Re: Response to Grand Jury Final Report 2003/2004

CC: El Dorado County Board of Supervisors

Dear Judge Wagoner,

I agree with the finding of the 2003/2004 Grand Jury report regarding the South Lake Tahoe Office of the Recorder-Clerk:

FINDINGS

- (1) The fire extinguisher is located in an adjacent janitor's office, rather than in the Recorder's office.
- (2) There is no fire sprinkler system in place.

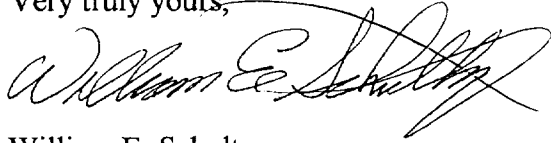

RECOMMENDATIONS

- (1) The recommendation has not yet been implemented, however,
I have submitted a written request to General Services Department for the installation of a fire extinguisher within the office of the Recorder-Clerk.
 - (a) It is anticipated that the General Services department will install the fire extinguisher by the end of July 2004.

As a part of my work request to General Services, I have mentioned the Grand Jury's finding concerning the lack of a Fire Sprinkler system in the Recorder-Clerk office.

This concludes my report, if you have any questions please call me at 530-621-5494.

Very truly yours,
