covered by the insurance company within 30 days of receipt of the funds from the insurance company. Failure to reimburse the County shall be treated as a violation of the County Code and deemed a misdemeanor under Section 1.24.010.

No permit fee waiver or reduction may be granted for any permit for an illegal use or structure.

To determine eligibility for a fee waiver or reduction, the Planning and Building Department requires that applicants provide the following information:
