Dear Candidate:

Welcome to the electoral process. Regardless of who wins we hope that this is a positive experience for you.

The Elections Department is dedicated to helping all qualified candidates get their names printed on the ballot and to ensure the election is fair and accurate.

Congratulations on your decision to run for office. This Candidate's Guide has been prepared to assist candidates and committees in preparing for the upcoming election. This guide does not contain all information concerning elections, but a summary of major provisions related to candidates running for office. If you wish to research the laws cited in this booklet, or other laws relating to elections, you will find the code books at local libraries or online at www.leginfo.legislature.ca.gov.

My staff has worked to make this booklet as informative as possible and will make every effort to answer your questions. However, law precludes the Registrar of Voters or staff from answering legal questions. This booklet is not intended to be a substitute for legal advice. Candidates are strongly encouraged to consult private legal counsel when legal questions arise.

The best advice I can give to all candidates is FILE EARLY. The filing deadlines are rigid and if you wait until the last moment to file a document containing errors and omissions, one's right to appear on the ballot may be lost. Most errors can be corrected given adequate time.

The Elections Department is open from 8:00 a.m. to 5:00 p.m., Monday through Friday excluding holidays. For further information, please contact Kim Smith at (530) 621-7490.

Best wishes on your campaign,

Bill O'Neill

Registrar of Voters

ELIGIBILITY REQUIREMENTS FOR PUBLIC OFFICES

General Requirements

“Unless otherwise specifically provided, no person is eligible to be elected or appointed to an elective office unless that person is a registered voter and otherwise qualified to vote for that office at the time that nomination papers are issued to the person or at the time of the person’s appointment.” [Elections Code § 201]

A person is disqualified from holding any office upon conviction of designated crimes specified in the Constitution and laws of the State. [Government Code § 1021]

If a candidate is a candidate for a nonpartisan office, all reference to party affiliation shall be omitted on all forms required to be filed. [Elections Code § 8002]

County or District Offices in General

“...A person is not eligible to a county or district office, unless he or she is a registered voter of the county or district in which the duties of the office are to be exercised at the time that nomination papers are issued to the person or at the time of the appointment of the person. The board of supervisors or any other legally constituted appointing authority in a county or district may, if it finds that the best interests of the county or district will be served, waive the requirements of this section or an appointed county or district office.” [Government Code § 24001]

Prohibitions

Neither a candidate nor members of a candidate’s household are eligible to serve as precinct officials or to provide polling place facilities for any election at which the candidate’s name appears on the ballot. However, the candidate or members of a candidate’s household may serve as precinct officials or provide polling place facilities outside the candidate’s jurisdiction but within the counties vote centers.

School District Governing Board Member

Any person, regardless of sex, who is 18 years of age or older, a citizen of the state, a resident of the school district, a registered voter, and who is not disqualified by the Constitution or laws of the state from holding a civil office, is eligible to be elected or appointed a member of a governing board of the school district without further qualifications.

[Education Code § 35107(a)]

An employee of a school district may not be sworn into office as an elected or appointed member of that school district’s governing board unless and until he or she resigns as an employee. If the employee does not resign, the employment will automatically terminate upon being sworn into office. [Education Code § 35107(b)]

THE TOP-TWO PROCESS—HOW IT WORKS

On June 8, 2010, California Voters approved Proposition 14, which created the “Top-Two Open Primary Act.” The top-two took effect January 1, 2011 and created voter-nominated offices.

The “Top-Two Open Primary Act” requires that only the two candidates for voter-nominated offices who receive the highest and second-highest number of votes cast at the primary election shall appear on the ballot as candidates at the ensuing general election. (Elections Code § 8141.5)

The following are voter-nominated offices:

- Governor
- Lieutenant Governor
- United States Senator—The special vacancy election will be consolidated with the regularly scheduled statewide primary election to be held June 7, 2022. This special vacancy election is for the remainder of the unexpired term which ends on January 3, 2023
- United States Representative**
- Controller
- Insurance Commissioner
- Board of Equalization
- Secretary of State
- State Senator
- State Assembly**
- State Treasurer
- Attorney general
- Superintendent of Public Instruction

*** These offices are up for election every two years.*

A nonpartisan office is an office in which no political party nominates a candidate. Judicial, school, county and municipal offices are examples of nonpartisan offices.

What does this mean for the Voter?

For voter-nominated offices, the top two vote-getters from the Primary Election continue on to the General Election, regardless of their party preference. The candidate with the majority of votes (50% of total number cast plus one) in the General Election is the winner of that race.

