Gentlemen,

I am a resident at Kirkwood in the East Meadows development approximately across the meadow from the proposed parking lot (322 East Meadows Drive). I have read the materials prepared by Tim Gonzales and I am stunned that this proposal has moved this far along without adequate notice to the residents of Kirkwood.

From my standpoint, the proposed parking lot is not needed to provide parking for the skiers and would create a visual blemish from the East Meadows development, particularly from my home.

At a minimum, I would suggest that more of the Kirkwood homeowners be allowed to comment on this proposal. At maximum, I would suggest that the proposed parking lot be rejected and the wooded area be left as it is now.

Thank you for your consideration.

Sincerely,

Louis Drapeau
