TO THE RESPONDENTS, COUNTY OF EL DORADO AND EL DORADO
COUNTY BOARD OF SUPERVISORS:

Pursuant to Public Resources Code section 21168.9(a)(2) and (3), and the Judgment and
Order entered in this matter, Respondents County of El Dorado and El Dorado County Board of
Supervisors are directed as follows:

a. The Board of Supervisors shall partially decertify the EIR only as
it relates to the County's determinations that focusing on preservation of oak
woodlands habitat in the Highway 50 corridor was not the best course of action
and that it was not feasible to focus on preserving the oak woodland within the 50
corridor. The County shall augment the administrative record with the reports
and opinions omitted from the administrative record. (See reports referenced in
the November 22, 2019 Tentative Decision at pages 67 to 75); and

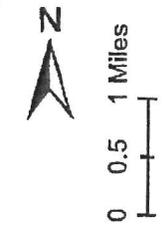

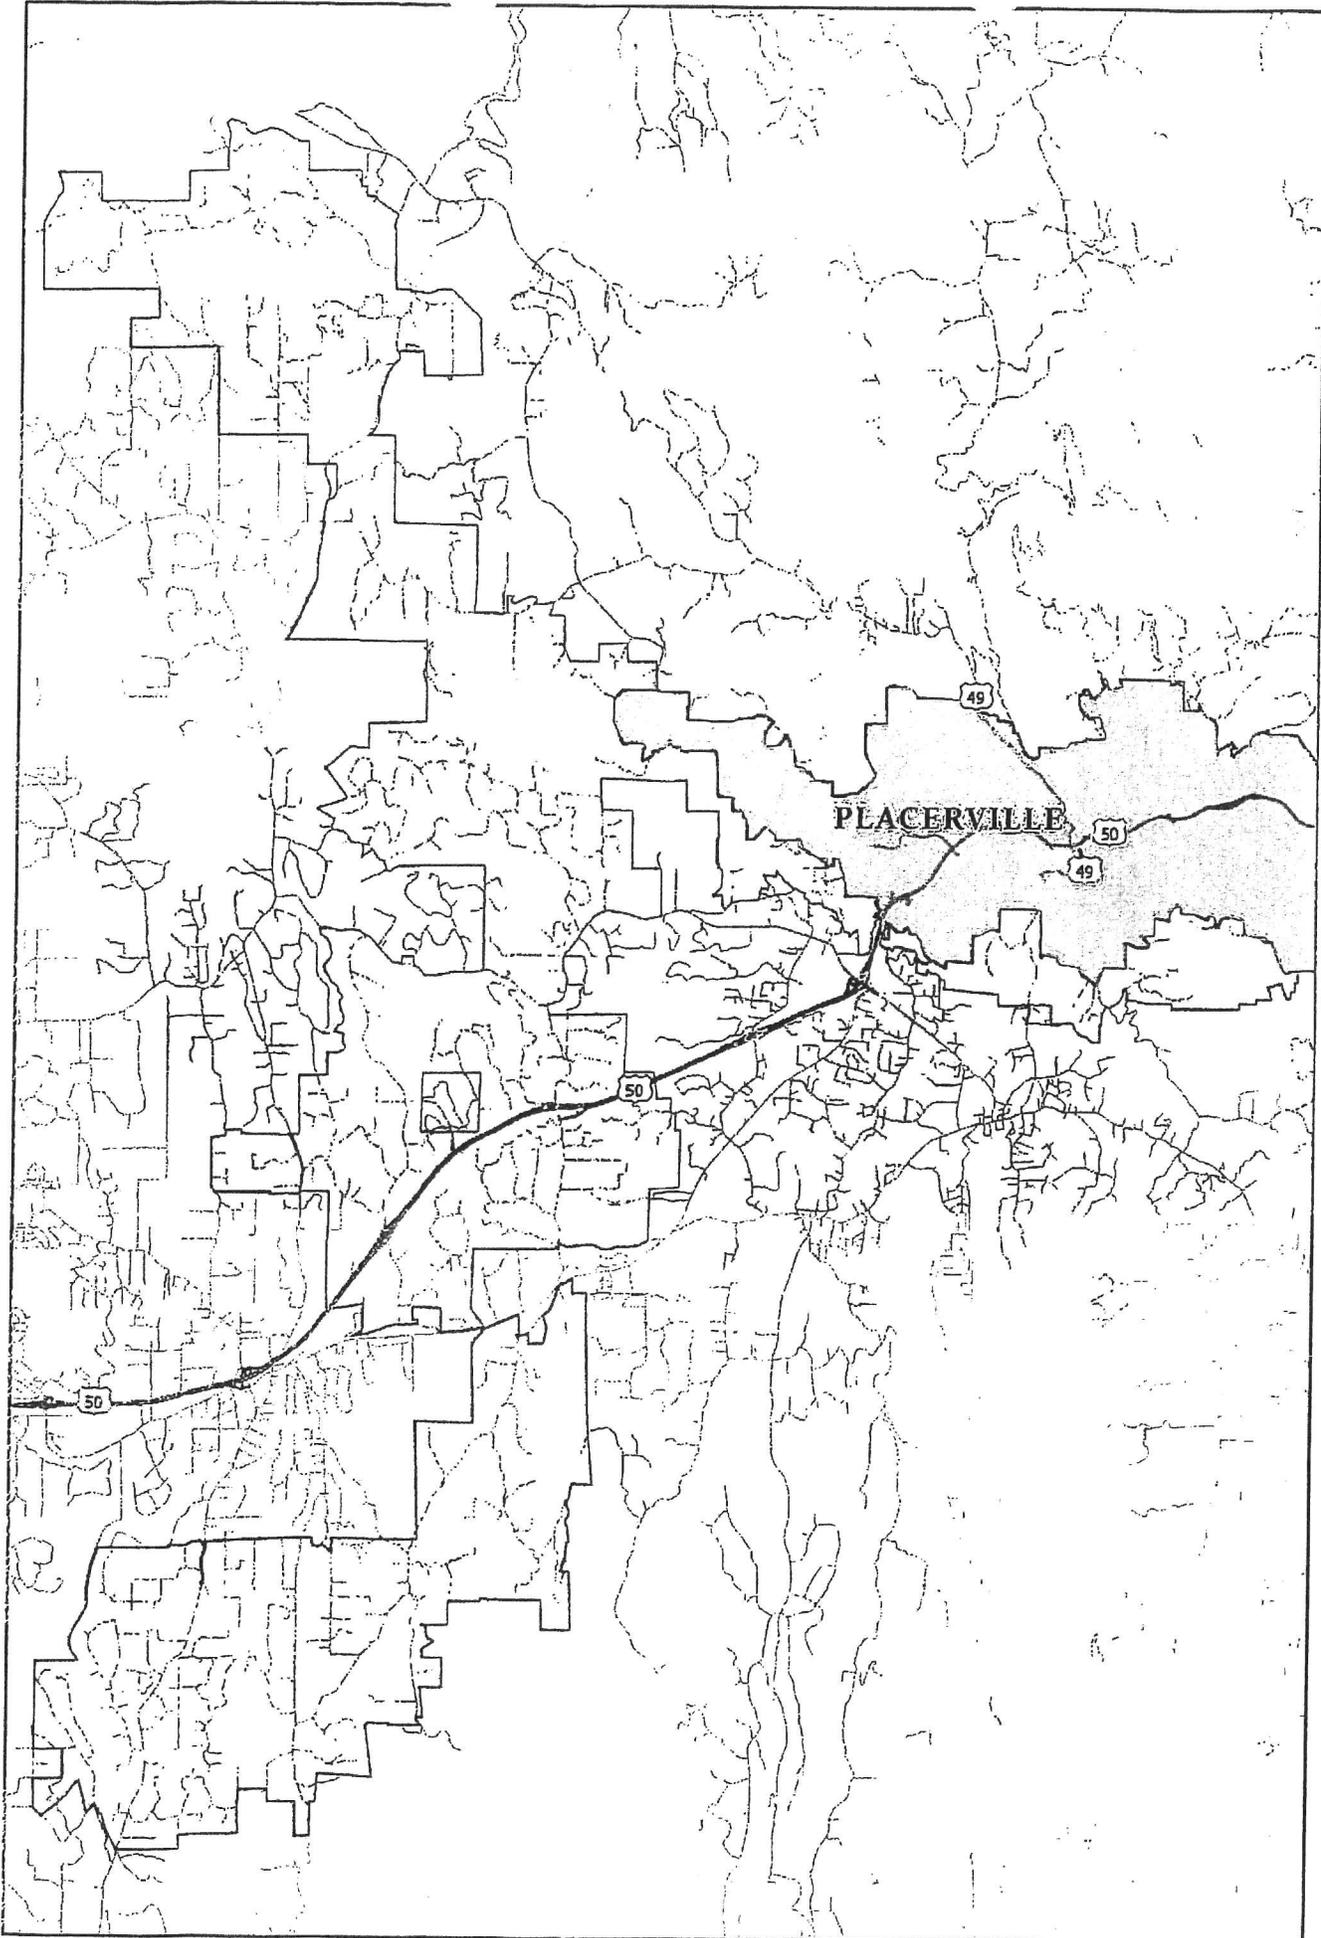

b. Pending the Court's final action on Respondent's return to the writ
of mandate, to suspend approvals of construction and Oak Woodland removal
permits in the Highway 50 corridor, defined as the mapped Important Biological
Corridors ("IBC") running north to south of Highway 50 as depicted in the map
attached hereto as Exhibit A.

Date: JUL 27 2020