For nonpartisan office, if no candidate receives a majority of the vote in the Primary, then the top-two vote-getters move on to the General Election.

In the General Election, you may only write-in a qualified candidate’s name in a nonpartisan office only. Write-in votes

NOTE TO CANDIDATES

The Elections Department has made every attempt to provide the most current and accurate information in this Candidate Handbook. However, the information contained herein is subject to change. It is distributed with the understanding that the Elections Department does not render any legal advice and that this handbook, therefore, is not a substitute for legal counsel. In the case of conflict, the law, regulation, or rule will apply.

Candidates are required to know the qualifications for the office sought. Each candidate certifies upon signing the Declaration of Candidacy, under penalty of perjury, they meet the statutory and/or constitutional qualifications for office including, but not limited to citizenship and residency.

In accordance with the Government Code, if any due date falls on a weekend or holiday, it shall be due the next business day.

Issuing Candidate Documents

Elections officials will issue candidate documents in person during available business hours by appointment, via mail, via email, or via website using an encrypted internet security protocol. If a candidate elects to receive the documents via mail, email or website using an encrypted internet security protocol, to meet the requirements of Elections Code section 8028(b), the candidate must provide a written request to receive the documents in an email.

Prior to issuing candidate documents, elections officials shall follow normal procedures and guidelines, such as verification of eligibility for the office sought and collecting the appropriate filing fee. Elections official shall determine the available method(s) for the candidate to submit the applicable filing fee for the office sought.

Execution of Candidate Documents

Any documents that require an oath by the candidate may be executed in the office of the elections official during business hours, by appointment, or via an online video conferencing service or by notary.

Receipt of Candidate Documents and Filing Deadlines

A candidate may electronically submit their completed documents to the elections official so the elections official may begin the review and verification process as soon as is practicable. ***However, in order to be a qualified candidate for the office in which they seek, the completed documents with original signatures must be received by the election official by the close of the nomination period for that particular office.***

To submit the original documents, the candidate may submit those documents to the office of the elections official during available business hours, by appointment, via mail or other delivery service.

Reminder to Candidates

The candidate must acknowledge receipt of the written guidance in the manner provided by the elections official. A candidate who has elected to submit their candidate documents electronically, so the candidate filing process may begin, must be made aware that they must submit the original documents to the elections official in a manner that will ensure that those original documents are in the possession of the elections official prior to the close of the nomination period. Any candidate who fails to timely submit the candidate documents with original signatures by the close of the nomination period will not be included on the ballot for that office.

Note: It is recommended that Candidate Statement of Qualifications (optional) be done in a word document and submitted electronically. Statements can be submitted at any time for review only. Final submission of statements will be reviewed again when submitted with payment. If the electronic version differs from the hard copy, the hard copy is the statement that is printed. Preferable method of payment is by check, money order or cash.

WHO YOU GONNA CALL?

In response to the many inquiries we receive regarding possible election violations or fraud, we have the following list of resources regarding whom to contact for the various types of violations. The El Dorado County Elections Department is **NOT** an enforcement agency and is therefore unable to investigate any violations. When our office receives reports of violations, we refer them to the agencies listed below:

- False or misleading campaign materials (No agency enforcement. These issues are dealt with in civil court);
- Violations of the Political Reform Act (Title 9 of the California Government Code at Sections 8100 through 91015), i.e. mass mailing requirements; slate mailers; campaign disclosure; proper use of campaign funds; disclosure of economic interests: contact the Fair Political Practices Commission at www.fppc.ca.gov, (866)275-3772;
- Election fraud: contact your local district attorney, (530)621-6472, or the California Secretary of State's Fraud Unit at www.sos.ca.gov, (916)657-2166;
- Unlawful use of public funds, violations of the Elections Code, the Penal Code, or any laws other than the Political Reform Act: contact your local district attorney, (530)621-6472, or the California State Attorney General at www.oag.ca.gov, (800)952-5225;

Vandalism concerning campaign signs contact local City Attorney (530)642-5200 or
District Attorney (530)621-6472.

INCOMPATIBILITY OF OFFICES

The Political Reform Act does not prohibit any office holder from holding multiple public offices or seeking more than one elective office. For example, a deputy district attorney can hold the office of city council member, or a water board director may also be elected to a park and recreation district. There are, however, instances of holding more than one office that are considered incompatible.

There is no single statute that defines “incompatibility of offices”. The common law doctrine of incompatibility of offices, however, prevents an elected official from holding two offices simultaneously **if the offices have overlapping and conflicting public duties.**

The courts have defined this concept as follows: “One individual may not simultaneously hold two public offices where the functions of the offices concerned are inherently inconsistent, as where there are conflicting interests, or where the nature of the duties of the two offices is such as to render it improper due to considerations of public policy for one person to retain both.”

