  - Building Permits Approved w/Fee Waiver Request: 0
  - Building Permits Submitted & Fees Paid: 10
  - Building Permits Approved & Fees Paid: 2
- \* All TRV permits fees are waived for all Caldor applicants*

## **Health and Human Services Agency**

- **Salvation Army**
  - In addition to their current office space at the Cameron Park HUBS Library, the Disaster Case Management workers are using the Fireman's Hall in Somerset on Monday's. Efforts are being undertaken to also utilize the Pioneer Park Community Center, if possible. While these discussions occur, the goal is to have the DCMs, HHSA Caldor Social Worker, and (soon to be onboard) Mental Health Worker rotate being there one day a week for appointments. Once solidified, this schedule will be shared widely and through the Long Term Recovery Group so that survivors know when different programs can be available for appointments. Schedules can then be adjusted thereafter to optimally meet scheduling needs of survivors.
  - Salvation Army provided options for what can be reported on a monthly basis from their reporting systems, specific to the work of the DCMs. Over the coming week, that information will be refined into a template that will be utilized to provide monthly DCM Services updates to the ROC, BOS and community.
- **Caldor Social Worker**
  - In addition to receiving ongoing training, the Caldor Social Worker is attending community meetings of the LTRG, immediate needs, and any distribution events. The staff person will be attending the 6/12 GFWSF distribution event to engage survivors.
