Applications that are missing items from the checklist and/or fees will be deemed incomplete. A project manager will contact the Owner/Agent regarding any missing material. **Materials must be received within 30 days.** If requested material is not submitted by the deadline, the permit application will be denied and a new application and planning fees will need to be submitted. See "Waiting List" below.

### **Renewal Applications**

VHR permits, along with Business Licenses and Transient Occupancy Registration Certificate, need to be renewed annually. Due to the amount of time to review applications, applications need to be submitted 30 days before the expiration date. If you do not turn in your application prior to expiration date, you will need to apply as a new applicant and submit all of the required material. See "Wait List" below.

- Fire Inspections are valid for 2 years.
- If you did **not** have a fire inspection last year, payment will need to be provided with VHR application.
- Costs of inspections are based on home square footage, excluding garages and carports.
- Fees are collected by the County and remitted to your fire district as a part of the Vacation Home Rental application.
- Passing inspections are required prior to initial permit issuance and again every other year after that.
- You will be notified when you are ready to schedule the inspection. The initial inspection must be scheduled within 30 days and completed within 60 days of notification.