The state of California Attorney General’s Office has issued many opinions of particular compatibility questions.

Here are six examples of incompatible offices:

- The offices of city councilman and school district board member where the city and the school district have territory in common;
- Fire chief of a county fire protection district and member of the board of supervisors of the same county;
- High school district trustee and trustee of an elementary school district which is wholly within the geographic boundaries of the high school district;
- Water district director and a city council member;
- Water district director and a school district trustee having territory in common;
- Deputy sheriff and county supervisor.

If you have a question about whether two public offices which you hold or seek to hold would be considered incompatible, contact the Attorney General’s office at (916) 324-5437 or visit their website, www.oag.ca.gov. For further information about conflict of interest or incompatibility of offices, contact the Fair Political Practices Commission’s website at www.fppc.ca.gov, or phone toll free 1-866-275-3772.

E.C. 8003. This chapter does not prohibit the independent nomination of candidates under Part 2 (commencing with Section 8300), subject to the following limitations:

(a) A candidate whose name has been on the ballot as a candidate of a party at the direct primary and who has been defeated for that party nomination is ineligible for nomination as an independent candidate. He is also ineligible as a candidate named by a party central committee to fill a vacancy on the ballot for a general election.

(b) No person may file nomination papers for a party nomination and an independent nomination for the same office, or for more than one office at the same election.

All statements must be submitted on, or attached to, the form provided by the county elections official. In order to insure uniformity of candidates' statements, the candidates must prepare the statement as follows:

Typed, upper and lower case, and double-spaced in block paragraph style, no indentations, with spacing in between. Do not use any unusual spacing, bolding, underscoring, bullets, circles, stars, dots, italics, tables, lists or any other unusual punctuation or signs on the statement.

Proof read statement thoroughly for errors in spelling, punctuation and grammar. Statements will be printed exactly as submitted.

Errors will not be corrected.

Confine statement to 200 words or less.

Do not include any party affiliations.

Do not include membership or activity in partisan political organizations.

No statement shall contain any demonstrably false, slanderous or libelous statements nor any obscene or profane language, statements or insinuations.

Statements for **Judicial Offices** shall be limited to a recitation of the candidate's own personal background and qualifications and shall not, in any way, make reference to other candidates for office or to another candidate's qualifications, character or activities.

Notwithstanding the above guidelines, nothing should be deemed to make any statement or author thereof free or exempt from any civil or criminal action or penalty because of any false, slanderous or libelous statements offered for printing or contained in the Voter's Pamphlet.

In the case where a candidate submits a statement that is not in conformance with the guidelines provided, such statement will be reformatted and set in uniform type by the elections official. The elections official is not responsible for the correct typesetting of statements which must be reformatted.

NOTE: EC § 18351 provides that any candidate for a local nonpartisan office in an election who prepares a candidate statement and knowingly makes a false statement of a material fact with the intent to mislead the voters is punishable by a fine not to exceed \$1,000.

Guidelines for Determining Word Count - Listed below are the guidelines pursuant to EC § 9 for determining the number of words submitted on any document (such as candidate statements) which is limited by statute:

Punctuation is not counted.

Each word shall be counted as one word except as specified in this section.

All proper nouns, including geographical names, shall be considered as one word; example, "City and county of San Francisco" shall be counted as one word.

Each abbreviation for a word, phrase or expression shall be counted as one word.

Hyphenated words that appear in any generally available dictionary shall be considered as one word. Each part of all other hyphenated words shall be counted as separate words.

Dates consisting of a combination of words and digits shall be counted as two words. However, dates consisting only of a combination of digits shall be counted as one word.

Any number consisting of a digit or digits shall be considered one word. Any number spelled as "one" shall be considered as a separate word or words. "One" shall be counted as one word whereas "one hundred" shall be counted as two words. "100" shall be counted as one word.

Telephone numbers shall be counted as one word.

Internet web site addresses shall be counted as one word.

Confidentiality of Statement - Notwithstanding any other provisions of the law, candidates' statements filed pursuant to EC § 13307 shall remain confidential until the expiration of the filing deadline. (EC § 13311)

Challenge of Contents - Candidates' statements of qualifications are available for viewing after the deadline for filing nomination papers has passed. There is then a ten (10) day public examination period whereby the documents may be reviewed and copies purchased. During this 10 calendar day examination period any voter of the affected jurisdiction may take legal action to challenge the contents of the candidate's statement pursuant to EC § 13313.

