

Integrated Natural Resources Management Plan Stakeholders Advisory Committee

Purpose: The purpose of the Integrated Natural Resources Management Plan Stakeholders Advisory Committee (ISAC) is to provide recommendations to County staff, the Planning Commission, and the Board of Supervisors in defining the important habitats of the County and in the creation and implementation of the INRMP.

Duties and Responsibilities: The duties and responsibilities of the ISAC are to review pertinent documents relating to the preparation of the INRMP as provided by staff, attend scheduled meetings, and provide recommendations to staff which will be forwarded to the Planning Commission and Board of Supervisors. ISAC members will provide input to staff and decisions makers based on their knowledge of the county, any area of special expertise that they may have, and on what they believe is in the best interest of the County as it relates to development of the INRMP.

Meetings: Meetings of the INRMP will be scheduled on an as-needed basis, with at least 10-day notice to members. These meetings are also subject to the open meeting requirements of the state of California (Brown Act), with public notice provided by staff as required by law.
