RE: **Alto Continuance (Z06-0005, PD06-0006, TM06-1408)**

This project was continued to the September 25th meeting in anticipation of several issues being resolved prior to the hearing. Unfortunately, additional time is required. Staff will be requesting a continuance to a date certain so that this project along with the La Canada project can be considered together. Since the project was continued to this hearing, you may want to accept public testimony.

Please call me at 621-7698 prior to the meeting if you have any questions.