Cost of Printing Candidate Statement - Because of the many unknown factors involved in printing, handling, mailing, and the number of candidates filing a statement, it is difficult to determine, prior to printing, the exact cost to each candidate who avails himself/herself of this service. *Costs could easily be higher or lower than the deposit required. Candidates will be billed or re-funded the difference accordingly.*

WRITE-IN CANDIDACY—(Elections Code §8600 – 8606)

Filing Period: Primary Election
(E-57 – E-14) April 11—May 24, 2022

Write-in Procedure

Persons who did not file a Declaration of Candidacy and fulfill their nomination requirements to place their name on the ballot may run for office as a write-in candidate. Write-in votes will be counted and certified in the Statement of Vote only for **qualified write-in candidates** who file the required forms with the Elections Department no later than 14 days prior to Election Day. The Elections Department will forward the forms to the Secretary of State in the case of offices that must be certified by the Secretary of State.

Voters may write-in any person they wish for any office regardless of whether the person has qualified or not. However, the votes will only be tabulated for qualified write-in candidates.

To qualify as a write-in candidate, a person must file with the Elections Department the following documents:

A “Statement of Write-in Candidacy” which shall contain the candidate’s name, residence address, a declaration stating that he or she is a write-in candidate, the title of the office for which he or she is running, the party nomination which he or she seeks, if running in a partisan primary election, the date of the election, a certification of the candidate’s complete voter registration and party affiliation/preference history for the preceding 10 years, or for as long as he or she has been eligible to vote in the state if less than 10 years, if running for a voter-nominated office.

A “**Nomination Paper**” with the requisite number of sponsor signatures required for the office sought.

Signers of nomination papers for write-in candidates shall be voters in the district or political subdivision in which the candidate is to be voted on.

No filing fee or charge shall be required of write-in candidate.

Write-in candidates are subject to the same requirements as other candidates with regard to disclosure of economic interests and campaign disclosure. (Gov. Code 82007)

Notwithstanding any other provision of law, a person may not be a write-in candidate at the general election for a voter-nominated office. (Elections Code §8606)

The Elections Department will provide vote centers with a list of **qualified write-in candidates**.

OFFICES OMITTED FROM BALLOT

Prospective write-in candidates should note that write-in candidacy is possible only if the office appears on the ballot. There is provision in the law, however, to require that the offices be placed on the ballot by means of a petition procedure. (Elections Code §7228, 7423, 7673, 7772.1, 8203)

Additional Requirements

No person whose name has been written in upon a ballot for an office at the direct primary may have his or her name placed upon the ballot as a candidate for that office for the ensuing general election unless one of the following is applicable:

WRITE-IN CANDIDACY—Continued

(a) At the direct primary he or she received for a partisan office votes equal in number to 1 percent of all votes cast for the office at the last preceding general election at which the office was filled. In the case of an office that has not appeared on the ballot since its creation, the requisite number of votes shall equal 1 percent of the number of all votes cast for the office that has the least number of votes in the most recent general election in the jurisdiction in which the write-in candidate is seeking office.

(b) He or she is an independent nominee for a partisan office pursuant to Part 2 (commencing with Section 8300).

(c) At that direct primary he or she received for a voter-nominated office the highest number of votes cast for that office or the second highest number of votes cast for that office, except as provided by subdivision (b) of Section 8807.

CAMPAIGN FINANCE AND DISCLOSURE

City and County Candidates ¹

Assembly Bill 571

Pursuant to Assembly Bill 571 (Stats. 2019, Ch. 556, AB 571 Mullin), beginning January 1, 2021 a state campaign contribution limit will by default apply to city and county candidates when the city or county has not already enacted a contribution limit on such candidates. Along with the new campaign contribution limit, there are also other related provisions that formerly applied only to state level candidates that will now apply to city and county candidates. Please note that none of the provisions of AB 571 discussed in this fact sheet apply to candidates in cities or counties for which the city or county has enacted campaign contribution limits.

Current state Contribution Limit

The contribution limit that will now apply to city and county candidates pursuant to AB 571 is updated biennially for inflation. Contribution limits can be found in Regulation 18545(a)2 and on the FPPC website's FPPC Regulation page, www.fppc.ca.gov. The default limit for contributions to city and county candidates subject to AB 571 is set at \$4,900 per election.

¹ this fact sheet is informational only and contains only highlights of selected provision of the law. It does not carry the weight of the law. For further information, consult the Political Reform Act and its corresponding regulations, advice letters, and opinions.

