To ensure delivery to the Zoning Administrator prior to the hearing, any written information from the public must be received by the Planning Department by **June 1, 2004**. The Planning Department cannot guarantee that any FAX or mail received the day of the hearing will be delivered to the Zoning Administrator prior to any action.

It is important that the applicant or applicant's representative attend the hearing no later than 10:00 A.M., as agenda items may be heard out of order and hearings often proceed quickly. If attendance is not possible, the project planner should be contacted prior to the hearing.
