Dear Roger:

The above-referenced matters are currently scheduled to be heard by the El Dorado County Planning Commission at its meeting on May 28, 2009. At this time, the applicants, Dan and Laura Parkes, would like to ask that the hearing be continued to allow for further discussions with neighboring property owners and El Dorado County staff. We would like to ask that it be rescheduled to a date certain to minimize the impact of this request on all interested parties.

Based on discussions I have had with Gina Hunter, I think that an appropriate date to have these matters heard would be July 9, 2009.

Thank you for your consideration.

Sincerely,

Joel M. Korotkin