Please note: This section is not comprehensive and does not detail all filing requirements and obligations. For current comprehensive information, consult the appropriate FPPC manual or contact the FPPC directly.

Background

The Fair Political Practices Commission (FPPC) has introduced new forms in order to simplify the filing of campaign statements. The legal requirements of the Political Reform Act are contained in sections 81000 through 91015 of the Government Code. Assistance and information on completing campaign statements is provided by the Technical Assistance Division of the FPPC at (916)322-5660 or (866)275-3772. Those who are already familiar with the filing of campaign statements should read carefully and take note of the introduction of new forms and the revision of older forms.

All candidates for state or local offices and all committees supporting or opposing state or local candidates or ballot measures are subject to the campaign disclosure requirements of the California Political Reform Act of 1974.

[Government Code §§ 81000 *et seq.*]

The FPPC Information Manual and forms are available online at www.fppc.ca.gov and at our office. A candidate should obtain a manual as early as possible into his/her campaign and make certain that the candidate, the committee treasurer,

Please note: The Election Department staff cannot advise you on filling out any FPPC form. Contact the FPPC's toll free number for free, qualified advice at (866)275-3772.

All statements filed are a matter of public record. They may be inspected at our office by anyone and copies may be purchased at ten cents (\$0.10) per page or emailed free of charge. There may be a \$5.00 retrieval fee for documents 5 years or older. [Government Code § 81008]

A \$10.00 per day late filing penalty may be assessed for a statement filed after the prescribed deadline. The First Pre-Election statement, which can be personally delivered or mailed by first-class is considered filed on the date of the post-mark. Certified mail is recommended but not required. The Second Pre-Election Statement must be sent by guaranteed overnight mail or delivered by the candidate or committee. [Government Code § 91013]

Violations of the campaign disclosure law may result in criminal prosecution by the State Attorney General or the County District Attorney; or civil action by the FPPC, the District Attorney, or a private Citizen. [Government Code § 91000]

The FPPC has a form for officeholders for reporting, which is known as the Candidate Intention Statement (Form 501). If you plan to be a candidate for a local office and you intend to receive contributions from others or you plan to expend personal funds on your campaign, you must file a Candidate Intention Statement (Form 501) with the local filing officer before you solicit or receive any contributions.

In addition, if you receive contributions from others totaling \$2,000 or more for your campaign, a statement of Organization Form 410 must be filed with the Secretary of State (and a copy to the local filing officer) within 10 day of receiving \$2,000 in contributions. During the campaign, you will have to file at least four campaign disclosure statements.

[Government Code § 84102]

CAMPAIGN FINANCE AND DISCLOSURE—Continued

Form 501 and establishment of a campaign bank account are not required if you do not solicit or receive contributions from others, and the only expenditures will be your personal funds for a filing fee and/or statement of qualification that will appear in the voter ballot pamphlet.

A 24-hour filing is required when a candidate receives a late contribution. This must be filed and delivered to the office of the El Dorado County Registrar of Voters by personal delivery, telegram, guaranteed overnight service, or by fax. Government Code § 85501 prohibits a candidate's controlled committee from making an independent expenditure to support or oppose another candidate.

A candidate must establish separate committees for each campaign account for which \$2,000 or more has been received. A Statement of Organization (Form 410) must be filed with the Secretary of State and a copy to the local filing officer for each committee.

For details, refer to the Information Manual on Campaign Disclosure Provisions for Officeholders, Candidates, and their Controlled Committees, or call the Fair Political Practices Commission toll free advice line 1-866-ASK-FPPC (1-866-275-3772) if you have questions or need assistance.

Who must file?

The Political Reform Act was adopted by voter initiative in 1974 and has been periodically amended by legislation and initiatives. The Act requires that campaign disclosure reports provide the public with the identity of contributors and amounts they give; and the amount officeholders, candidates, and committees spend.

The following candidates and committees must file campaign statements and should use the manual prepared by the Fair Political Practices Commission as a guide for their filing obligations.

- Candidates for state and local elective office.
- State and local elected officeholders.
- Committees controlled by state and local officeholders and candidates.
- Jointly controlled (slate) committees.

Filing Obligation

All state and local elected officeholders, candidates for state and local elective offices, and their controlled committees are required to file campaign statements at specified intervals (see filing schedule). These dates are set by law and cannot be changed. You will be required to amend your statement if your report is not completed correctly. All committees should file with the appropriate method of delivery, as well.

