RE: Density Bonus Calculation Agenda Item

The purpose of this memo is to clarify the intent of the Density Bonus Workshop schedule for the November 12, 2009 Planning Commission agenda. Per the Commission's direction, staff will provide discussion and illustration of how the density bonus is calculated for projects pursuant to Policy 2.2.4.1 of the General Plan. It is not the intent of this workshop to discuss the merits of the policy or whether it should be amended. Please contact me if you have any questions.
