

## CHAPTER 5.0 PROPOSED GENERAL PLAN MODIFICATIONS

Since release of the Draft General Plan on April 9, 2003, the following modifications are recommended to clarify, amplify, and/or provide minor technical corrections to four equal-weight alternatives. Where information is deleted, it is shown in ~~strikeout~~ format. Where information is added, it is underlined.

The following changes are shown sequentially (by page number) in the order in which they appear in each of the three volumes that comprise the four equal-weight General Plan alternatives. These changes are also referenced in Chapter 4.0 (Responses to Comments) where appropriate.