Failure to file appropriate statements and reports in compliance with the Act can result in substantial criminal, civil, and administrative penalties. In addition, failure to file within the prescribed deadlines can lead to late filing penalties of \$10.00 for each day the statement is late. The law does not allow for extensions of the due dates for the filing of campaign statements. If you file your statement late, you must also submit a written statement explaining why it was late in order to request a waiver of your fine. However, after the filing officer has sent you a specific, written notice regarding your failure to file and if you do not file within ten days of receipt of the notice, the law precludes the filing officer from waiving any fine.

Please refer to the campaign disclosure manual for where to file the various Campaign Statements. The Secretary of State will only consider waiver of fines based upon specified “good cause” reasons for late filings. Acceptable “good cause” reasons involve situations beyond a filer’s control (for example, incapacitating physical illness and natural disasters). The rules for fine waivers are very specific and limited.

Use of Surplus Funds

Campaign funds held by a candidate or officeholder become “surplus” on the closing date for the post-election filing period if defeated in an election, or the date of leaving office, which ever occurs last, unless the funds have been re-designed for a future election prior to that date.

Surplus funds may be spent only in the following manner:

- Payment of outstanding campaign debts;
- Refunding to contributors on pro-rata basis;
- Donations to a bona fide charitable, education, civic, religious or similar tax-exempt, nonprofit organization, provide no substantial part of the proceeds will have a material financial effect on the candidate, on any member of the candidate's immediate family (spouse and children under age 18 who are claimed as deductions for tax purposes), or the campaign treasurer;
- Contributions to a political party or committee, as long as the funds are not used to make contributions in support of or opposition to a candidate for elective office. (The funds must be used for the party or committee’s overhead expenses)
- Contributions to support or oppose any candidate for federal office, any candidate for elective office in a state other than California, or any ballot measure; or
- Payment for professional services or attorneys’ fees for litigation which arises out of campaign or election activities.

[Government Code § 89519]

Termination

Once contributions and expenditures cease for a particular office, all funds are expended, the ending cash balance is \$0.00, and the bank account is closed, an original and one copy of the Form 410 Statement of Organization Termination must be filed with the Secretary of State, and a copy of the Form 410 Statement of Organization Termination, along with an original and one copy of your Form 450 or 460 must be filed with the Registrar of Voters

Please Note: Questions regarding filing obligations should be addressed with the FPPC. You can reach them toll free at 1-866-ask-FPPC (1-866-275-3772).

Campaign Disclosures for Federal Candidates

Provision of the Political Reform Act do not apply to elections for federal offices, including United States Senate and United States Representative. Candidates for federal offices and committees that participate in federal campaigns are subject to federal disclosure requirements.

Assistance for federal candidates and committees may be obtained from the:

Federal Election Commission, 1050 First Street, NE., Washington, D.C. 20463, (800)424-9530

COMBINED CANDIDATE / ANNUAL STATEMENT

Incumbents seeking re-election during the first six months may combine their candidate and annual filing obligations. To do so, both the candidate statement box and the annual statement box on the cover page must be checked and the statement must be filed when filing the Declaration of Candidacy.

A Statement of Economic Interests Instruction Manual and necessary forms will be provided to all applicable candidates. Those candidates who indicate that, as incumbents, they have filed a statement within the past 60 days (checking both the candidate statement box and the annual statement box on the cover page) will be requested to sign an exemption form.

COMMITTEE TREASURERS

Information Provided by the FPPC

Every Recipient Committee Must Have a Treasurer

Under California's Political Reform Act, a person or organization that receives contributions totaling \$2,000 or more in a calendar year to support or oppose state or local candidates or ballot measures qualifies as a "recipient committee" and must have a treasurer. No contributions may be accepted and no expenditures may be made without a treasurer.

The treasurer is responsible for:

- Filing the Committee's statement of organization (Form 419) and termination of the committee;

- Establishing and maintaining a recordkeeping system that ensures the committee complies with the Act's disclosure requirements;

- Verifying and signing the committee's campaign statements and filing them on time;

- Correcting inaccuracies or omission that may occur.

Anyone may act as a committee treasurer. A candidate may serve as his or her own committee treasurer. However, no individual should accept the position of committee treasurer as a mere figurehead. If errors or omissions occur in a committee's recordkeeping and reporting, the treasurer will often be a named party in any resulting enforcement action and may be held personally liable. A committee may appoint one assistant treasurer on its statement of organization to act in place of the treasurer if he or she is unavailable.

To adequately perform his or her duties, a committee treasurer must have a basic understanding of the law and the treasurer's responsibilities.

Treasurer's Responsibilities

Registration

A recipient committee must register under the Act by filing a statement of organization (Form 410) within 10 days of receiving contributions totaling \$2,000 in a calendar year. The committee treasurer must sign the form and see that it is filed on time.

