The Commission reserves the right to waive said rules by a majority vote. **Please note:** Public Forum/Public Comment is for comment only. No action will be taken on these items unless they are scheduled on a future agenda.

The Planning Commission is concerned that large amounts of written information submitted to the Planning Commission the day of a public hearing might not receive the attention it deserves. To ensure delivery to the Commission prior to the hearing, any written information from the public must be received by the Planning Department by Thursday the week prior to the meeting. The Planning Department cannot guarantee that any FAX or mail received the day of the Commission meeting will be delivered to the Commission prior to any action.

All Planning Commission hearings are tape recorded. Tapes are \$5.00 each, and anyone wishing to purchase a tape may do so by contacting Planning Services after the hearing.
