Ballots for the November 3, 2015 Districts Election will be mailed to eligible voters beginning October 5<sup>th</sup>. Today is also the first day a voter can request a vote by mail ballot in the Elections Department.

Roughly 35,000 voters are eligible to participate in this election, to verify if you are an affected voter visit the elections website [here](#) and follow the link for polling place/sample ballot lookup.

Since 2002, any voter can submit a single request to automatically receive their ballot by mail every election. Voters may also request to vote by mail for a single election. The deadline to request a vote by mail ballot through the mail for the November 3 General Election is October 28. A vote by mail ballot application is in each Sample Ballot pamphlet mailed to voters.

Voters can check the return status of their voted ballot on the Elections Department website at the link above. Vote by Mail ballots are the first ballots counted and comprise the first results released on Election Night.