On the Form 410, the committee provides basic information about the committee (such as its name, address, and principal officers) and identifies the individual who will act as the committee's treasurer. If any of the information on the statement of organization changes, the treasurer must file an amendment within 10 days.

If a committee qualifies during the 16 days before an election, or if certain information about the committee (e.g., the name of the committee, the committee treasurer) changes during that period, an amendment to the statement of organization must be filed within 24 hours.

Recordkeeping and Reporting

The treasurer is responsible for the timely and accurate filing of campaign disclosure reports with the appropriate state and/or local filing officers. To accomplish this, the treasurer must see that complete and accurate records of receipts and expenditures are maintained from the very beginning of the committee's operations.

The treasurer is required to maintain the records personally or monitor committee support staff or others that actually perform the recordkeeping duties. The treasurer must also prepare the campaign statements personally or carefully review the campaign statements and records prepared by others. If required information is missing, it is the treasurer's responsibility to obtain it. The treasurer must also monitor compliance with the Act's restrictions on cash contributions, cash expenditures, and with federal and local campaign laws.

All reports and statements must be signed by the treasurer or assistant treasurer.

Candidate Controlled Committee

A candidate or officeholder who controls a committee must make sure the treasurer is adequately performing his or her required duties. If the candidate or officeholder knows or has reason to know the treasurer is not performing adequately, he or she must replace the treasurer or bring the treasurer's performance up to required standards. A controlling candidate or officeholder must sign the committee's campaign statements, verifying that the treasurer has used all reasonable diligence in preparing them.

For Detailed Recordkeeping and Reporting Requirements

- To assist treasurers, the following information is available from the FPPC;
- The Political Reform Act, contained in the California Government Code, Sections 81000- 91014.
- Campaign Disclosure is contained in Chapter 4, Sections 84101-84309:
- Commission regulations are contained in Title 2, Division 6 of the California Code of Regulations.
- Regulation 18401 (Required Recordkeeping)
- Regulation 18426.1 (Assistant Treasurer)
- Regulation 18427 (Duties of Candidates and Treasurers)

Filing is the Responsibility of the Candidate and/or Committee

It is the responsibility of candidates and/or committees to be aware of and to file the required campaign disclosure statements in a correct and timely manner.

Multiple Committee Filing Requirements

Whenever a candidate or officeholder has more than one committee, whether the committees are formed for the same office, or a different office in the same jurisdiction, all committees must file statements each time a committee statement is due.

Whenever an elected officeholder in one jurisdiction runs for an elected office in another jurisdiction, the officeholder and all committees he/she controls must file campaign disclosure statements with the filing officer in the jurisdiction in which the officeholder holds office **AND** in which the officeholder is seeking office.

opposed is being voted on, committees must file quarterly campaign statements in addition to semi-annual statements. Following the election, quarterly statements may also be required. Contact the FPPC for specific information;

COMMITTEE TREASURERS—Continued

Additional Notes:

- **Primarily formed Ballot Measure Committees:** Prior to the semi-annual period in which the measure(s) supported or opposed is being voted on, committees must file quarterly campaign statements in addition to semi-annual statements. Following the election, quarterly statements may also be required. Contact the FPPC for specific information.
- **Form 470:** Candidates that did not have a committee or raise/spend \$1000 in 2013, may file Form 470 on March 22, 2014. Form 470 cannot be filed for other deadlines if the candidate has a committee or has raised/spent \$1000 or more in 2014. After filing a Form 470, if the candidate raises/spends \$1000 or more in 2014, see *Campaign Manual 2*, Chapter 4 for additional required filings;
- **Candidates:** Contact the FPPC for revised reporting deadlines in the event of a runoff election. After an election, reporting requirements will depend on whether the candidate is successful and whether a campaign committee is maintained;
- Except for deadlines that fall on a Saturday, Sunday, or an official state holiday, filing deadlines may not be extended. Late statements are subject to a \$10 per day late fine;
- All statements are public documents. Paper reports may be mailed by first class mail unless otherwise noted;
- Local jurisdictions may impose contribution limits and additional filing requirements; (El Dorado County is under Assembly Bill 571)
- Refer to the appropriate campaign disclosure manuals for information on where to file statements.

(b) For purposes of this section, the use of a reproduction or facsimile of a seal in a manner that creates a misleading, erroneous, or false impression that the document is authorized by a public official is evidence of intent to deceive.

(c) For purpose of this section, the term “local government agency” means a school district, special or other district, or any other board, commission, or agency of local jurisdiction.

MASS MAILING

Each candidate filing a Declaration of Candidacy is to be apprised of Government Code §84305, which is produced here:

(a) (1) Except as provided in subdivision (b), a candidate, candidate controlled committee established for an elective office for the controlling candidate, or political party committee shall not send a mass mailing unless the name, street address, and city of the candidate or committee are shown on the outside of each piece of mail in the mass mailing and on at least one of the inserts included within each piece of mail of the mailing in no less than 6-point type that is in a color or print that contrasts with the background so as to be easily legible. A post office box may be stated in lieu of a street address if the candidate’s, candidate controlled committee established for an elective office for the controlling candidate’s, or political party committee’s address is a matter of public record with the Secretary of State.

(2) Except as provided in subdivision (b), a committee, other than a candidate controlled committee established for an elective office for the controlling candidate or a political party committee, shall not send a mass mailing that is not required to include a disclosure pursuant to Section 84502 unless the name, street address, and city of the committee is shown on the outside of each piece of mail in the mass mailing and on at least one of the inserts included within each piece of mail of the mailing in no less than 6-point type that is in a color or print that contrasts with the background so as to be easily legible. A post office box may be stated in lieu of a street address if the committee’s address is a matter of public record with the Secretary of State.

(b) If the sender of the mass mailing is a single candidate or committee, the name, street address, and city of the candidate or committee need only be shown on the outside of each piece of mail.

(c) (1) A candidate, candidate controlled committee established for an elective office for the controlling candidate, or political party committee shall not send a mass electronic mailing unless the name of the candidate or committee is shown in the electronic mailing preceded by the words “Paid for by” in at least the same size font as a majority of the text in the electronic mailing.

(2) A committee, other than a candidate controlled committee established for an elective office for the controlling candidate or a political party committee, shall not send a mass electronic mailing that is not required to include a disclosure pursuant to Section 84502 or 84504.3 unless the name of the committee is shown in the electronic mailing preceded by the words “Paid for by” in at least the same size font as a majority of the text in the electronic mailing.

(e) For purposes of this section, the following terms have the following meaning:

(1) "Mass electronic mailing" means sending more than two hundred substantially similar pieces of electronic mail within a calendar month.

(2) "Sender" means the candidate, candidate controlled committee established for an elective office for the controlling candidate, or political party committee who pays for the largest portion of expenditures attributable to the designing, printing, and posting of the mailing which are reportable pursuant to Sections 84200 to 84217, inclusive.

(3) To "pay for" a share of the cost of a mass mailing means to make, to promise to make, or to incur an obligation to make, any payment: (A) to any person for the design, printing, postage, materials, or other costs of the mailing, including salaries, fees, or commissions, or (B) as a fee or other consideration for an endorsement or, in the case of a ballot measure, support or opposition, in the mailing.

(f) This section does not apply to a mass mailing or mass electronic mailing that is paid for by an independent expenditure.

(Amended by Stats. 2017, Ch. 546, Sec. 4. (AB 249) Effective October 7, 2017. Operative January 1, 2018, by Stats. 2017, Ch. 546, Sec. 29. Note: This section was added on June 4, 1974, by initiative Prop. 9.)

Court decisions (*National Broadcasting Co., Inc. Et al., Cleland, et al. No. 88-320 M.D. Ga., November 1, 1988*) and (*The Daily Herald Co. v. Munro No. 84-4005 9th Circuit, November 2, 1984*) indicated that the 100 foot limit was not justified when applied to exit polling.

Based on these decisions, the Secretary of State, in consultation with the California Attorney General’s Office, in the 1980’s concluded that a 25-foot limit on exit polling was enforceable.

CANVASS / CERTIFICATION

Canvass is a process of reconciling numbers and the supplemental counting of vote-by-mail ballots turned in at the vote centers, provisional, CVR and write-in ballots. The numbers of voted ballots reported by vote center staff and vote-by-mail ballots are matched to what the computer counted. California law permits 30 days to complete the final, official canvass and certify the results of the election. This provision of the law recognizes the complexity of completing the ballot count and conducting a thorough audit of the election results to ensure accuracy. The canvass process is a legally required manual recount of the votes cast for all candidates and measures on the ballot in 1% of the voting precincts and vote by mail batches. This manual process verifies the accuracy of the computer count.

Candidates and members of the general public are invited to observe ballot counting and the manual tally of ballots from the randomly selected 1% of the voting precincts and vote by mail batches. The canvass is complete when the Registrar of Voters signs the certification of the election results. [Elections Code §§ 335.5, 15360, 15372, 15620]
